

Thao Ha, Ph.D.
Arizona State University
Department of Psychology
950 S. McAllister, Tempe, AZ 85287, USA
Email: ThaoHa@asu.edu

EDUCATION

- 2013 **Ph.D.** **Psychology**, Radboud University Nijmegen, the Netherlands.
2006 **M.Sc.** **Psychology**, *Cum laude*, Behavioural Science Institute, Radboud University Nijmegen, the Netherlands.
2004 **M.Sc.** **Psychology**, Department of Developmental Psychology, Radboud University Nijmegen, the Netherlands.
2003 **B.S.** **Psychology**, Radboud University Nijmegen, the Netherlands.

PROFESSIONAL EXPERIENCE

- 2017 – present Assistant Professor of Psychology, Department of Psychology, Barrett Honors College Faculty, Arizona State University.
2014 – 2017 Assistant Research Professor, Department of Psychology, Institute for Interdisciplinary Salivary Bioscience Research (IISBR), School of Social and Family Dynamics, Barrett Honors College Faculty, Arizona State University.
2013 – 2014 Postdoctoral Researcher, School of Social and Family Dynamics, Arizona State University.
2012 – 2013 Lecturer, Department of Psychology, Radboud University Nijmegen, the Netherlands.

AFFILIATE AND VISITING POSITIONS

- 2016 & 2017 Visiting Research Fellow, Department of Psychology, Brain and Behavior lab, University of Leiden, the Netherlands.
2016 – present Faculty Affiliate, Institute for Interdisciplinary Salivary Bioscience Research, University of California, Irvine.
2012 & 2013 Visiting Research Fellow, Swiss Institute for the Prevention of Alcohol and Drug Problems, Switzerland.
2010 Visiting Research Fellow, Department of Psychology and the Child and Family Center, University of Oregon.
2008 & 2009 Visiting Graduate Student, SickKids Research Institute, Hospital for Sick Children, Canada.

HONORS AND AWARDS

- 2020 Young Scientist Award, International Society for the Study of Behavioural Development
2019 Rising Star Early Career Award, Association for Psychological Science
2018 Annual ASU CLAS Marketing Award for Best News Story
2015 Young Scholar Award for Social Neuroscience Perspectives on Child Development, Society for Research on Child Development and the Jacobs Foundation
2010 Frye Early Career Award, Radboud University Nijmegen (an annual university award for the ten most promising female PhD students)
2010 Graduate Student Excellence Award, Radboud University Nijmegen
2009 Selected for the international EARA/SRA summer school
2009 Graduate Student Excellence Award, Radboud University Nijmegen

- 2008 Student Research Award, Association for Canadian studies in the Netherlands
 2008 Graduate Student Excellence Award, Radboud University Nijmegen
 2007 Best Presentation Award, Women in Science and Education Research organization, which is a European network of female faculty to promote gender equality in academia

SPONSORED RESEARCH

External Grant Funding

Active Grants

Consultant (PI; Firpo & Kuhn), Video-based Microskills Training Intervention to Improve Health Education to Reduce Risk Behaviors in Youth. NICHD, 1R44HD102288-01A1. 09/23/2020-08/31/2022. Total costs: \$1,500,000.

Co-Investigator and Mentor (PI; Van der Schans), The Dynamics of Mindful Conflict in Romantic Relationships. Mind & Life, Europe, Varela Research Award. I am mentoring Van der Schans in her PhD research. This grant funds data collection in the Netherlands. Total funding: \$20,593.

Co-Investigator (PI; Connell), Long-term Effects of the Family Check-Up on Depression and Suicide across Trials and Development. NIMH, R01MH122213. 12/02/2019-10/31/2022. Total costs: \$948,773 (PI of subcontract, total costs: \$56,649, percent recognition: 100%).

Completed Grants

Principal Investigator, Relationship Dynamics and Young Adult Drug Use and Abuse. NIAAA, R01AA022071. 05/23/13-08/31/19. Change in PI was approved by NIAAA due to passing of the original PI, 08/01/2018-08/31/19. Total costs: \$1,857,367. Percent recognition: 100%.

Co-Investigator (PI; Lemery-Chalfant), Development, Ecology, and Prevention of Adult Addictive Behavior. NIDA, R01 DA007031. 09/01/13-05/31/19. Change in investigator team was approved by NIDA due to passing of the original PI, 08/01/2018-05/31/19. Total costs: \$2,211,517. Percent recognition: 40%.

Consultant (MPI; Otten, Scholte, & Nijhof), Traumatized Youths in Residential Care: Exploring the Role of Biological Stress (Re)activity and Testing a Videogame Intervention to Normalize Stress Responses. The Dutch Health Care Innovation Fund. 01/10/2016-01/10/2019. Total direct costs: \$530,279.

Principal Investigator, The Rocky Road of Love: A Longitudinal Observational Study on Affective Quality in Adolescents' Interactions with Romantic Partners. Netherlands Organization for Scientific Research (equivalent to NIH), Mosaic grant, 017-003-006. 06/01/2006-06/01/2012. Total direct costs: \$212,562. Percent recognition: 100%.

Mosaic grants aim to promote diversity in science by offering ethnic minority students the opportunity to develop an independent program of research during their PhD. Funding rate is less than 10%.

Under Review

Principal Investigator (MPI; Ha, Elam, & Westling), Proximal and Genetic Effects on the Intergenerational Transmission of Substance Abuse and Intimate Partner Violence. NIDA, R01.

Co-Investigator (PI; Dick & Kuo), Genes, Schools, and Alcohol-related Outcomes in Youth. NIDA, R01, 20th percentile.

Consultant (PI; Pfeifer), Transitions in Adolescent Girls. NIMH, R01.

Internal Grant Funding*Completed Grants*

Principal Investigator (MPI; Ha, Doane, Corbin, & Dishion), ASU Support for Success Initiative for Students in Transition to College (ASSIST-C). Arizona State University Educational Outreach and Student Services. 2014-2017. Total direct costs: \$167,000. Percent recognition: 30%.

Principal Investigator, A Social Affective and Neurocognitive Study on Adolescent Romantic Relationships Predicting Depression and Academic Performance (ASPIRE project). T. Denny Sanford School of Social and Family Dynamics. 2014-2015. Total direct costs: \$60,000. Percent recognition: 100%.

Principal Investigator, A Cross-Cultural Study on the Development of Adolescent Romantic Relationships. Behavioural Science Institute & University of Ho Chi Minh City, Vietnam. 2005-2006. Total direct costs: \$3,200. Percent recognition: 100%.

PUBLICATIONS

[Google Scholar Profile](#): As of 10/2020, total citations = 1,131, *h*-index = 18, *i*10-index = 23.

Note: Underlined coauthors indicate graduate students, *italicized co-authors* indicate undergraduate students.

INVITED TALKS

1. **Ha, T.** (2020). *A developmental perspective on resiliency in adolescent romantic relationships*. Invited keynote for the inaugural meeting for Resilience in Social Environments (RISE initiative), Santa Monica, CA. (conference canceled)
2. **Ha, T.** (2020). Keynote speaker, *Innovative methodologies and how to obtain funding for research on adolescent romantic relationships*. Romantic Relationships preconference, Society for Research on Adolescence, San Diego, CA. (conference canceled)
3. **Ha, T.** (2019). Panelist, *Regulation, emotionality, adjustment and maladjustment*, celebrating Dr. Nancy Eisenberg. Conference on Innovations and Future Directions in Socioemotional and Prosocial Development. Arizona State University, Tempe, AZ.

4. **Ha, T.** (2019). *Remembering Thomas Dishion*. Invited talk at the Peer preconference, Society for Research in Child Development, Baltimore, MD.
5. **Ha, T.** (2019). Invited panelist, *Peer socialization: A memorial panel honoring Dr. Thomas Dishion's research and mentorship*, round table discussion, Society for Research in Child Development, Baltimore, MD.
6. **Ha, T.** (2018). *Healthy romantic relationships and academic engagement*. Invited presentation, Hispanic Mother–Daughter Program (HMDP), Arizona State University, Tempe, AZ.
7. **Ha, T.** (2017). *The promise of adolescent romantic relationships in sex education*. Invited presentation, Inaugural Kirby Summit, Palo Alto, CA.
8. **Ha, T.** (2016). *Why should we be studying two brains?* Invited presentation, Developmental and Educational Psychology, University of Leiden, the Netherlands.
9. **Ha, T.** (2016). *Introducing a neuroscience perspective in sex education*. Invited presentation, Inaugural Kirby Summit, Palo Alto, CA.
10. **Ha, T.** (2016). *Behavioral and neural mechanisms of depression in adolescent romantic relationships*. Invited talk, Developing Adolescent Speakers Series, School of Public Health, Berkeley, CA.
11. **Ha, T.** (2015). *Neural responses to romantic partner feedback*. Invited presentation, Developmental and Educational Psychology, University of Leiden, the Netherlands.
12. **Ha, T.** (2014). *Physiological reactivity to adolescent romantic relationship stressors as a predictor of depression*. Invited talk, Institute for Interdisciplinary Salivary Bioscience Research (IISBR) Symposium, Arizona State University, Tempe, AZ.
13. **Ha, T.** (2014). *The development of adolescent romantic relationships and depressive symptoms*. Invited keynote presentation, Romantic Relationships preconference, Society for Research on Adolescence, Austin, TX.
14. **Ha, T.** (2014). *Upregulation in adolescents' romantic relationship: Are micro-dynamic relationship process relating to longitudinal changes in depressive symptoms?* Invited presentation, Dynamic Mediation Workshop, Arizona State University, Tempe, AZ.
15. **Ha, T.** (2012). *No ordinary love: A longitudinal observational study on adolescents' romantic relationships*. Invited “young scholar keynote” presentation, Romantic Relationships preconference, Society for Research on Adolescence, Vancouver, Canada.
16. **Ha, T.** (2011). *The rise and fall of adolescent romantic relationships*. Invited presentation, T32 meeting of the Prevention Research Center in the Department of Psychology, Arizona State University, Tempe, AZ.
17. **Ha, T.** (2010). *The blues of adolescent romance: Observed affective interactions in adolescent romantic relationships in association with depressive symptoms*. Invited presentation, Child and Family Center, University of Oregon, Eugene, OR.
18. **Ha, T.** (2008). *Adolescents and love*. Invited presentation, postacademic course for medical doctors, organized by PAOG-Heyendaal, Nijmegen, the Netherlands.
19. **Ha, T.** (2007). *The rocky road of love: A longitudinal observational study on affective quality in adolescents' interactions with partners*. Invited presentation, NWO

(Netherlands Organization for Scientific Research, equivalent to NIH), the Netherlands.

20. **Ha, T.** (2007). *When teen love hurts: Adolescents and their romantic relationships*. An invited presentation at a conference in honor of Prof. Dr. J. R. M. Gerris, Radboud University Nijmegen, the Netherlands.
21. **Ha, T.** (2007). *An A for dating: A longitudinal study on adolescents' relationship success*. Invited presentation, first international Women in Science and Education Research (WISER) conference, a European network of female faculty to promote gender equality in academia. Maastricht, the Netherlands.
22. **Ha, T.** (2007). *You and me, we have got something going: A closer look on adolescents' intimate relationships*. Invited presentation at the XXIVth symposium of Family Research, Radboud University Nijmegen, the Netherlands.

PAPER PRESENTATIONS AT REFEREED CONFERENCES

1. Gallagher, A., **Ha, T.**, & Quiroz, S. (2020). Technological intimate partner violence and adolescent mental health: A systematic review. In A. Gallagher (Chair) and T. Ha (mentoring faculty), *Problematic technology use in interpersonal relationships*. Paper to have been presented at Society for Research on Adolescence, San Diego, CA. (conference canceled)
2. **Ha, T.**, Kim, H., & McGill, S. (2020). When conflict escalates into intimate partner violence: The nature of observed coercion in adolescent romantic relationships. Paper presentation for the symposium, *The forms and functions of emotion co-regulation processes in peer dyads*. Society for Research on Adolescence, San Diego, CA. (conference canceled)
3. Quiroz, S., **Ha, T.**, Chase, G., & Rogers, A. (2020). *Problem behaviors and conflict management in adolescent romantic relationships: An observational study*. Paper to have been presented at Society for Research on Adolescence, San Diego, CA. (conference canceled)
4. Chase, G., Rogers, A., Quiroz, S., & **Ha, T.** (2020; Ha is mentoring faculty). *Perceived parental support and adolescent disclosure about romantic relationships and its association with problem behaviors*. Paper to have been presented at Society for Research on Adolescence, San Diego, CA. (conference canceled)
5. Su, J., Kuo, S., Elam, K., **Ha, T.**, Neale, Z., Lemery-Chalfant, K., & Dick, D. (2020). Genetics, parenting, and alcohol use: Examining the unique role of parental monitoring and parental rules against substance use. Paper to have been presented for the symposium, *Gene-environment interactions and adolescent substance use*. Society for Research on Adolescence, San Diego, CA. (conference canceled)
6. Champion, C., Corbin, W. R., **Ha, T.**, Iida, M., & Randall, A. K. (2019). *Exploring the within- and between-person effects of alcohol use and discrepant drinking on relationship functioning*. Paper presented at the 42nd annual meeting of The Research Society on Alcoholism, Minneapolis, MN.
7. Stokes, L., **Ha, T.**, Tein, J. Y., Shaw, D., Wilson, M., & Dishion, T. J. D (2018). *The role of ethnic identity in mediating the relationship between discrimination and depression*. Paper presentation for the symposium 'Prevention and Culture', held at the Society for Prevention Research, Washington, D.C., USA.

8. **Ha, T., Mun, C. J.,** Dishion, T. J., & York, G. (2017). Alcohol use and observed coercion within committed couples: Effects on daily satisfaction and conflict. Paper presented for the symposium, *Coercion and violence in relationships*. Society for Prevention Research, Washington, DC.
9. **Rogers, A. A.,** Updegraff, K. A., Iida, M., Dishion, T. J., Doane, L. D., Corbin, W. C., Van Lenten, S. A., & **Ha, T.** (2017). *Trajectories of emotional well-being across the transition to college: The role of daily interactions with friends and parents*. Paper presented at the Society for the Study of Emerging Adulthood biennial meeting, Washington, DC.
10. **Ha, T.,** Yeung, E. W., **Rogers, A. A., Poulsen, F.,** & Granger, D. A. (2017). Partner support predicts adrenocortical attunement in adolescent romantic couples. Paper presented for the symposium, *HPA axis functioning within close relationship dyads: Moderation by risky family history, social support, and oxytocin*. Society for Research in Child Development, Austin, TX.
11. **Rogers, A. A., & Ha, T.** (2017). Observed coercion in adolescent romantic relationships predicts daily coercion experiences in real-life. In T. Ha (Chair), *The interactive and longitudinal effects of coercive dynamics in parent, peer, and romantic partner relationships*. Society for Research in Child Development, Austin, TX.
12. Dishion, T. J., **Mun, C. J., Ha, T.,** & Tein, J. Y. (2017). Latent class analysis of observed adolescent relationship dynamics with friends and family: Ten-year adjustment sequela. In T. Ha (Chair), *The interactive and longitudinal effects of coercive dynamics in parent, peer, and romantic partner relationships*. Society for Research in Child Development, Austin, TX.
13. **Champion, C., Ha, T.,** & Dishion, T. J. (2017). A cross systems analysis of coercive relationship dynamics: Adolescents friendships discussions predicting adult romantic relationships ten years later. Paper presented for the symposium, *Adolescent social and emotion dynamics at multiple time scales and relations to psychosocial adjustment*. Society for Research in Child Development, Austin, TX.
14. Doane, L. D., Grimm, K. J., **Van Lenten, S. A., Pelham, W.,** Dishion, T., Corbin, W. R., & **Ha, T.** (2017). Optimal levels of sleep duration and quality in late adolescence: Links with depressive symptoms and academic performance. Paper presented for the symposium, *Estimating nonlinear associations between sleep and adolescent functioning: Is there an optimum?* Society for Research in Child Development, Austin, TX.
15. **Rogers, A. A., Poulsen, F. O.,** & **Ha, T.** (2016). Parent support and adolescent disclosure about romantic relationships: Longitudinal associations with problem behaviors. Paper presented for the symposium, *Parental influence in promoting adolescent safety and mental health: Incorporating multiple perspectives*. Society for Prevention Research, San Francisco, CA.
16. **Ha, T.,** Shore, D. M., Kuo, C., Granger, D. A., *Thurston, E.,* & Dishion, T. J. (2015). *Rejection sensitivity impacts neural responses to social rejection from romantic partners and unfamiliar peers: A dual EEG acquisition*. SRCD special topic meeting, Social Neuroscience Perspectives on Child Development, Leiden, the Netherlands.
17. **Ha, T., Kim, H.,** Kim, H., Giletta, M., & Dishion, T. J. (2014). Observations of “shallow talk” in adolescent friendships: A mediating process between drug use and later sexual risk taking. In T. Ha (Chair), *Peers and the emergence of romantic*

relationships in adolescence: Pathways to normative and problem development. Society for Research on Adolescence, Austin, TX.

18. **Ha, T., van Roekel, E.,** Verhagen, M., Scholte, R. H. J., Engels, R. C. M. E., & Kuntsche, E. (2013). *An ecological study on the temporal dynamics of positive and negative affect after negative peer experiences.* Paper presented at Society for Research in Child Development, Seattle, WA.
19. **Ha, T., & Engels, R. C. M. E.** (2013). *We both love to drink: Adolescents' alcohol use and alcohol related interactions with romantic partners.* Paper presented at Society for Research in Child Development, Seattle, WA.
20. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2012). The blues of adolescent romance: Observed affective interactions in adolescent romantic relationships in association with depressive symptoms. In T. Ha (Organizer, Chair), *Managing negativity in the context of close relationships: Implications for adolescents' social and emotional adjustment.* Society for Research on Adolescence, Vancouver, Canada.
21. **Ha, T., Granic, I., Craig, W. M., Pepler, D., Connolly, J., & Engels, R. C. M. E.** (2010). *Mr. blue, I'm here to stay with you: A study on interactions between adolescents with depressive symptoms and their best friend.* Paper presented at Society for Research on Adolescence, Philadelphia, PA.
22. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2009). *A longitudinal observational study on affective quality in adolescents' interactions with romantic partners.* Presentation at SRA/EARA summer school, Vancouver, Canada.
23. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2009). *Should I stay or should I go now? A longitudinal study on the predictive value of depression on relationship status in adolescents.* Paper presented at Society for Research in Child Development, Denver, CO.
24. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2008). *A longitudinal observational study on affective quality in adolescents' interactions with partners.* Presentation at Doctoral Student Workshop, Jena, Germany.
25. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2008). Effects of attractiveness and social status on dating desire in heterosexual adolescents: An experimental study. Paper presented in *Navigating relationships: From initiation to conflict management* workshop, Nijmegen, the Netherlands.
26. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2008). *Observing intimate relationships of adolescents.* Junior research day. Radboud University Nijmegen, the Netherlands.

POSTER PRESENTATIONS

1. Neale, Z., Kuo, S. I., Aliev, F., Barr, P., Su, J., Elam, K., **Ha, T.,** Lemery-Chalfant, K. & Dick, D. (2019). *Gene-by-intervention effects on alcohol dependence symptoms in emerging adulthood.* Poster presented at the World Congress for Psychiatric Genetics, Los Angeles, CA.
2. Elam, K., **Ha, T.,** Kuo, S. I., Lemery-Chalfant, K., & Dick, D. (2019). *Polygenic by intervention effects on longitudinal trajectories of alcohol use.* Poster presented at the annual meeting of the Behavior Genetics Association, Stockholm, Sweden.

3. Arnett, C. **Ha, T.**, Sutton, J., & Rogers, A. (2019). *Adolescent romantic relationship conflict and the use of personal pronouns in observed conflict discussions*. Poster presented at the Society for Research in Child Development, Baltimore, MD.
4. Prawitt, M., Rogers, A. A., & **Ha, T.** (2018). *Romantic-specific parenting: Shaping romantic relationship competencies in adolescence*. Poster presented at the Society for Research in Child Development, Baltimore, MD.
5. **Ha, T.**, Rogers, A. A., Hibel, L. C., Saxbe, D. E., Laurent, H. K., & Granger, D. A. (2018). *Interpersonal attunement in the activity of the hypothalamic-pituitary-adrenal axis: A meta-analysis*. Poster presented at the annual Conference of International Society of Psychoneuroendocrinology (ISPNE). Irvine, CA.
6. Bierstetel, S. J., Farrell, A. K., Briskin, J. L., Harvey, M. W., Lin, W., Gable, S. L., Saxby, D., Simpson, J., Ta, V., Orina, M. M., Ickes, W., **Ha, T.**, & Slatcher, R. B. (2018). *The role of language style matching in romantic relationship perceptions*. Poster presented at the International Association Relationship Research, Fort Collins, CO.
7. Prawitt, M., Rogers, A. A., & **Ha, T.** (2018). *Romantic-specific parenting: Shaping future romantic relationship quality in adolescents*. Poster presented at the Mary Lou Fulton Mentored Student Research Conference organized by the School of Family Life, BYU, Provo, UT.
8. Kornienko O., Mize, J. L., **Ha, T.**, & Granger, D. A. (2018). *Friendship network dynamics and attunement on cortisol: Exploring gender and empathic concern as moderators*. Paper presented at the Sunbelt; International Network for Social Network Analysis. Utrecht, the Netherlands.
9. Kornienko, O., **Ha, T.**, & Dishion, T. J. (2018). *Dynamic pathways between rejection and antisocial behavior in peer networks: Confluence model revisited*. Poster presented at the Society for Prevention Research. Washington, DC.
10. Kornienko, O., **Ha, T.**, & Dishion, T. J. (2018). *Dynamic pathways between rejection and antisocial behavior in peer networks: Confluence model revisited*. Poster presented at the biennial meeting of the Society for Research on Adolescence. Minneapolis, MN.
11. Kornienko, O., Mize, J. L., **Ha, T.**, & Granger, D. A. (2018). *Gender and empathic concern moderate network attunement on cortisol among friends*. Poster presented at the Annual American Psychological Science Convention, San Francisco, CA.
12. **Ha, T.**, Shore, D. M., Kuo, C., Tucker, D., Ebbert, A., Champion, C., & Dishion, T. J. (2016). *Depression moderates neural responses to social rejection from romantic partners: A dual EEG acquisition study in adolescent couples*. Poster presented at the Association for Psychological Science annual convention, Chicago, IL.
13. Rogers, A. A., Poulsen, F. O., & **Ha, T.** (2016). *Parenting adolescents in the context of romantic relationships: Support and disclosure predicting problem behavior*. Poster presented at the biennial meeting of the Society for Research on Adolescence, Baltimore, MD.
14. **Ha, T.**, Granger, D. A., Shore, D. M., Yeung, E. W., & Dishion, T. J. (2015). *Neural responses to partner rejection predict adrenocortical reactivity in adolescent romantic couples*. Poster presented at the annual conference of International Society of Psychoneuroendocrinology (ISPNE). Edinburgh, Scotland.

15. **Ha, T.**, Yeung, E. W., & Granger, D. A. (2015). *Adrenocortical regulation and rejection sensitivity predict interpersonal conflict in adolescent romantic couples*. Poster presented at the annual conference of International Society of Psychoneuroendocrinology (ISPNE). Edinburgh, Scotland.
16. **Champion, C., Ha, T., Panza, K., & Dishion, T. J.** (2015). *Neural responses to unfairness: An analysis of a potential buffering effect for romantic partners using dual acquisition EEG assessments*. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.
17. **Ha, T., & Kim, H.** (2014). *Upregulation of positive affect as a coercive dynamical process in adolescent romantic relationships in predicting depressive symptoms*. Poster presented at the Workshop for Computational Modeling of Social Interaction, Tucson, AZ.
18. **Rogers, A., Ha, T., Stormshak, E. A., & Dishion, T. J.** (2014). *An observational study of parent-child discussions of sex and adolescent sexual behavior*. Poster presented at the Society for Research on Adolescence, Austin, TX.
19. **Ha, T., Overbeek, G., & Engels, R. C. M. E.** (2008). *The importance of attractiveness and social status in adolescent mate choices: An experimental study*. Poster presented at the Society for Research on Adolescence, Chicago, IL.

TEACHING EXPERIENCE

Arizona State University, Department of Psychology

Note. Student ratings are mean evaluations of the question, “What overall grade would you give this instructor?” Answering options ranged from 1 (most positive) to 5 (most negative).

Undergraduate Courses

Course number: PSY 443
 Course title: Abnormal Child Psychology (new course preparation)
 Semester taught: Fall 2016
 Enrollment: 22
 Student ratings: 1.36

Course number: PSY 290
 Course title: Research Methods (new course preparation)
 Semester taught: Fall 2019 (2 sections)
 Enrollment: 96 and 98
 Student ratings: 1.48 and 1.79

Course number: PSY 446
 Course title: Social Development (new course preparation)
 Semester taught: Spring 2020
 Enrollment: 18
 Student ratings: 1.08

Graduate Courses

Course number: PSY 598
 Course title: Romantic Relationships in Development (new course preparation)
 Semester taught: Spring 2019
 Enrollment: 10

Student ratings: 1.00

Guest Lecture Graduate Courses

Dyadic data analyses (FAS 598; Fall 2016; Enrollment = 15)

Psychobiological Methods (PSY 591; Spring 2020; Enrollment = 11)

Radboud University Nijmegen, Department of Psychology, the Netherlands

Undergraduate Courses

Introduction to Clinical Psychology (2003; Enrollment = 35)

Advanced Clinical Psychology (2012; Enrollment = 40)

Developmental Psychology (2005; Enrollment = 70)

Interpersonal Dynamics: Training students to become reliable coders (2007; 2008; 2010; Enrollment per course between 5-10)

Statistics consultant for master students (2012)

Guest lecture

Introduction to Psychology, 2 lectures (2007; Enrollment = 500)

MENTORING

Arizona State University, Department of Psychology

Graduate Students

Selena Quiroz (2019-present).

Adam A. Rogers (2013-2017). (co-mentored with Kim Updegraff), Assistant Professor, School of Family Life, Brigham Young University

Frank Poulsen (2013-2017). (co-mentored with Scott Cristopher), Associate Director of Research Coordination and Support at The Church of Jesus Christ of Latter-day Saints

External Graduate Students

Abisail Crespo Rios (2018). Clinical Psychology, Carlos Albizu University, Puerto Rico. I mentored his summer internship as part of the Diversity and Inclusion Science Initiative.

Master's Thesis, Comprehensive Examinations, and Dissertations

Member, Dissertation Committee

Charlie Champion (2019)	Clinical Psychology
Katie Panza (2019)	Clinical Psychology
Jaimie Arona Krems (2018)	Social Psychology
Adam A. Rogers (2017)	Family and Human Development

Member, Comprehensive Examination Committee

Annabelle Gallagher (2019)	Family and Human Development
Charlie Champion (2016)	Clinical Psychology
Katie Panza (2015)	Clinical Psychology
Adam A. Rogers (2015)	Family and Human Development

Member, Master Thesis Committee

Kimberly Yu (2019)	Clinical Psychology
Mingyang Chen (2019)	Master of Science in Design (Herberger Institute for Design and the Arts)
Yi Tang (2018)	Master of Science in Design (Herberger Institute for Design and the Arts)
Alex Biera (2017)	Biological Psychology

Charlie Champion (2016)

Clinical Psychology

Undergraduate Honor's Thesis

Chair

Savannah Grassel (2018)

Jonathan Manning (2018)

Angie Mallik (2016)

Dora Habets (2016, international exchange student from Radboud University Nijmegen, the Netherlands)

Alex Biera (2015)

Mohammed Shaikh (2014)

Astrid Bongers (2014, international exchange student from Radboud University Nijmegen, the Netherlands)

Member, Honors' Thesis Committee

Kayla Block (2016)

High School Students

Aditya Ashar (2016) as part of ASU's SCience and ENgineering Experience (SCENE program)

Radboud University Nijmegen, Department of Psychology, the Netherlands

As a PhD student, I chaired and mentored more than 25 master's students and research master's students.

Student Awards and Recognition

Selena Quiroz (2020). Cialdini Developmental Psychology Cross Training Award.

Selena Quiroz (2019). Department of Psychology Developmental Catalyst Award.

Adam Rogers (2019). Emerging Scholar Best Article Award, *Journal of Youth and Adolescence*, based on "[Rogers, A. A., Ha, T., Updegraff, K. A., & Iida, M. \(2018\). Adolescents' daily romantic experiences and negative mood: A dyadic, intensive longitudinal study. *Journal of Youth and Adolescence*, 47, 1517-1530.](#)"

Emily Lowell (2018). Scholarship as part of the WINURE Program award. The WINURE Program is sponsored by the National Institute on Neurological Disease and Stroke (NINDS; R25NS107188; PI: Janet Neisewander), with the aim to nurture the career development of students from groups underrepresented in neuroscience.

McKenzi Prawitt (2018, BYU). First prize at Mary Lou Fulton Mentored Student Research Conference.

Aditya Ashar (2016) received 2nd price at the Arizona Science and the Engineering Fair & Achievement in Research in Psychological Science award from APA.

Conference Submission Reviewer

Society for Research in Child Development biennial meeting, 2014, 2016

University Service

Codeveloper, ASU Relationship Enrichment Services (with ASU's Counseling and Health Service), a university-wide initiative to support ASU students to successfully navigate romantic relationships to improve academic engagement and mental health; services are provided by ASU Health Services, 2017, 2018, 2019

Facilitated discussions about an international student and faculty exchange program with Radboud University Nijmegen, the Netherlands, 2017

Hispanic Mother–Daughter Program speaker, 2018

Facilitated connections between ASU and Erasmus University, the Netherlands, to share information about increasing student retention among minority students, 2020

Department Service

Cochair of the Speakers Series Committee (SSFD), 2015

T32 committee at the REACH Institute to support outreach to the community, 2015

Planning and Advisory Committee to the Chair, 2020-2022

Catalyst Award Committee, 2019-

Community Outreach and Service

Coordinator, Sun Devil Success Workshops in Tempe Union High Schools, 2014

Organized Inspirational Speakers Series to support successful transition to college and promote graduation from high school (Phoenix Union High School district), 2015

Consultant for ETR (Advancing Science, Reducing Risk, Improving Lives), yearly two-day meetings to introduce neuroscience and romantic relationships into sexual health education. I also wrote a blog about adolescent romantic relationships

(<http://www.etr.org/blog/my-take-adol-relationships/>) that was widely distributed among community organizations that aim to reduce intimate partner violence and promote sexual health, 2016, 2017, 2018, 2019

Collaboration with “People of Divorce Network,” which provides services to couples of all ages to navigate transitions in their relationships, 2016

Long-term collaboration with the superintendent's office at Tucson Unified School District (TUSD; Superintendent Dr. Gabriel Trujillo) to investigate how students' ability to navigate TUSD support services and social relationships promotes academic success, 2018, 2019, 2020
