Thomas.choi@asu.edu

OVERVIEW OF RESEARCH OUTPUT

Wisconsin School of Business OMLIST by Enno Siemson Clarivate's Web of Science 2018-2023	Global top ten among all faculty on impact as of 9/25/2026 Link Highly Cited Researcher Link
Ranked one among the "top 50 researchers" in SCM	See Table 1 in Babbar et al., 2019 Link
Google Scholar As of 6/24/2026	All: 29883 Since 2021: 11557 Link

KEY LEADERSHIP ROLES

2007-present	Co-Director , Complex Adaptive Supply Networks Research Accelerator (CASN-RA), Arizona State University. https://research.wpcarey.asu.edu/supply-networks/ https://youtu.be/8W_LhOF7n1g or https://vimeo.com/414925047 https://youtu.be/FaoCXI66804
2018-2021	Lead Volume Editor , <i>The Handbook of Supply Chain Management</i> , Oxford University Press, published in 2022.
2014-2019	Executive Director , CAPS Research, a joint venture of Arizona State University and the Institute for Supply Management.
2011-2014	Co-Editor-in-Chief , <i>Journal of Operations Management</i> .

ACADEMIC POSITIONS

Positions at Primary Institutions

2023-present	Regents Professor , Arizona State University Faculty Insights at W.P. Carey: • https://youtu.be/FaoCXI66804 • https://www.youtube.com/shorts/RZkNN-rJv2s
2021-present	AT&T Professor , W. P. Carey School of Business, Arizona State University
2004-present	Professor , Supply Chain Management Department, W. P. Carey School of Business, Arizona State University
2014-2019	Executive Director of CAPS Research and Harold E. Fearon Eminent Scholar Chair of Purchasing Management, W. P. Carey School of Business, Arizona State University

2013-2014	W. P. Carey Chair of Supply Chain Management, W. P. Carey School of Business, Arizona State University
2010-2013	Bob Herberger Arizona Heritage Chair, W. P. Carey School of Business, Arizona State University
2006-2010	John G. & Barbara A. Bebbling Professor in Business, W. P. Carey School of Business, Arizona State University
2003-2008	Faculty Director, Global SCM Executive Education Program, W. P. Carey School of Business, Arizona State University. For programs with LG Electronics, Samsung, Toyota, and Open Enrollment
2005-2008	Doctoral Program Coordinator, Supply Chain Management Department, W. P. Carey School of Business, Arizona State University
2005-2006	Dean's Council of 100 Distinguished Scholar, W. P. Carey School of Business, Arizona State University
1998-2004	Associate Professor of Operations Management and Supply Chain Management, Department of Management, College of Business, Arizona State University
1993-1998	Assistant Professor of Management, College of Business Administration, Bowling Green State University

Visiting/External Positions by Invitation

2024-present	The Hong Kong Polytechnic University, Department of Logistics and Maritime Studies (LMS), Department Academic Advisor https://www.polyu.edu.hk/lms/people/external-advisors/
2024-present	Complexity Science Hub (CSH) Vienna, External Faculty https://csh.ac.at/people/external-faculty/
2010-present	Cranfield School of Management, Logistics, Procurement, and Supply Chain Management, Bedfordshire, UK https://www.cranfield.ac.uk/som/people/professor-thomas-choi-1268715
2021-present	Kwame Nkrumah University of Science and Technology (KNUST) Business School, Kumasi, Ghana
April 2025	University of Economics in Katowice and Wroclaw University of Economics and Business, Poland
July 2023, April 2021	The American University in Cairo, School of Business, Egypt
Mar-Apr 2023, Jan 2020, March 2016	National Taiwan University, Department of Business Administration, Taipei, Taiwan
Feb 2023	Khalifa University, Industrial and Systems Engineering, Abu Dhabi, United Arab Emirates
2016-2022	Norwegian University of Science and Technology (NTNU), Faculty of Economics and Management, Department of Industrial Economics and Technology Management, Trondheim, Norway
Nov 2022	KAIST Graduate School of Management, Seoul, Korea
July 2021	KAIST Graduate School of Management, Seoul, Korea (In conjunction with IIOF 2021)
Jan 2021	MIT Global SCALE Network—Malaysia Institute for Supply Chain

	Innovation. Winter Academy. (Virtual)
Feb-Mar 2020	Australian National University (ANU), Research School of Management, Distinguished Visitor, Canberra, Australia
Jan 2020	National Yulin University of Science and Technology, College of Management, Taiwan
July 2019, July 2012	Escola de Administracao de Empresas de Sao Paulo da Fundação Getúlio Vargas (FGV-EAESP), Sao Paulo, Brazil
March 2019	Huazhong University of Science and Technology, School of Management, Wuhan, China
March-April 2018	University of Economics at Katowice, Faculty of Management, Katowice, Poland
January 2017, 2015; June 2013	Hong Kong Polytechnic University, Visiting Chair Professor, Hong Kong
February 2015	Saïd Business School, University of Oxford, Oxford, UK
May-June 2014	City University of Hong Kong, Hong Kong
March 2014	Seoul National University Business School, Seoul, Korea
February 2014	Sheffield University Management School, Sheffield, UK
January 2014; Summers 2012, 2011, 2008-2009	Yonsei University Business School, Outstanding Operations Management Professor (2008-2009), Seoul, Korea
July 2013	MIT-Zaragoza International Logistics Program, Zaragoza, Spain
April 2013	L. N. Gumilyov Eurasian National University, Astana, Kazakhstan
Jan 2013, 2012, 2011; June 2007	Inha University, Graduate School of Logistics/Asia Pacific School of Logistics, Incheon, Korea
June 2012; Sept-Oct 2010	University of Melbourne, Faculty of Business and Economics, Melbourne, Australia
Feb 2012	Aalto University School of Science and Technology, Espoo/Helsinki, Finland
May 2011, Summers 2003, 2000, 1999	Visiting Professor of International Operations Management, Thunderbird, the American Graduate School of International Management
March-April 2005	Institute for Industrial Policy Studies, Seoul, Korea

EDUCATION

1992	University of Michigan; Industrial and Operations Engineering; Ph.D.; Advisor: Jeffrey K. Liker
1980	University of California, Berkeley; A.B.

TEACHING

Undergraduate	Supply Management (SCM 355)
MBA	Operations and Supply Management (SCM 502)
Doctoral	Supply Management Seminar (SCM 799)

RESEARCH INTERESTS

Supply Chain Design and Network Structures
 Multi-tier Supply Chain Management
 Triads and Tetrads in Supply Networks
 Supply Networks as Complex Adaptive Systems
 Supply Chain Financing and Deep Tier Financing

ACADEMIC RECOGNITIONS AND HONORS

2026	Listed in the 2025 Stanford/Elsevier Global Top 2% Scientists
2026, 2025, 2024, 2023, 2022	W. P. Carey Excellence in Research summer grant for “your research productivity and contribution to your unit’s research mission”
2025	Best Paper Award, <i>Journal of Supply Chain Management</i> , with Sangho Chae and Glenn Hoetker, “Theorizing the governance of direct and indirect transactions in multi-tier supply chains.”
2023	Regents Professor of Arizona State University https://news.asu.edu/20240222-business-and-entrepreneurship-top-faculty-honor-has-asu-professor-flying-high https://www.youtube.com/watch?v=ahwsLTi4mLQ
2023	Stanford’s global list of the top 2% of Scientists, released on 10/10/2023. https://elsevier.digitalcommonsdata.com/datasets/btchxktzyw/4?fbclid=IwAR0u4xhKMUGIsi_prZLxOIOaMPzV-LNCmolIDYua90eybIVlyE6SI70vyc
2023	Jack Meredith Best Paper Award Runner-Up, <i>Journal of Operations Management</i> , with Seongkyoon Jeong and Adegoke Oke, “Opportunistic Innovation in the Age of Digital Services.”
2022	Best Paper Runner-Up, <i>Journal of Supply Chain Management</i> , with Stephan Wagner and Stefan Kurpjuweit, “Selecting startups as suppliers: A typology of supplier selection archetypes.”
2022, 2021, 2020, 2019, 2018	Highly Cited Researcher, Clarivate Analytics, “exceptional research performance demonstrated by production of multiple highly cited papers that rank in the top 1% by citations for field and year in <i>Web of Science</i> .” https://recognition.webofsciencegroup.com/awards/highly-cited/2019/
2021	Inclusion in the top 2% of scientists worldwide based on a database created by Stanford University. https://news.asu.edu/20210512-16-w-p-carey-professors-named-among-top-2-worldwide
2020	The W. P. Carey School of Business Dean’s Distinguished Career Research Award, Arizona State University
2019	Listed rank 1 globally among the “top 50 researchers” (see Table 1 in Babbar, Koufteros, Behara and Wong, 2019) “based on SCM papers appearing in a set of seven leading journals over the 15 year period.” https://www.emerald.com/insight/publication/issn/1359-8546/vol/24/iss/6
2017	Citation of Excellence 2017, Emerald Publishing, one of the most highly cited and influential paper in management, finance, accounting, economics and marketing, “Renaissance of case research as a scientific method” published in 2014 in the <i>Journal of Operations Management</i> .
2017	Harry Boer Best Paper Award, EurOMA Conference, Edinburgh, with Sangho Chae (lead author), Thomas Kull, and Benn Lawson.

2016	"Honorary Advisor," appointed by the Board of Directors, Supply Management Institute of Taiwan (SMIT)
2016	Harold Fearon Best Paper Award, <i>Journal of Supply Chain Management</i> , with Yusoon Kim, "Deep, Sticky, Transient, and Gracious: An Expanded Buyer-Supplier Relationship Typology"
2014	Faculty Research Award, W. P. Carey School of Business, Arizona State University
2014	Finalists, Harold E. Fearon Best Paper Award, <i>Journal of Supply Chain Management</i> , Institute for Supply Management (Co-author to two of the three papers nominated)
2014	Nominated for the W. P. Carey Outstanding Ph.D. Teaching Award, Arizona State University
2013	W. P. Carey Chair of Supply Chain Management, W.P. Carey School of Business, Arizona State University
2012	Distinguished OM Scholar Award, Operations Management Division, Academy of Management, Boston, MA
2011	Associate Editor Appreciation Award, <i>Journal of Supply Chain Management</i> , Institute for Supply Management
2010-2013	Bob Herberger Arizona Heritage Chair, W.P. Carey School of Business, Arizona State University
2010-2012	Vice President at Large/Member of Board of Directors, Decision Sciences Institute
2009	Finalist for the Harold E. Fearon Best Paper Award, <i>Journal of Supply Chain Management</i> , Institute for Supply Management
2009	Associate Editor Appreciation Award, <i>Journal of Supply Chain Management</i> , Institute for Supply Management
2008-2009	Outstanding Operations Management Professor, Yonsei University, Seoul, Korea
2008	Associate Editor Appreciation Award, <i>Journal of Supply Chain Management</i> , Institute for Supply Management
2008	Nominated for the Outstanding Faculty Award for the Doctoral Programs, W. P. Carey School of Business, Arizona State University
2007	Best Paper Proceedings/Finalist for the Chan Hahn Best Paper Award, Annual Meeting of the Academy of Management
2006-2010	John G. & Barbara A. Bebbling Professor in Business, W.P. Carey School of Business, Arizona State University
2006	Best Paper Award, <i>Journal of Operations Management</i>
2005-2006	Dean's Council of 100 Distinguished Scholar, W.P. Carey School of Business, Arizona State University
2003	Nominated for the Board of Governors, Academy of Management
2003	Honorable Mention, one of the top three papers published in 2002, <i>IEEE Transactions on Engineering Management</i>
2000	Best Article on Global Business, <i>Business Horizons</i>

- 1998 Finalist for the best paper award, The First North American Research Symposium in Purchasing and Supply Management, National Association of Purchasing Management
- 1998 Contributing Author, *Becoming Lean*, Shingo Prize for Excellence in Manufacturing Research
- 1997 Senior Research Fellowship, Institute for Supply Management (formerly National Association of Purchasing Management)
- 1993 Best Paper Proceedings, Operations Management Division, Annual Meeting of the Academy of Management
- 1990 Rackham Dissertation Fellowship, University of Michigan

GRANTS AND FUNDING

- 2023-present "Analyzing and Securing Sustainable Food Supply Chains: Korea and Vietnam." Principal Researcher: Antonio Lau (Kyunghee University, Korea), US\$240,000 (all direct expenses), **National Research Foundation, Korea**. Foreign Collaborators: Thi Thu Huong Trinh (Foreign Trade University, Vietnam), Thomas Choi (Arizona State University) and Yuya Kajikawa (University of Tokyo).
- 2020-2025 "Center for Applied Research and Innovation in Supply Chain-Africa (CARISCA)," A partnership funded by Arizona State University and Kwame Nkrumah University of Science and Technology in Ghana, Principal Investigator/Executive Director: Dale Rogers. US\$15 Million from **USAID**. Senior Technical Advisors: Adegoke Oke, Thomas Choi, Mohan Gopalakrishnan, and Thomas Kull.
Africa Supply Networks Research Accelerator (ASN-RA) [ASN-RA video](#)
- 2021-2025 "Self-Organization of the Shadow System: Blockchain Technology in Supply Chains," Principal Researcher: Artur Swierczek (University of Economics in Katowice, Poland), US\$43,000 from **Polish National Agency for Academic Exchange**. Foreign Advisor: Thomas Choi (Arizona State University)
- 2020-2025 "Creating Supply Chain Emergence through Blockchain Technology: Implications for the Network Rent in the Transitive Service Triads," Principal Researcher: Artur Swierczek (University of Economics in Katowice, Poland), US\$135,000 from **National Science Center, Poland**. Project Consultant: Thomas Choi (Arizona State University).
- 2016-2019 "Effects of Network Governance on the Competitive Advantage of Supply Chains," Principal Researcher: Artur Swierczek (University of Economics in Katowice, Poland), US\$100,000 from **National Science Center, Poland**. Leading Foreign Collaborator: Thomas Choi (Arizona State University), Project Participants: Natalia Szozda (University of Economics in Wroclaw, Poland) and John Fowler (Arizona State University).
- 2016-2018 "Quality Incentive Strategies in a Multi-Tier Supply Chain: Comparison of Practices in Korea and U.S. and Introduction of Proactive Incentive Strategies," Principal Researcher: Seung Ho Yoo (Sunmoon University, Korea), US\$100,000 from **National Research Foundation, Korea**. Foreign Collaborator: Thomas Choi (Arizona State University), Domestic Collaborator: Daesoo Kim (Korea University).

- 2015-2016 "Joint Consideration of Cost and Revenue in Sourcing Decisions," Project funded by Dell through Center for Services Leadership (CSL), with Felicia Morgan and Ajith Kumar.
- 2010-2013 "Supply Network Design and Product Environmental Performance," **National Science Foundation**, \$316, 205. Project Lead: Kevin Dooley and Research Consultant: Thomas Choi. Center for Supply Networks (CaSN).
- 2010-2012 "Network Forms and Innovation: Case of Indian Bicycle Supply Networks," the University of Melbourne, \$15,000. With Vikram Bhakoo (project leader) and Giles Hirsh.
- 2008-2010 "Buyer-Supplier Relationships at Toyota: A Network Embeddedness Perspective," CAPS Research, \$30,000, direct expenses. With Yusoon Kim
- 2005-2007 "High Performance Strategies for Rationalized Supply Base with Deep Supplier Relationships," CAPS Center for Strategic Supply Research, \$25,000 plus direct expenses. With Robert Monczka
- 2002-2003 "A Study of Structural Hole in Multi-Tier Supply Chains in the Aerospace Industry," Institute for Manufacturing Enterprise Systems, Arizona State University, \$37,400. With Mark Henderson
- 2002 "Supply Network Archetypes and Emergent Rules," Dean's Award for Excellence Summer Research Grant and Department of Management Summer Research Grant, College of Business, Arizona State University, \$24,000.
- 2000-2002 "Scalable Theory of Enterprises: Control versus Emergence," the Engineering Directorate, **National Science Foundation**, \$200,000, Principal Investigator with Co-Investigators, Kevin Dooley and Nong Ye
- 2000 "Unveiling the Structure of Supply Networks: Toward Building the Theory of Supply Chain Management," Department of Management Summer Research Grant, \$10,000. (all direct cost)
- 2000 "Integrating Computer-Based Activities and Assignments into the OPM 502 Curriculum," Day MBA Program, College of Business, Arizona State University, \$7,500 and a laptop.
- 1999-2000 "Business Implications of Rapid Prototyping Technology," the Manufacturing Institute, Arizona State University, \$29,938. With Kevin Dooley and Ampere Tseng
- 1999 "Restructuring OPM 502 Curriculum for Evening MBA Program, College of Business, Arizona State University, \$13,500. With D. Smith-Daniels and Manus Rungtusanatham.
- 1999 "Developing Multimedia and Web-Based Curriculum for OPM 502," Department of Management Summer Grant, \$9,000. With D. Smith-Daniels and Manus Rungtusanatham.
- 1998-1999 "Supply Network at Chrysler," the Center for Advanced Purchasing Studies, \$5,000. (all direct cost)
- 1997-1999 "Properties of Supply Network Structure," the National Association of Purchasing Management's Senior Research Fellowship, \$5,000. (all direct cost)

- 1994-1998 "Purchasing dynamics in the post-modern United States: Mapping out transaction cost economics in network forms," the Ohio Board of Regents' Research Challenge Program and Bowling Green State University, \$2,000. (all direct cost)
- 1995-1997 "Product development across a supply chain: The case of the defense industry," the Air Force Office of Scientific Research and the University of Michigan, \$8,000
- 1994-1995 "Supplier evaluation and selection from a multi-tier perspective," Faculty Research Committee and School of Business Administration, Bowling Green State University, \$5,600
- 1993-1995 "Purchasing strategies of Japanese OEMs toward the U.S. parts suppliers," the Air Force Office of Scientific Research and University of Michigan, \$7,000

INDUSTRY OUTREACH

Last Five Years

- 2022, 2021, 2018, 2016, 2009-2011 LG Electronics, Seoul, Korea
- 2019-2020 Samsung, Seoul, Korea
- 2014-2019 Member companies of CAPS Research; Our contact points were CPOs or CSCOs of Fortune 500-type companies; Worked with the Executive Advisory Board
<https://www.capsresearch.org/about-caps-research/our-member-companies/>

Past Involvement

- Accenture/Caterpillar, Peoria, IL
- Arizona Public Services (APS), Phoenix, AZ, USA
- Avnet, Phoenix, AZ USA
- Beta LaserMike, Dayton, OH, USA
- Boeing, Mesa, AZ, USA
- Boeing, Seattle, WA, USA
- BMW, Spartanberg, SC, USA
- Bristol-Meyers Squibb Company, Princeton, NJ, USA
- CENTRA Technology and undisclosed government thinktank, DC, USA
- Cessna, Wichita, KS USA
- Chore-Time Brock, Milford, IN, USA
- CommScope, NC, USA
- DaimlerChrysler, Auburn Hills, MI, USA
- Dana Corporation, Toledo, OH, USA
- Dell, Austin, TX, USA
- e2Open, USA
- Ford Motor, Sterling Heights, MI, USA
- General Motors, Warren, MI, USA
- Honda of America, Marysville, OH, USA
- Honeywell, Phoenix, AZ USA
- Hyundai Motor, Seoul, Korea
- IBM, Raleigh/Durham, NC, USA
- Institute for Industrial Policy Studies, Seoul, Korea

Japan Technology Program, University of Michigan, Ann Arbor, MI, USA
 Korean Air Lines (KAL), Seoul, Korea
 Korean Management Association Consultants, Seoul, Korea
 L.E.K. Consulting, MA, USA
 Lucas-Varity, USA and Great Britain
 Motorola, Chandler, AZ, USA
 Nuscale Power, USA
 Parker Hannifin Corporation, Forest, OH, USA
 Pratt& Whitney, Montreal, Quebec, Canada
 Raytheon, St. Petersburg, FL
 Raytheon, Tucson, AZ, USA
 Samsung Corporation, Seoul, Korea
 SAP Asia, Singapore
 SK Telecom, AZ USA
 Swan Logistics, Hong Kong, China.
 Toyota Motor Manufacturing, Erlanger, KY, USA
 TRW Automotive, Farmington Hills, MI, USA
 Tyco Electronics, Lynchburg, VA
 Unified Grocers, Commerce, CA, USA
 U.S. Department of Labor/Lawrence Berkeley National Laboratory, USA
 Volvo Group, Gothenburg, Sweden
 World Super Services/Summit Logistics, Phoenix, AZ, USA

DISSERTATION COMMITTEES/POSTDOC ADVISING

Chair/Co-Chair/Advisor

2021-present	Wenting Li , fourth-year student
2017-2022	SK Jeong , "Management of Digital Supply Chains." Assistant Professor at the University of Tennessee
Graduated in 2017	Sangho Chae , "Theorizing Supply-Chain Buy Versus Supply Chain-Make." Associate Professor at Warwick Business School, UK.
Graduated in 2016	"Sophie" Yang Yang , "Reframing Buyer-Supplier Agency Problems Beyond the Dyad." Associate Professor at Baylor University
Graduated in 2011	Mei Li , "Services Outsourcing: Implications of Bridge Transfer." Associate Professor at the University of Oklahoma
Graduated in 2011	Veronica Villena ; Instituto de Empresa (IE), Madrid, Spain. Co-chair with Elena Revilla at IE. "Two Faces of Collaborative Buyer-Supplier Relationships: Social Capital Versus Social Liability." Associate professor at Arizona State University.
Graduated in 2010	Yusoon Kim , "Expanding Buyer-Supplier Relationships: Adoption of Network Embeddedness Perspective." Associate Professor at Oregon State University.
Graduated in 2006	Christian Rossetti , "Supply Chain Disintermediation: An Agency Perspective on Buyer-Supplier Relationships under Incongruent Goals." Associate Professor at Georgia Southern University.
Graduated in 2003	Zhaohui Wu , "Supplier-Supplier Relationships and Their Effects on Supply Performance: An Empirical Study." Full Professor at Oregon State University.

Post-Doctoral Advising

2012 **Marko Bastl**, Cranfield School of Management, “Dyads, Triads, and Servitizations.” Associate Professor at Marquette University.

Member

2012-2018 **Rauan Yergaliyev**, L. N. Gumilyov Eurasian National University, Astana, Kazakhstan. Foreign Co-Advisor

Graduated in 2013 **Alberto Hernansanz**, Instituto de Empresa (IE) Business School “The impact of outsourcing on safety performance”

Graduated in 2011 **Tingting Yan**, Arizona State University, Assistant Professor at Wayne State University

Graduated in 2005 **Murat Kristal**, University of North Carolina, Chapel Hill, Graduated in 2005; Assistant Professor at York University. Promoted to Associate Professor with Tenure in 2009

INVITED TALKS, LECTURE SERIES, AND OTHERS

April 2026	Yonsei University Business School, Seoul, Korea
April 2026	Inha University, College of Business Administration, Incheon, Korea
February 2026	Auburn University, Harbert College of Business, Department of Supply Chain Management
June 2025	Fifth Interdisciplinary Workshop on Firm-Level Supply Networks: Reconstruction and Dynamics, Oxford, UK
June 2025	External Faculty Meeting, Complexity Science Hub, Vienna, Austria
May 2025	Keynote, International Doctoral Seminars, Delivered virtually, Hosted by Wroclaw University of Economics and Business, Poland. https://sd.uew.pl/international-doctoral-seminars/
March 2025	Rutgers Business School, Supply Chain Financing 2025, Newark, NJ
January 2025	Distinguished Lecture, City University of Hong Kong, Dongguan, China
October 2024	Keynote, ASU-SNAI Executive Forum, Shanghai, China
October 2024	China-Europe International Business School (CEIBS), Shanghai, China
October 2024	Nottingham University Business School, Ningbo, China. The Center for Responsible Business and Innovation, "Let'S talk" series.
October 2024	Seoul National University Business School, Seoul, Korea
October 2024	Yonsei University Business School, Seoul, Korea
October 2024	Korea University Business School, Seoul, Korea
June 2024	Vienna University of Economics and Business, Austria
June 2024	Complexity Science Hub, Vienna, Austria
June 2024	University of Exeter Business School, UEBS-ASU Workshop, Exeter, UK
February 2024	Kwame Nkrumah University of Science and Technology (KNUST), Kumasi, Ghana
June 2023	Complexity Science Hub, Vienna, Austria.
May 2023	Key note, The Second International Workshop on Complexity, Politico di Bari, Italy. Delivered virtually.

March 2023	National Yangming Chiatung University, Taipei, Taiwan
February 2023	Khalifa University, Industrial and Systems Engineering, Abu Dhabi, UAE
November 2022	Yonsei University, School of Business, Operations Management, Seoul, Korea
November 2022	Korea Production and Operations Management Society (KPOMS), Incheon, Korea
November 2022	INET-Vienna Complexity Science Hub. Delivered virtually.
October 2022	Key note, LG Procurement Conference 2022. Delivered virtually.
May 2022	University of Auckland, the Centre for Supply Chain Management, New Zealand. Delivered virtually.
April 2022	Rutgers Business School, Department of Supply Chain Management, NJ
March 2022	Key note, Supply Chain Finance Community, Special Interest Group, IPSERA. Delivered virtually.
February 2022	Member of a Panel on “Just-in-Time or Just-in-Case,” POMS College of Operations Excellence. Online forum. https://www.youtube.com/watch?v=Yx0ZP40BtSs&t=337s
January 2022	Saint Louis University, Center for Supply Chain Excellence, MO, Delivered virtually.
July 2021	KAIST Graduate School of Management, Seoul, Korea
July 2021	Inha University, College of Business Administration, Incheon, Korea
June 2021	Incheon International Ocean Forum 2021, Incheon Port Authority, Korea
June 2021	Key note, XXX International ACEDE Conference, Cartagena, Spain, Delivered on line
May 2021	Adam Smith Business School, University of Glasgow, Scotland, UK, delivered via zoom
May 2021	Distinguished Professor Program, Nisantasi University, Turkey. Delivered via zoom.
December 2020	Department of Business and Economics, Central European University, Budapest. Delivered via zoom.
July 2020	Key note, The 14 th International Conference on Operations and Supply Chain Management (ICOSCM), organized by the Association of Supply Chain and Operations Management (ASCOM), China Europe International Business School (CEIBS) and Macquarie Business School (MQBS). Delivered via zoom.
June 2020	The First International Research Symposium on Supply Chain Financing, Beijing, China. Delivered via zoom.
April 2020	ESADE Business School, Barcelona, Spain. Delivered via zoom after the cancelled trip due to Covid-19.
March 2020	Institute of Transport and Logistics Studies, University of Sydney, Sydney, Australia
March 2020	Research School of Management, Australian National University, Canberra, Australia

Feb 2020	Public Lecture, Australian National University, Canberra, Australia
Jan 2020	City University of Hong Kong, Hong Kong
Jan 2020	University of Hong Kong, Hong Kong
Jan 2020	National Yulin University of Science and Technology, Taiwan
Jan 2020	National Taiwan University, Taiwan
Mar 2019	Huazhong University of Science and Technology, Wuhan, China
Mar 2019	Samsung Electronics, Suwon, Korea
Feb 2019	Cranfield School of Management, the UK
Feb 2019	Copenhagen Business School, Denmark
Nov 2018	UPC University and CSCMP, Lima, Peru. (Delivered virtually)
July 2018	Cranfield School of Management, Cranfield, UK.
June 2018	Vehicle Component (VC) Division, LG Electronics, Seoul, Korea
April 2018	Procurement Executive Group (PEG) for the Engineering and Construction Industry, Spring Meeting, Scottsdale, AZ (co-presented with Dale Rogers)
March 2018	Faculty of Management, University of Economics at Katowice, Poland
March 2018	Keynote address, IPSERA 2018—International Purchasing & Supply Education & Research, Athens, Greece
Feb 2018	Institute for Manufacturing, Manufacturing Analysis Symposium, University of Cambridge, UK
Feb 2018	Opening note, Seminar on Digitalization in the Supply Chain, Operations Management Group at the Department of Industrial Economics and Technology Management, Norwegian University of Science and Technology (NTNU)
August 2017	Arizona Healthcare Materials Management Association (AHMMA), Scottsdale, Arizona
June 2017	Keynote, NOFOMA 2017—The Nordic Logistics Research Network, Lund, Sweden
May 2017	Norwegian University of Science and Technology (NTNU), Department of Industrial Economics and Technology Management, Trondheim, Norway
Jan 2017	Hong Kong Polytechnic University, Hong Kong
Nov 2016	Keynote address, the annual meeting of Supply Management Institute of Taiwan, Kaohsiung, Taiwan
Nov 2016	National Kaohsiung University of Science and Technology, Kaohsiung, Taiwan
Oct 2016	Institute for Supply Management—Arizona, Phoenix, AZ (with Dale Rogers)
Sep 2016	Semi-Plenary Session, World Conference, Production and Operations Management Society, Havana, Cuba
Aug 2016	Norwegian University of Science and Technology (NTNU), Faculty of Social Sciences and Technology Management, Trondheim, Norway
June 2016	Keynote, Information Systems Logistics and Supply Chain (ILS) International Conference, Bordeaux, France

Mar 2016	Inha University, BK Distinguished Lecture Series, Incheon, Korea
Mar 2016	National Taiwan University, National Chiao Tung University, National Kaohsiung University of Science and Technology, Taipei and Kaohsiung, Taiwan
Feb 2016	Wiring Harness Manufacturers Association, Scottsdale, AZ
Feb 2016	Learning Lab presentation for C2FO (with Dale Rogers), sharedserviceslink.com, Scottsdale, AZ
Jan 2016	Supply Chain Analytics and Optimization Summit, IQPC, Tempe, AZ
Oct 2015	Medicoventures, Brazilian Grant Program, Phoenix, AZ
Feb 2015	CABDyN, Said Business School, University of Oxford, Oxford, UK
Feb 2015	Tilburg School of Economics and Management, the Netherlands
Feb 2015	Rotterdam School of Management, Erasmus University, the Netherlands
Jan 2015	Hong Kong Polytechnic University, Hong Kong
Oct 2014	Cambridge Judge Business School, Cambridge, UK
Oct 2014	15 th Annual Best Practices Workshop, CAPS Research, Phoenix
July 2014	FGV (Fundação Getúlio Vargas), Sao Paulo, Brazil (a SKYPE talk)
May, June 2014	Department of Marketing, City University of Hong Kong
March 2014	Seoul National University Business School, Seoul, Korea
March 2014	Yonsei University, School of Business, Seoul, Korea
March 2014	KAIST College of Business, Seoul, Korea
Feb 2014	Sheffield University Management School, Sheffield, UK
Jan 2014	Yonsei University, School of Business, Seoul, Korea
Sep 2013	University of Cambridge, Institute for Manufacturing, Cambridge International Manufacturing Symposium, UK. Key Note.
July 2013	Zaragoza Logistics Center, Zaragoza, Spain
July 2013	ESADE Business School, Department of Operations and Innovation Management, Barcelona, Spain
June 2013	Institute for Supply Management—Pearl River Delta Area, Hong Kong
June 2013	Public Lecture, Logistics and Maritime Studies, the Hong Kong Polytechnic University, Hong Kong
June 2013	The Hong Kong Polytechnic University, Faculty of Business, Department of Logistics and Maritime Studies Research Seminar, Hong Kong
May 2013	Woosong University, Solbridge International School of Business, Daejeon, Korea
April 2013	L. N. Gumilyov Eurasian National University, Department of Economic Sciences, Astana, Kazakhstan
March 2013	Texas A&M, Mays Business School, Department of Information and Operations Management
Feb 2013	University of Minnesota, Carlson School of Management, Supply Chain and Operations Management Seminar Series
Jan 2013	Inha University, Graduate School of Logistics/Asia Pacific School of

	Logistics, Incheon, Korea
Sept 2012	University of Illinois at Urbana-Champaign, College of Business, Department of Business Administration
June 2012	The 10 th Australia-New Zealand Academy of Management (ANZAM) Operations, Supply Chain & Service Management Symposium. Key note.
June 2012	The University of Melbourne, Faculty of Business and Economics, Melbourne, Australia.
May 2012	Korean Production and Operations Management Society (KPOMS), Seoul, Korea. Featured Speaker.
May 2012	Global Manufacturing Research Group (GMRG) Annual Meeting, Seoul, Korea. Keynote Address.
March 2012	University of Maryland, Robert H. Smith School of Business, College Park, MD
March 2012	University of Western Ontario, Richard Ivey School of Business, London, Canada
Feb 2012	Iowa State University, College of Business, Department of Supply Chain Management, Ames, IA
Feb 2012	Aalto University School of Economics, Helsinki, Finland
Jan 2012	Sookmyung Women's University, Seoul, Korea
Oct 2011	Aalto University School of Science and Technology, Espoo/Helsinki, Finland
Sept 2011	The Brazilian Academy of Management/ANPAD, Rio de Janeiro, Brazil, Key note address for the EOL division.
Mar 2011	Texas Christian University, Neely School of Business, Fort Worth, TX.
Jan 2011	Inha University, Graduate School of Logistics/Asia Pacific School of Logistics, Incheon, Korea.
Dec 2010	Michigan State University, Eli Broad College of Business, Department of Supply Chain Management, East Lansing, MI.
Oct 2010	Toyota Motor Engineering & Manufacturing North America, Erlanger, KY.
Sept 2010	The University of Melbourne, Faculty of Business and Economics, Melbourne, Australia.
May 2010	Cranfield School of Management, Key Account Management (KAM) Best Practice Meeting, Cranfield, England, Key note presentation.
Feb 2010	University of Houston, C. T. Bauer College of Business, Houston, TX.
Jan 2010	Keynote, LG Electronics Global Procurement Managers' Meeting, Seoul, Korea, Delivered to 200+ managers from around the world.
Jan 2010	Yonsei University Graduate School of Business, Seoul, Korea.
Jan 2010	Korea University Business School, Seoul, Korea.
Sept 2009	Arizona State University, Supply Chain Management Department, W. P. Carey School of Business.
August 2009	Cranfield School of Management, Cranfield, England.
June 2009	Erasmus University Rotterdam, Rotterdam, Netherlands.
Sept 2008	Chinese University of Hong Kong
May 2008	Instituto de Empresa (IE), Madrid, Spain.
March 2008	Fudan University, Shanghai, China.
March 2008	China Europe International Business School (CEIBS), Shanghai, China.
Feb 2008	Texas Christian University, Fort Worth, TX

Nov 2007	Institute for Supply Management (ISM)'s 8 th Annual Services Conference, Phoenix, AZ.
Oct 2007	Laurier Business and Economics, Center for Supply Chain Management, Wilfrid Laurier University, Waterloo, Ontario, Canada.
June 2007	Yonsei Business School, Yonsei University, Seoul, Korea.
June 2007	Inha University, Graduate School of Logistics/Asia Pacific School of Logistics, Incheon, Korea.
April 2007	Ohio State University, Department of Management Sciences, Columbus, OH.
April 2007	Ohio State University, Center for Operations Excellence (COE), Columbus, OH.
Mar 2006	Arizona State University, Department of Supply Chain Management, Tempe, AZ.
Oct 2005	Arizona State University and the Korea Economic Institute, Asian Tech Hub Series Business Opportunities in Korea.
May 2004	Sourcing Interests Group's 27 th Semi-Annual Conference, Phoenix, AZ, May 2005.
Mar 2004	Institute of Industrial Policy Studies, Seoul, Korea.
April 2002	Hyundai Auto, Seoul, Korea. Presented to 400+ procurement managers.
April 2002	Institute of Industrial Policy Studies, Seoul, Korea.
April 2002	Motorola, Beijing, China.
Mar 2002	Arizona State University, Department of Supply Chain Management.
Feb 2002	University of Minnesota, Carlson School of Management.
July 2001	SAP Asia Boot Camp and Road Show, Mumbai, Singapore, Seoul, and Shanghai. Key note address at all locations.
Nov 1999	Korea Economic Institute of America and ASU Korean Studies Program
1999	The Supply Chain Management Research Group, Seoul Korea.
1999	The Society for Research of Advanced Logistics Systems, Pusan Korea
1999	University of International Business and Economics, Beijing China.
April 1998	National Association of Purchasing Management, Lima Affiliate
Mar 1998	National Association of Purchasing Management, Dayton Affiliate.
Nov 1995	The State University of New Jersey, Rutgers, Department of Organization Management.
Sept 1995	Bowling Green State University, Department of Management
Oct 1994	Bowling Green State University, Department of Management
Oct 1993	Bowling Green State University, Department of Management
Nov 1989	University of Michigan, Organizational Psychology Program.
Dec 1988	University of Michigan, Interdisciplinary Community of Organizational Studies (ICOS).

PROFESSIONAL SERVICES

Editorial and Review Activities

Co-Initiator of Emerging Discourse Incubator (EDI), "Complex Adaptive Supply Networks in Turbulent Times, Journal of Supply Chain Management, 2023-present.

Co-Guest Editor, International Journal of Production Research, Special issue on "The Agentic Supply Chain: Entering a New Era of AI in Supply Chain Management," 2025-present.

Co-Guest Editor, International Journal of Operations and Production Management, Special

issue on “Managing Emergent Uncertainties through Adaptable Supply Chain Planning,” 2023-2025.

Editorial Advisory Board, Journal of Purchasing and Supply Management, 2013-present.

Associate Editor, Journal of Business Logistics, 2010-present.

Senior Editor, Production and Operations Management, 2010-present.

Associate Editor, Journal of Supply Chain Management, 2007-present.

Guest Editor (Lead), Journal of Business Logistics, Special topic forum (STF) on “Managing Extended Supply Chains,” 2017-2020.

Co-Editor-in-Chief, Journal of Operations Management, 2011-2014.

Associate Editor, Operations Management Research, 2007-2011.

Editorial Review Board, IEEE Transactions on Engineering Management, 1998-2011.

Editorial Advisory Board, Journal of Purchasing and Supply Management, 2013-2011.

Associate Editor, Journal of Operations Management, 2005-2011.

External Reviewer, Natural Sciences and Engineering Research Council of Canada, 2011.

Editorial Review Board, Production and Operations Management, 2005-2010.

External Reviewer, National Science Foundation, 2010, 1997.

Co-Editor of a special issue on “Supply Networks: Theories and Models,” Journal of Supply Chain Management, 2007-2009.

Editorial Review Board, Journal of Operations Management, 1999-2005.

Editorial Review Board, Decision Sciences Journal, 2004-2005.

Academic Review Board, Journal of Supply Chain Management, 1998-2002.

Co-Editor of a special issue on “Technology and Supply Chain Management,” IEEE Transactions in Engineering Management, 2000-2002.

Editorial Review Board, Quality Management Journal, 1997-2000.

Academic Book Reviewer, Oxford University Press, 1997.

Ad Hoc Reviewer, Academy of Management Journal, 1994-1998, 2012.

Ad Hoc Reviewer, Management and Organization Review, 2008.

Ad Hoc Reviewer, International Journal of Production Economics, 2007, 2005.

Ad Hoc Reviewer, International Journal of Operations and Production Management, 2009, 2007.

Ad Hoc Reviewer, IEEE Transactions on Automation Science and Engineering, 2006.

Ad Hoc Reviewer, Production and Operations Management, 2000.

Ad Hoc Reviewer, Annual Review of Sociology, 1999.

Ad Hoc Reviewer, Organization Sciences, 1999.

Ad Hoc Reviewer, International Journal of Quality & Reliability, 1999.

Ad Hoc Reviewer, International Journal of Quality Science, 1997.

Ad Hoc Reviewer, Decision Sciences, 1996-1999.

Ad Hoc Reviewer, Journal of Operations Management, 1996-1998.

Ad Hoc Reviewer, IEEE Transactions on Engineering Management, 1996, 1998.

Ad Hoc Reviewer, OMEGA The International Journal of Management Science, 1995

Responsibilities at Professional Organizations

Leadership roles

Co-Track Chair, Supply Networks, Production and Operations Management Society (POMS) Meeting, 2019-2021. The 2020 meeting cancelled due to COVID-19.

Chair, Education Resource Committee (ERC), Institute for Supply Management (ISM), 2014-2018.

Country Leader, South Korea, the High Performance Manufacturing (HPM) Research Group, 2003-2012.

Program Chair, 2012 Decision Sciences Institute Meeting, San Francisco. Appointed by

the Board of Directors, 2010-2012. Directed/organized the annual meeting; implemented a new conference management system.

Executive Committee Member (Elected by the Board of Directors), Decision Sciences Institute, 2011-2012.

Vice President at Large/Member of Board of Directors, Decision Sciences Institute, 2010-2012.

Co-Chair, Supply Management Track, Annual Meeting of Production and Operations Management Society, Chicago, 2012.

Co-Chair, Supply Management Track, Annual Meeting of the Decision Sciences Conference, San Diego, 2010.

Nominated for Editor-in-Chief of the Academy of Management Perspectives (formerly AME) by the Operations Management (OM) Division at the Academy of Management, 2010. Completed the application process but was not selected.

Coordinator, New Faculty Consortium, OM Division, Academy of Management, 2010.

Executive Board Member, Korea Society of Production and Operations Management, 2008-present.

Organizer/Leader, Complex Adaptive Supply Networks (CASN), Inter-University Informa Research Initiative, 2007-2009. This group is now part of CaSN as shown above.

Co-Coordinator, New Faculty Consortium, Annual Meeting of the Decision Sciences Institute, San Francisco, 2004-2006.

Track Chair, Supply Chain Management Track, Asia-Pacific Decision Sciences Conference, Seoul, Korea, 2003-2004.

Past Division Chair, Operations Management (OM) Division, Academy of Management, 2002-2003.

Co-Track Chair, Supply Chain Management Track, Decision Sciences International Conference, Shanghai, China, 2002-2003.

Division Chair, Operations Management (OM) Division, Academy of Management, 2001-2002.

Division Chair-Elect, Operations Management (OM) Division, Academy of Management, 2000-2001.

Associate Program Chair, Decision Sciences Conference, 2000-2001.

Program Chair, Operations Management (OM) Division, Academy of Management, 1999-2000.

Professional Development Workshop Chair, Operations Management (OM) Division, Academy of Management, 1998-1999.

Editor, The Operations Management (OM) Division Newsletter, Academy of Management, 1998.

Doctoral Consortium Co-Coordinator, Operations Management Division, Academy of Management, 1996.

Committee and other service work

Advisory Board Member, NextGen Supply Chain Technology Conference, Supply Chain Management Review, 2018-present.

Programs and Meetings Committee, Decision Science Institute, 2012-2013.

Ad Hoc Committee on Strategic DSI Journal Portfolio, Decision Science Institute, 2012-2013.

Ad Hoc Committee on Conference Planning, Decision Science Institute, 2012-2013.

Education Resource Committee, Institute for Supply Management (ISM), Tempe, AZ, 2008-2011.

Evaluation Committee, 2010 DSI Elwood Buffa Doctoral Dissertation Competition,

Decision Sciences Institute, 2010.
Program Committee, Asia Pacific Decision Sciences Institute Meeting, Hong Kong, 2005-2006.
Scientific Committee, Joint International Conference, European Operations Management Association and Production and Operations Management Society, Como Lake, Italy, 2002-2003.
Doctoral Student Affairs Committee, Decision Sciences Institute, 1998-1999.
Board of Trustees, National Association of Purchasing Management, Toledo Area, 1997-1998.

Speaking activities

New Faculty Workshop, Panel on Industry Outreach, Decision Science Meeting, Phoenix, 2024
Doctoral Consortium, Panel on "Crafting a manuscript that makes a theoretical and practical contribution" (Barb Flynn, Chair), the annual meeting of the Decision Sciences Institute, Virtual Meeting, 2020.
New Faculty Development, the annual meeting of the Decision Sciences Institute, Seattle, WA, 2015.
Doctoral Consortium, the annual meeting of the Academy of Management, OM Division, Philadelphia, 2014.
Doctoral and New Faculty Consortia, the annual meeting of the Decision Sciences Institute, San Francisco, 2012.
New Faculty Consortium, the annual meeting of the Decision Sciences Institute, Boston, 2011.
New Faculty Consortium, the annual meeting of the Decision Sciences Institute, San Diego, 2010.
Doctoral Consortium, the annual meeting of the Academy of Management, OM Division, Chicago, 2009.
New Faculty Workshop, the annual meeting of the Academy of Management, OM Division, Chicago, 2009.
New Faculty Workshop (Inaugural event), the annual meeting of the Academy of Management, OM Division, Anaheim, California, 2008.
New Faculty Consortium, the annual meeting of the Decision Sciences Institute, San Antonio, 2006.
Doctoral Consortium, the annual meeting of the Decision Sciences Institute, San Diego, 1997.
Doctoral Consortium of the Operations Division, the annual meeting of the Academy of Management, 1994.

Membership

Academy of Management
Decision Sciences Institute
Institute for Supply Management
Production and Operations Management Society

External Reviews

For the purpose of tenure, promotion, hiring, or program audit. Often multiple times for the same institution. Names of select schools in alphabetical order:

Aalto University (Finland); Baruch College at City University of New York; Cornell University; Cranfield School of Management (UK); George Mason University; Georgia State University; Georgia Institute of Technology; Georgia Southern University; Helsinki School of Economics (Finland); Indiana University; Lehigh University; Michigan State University; North Carolina State University; Ohio State University; Penn State University; Rotterdam School of Management, Erasmus University (the Netherlands); State University of New York at Buffalo; University of Cambridge (UK); University of Melbourne (Australia); University of South Carolina; University of Texas—San Antonio; University of Washington; Texas A&M University; Texas Christian University; Worcester Polytechnic Institute; and York University (Canada).

CONFERENCE AND OTHER PROFESSIONAL EVENTS

Presentations

- Choi, Thomas. "Complexity and Supply Networks." Interdisciplinary Policy Forum: Firm-Level Supply Network Data for Policy Making, Vienna, June, 2023.
- Choi, Thomas. Spoke as a panelist, "Supply Chain and Business Model Innovations Based on Digital Platforms." Moderated by Xiande Zhao. The 16th International Conference of Operations and Supply Chain Management (ICOSCM), August, 2022. On line.
- Kurpjuweit, Stefan, Stephan Wagner, Thomas Choi, "The Dynamic Capability of Managing Asymmetric Buyer-Supplier Relationships with New Ventures," the CSCMP European Research Seminar, June, 2022.
- Marisel Fernandez-Giordano, Leopoldo Gutierrez-Gutierrez, Thomas Y. Choi and Francisco Javier Llorens Montes, "Discovering isomorphism in supply management: Institutional fit and organizational performance," EurOMA, June 2018.
- Durach, Christian Felix, Frank Wiengarten and Thomas Choi, "Supplier-supplier relationships and supply chain disruption: First-tier supplier resilience in the tetradic context," EurOMA, June 2018.
- Rogers, Zac and Thomas Choi, "Cyber security in supply chains," Institute for Supply Management, Nashville, May 2018.
Was written up after the presentation in <http://spendmatters.com/2018/05/09/why-relationship-management-will-be-critical-to-procurements-cybersecurity-strategy/>
- Handfield, R. and T. Choi, "Data Analytics and Cognitive Analytics in Procurement," Institute for Supply Management, Orlando, 2017.
