

Daniel Jacob Hruschka

CURRICULUM VITAE

School of Human Evolution and Social Change
Arizona State University
Tempe, AZ 85287
Telephone: (480) 965-3087

Daniel.Hruschka@asu.edu
<http://hruschka.faculty.asu.edu>
Orcid 0000-0003-2188-7782
Updated 10/2021

EMPLOYMENT

2018-present *Professor*
2013-2018 *Associate Professor*
2009-2013 *Assistant Professor*
School of Human Evolution and Social Change, Arizona State University

Additional Institutional Affiliations

ASU-SFI Fellow, Center for Biosocial Complex Systems, ASU
Honors Faculty, Barrett Honors College
Core Faculty, Center for Social Dynamics and Complexity
Faculty Affiliate: Center for Global Health; Center for Evolutionary Medicine; Global Institute of Sustainability; Center for Behavior, Institutions and Environment

EDUCATION

2006-2009 *Omidyar Fellow*. Santa Fe Institute, Santa Fe, NM
2006 *Ph.D.*, Anthropology. Emory University, Atlanta, GA
2003 *M.P.H.*, Epidemiology. Emory University, Atlanta, GA
1996 *A.B.*, Mathematics. Harvard College, Cambridge, MA

RESEARCH AREAS & QUESTIONS

Questions: What are the root causes of human cultural and biological diversity? How do we forge a social science that incorporates this diversity in its theories and methods? *Research Areas*: Global Health; Cooperation; Mathematical Modeling. *Geographic areas*: Bangladesh, Mongolia, United States

AWARDS AND RECOGNITION

2014 *Benjamin Meaker Visiting Professor*, Institute for Advanced Study, University of Bristol
2012-2013 *Centennial Professor Award*, Associated Students of ASU
2011-2012 *Faculty Achievement Award for Defining Edge Research: Young Investigator*, ASU
2012 *Director's Award for Innovation in Undergraduate Teaching*, SHESC
2012,13,18 Nominated for *CLAS Zebulon Pearce Distinguished Teaching Award*, ASU College of Liberal Arts and Sciences (3 years)
2007 *Best New Investigator Paper Award*, Evolutionary Anthropology Society
2004-2005 *Graduate Fellowship*, Center for Myth and Ritual in American Life, Emory University
2003-2004 *National Science Foundation*, graduate teaching fellowship in K-12 education
2001 *E.E. Hunt Student Poster Award*, Human Biology Association (with B. Kohrt)
1999-2000 *Graduate Fellowship*, Center for the Study of Health, Culture and Society, Emory University

1996-1997 *Michael C. Rockefeller Memorial Fellowship, Mongolia*

1992-1996 *John Harvard and Harvard College Scholarships*

SECTION 1. RESEARCH

PEER-REVIEWED PUBLICATIONS

Co-author mentorship in Hruschka group: ** Undergraduate student, * Graduate student,

Co-author mentorship in other group: † Student or postdoctoral researcher at time of writing

¹ First and second author contributed equally to paper

BOOKS

1. **Hruschka DJ.** (2010, single authored) *Friendship: Development, Ecology and Evolution of a Social Relationship*. University of California Press. [reviewed in *Human Nature* 24, 348-350; *Evolutionary Psychology* 9, 239-243; *Contemporary Sociology* 41, 91-93]

JOURNAL ARTICLES

Accepted or in press

2. Woolard K*, **Hruschka DJ.** Evaluating the performance of five asset-based wealth indices in predicting economic well-being in rural Bangladesh. *Field Methods*
3. Han SY[†], **Hruschka DJ** (2021). Deprivation or Discrimination? Comparing Theories of the reverse income-obesity gradient in the U.S. and South Korea. *Journal of Biosocial Science*. 10.1017/S0021932020000632

2021

4. **Hruschka DJ** (2021). One size does not fit all. How universal standards for normal height can hide deprivation and create false paradoxes. *American Journal of Human Biology*. 33 (5).
5. Schaefer D, van Woerden I, **Hruschka DJ**, Bruening M (2021). Finding and Keeping Friends in College and their Influence on Alcohol Use: A Network Analysis. *Journal of Studies on Alcohol and Drugs*. 82(1):121-131
6. Hackman J*, Voytyuk M, **Hruschka DJ** (2021). An agricultural wealth index for multidimensional wealth assessments. *Population and Development Review*. 47(1):237-254.
<https://doi.org/10.1111/padr.12367>
7. Ellison B, Bruening M, **Hruschka DJ**, Nikolaus CJ, van Woerden I, and Nickols-Richardson SM (2021). Food Insecurity among College Students: The Need for More Accurate Assessment. *Food Policy*. 101, 10231

2020

8. Hackman J*, **Hruschka DJ** (2020). Economic capacity or market opportunities: disentangling wealth effects on fertility in 56 low- and middle-income countries. *Evolutionary Human Sciences*. 2, e58.
9. **Hruschka DJ**, Williams A, Mei Z, Leidman E, Young M, Suchdev P, Namaste S (2020). Comparing hemoglobin distributions between population-based surveys matched by country and time. *BMC Public Health*. 20(1), 1-10.
10. Hackman J*, **Hruschka DJ** (2020). Disentangling basal and accrued height-for-age for cross-population comparisons. *American Journal of Physical Anthropology*. 171:3, 481-495
11. Van Woerden I, Schaefer D, **Hruschka DJ**, Vega-Lopez S, Adams M, Bruening M (2020). Similarity in meal plan use among first-year roommates. *Appetite*. 144:1, 104482.
12. Lachaud J, **Hruschka DJ**, Kaiser BN, Brewis, A (2020). Agricultural wealth better predicts mental wellbeing than market wealth among highly vulnerable households in Haiti: Evidence for the benefits of a multidimensional approach to poverty. *American Journal of Human Biology*. e23328
13. van Woerden I, Brewis A, **Hruschka DJ**, Dunton G, Adams M, Bruening M (2020). Young adults' BMI and changes in romantic relationship status during the first semester of college. *PLOS One*. 15(3), e0230806.
14. van Woerden I, **Hruschka DJ**, Brewis A, Schaefer DR, Bruening (2020). First-Year College Students' Weight Change is Influenced by Their Randomly Assigned Roommate's Body Size. *PLOS One*. 15(11), e0242681

2019

15. **Hruschka DJ**, Stulp G, Hackman JV* (2019). Identifying the limits to socioeconomic influences on human growth. *Economics and Human Biology*. 34, 239-251.
16. **Hruschka DJ**, Sear R, Hackman JV*, Drake A* (2019). Worldwide fertility declines do not rely on stopping at ideal parities. *Population Studies*. 73, 1-17.
17. Tiokhin L*, Hackman J*, Shirajum Munira, Khaleda Jesmin, **Hruschka DJ** (2019). Generalizability is not optional: Insights from a cross-cultural study of social discounting. *Royal Society Open Science*. 6, 181386.
18. Danvers A*, Hackman J*, **Hruschka DJ** (2019). The amplifying role of need in giving decisions. *Evolution and Human Behavior*. 40:2, 188-193.
19. Van Woerden I, **Hruschka DJ**, Vega-Lopez S, Schaefer D, Adams M, Bruening M (2019). Food Insecure College Students and Objective Measurements of Their Unused Meal Plans. *Nutrients*. 11:4, 904.
20. Van Woerden I, **Hruschka DJ**, Schaefer D, Fine K (2019), Bruening M. Evaluating potential behavioral mediators for increasing similarity in friends' body size among college students. *Nutrients*. 11:9, 1996
21. Van Woerden I, **Hruschka DJ**, Bruening M (2019). Food insecurity negatively impacts academic performance. *Journal of Public Affairs*. 19, e1864

22. Hadley C, Maxfield A†, **Hruschka DJ** (2019). Different forms of household wealth are associated with opposing risks for HIV infection in East Africa. *World Development*. 113, 344-351.

2018

23. **Hruschka DJ**, Hackman JV*, Munira S, Jesmin K, Tiokhin L* (2018). Learning from Failures of Protocol in Cross-cultural Research. *Proceedings of the National Academy of Sciences*. 115 (45), 11428-11434
24. Voytyuk M*, **Hruschka DJ** (2018). Lay Perceptions of Healthy Eating Styles and Their Health Impacts. *Journal of Nutrition Education and Behavior*. 50 (4), 365-371.
25. Bruening M, van Woerden I†, Schaefer DR, **Hruschka DJ**, Brewis A, Whisner CM, Dunton, GF, Todd, M (2018). Friendship as a social mechanism influencing body mass index (BMI) among college students. *PLoS ONE*. 13(12): e0208894
26. Benjamin DJ et al.(**Hruschka DJ** among 72 authors) (2018). Redefine Statistical Significance. *Nature Human Behavior*. 2, 6-10.
27. Bhattacharya, T, Blasi DE, Croft W, Cysouw M, **Hruschka DJ**, Maddieson I, Retzlaff N, Smith E, Stadler PF, Starostin G, Youn (2018). Studying Language Evolution in the Age of Big Data. *Journal of Language Evolution*. 3 (1), 94-129

2017

28. **Hruschka DJ**, Hadley CM, Hackman J* (2017). Material wealth in 3D: Mapping multiple paths to prosperity in low- and middle-income countries. *PLOS One*. 12 (9). E0184616.
29. Hackman J*, Munira S, Jesmin K, **Hruschka DJ** (2017). Revisiting psychological mechanisms in the anthropology of altruism. *Human Nature*. 28 (1), 76-91.
30. Voytyuk M*, **Hruschka DJ** (2017). Accounting for cross-cultural variation in perceptions of healthy eating. *Journal of Cognition and Culture*. 17 (1), 116-128.
31. Tiokhin L*, **Hruschka DJ**. No evidence that Ebola outbreak influenced voting preferences in 2014 elections, after controlling for autocorrelation in time series. *Psychological Science*. 28 (9), 1358-1360.
32. Kaiser B†, **Hruschka DJ**, Hadley C. Measuring wealth in low-income settings: A conceptual and how-to guide. *American Journal of Human Biology*. 29 (4), e22987.
33. Hadley CM, **Hruschka DJ**. Testing Ecological and Universal Models of Body Shape and Child Health Using a Global Sample of Infants and Young Children. *Annals of Human Biology*. 44 (7), 600-606.
34. Hadley CM, **Hruschka DJ**. Stability And Change In In-Group Mate Preferences Among Young People In Ethiopia Are Predicted By Food Security And Gender Attitudes, But Not Expected Pathogen Exposures. *Human Nature*. 28 (4): 395-406.

35. Ruck D, Bentley RA, Acerbi A, Garnet P, **Hruschka DJ** (2017). Role of neutral evolution in word turnover during centuries of English word popularity. *Advances in Complex Systems*. 20 (4), 1750012

2016

36. **Hruschka DJ**, Hadley C (2016). How much do universal anthropometric standards bias the global monitoring of obesity and undernutrition? *Obesity Reviews*. 17 (11), 1030-1039.
37. **Hruschka DJ**, Burger O (2016). How does variance in fertility change over the demographic transition? *Philosophical Transactions B*. 371 (1692), 20150155.
38. Day LT¹, **Hruschka DJ**¹, Saha S, Mussel F, Jeffers E**, Alam S (2016). Perinatal mortality associated with use of uterotonics outside of Comprehensive Emergency Obstetric and Neonatal Care: a cross-sectional study. *BMC Reproductive Health*. 13: 129.
39. Bruening M, Ohri-Vachaspati P, Brewis A, Laska MN, Todd M, **Hruschka DJ**, Schaefer DR, Whisner CM, Dunton G (2016). Longitudinal social networks impacts on weight and weight-related behaviors assessed using mobile-based ecological momentary assessments: Study Protocols for the SPARC study. *BMC Public Health*. 16:901.

REPORTS

1. **Hruschka DJ**, Addo OY, Assaf S, Corsi D, Namaste S, Subramanian SV, Suchdev PS, Young MF (2018). Comparing child anthropometric data quality from Demographic and Health Survey (DHS) and Biomarkers Reflecting Nutrition Determinants of Anemia (BRINDA) surveys
2. **Hruschka DJ**, Leidman E, Mei Z, Namaste S, Suchdev PS, Young MF, Williams A (2018). Comparing hemoglobin data quality from Demographic and Health Survey (DHS) and Biomarkers Reflecting Nutrition Determinants of Anemia (BRINDA) surveys
3. Kagawa-Singer, M, Dressler, WW, George, SM, Elwood, WN, with the assistance of a specially appointed panel (**member of expert panel**). (2015, March). The cultural framework for health: An integrative approach for research and program evaluation. Bethesda: NIH Office of Behavioral and Social Sciences Research. http://obssr.od.nih.gov/pdf/cultural_framework_for_health.pdf

FIELDWORK EXPERIENCE

Mongolia—November 1996-May 1998; May-August 2000

Bangladesh—August 2008; May 2010; May 2011; May 2012; May-June 2013; April 2014; May 2015; April 2016; May 2017; April 2018; April 2019

RESEARCH FUNDING

EXTERNAL RESEARCH – COMPETITIVELY AWARDED

- | | |
|-----------|---|
| 2021-2023 | PI, NSF. “SocioMap: A tool for exploring, translating, and merging across complex sociopolitical categories.” BCS-2051369. Total funding: \$155K . |
| 2018-2019 | PI, NSF. “REU Supplement for Undergraduate Research.” BCS-1658766 (students: Ramona Adair, Azzam Almouai). Total funding: \$5K . |
| 2017-2021 | PI, NSF, “RR: Building a Robust Foundation for Measuring Material Wealth in Low- and Middle-Income Settings.” BCS-1658766. <i>Jointly funded by Cultural Anthropology and Methodology, Measurement and Statistics</i> . Total funding: \$220K |
| 2016-2018 | Co-PI, NSF, “Workshop: Enhancing robust and generalizable experimental behavioral science.” BCS-1647219 (D Medin PI). <i>Jointly funded by Developmental and Learning Sciences & 8 other programs</i> . Total funding: \$67K (Northwestern). |

- 2016-2018 PI, NSF, “Workshop: Enhancing robust and generalizable experimental behavioral science.” BCS-1623555 (D Medin co-PI). *Jointly funded by Developmental and Learning Sciences & Cultural Anthropology*. Total funding: **\$21K**.
- 2013-2014 PI, NSF. “REG Supplement for Graduate Research.” BCS-1150813 (student: J Hackman). Total funding: **\$4K**.
- 2012-2013 PI, NSF. “REU Supplement for Undergraduate Research.” BCS-1150813 (student: M. Sands). Total funding: **\$4K**.
- 2012-2017 PI, NSF. “CAREER: Social Closeness, Helping and Neglect: Examining the Roots of Favoritism in Rural Bangladesh” BCS-1150813. *Jointly funded by Cultural Anthropology, Social Psychology Program and Decision, Risk, and Management Sciences Program*. Total funding: **\$514K**.
- 2013-2019 Co-investigator, NIH. “The Role of Friendship Networks on BMI and Behaviors among College Freshmen.” 13054157 (M Bruening PI). Total funding: **\$1,250K**.
- 2012 Co-PI, School of Advanced Research and NSF Short Research Team Seminar. “The Evolutionary Demography of Fertility: the Influence of Social Networks.” (co-PIs, M Shenk, R Sear). Total funding: NA.
- 2010-2012 PI, New Science of Virtues Grant, University of Chicago and Templeton Foundation. “Virtues in conflict: a cross-cultural study of virtue dilemmas and their resolution.” (J Henrich, C Efferson, co-PIs). Total funding: **\$215K**.
- 2008-2009 PI, NSF. Subaward for “Social Networks among Marginalized Populations at Risk for Avian Influenzas.” BCS-0753638. (R Barrett PI, \$125K). *Cultural Anthropology Program*. Subaward funding to Hruschka: **\$16K** (NA, Santa Fe Institute).
- 2002-2003 Co-PI, NSF Dissertation Improvement Grant. “Peer and family influences on middle school students’ agendas for development” (D Sellen PI). *Cultural Anthropology Program*. Total funding: **\$11K** (NA, Emory University).

EXTERNAL FUNDING – LARGE COLLABORATIVE GRANTS

- 2020-2025 *Collaborator, European Research Council Consolidator Grant*. “Ecological Origins of Cross-Societal Variation in Cooperation.” (D Balliet PI, € 2,000,000)

INTERNAL FUNDING – COMPETITIVELY AWARDED

- 2019-2020 PI, SHESC Interdisciplinary Research Grant Program. “SocioMap: A scalable system for facilitating and documenting data synthesis across complex sociopolitical partitions.” Total funding: **\$50K**.
- 2018 PI, Institute for Social Science Research Seed Grant. “SocioMap: A flexible system for mapping across multi-scale sociopolitical units.” Total funding: **\$8K**.
- 2007-2010 Senior Personnel, Emory Global Health Institute. “Recognition of and response to prolonged labor and birth asphyxia: a multi-site study and academic program development project.” (L Sibley PI). Total funding: **\$699K**.

- 2009 Co-PI, Santa Fe Institute Working Group. “Models of innovation and propagation in language change.” (Co-PI M Christiansen). Total funding: **\$14K**.
- 2008 Co-PI, Santa Fe Institute Workshop. “Models of innovation and propagation in language change.” (Co-PI M Christiansen, S Lansing). Total funding: **\$29K**.
- 2003 Co-PI, Burke Nicholson Interdisciplinary Forum Fund. “Building biocultural anthropology.” (Co-PI D Lende, C Worthman). Total funding: **\$12K**.
- 2000 PI, Hubert International Health Fellow. “Young Mongolian men’s cultural models of romantic and sexual relationships.” Total funding: **\$2K**.

WORKSHOPS, COLLOQUIA & PRESENTATIONS

INVITED PLENARY TALKS (EXTRAMURAL)

Human Biology Association Meetings. *One size does not fit all. How universal standards for normal height can hide deprivation and create false paradoxes.* Los Angeles, CA, April 2020 (postponed to March 2021 due to COVID-19).

AAEA/EAAE/CAES Joint Symposium on Social Networks, Social Media, and the Economics of Food. *Marriage, Income and BMI: How social sorting contributes to the poverty-obesity paradox.* Montreal, Canada, May 2014.

European Evolution and Human Behavior Association. *In search of cues to altruism: studying proximate mechanisms to understand the evolutionary origins of costly giving.* Bristol, UK, April 2014.

INVITED TALKS (EXTRAMURAL)

Human Behavior and Evolution Society Virtual Roundtable Series. *Pathogens and Social Behavior.* February 2021

Gavan Lecture, Anthropology Department, University of Missouri, Columbia, MO. *One size does not fit all. How universal standards for healthy growth can hide undernutrition and obesity worldwide.* October 2019.

Evolution and Social Science Speaker Series, University of Missouri, Columbia, MO. *What does it mean to replicate studies in a cultural species?* October 2019.

UCLA Center for Behavior, Evolution and Culture, Los Angeles, CA. *What does it mean to replicate studies in a cultural species?.* March 2019.

Psychology Department, University of Pennsylvania, Philadelphia, PA. *Learning from Failures in Research that Crosses Cultures.* March 2018.

Anthropology Department, Emory University, Atlanta, GA. *Searching for the Origins of Our Expanding In-group.* February 2016.

Institute of Quantitative Theory and Methods, Emory University, Atlanta, GA. *Do human fertility declines result from stopping or slowing? A novel mixture model for estimating two pathways to the fertility transition.* February 2016.

- Institute for Health Metrics and Evaluation, Seattle, WA. *Mapping Basal Body Form to Improve Population Monitoring of Over- and Undernutrition*. February 2015.
- Global Forum: Cultural and Geopolitical Challenges in Global Health. Phoenix, AZ. *When does culture matter for health and what can we do about it?* March 2014.
- Santa Fe Institute Community Lecture. Santa Fe, NM. *The Evolutionary Puzzle of Friendship*. June 2012.
- Earthweek Sustainability Speaker. Mayo Clinic, Scottsdale, AZ. *Sustainable global health in a complex world*. April 2012.
- Anthropology Department, University of Nevada, Las Vegas, NV. *Friendship: In search of a human relationship*. April 2011.
- Anthropology Department, Stanford University, Palo Alto, CA. *Friendship: The inner workings of a network tie*. April 2010.
- Science of Virtues Symposium. University of Chicago. *Virtues in conflict: A cross-cultural study of virtue dilemmas and their resolution*. January 2010.
- RAND Corporation, Santa Monica, CA. *Can cultural beliefs account for care-seeking behavior? The case of postpartum hemorrhage in Bangladesh*. February 2009.
- School for Advanced Research Colloquium. Santa Fe, NM. *Does culture really influence behavior?* January 2009.
- Center for Social Epidemiology, University of Michigan, Ann Arbor, MI Hruschka DJ. *Cultural domain analysis and social network analysis*. February 2008.
- Anthropology Department, University of Florida, Gainesville, FL. Hruschka DJ. *Measuring culture and its impact on health: problems and possibilities*. January 2008.
- Evolutionary Modeling Series, Washington State University, Pullman, WA. *Boundary maintenance and the evolution of cooperation*. October 2007.
- Santa Fe Institute, Santa Fe, NM. *Cliquishness and cooperation in human social life*. February 2006.
- Anthropology Department, Vanderbilt University, Nashville, TN. *Learning the rules of friendship: the problem of cultural competence in relational context*. January 2006.

INVITED WORKSHOP PARTICIPANT (EXTRAMURAL)

- School for Advanced Research Short Seminar. *Biological normalcy: investigating relationships between statistical norms and the normative*. Santa Fe, NM. October 2019.
- Max Plank Institute Workshop. *Social Organization*. Leipzig, Germany, June 2019.
- Santa Fe Institute Workshop on *Lexical Semantics*. Paper presented: *Are Swadesh words more stable than expected given their usage frequency?* Santa Fe, NM, August 2018.

Santa Fe Institute Workshop on *Databases in Historical Linguistics*. Paper presented: *Databases for the study of language change: a wishlist from my neck of the woods*. Santa Fe, NM, August 2015.

Santa Fe Institute Workshop on *Regular Correspondences and Levenstein Distances in Studying Athapaskan*. Paper presented: *Probabilistic Models of Alignment and Sound Change*. Santa Fe, NM, February 2015.

School for Advanced Research Advanced Seminar. *Obesity, upward mobility, and symbolic body capital in a rapidly changing world*. Santa Fe, NM. March 2014.

National Evolutionary Synthesis Center catalyst meeting. *Human Cooperation*. Durham, NC. April 2013.

Ernst Strungmann Forum. *Cultural Evolution*. Frankfurt Institute for Advanced Studies, Frankfurt, Germany, May-June 2012.

INVITED TALKS (INTRAMURAL)

Workshop on Human Generosity Project. *Discussant*. January 2018, 2019, 2020.

Morrison School Seminar Series, Polytechnic Campus. *Deprivation or Discrimination: What accounts for the poverty-obesity paradox in high-income countries?* October 2016.

Workshop on need-based transfers in water management and disaster recovery workshop. *Closeness, Need and Sharing in Rural Bangladesh*. January 2016.

Workshop on need-based transfers in water management and disaster recovery workshop. *Friendship and Need-based Transfers*. January 2015.

Lying: An Interdisciplinary Conference. *Pump fakes and altruistic perjury: contextual and cultural variation in the meaning of misrepresentation*. October 2012.

Center for Institutional Diversity. *Favoring family, friends, and community: why do populations differ in in-group favoritism?* October 2011.

Center for Population Dynamics. *Deprivation, Abundance and Obesity: A critical look at current theories for the rise of obesity*. October 2011.

Center for Institutional Diversity. *For Love or Justice: Searching for the roots of cross-population variation in moral choices*. May 2011.

Santa Fe Institute Workshop. Statistical Inference for Complex Networks. *Network models of sound change*. Santa Fe, NM. December 2008.

SFI & School for Advanced Research Workshop. Role of Variation in Cultural Change. *Modeling culture change: what can we learn from language?* Santa Fe, NM. April 2008.

REFEREED PANELS—ORGANIZER AND DISCUSSANT ROLES

Hruschka DJ (2017). *Frontiers in friendship and fitness interdependence: A multi-method approach to understanding cooperative relationships*. Human Behavior and Evolution Society Meetings. Boise, ID. Invited Discussant.

Hruschka DJ (2016). *In-groups, out-groups, and human preventable harm: toward an evolutionary anthropology of inter-group relationships*. American Anthropological Association Meetings. Washington D.C. Invited Discussant.

Hruschka DJ (2014). *Producing a vertically integrated evolutionary anthropology: studies of proximate mechanisms in social dynamics*. Invited Session at American Anthropological Association Meetings. Washington D.C. Invited Discussant.

Wutich A, **DJ Hruschka** (2011). *Re-envisioning Culture: Challenging Legacies and Shifting Tidemarks in the Study of Human Diversity*. American Anthropological Association Meetings. Montreal. Co-organizer.

Hruschka DJ (2010). *What roles do advocacy and science play in evolutionary anthropology*. American Anthropological Association Meetings, New Orleans, LA. Invited Roundtable Member.

Hruschka DJ, A Wutich, A Brewis-Slade (2010). *Parsing the Complex Whole without losing it: understanding the dynamic role of culture in health and environmental research*. American Anthropological Association Meetings, New Orleans, LA. Co-organizer.

Hruschka DJ, B Kohrt (2009). *How Categories Affect Care: Expanding opportunities or limiting care in health policy and clinical services*. American Anthropological Association Meetings. Philadelphia, PA. Co-organizer.

Hruschka DJ, B Kohrt (2008). *Finding Common Ground: Overcoming barriers in applying anthropology for development, humanitarian, and nongovernmental organizations*. American Anthropological Association Meetings. San Francisco, CA. Co-organizer.

Hruschka DJ, C Hadley (2007). *Culture in Epidemiology: Identifying local culture in large-scale studies*. American Anthropological Association Meetings. Washington D.C. Co-organizer.

Hruschka DJ, R Brown (2006). *Psychological anthropology and human behavioral ecology converge on health and well-being*. American Anthropological Association Meetings. San Jose, CA. Co-organizer.

Odden H, **DJ Hruschka**, R Brown (2005). *The Organization of Diversity: a Developmental Perspective*. American Anthropological Association Meetings. Washington D.C. Co-organizer.

WORKSHOPS AND COLLOQUIA ORGANIZED

Sackler Colloquium (with Doug Medin, Joe Henrich, and Barbara Rogoff). *Pressing Questions in the Study of Psychological and Behavioral Diversity*. Irvine, CA, September 2017.

NSF-funded Workshop (with Doug Medin, Cristine Legare, Lera Boroditsky). *Enhancing Robustness and Generalizability in the Social and Behavioral Sciences*. Washington D.C., March 2017.

NSF-funded Workshop (with Doug Medin). *Enhancing Robustness and Generalizability in the Social and Behavioral Sciences*. Santa Fe Institute, Santa Fe NM, March 2016.

Santa Fe Institute Workshop (with Tanmoy Bhattacharya). *Regular Correspondences and Levenstein Distances in Studying Athapaskan*. Santa Fe, NM, February 2015.

National Evolutionary Synthesis Center Catalyst Meetings (with Mary Shenk and Rebecca Sear). *The Evolutionary Demography of Fertility*. Durham, NC. Four workshops: October 2013, July 2014, December 2014, May 2015.

School of Advanced Research Short Research Team Seminar (with Mary Shenk and Rebecca Sear). *The Evolutionary Demography of Fertility: the Influence of Social Networks*. Santa Fe, NM, June 2012.

Late Lessons Workshop (with Amber Wutich and Alexandra Brewis). *Dynamic Models of Cultural Diversity*. Arizona State University. February 2011.

Santa Fe Institute Working Group (with Morten Christiansen). *Models of Innovation and Propagation in Language Change*. Santa Fe, NM. March, 2009.

Santa Fe Institute Workshop (with Morten Christiansen and Steve Lansing). *Building Integrated Models of Linguistic Change*. Santa Fe, NM. February, 2008.

Burke Nicholson Symposium (with Dr. Carol Worthman and Daniel Lende). *Building Biocultural Anthropology*. Emory University. March, 2003.

CONFERENCE PRESENTATIONS (1st authored)

Hruschka DJ. *Fat location accounts for the poverty-obesity paradox in a nationally representative U.S. sample.* Symposium at Human Behavior and Evolution Society meetings, virtual meeting, June 2021.

Hruschka DJ. *Starting from scratch in a patrilocal society: how women make friends after marriage in rural Bangladesh.* Invited symposium at American Association of Physical Anthropologists, virtual meeting, April 2021.

Hruschka DJ. *Why anthropology needs big data, and big data needs anthropology.* Big Tent Anthropology. Emory University, Atlanta, GA, September 2019.

Hruschka DJ. *What does it mean to replicate studies in a cultural species? Anthropological contributions to the replication crisis.* Executive Session at American Anthropology Association Meetings. San Jose, CA, November 2018.

Hruschka DJ. *The promise of integrating big and small scales in the biocultural study of inequalities.* American Anthropology Association Meetings. Minneapolis, MN, November 2016.

Hruschka DJ. *Imagining the obesogenic environment in the quest to curb obesity.* Invited Executive session at American Anthropology Association Meetings. Denver, CO, November 2015.

Hruschka DJ. *From Thin to Big and Back Again: How Body Capital Contributes to the Obesity-Poverty Paradox.* American Anthropology Association Meetings. Washington DC, December 2014.

Hruschka DJ, Hagaman A. *Breast-Feeding, Inter-Birth Intervals, and Household Budgets: A Biodemographic Framework for Linking Changes in Fertility and Obesity in Low- and Middle-Income Countries.* Population Association of America Meetings. New Orleans, LA. April 2013.

Hruschka DJ. *Disentangling socially learned ideas and behavior: case studies of body ideals and vaccine beliefs.* American Anthropological Association Meetings. Montreal, Quebec. November 2011.

- Hruschka DJ.** *The “culture” label and its influence on health-related treatment and policy.* American Anthropological Association Meetings. Philadelphia, PA, December 2009.
- Hruschka DJ,** Sibley L, Day L, Banu H, Rahman N, Kalim N & Moran A. *Challenges of survey development in a multi-site study: lessons learned from a study of prolonged labor and birth asphyxia in Bangladesh.* Society for Applied Anthropology Meetings. Santa Fe, NM, March, 2009.
- Hruschka DJ,** Sibley L, Kalim N, Khan J, Paul M, Edmonds J & Koblinsky M. *Local theories of postpartum hemorrhage and their consequences for care-seeking in Matlab, Bangladesh.* Society for Applied Anthropology Meetings. Memphis, TN, March, 2008.
- Hruschka DJ.** *Limits on the creation of social capital: A View from U.S. High Schools.* International Social Network Analysis Meetings. Corfu, Greece May, 2007.
- Hruschka DJ.** *Friendships, social barriers, and the search for social goods among U.S. high school students.* American Anthropological Association Meetings. San Jose, CA. November, 2006.
- Hruschka DJ.** *The flexible organization of high school friendships* American Anthropological Association Meetings. Washington DC. December, 2005.
- Hruschka DJ.** *Seeking to emulate as a factor in making friends.* International Social Network Analysis Meetings. Redondo Beach, CA. February, 2005.
- Hruschka DJ.** *‘Friendship’, cliquishness and the emergence of cooperation.* Evolution and Human Behavior Seminar Series. Emory University. February, 2005.
- Hruschka DJ,** Kohrt BA, Worthman CM. *Estimating inter-individual variation in human cortisol levels: mixed models applied to data from Nepal, Mongolia, and the U.S.* American Association of Physical Anthropologists. Tampa, Fl. April, 2004.
- Hruschka DJ.** *All Work and No Pray...:Young Adolescents Learning to Balance Church, School and Family in a Southeastern U.S. Community.* American Anthropological Association Meetings. Chicago, IL. November, 2003.
- Hruschka DJ,** Loeb L., Khumalo-Sukatukwa G, Moore J & Carey JW. *Open-ended and fixed choice responses: a comparison from HIV research in Zimbabwe.* Society for Applied Anthropology Meetings, Atlanta. March, 2002.
- Hruschka DJ.** *The Stigma of Syphilis in Mongolia and its Public Health Implications.* Central Eurasian Studies Conference. Bloomington, Indiana. March, 2001.
- Hruschka DJ & Sellen DW.** *Socio-ecological Correlates of Marriage Systems among Traditional North American Cultures: A Phylogenetic Approach.* Southern Anthropological Society Conference. Atlanta, GA. February, 1999.
- Hruschka DJ & Smith N.** *Ritual Process and Social Cohesion: Understanding Mechanisms, Considering Policy.* Association for Politics and the Life Sciences Conference. Atlanta, GA. September, 1999.
- Hruschka DJ.** *Baria Healers in Eastern Mongolia.* International Conference of Mongolists. Ulaanbaatar, Mongolia. August 1997.

REFEREED POSTER PRESENTATIONS (1st authored)

Hruschka DJ. *Homicide: are all non-kin alike?* Poster at American Anthropological Association Meetings, San Francisco, CA, November 2008.

Hruschka DJ. *Testing models of linguistic history: a likelihood approach.* Poster at the American Anthropological Association Meetings. Washington D.C. November, 2007.

Hruschka DJ, Kohrt BA & Tsagaankhuu M. *Yadargaa: symptomological variation of a fatigue disorder in Mongolia.* Poster at Human Biology Association. Kansas City, MO, March, 2001.

PRESENTATIONS AND POSTERS WITH STUDENTS AS FIRST AUTHORS

2020—1 Graduate (ISSR Poster Competition, 2nd place proposed research)

2019—1 Graduate (ISSR Poster Competition, 1st place research), 1 undergraduate

2018—2 Graduate (ISSR Poster Competition, 1st place research)

2016—1 Graduate (Northwest Evolution, Ecology, and Human Behavior Meetings)

2015—1 Graduate (American Anthropology Association Meetings)

2014—4 Graduate (American Anthropology Association Meetings, Society for Applied Anthropology, Northwest Evolution, Ecology, and Human Behavior Meetings)

2013—3 Graduate (American Anthropology Association Meetings)

2012—2 Graduate, 1 Undergraduate (American Anthropology Association Meetings, Human Behavior and Evolution Society Meetings)

2011—1 Graduate (American Anthropology Association Meetings)

SECTION 2. TEACHING & MENTORSHIP

TEACHING EXPERIENCE

UNDERGRADUATE COURSES

ASB 100 Introduction to Global Health (Arizona State University)

ASB 357 Society, Drugs & Health (Arizona State University; formerly ASB 395)

ASB 462 Medical Anthropology: Culture and Health (Arizona State University)

ASB 484 Research Internship (Arizona State University)

ANT 385 Culture Change: a Cross-Disciplinary Approach (Emory University)

Introduction to Cultural Anthropology (Mongolian National University)

GRADUATE COURSES

ASB 510 Health: Social and Biocultural Theories (Arizona State University)

Models of Culture Change (Santa Fe Institute, Complex Systems Summer Schools, Beijing & Santa Fe)

GRADUATE AND POSTGRADUATE WORKSHOPS

Cultural Consensus Modeling. One-day workshops at ASU's Institute for Social Science Research, ASU. (Spring 2020, Fall 2017, Spring 2017)

Statistics for Ethnographic Research. NSF-funded week-long workshop for post-PhD anthropologists (Summer 2015, Summer 2016)

Cultural Domain Analysis (International Center for Diarrheal Disease Research in Bangladesh 2008, Center for Social Epidemiology, University of Michigan 2008, Emory University 2004/2005)

DEVELOPMENT OF NEW CURRICULUM & TRAINING PROGRAMS

RESEARCH-BASED INSTRUCTION

Director, Inclusive Human Learning Group (formerly Laboratory for Culture Change and Behavior), 2009-present

Undergraduate Research Apprenticeship Project, *Documenting Global Ethnic Disparities*, 2016-present

Group Honors Contract, *The Good and Bad of Food: How We Make Food Moral*, 2012-present

Group Honors Contract, *Tracking Global Drug Use*, 2018-present

Group Honors Contract, *Documenting Ethnic Health Disparities Worldwide*, 2020-present

NEW COURSE DEVELOPMENT

SSH 100 Introduction to Global Health (Online Course – Module on Research & Culture and Health)

ASB 102 Cultural Anthropology (Online Course – Modules on Social Structure & Medical Anthropology)

ASB 300 Food and Culture (Online Course – Module on Nutrition Transition)

ASM 300 Anthropological Sciences Seminar (Online Course – Module on Human Biological Variation & Health)

ASB 357 Society, Drugs & Health (Online Course; formerly ASB 395)

ASB 462 Medical Anthropology: Culture and Health (Online, In-person, & Sync)

ASB 484 Research Internship/Lab-based Instruction (In-person, Sync, & Online)

STUDENT SUPERVISION

BARRETT COLLEGE FELLOWS MENTORED

Natasha Chandra (2021), Jack Drewsen (2021), Ash Pessarar (2021), Kamaria Boyston (2021), Gayle Deneb Bobadilla (2021), Alexander Enriquez (2021), Ethan Pelland (2020-2021), Nusrat Nijum (2020), Kaeli Lugo (2019), Sophia Foote (2019), Maya Shrikant (2019-2020), Erika Walker (2018-2020), Ray Regorgo (2018,2020), Vivian Chau (2018-2019), Maria Dooling (2017-2019), Aryanna Thuraisingam (2017-2018)

UNDERGRADUATE HONORS THESES DIRECTED

Colleen Clauss (2020-present), Abi Pentecost (2021-present)

Graduated

Arisha Khan (2019-2021), Jillian Leaver (2019-2021), Erika Walker (2018-2020), Mariam Alam (2017-2020), Giselle Chavez Lopez (2019-2020), Joshua Davis (2017-2019), Jacob Gilson (2016-2018), Carly Sutton (2016-2017), Nicole Fisk (2016-2017), Annie Carson (2015-2016), Eva Jeffers (2014-2015), Alissa Sabatino (co-, 2014-2015), Destiny Ly (2013-2014), Shaili Parekh (2013-2014), Hailey Magnussen (2013-2014), Shantele Johnston (2013-2014), Meghan Fisher (2011-2012), Benjamin Lang (2011-2012), Blake Thomson (2011-2012), Trent Bowen (co-, 2011-2012), Elizabeth Fox (2009-2010).

UNDERGRADUATE HONORS THESIS COMMITTEE

James Newell (2021-present)

Graduated

Maya Shrikant (2020-2021), Advika Dani (2018-2019), Jahnvi Bhalla (2018-2019), Sophia Hopewell (2018-2019), Pooja Sangha (2018-2019), Azalea Thomson (2018), Sydney Esposito (2017), Katherine Brewer (2015), Denisa Barbur (2014), Dawn Cole (2013), Arlis Jenkins (2012), Madeline Sands (2012), Michaela Staley (2012), Olga Bakun (2012), Colleen Healy (2010), Tabarik Ahmad (2011).

INDEPENDENT UNDERGRADUATE PROJECTS SUPERVISED

Colleen Clauss (2020). Funding from SHESC Interdisciplinary Seed fund.
Ramona Adair (2018-2019). NSF Research Experience for Undergraduates.
Azzam Almouai (2018-2019). NSF Research Experience for Undergraduates.
Azalea Thomson (2017). Funding from Globemed & Obesity Solutions.
Brittany Hale (2017). Funding from Globemed & Obesity Solutions.
Annie Carson (2015). Circumnavigator Award.
Eva Jeffers (2012). Funding from Faculty Startup.
Madeline Sands (2012-2013). NSF Research Experience for Undergraduates & SHESC Undergraduate Research Fellowship.
Mara Steinhaus (2010-2011). SHESC Undergraduate Research Fellowship.
Richard Jones (2011).

OTHER UNDERGRADUATES TRAINED in the LABORATORY FOR CULTURE CHANGE & BEHAVIOR

Alexander Enriquez (2021), Gayle Deneb Bobadilla (2021), Ash Pessaran (2021), Mason McNeel (2021), Zaida Arellano Reyes (2021), Li-Chen Hou (2021), Hunter Blevins (2021), Amanda Nelson (2021), Nichole Dahlen (2021), Analisa Jiminez (2021), Lacey Hurst (2021), Victoria Fuller (2021), Lauren Poklar (2021), Elizabeth Ardilla (2021), Nuri Soni (2021), Mahad Alam (2021), Omer Carrilo (2021), Hannah Goldman (2021), Samantha Bradford (2021), Therin Carr (2021), Cammi Barbosa (2021), Tali Sulcas (2021), Jocelyn Chen (2021), Vianney Mancilla (2020-2021), Johanna McCombs (2020-2021), Aracely Esquer (2020), Abigail Pentacost (2020-2021), Ann Thomas (2020-2021), Rebekah Kamer (2020), Alexa Hager (2020), Michael Demangone (2020), Natasha Chandra (2020-2021), Ethan Pelland (2020-2021), Nusrat Nijum (2020), Sophia Agne (2020), Thomas Chia (2020-2021), Arisha Khan (2020-2021), Colleen Clauss (2020-2021), Leilani Alva (2020), Zeenat Hammond (2020), Jayline Martin (2019-2020), Alicia Hernandez (2019-2021), Giselle Lopez (2019-2020), Gabriel Cardenas (2019-2020), Rayna Castillo (2019-2020), Maya Shrikant (2019-2020), Martha Ryan (2019), Maren Hunter (2019), Allison Roberts (2019), Meghan Werbeck (2018-2019), Ramona Adair (2018-2019), Ray Regorgo (2018,2020), Kimberly Prete (2018-2020), Erika Walker (2018-2020), Azzam Almouai (2018-2019), Kelli Brown (2018), Vivian Chau (2018-2019), Alexis Paynter (2018), Raelani Miyagi (2018-2019), Aryanna Thuraisingam (2017-2018), Maria Dooling (2017-2019), Sophie Keahon (2017-2018), Jasmine Truong (2017-2018), Tajinder Virdee (2017-2018), Brenda Ramos (2017), Rubi Vasquez (2017), Francisca Morales (2017), Mariam Alam (2017-2018), Farizah Ali (2017), Mary Saxon (2017), Azalea Thomson (2016-2017), Delaney Billig (2016-2017), Kathleen Click (2016-2017), Ian Glatt (2016-2017), Ella Alzua (2016), Robert King (2016), Victoria Paz (2016), Megan Phillips (2014-2015, 2017), Melissa Lee (2013-2014), Chelsea Ferguson (2013-2014), Kristopher Smith (2012-2013), Yvonne Tran (2013), Elizabeth Kiehne (2010), Ginny De La Cruz (2011)

M.A. STUDENTS

*Graduated or defended. *Committee Chair*
Scott Collins (2018-2020). Anthropology
Katherine Woolard (2018-2020). Global Health.
Andres Munoz (2017-2019). Psychology.
Homaira Parveen (2013-2015). Global Health
Madeline Sands* (2013-2014). Global Health.
Maria Nueves-Colon (2011-2012). Anthropology.
Ashlan Falletta-Cowden* (2009-2011). Anthropology.
Stephen Ruffenach (2010-2011). Biology.

Ph.D. STUDENTS

*Graduated or Defended. * Committee Chair, †Also M.A.*
Joe Hackman*[†] (2011-2019). Anthropology. Arizona State University
Irene Van Woerden[†] (2017-2019). Nutrition. Arizona State University
Leo Tiokhin*[†] (2014-2019). Anthropology, Arizona State University
Ashley Hagaman[†] (2012-2017). Global Health, Arizona State University

Mariya Voytyuk* (2012-2017). Global Health, Arizona State University
Heather Story* (2010-2016). Global Health, Arizona State University
Ming Xue (2011-2014). Anthropology, University of California, Los Angeles
Sarah Hall (2011-2015). Global Health, Arizona State University
Amanda VanSteelandt† (2009-2014). Global Health, Arizona State University
Ben Morin (2010-2012). Applied Math in Life and Social Science, Arizona State University
