

Biographical Sketch - LESLIE R. LANDRUM

Herbarium Curator, School of Life Sciences, Arizona State University, Box 874501, Tempe, AZ 85287-4501.

Phone: (480) 965-4679.

Fax: (480) 965-6899.

e-mail: les.landrum@asu.edu

Education and Professional Experience:

B.S., 1969, Forest Botany, New York State College of Forestry at Syracuse University, Syracuse, New York.

M.S., 1975, Systematic Botany, University of Michigan, Ann Arbor, Michigan.

PhD., 1980, Systematic Botany, University of Michigan, Ann Arbor, Michigan.

1980 -1983, B. A. Krukoff Research Associate at the New York Botanical Garden, Bronx, New York.

1983 - 1986, Tilton Fellow at the California Academy of Sciences, San Francisco, California.

1986-1990, Herbarium Curator, Department of Plant Biology, Arizona State University, Tempe, Arizona.

1990-2003, Associate Research Scientist/Herbarium Curator, Department of Plant Biology, Arizona State University, Tempe, Arizona.

2003-2014, Senior Research Scientist/Herbarium Curator, School of Life Sciences, Arizona State University, Tempe, Arizona.

2014-Present, Emeritus Senior Research Scientist/Herbarium Curator, School of Life Sciences, Arizona State University, Tempe, Arizona.

Recent Professional Activities:

Member of the Editorial Board of the Vascular Plants of Arizona Project (1988-present).

Co-editor of the Journal of the Arizona-Nevada Academy of Science, flora issues only (1991-2005).

Member of the Assembly of Delegates of the Organization for Tropical Studies (1999-2010).

Member of the Editorial Board of the Memoirs of the New York Botanical Garden (1985-1990 term).

Member of the Commission of the Organization for Flora Neotropica (1986-present).

Editorial Board of Flora Neotropica Monographs (1990-1995).

Member of the Systematic Botany Monographs Committee (1991-1996).

Fulbright Scholar in Paraguay and Brazil, 1995.

Member of the editorial board of Bonplandia (botanical journal in Argentina), 2003-present.

Research Interests: Several seasons of fieldwork in Latin America and Arizona. Flora and phytogeography of temperate South America, flora of Arizona, American Myrtaceae, South American Berberidaceae, biodiversity informatics.

Teaching Activities: Trees and Shrubs of Arizona or Sonoran Desert Field Botany (most years); various seminars and classes taught irregularly (e.g., Taxonomic Revisions, Nomenclature, Neotropical Plant Systematics).

Graduate Student Committees:

Past co-chair: J. Bricker, K. Rice, C. Christy, G. Imdorf, C. Shohet, J. Buegge, S. Pilversack, A. Trauth, G. Walters, E. Gilbert, A. Salywon, E. Makings, Bethany Lester, Darin Jenke, Douglas Newton, Anne Barber, Francis Coburn.

Grants:

1977: National Science Foundation Dissertation Improvement Grant of \$8,611 for field study of the genus *Myrcceugenia* (Myrtaceae).

1981: National Science Foundation Grant of \$25,089 for monographic study of the genera *Acca*, *Blepharocalyx*, *Campomanesia*, *Luma*, and *Pimenta* (Myrtaceae).

1987: Arizona State University, Research Incentive Award of \$10,000 for studies of Myrtinae (Myrtaceae).

1988: National Geographic Society of \$7,932 for studies of Mesoamerican Myrtinae (Myrtaceae).

1989: Smithsonian Institution, Short Term Visitor Award of \$1350.

1989: National Science Foundation Grant of \$100,000 for "Support for the Arizona State University Herbarium." Landrum as PI, Drs. Pinkava, Nash, and Pigg as co-PI's.

1990: Arizona State University Minigrant of \$500 for field studies and herbarium visits for the

study of Fagaceae, Aceraceae, and Sapotaceae in Arizona.

1992: National Geographic Society of \$14,740 for studies of *Berberis* (Berberidaceae) in Chile.

1995: Fulbright Scholars American Republics Regional Research Award (ca. \$25,000).

1998-2003: ASU CLAS support for an RA and publication costs for the Vascular Plants of Arizona Project in the Journal of the Arizona-Nevada Academy of Science. This amounts to ca. \$20,000 per year.

1998-2003: Small grants to support the herbarium from the CAP LTER.

2003: National Science Foundation Grant of \$470,291 for “Completion and coordination of databases of Arizona vascular plant specimens at Arizona State University (ASU), University of Arizona (ARIZ), and Northern Arizona University (ASC)” Landrum as PI, Drs. McLaughlin, Ayers, and McCartney as co-PI’s.

2003: BLM grant for \$20,000 for “Flora of the San Pedro Riparian National Conservation Area,” Dr. J. Stromberg as PI, E. Makings (graduate student), and Landrum as co-PI’s.

2009-2010: Mellon foundation grant for \$8000. Digitising Type Specimens From Latin American And Other Areas At Arizona State University Landrum as PI.

2009-2013: National Science Foundation grant for \$311,532.80. Collaborative Research: “Expanding Seinet.” Landrum as PI.

2013-2014: Mellon foundation grant for \$29,000. Digitizing Vascular Plant Type Specimens from The University Of Arizona, The Desert Botanical Garden, And The Lichen Type Specimens At Arizona State University. Landrum as PI.
