Principal Lecturer, Accountancy (2016 – 2022)
Senior Lecturer, Accountancy (2007 – 2016)
Lecturer, Accountancy (2000 – 2007)
Provide classroom instruction for financial, managerial, and cost accounting courses at the undergraduate and graduate level. Develop and deliver online undergraduate, graduate, and executive education courses in financial, managerial, and cost accounting. Provide academic and career counseling / advisement to graduate and undergraduate students. Serve on various committees as assigned (i.e. Undergraduate Curriculum Committee, ad-hoc textbook selection committees). Served as faculty mentor for PwC Challenge and EY Beam Abroad case competitions.

Senator, Faculty Senate (2016 – present)
Represent the School of Accountancy in the University Faculty Senate on matters regarding academic affairs, personnel policies, faculty-student policies, finances, and University services and facilities.

- Member, Student-Faculty Policy Committee (2022 – 2024) serves in a policy-forming and advising capacity in matters governing student conduct, student organizations, and in other matters related to students including admission and readmission policies and procedures, registration, graduation requirements, grading policies, scheduling, withdrawal policies, course load maximums, and program of study filing requirements, student advisement and counseling, and academic integrity
- Delegate, PAC-12 Academic Leadership Coalition (2020 – 2021) Represented ASU in a consortium of faculty governance leaders from the PAC-12 universities whose mission is to improve the effectiveness and responsiveness of each member institution's shared governance organization and, where commonalities exist, to facilitate cooperation that is jointly beneficial to the participants.
- Past President – West Campus, University Senate (2019 – 2020) Represented the West Campus and School of Accountancy in Senate leadership as a member of the University Academic Council and Senate Executive Committee.
- Member, Services and Facilities Committee (2016 – 2018) serves in an advisory capacity in the study, clarification, and formulation of policy and procedures in areas affecting the university including strategic planning, budgeting, technology transfer, facilities and services, information services, and public relations.

1998-2021 John T. Dallmus, CPA, Phoenix, Arizona
Accounting Practitioner
Provided tax, accounting and advisory services for business and individual clients and as per diem services to other CPAs. Expertise in creating sophisticated financial models for a variety of uses including real estate investment analysis, private placement memoranda, capital budgeting, and strategic planning.

1998-2000 IntelliSource, Inc., Phoenix, Arizona
Controller
Responsible for all aspects of accounting and financial management to include preparation of monthly financial statements, management of payroll, payables and receivables, comprehensive income and cash flow forecasting and related variance analysis. Also managed relationships with lenders and creditors as well as preparation of reports for tax and regulatory agencies.

PROFESSIONAL EXPERIENCE (continued)

1997-2000 Arizona State University West, School of Management, Phoenix, Arizona
Faculty Associate, Accountancy
Provided classroom instruction for Financial Accounting, External Auditing and Accounting Information Systems courses.

1993-1998 Glendale Community College (GCC), Glendale, Arizona
Faculty Associate, Business Programs
Provided classroom instruction for business and introductory management information systems courses. Also assisted students in GCC technology center with popular database, spreadsheet, word-processing and graphics applications.

Assistant Football Coach, Offensive Line (1992-1994)
Recruited, coached, and mentored student athletes. Responsible for developing and coaching offensive lineman and assisted with administering off-season conditioning and weight-training programs. Produced two All-American and seven All-Conference honorees. Speaker at Bruce Snyder's Annual Football Coach's Conference sponsored by Arizona State University's Sun Devil Athletics (1993).

1991-1992 Constellation Energy, Inc., Baltimore, Maryland
An affiliate of the Baltimore Gas and Electric Company
Asset Manager
Prepared consolidated monthly P&L and performed variance analysis for a portfolio of 24 joint venture alternative energy projects (solar, wind, geothermal, clean coal, biomass, run-of-the-river hydroelectric, and cogeneration power producing facilities). Proactively identified and resolved business issues to ensure accomplishment of financial objectives. Evaluated new business, investment and acquisition opportunities. Consolidated monthly operating statistics and identified performance and regulatory issues. Prepared annual and five-year financial/strategic plans.

- *Managed the sale of a limited partnership interest in an independent power producing facility; created automated cash flow/valuation model and comprehensive information memorandum and interacted with investment advisor and prospective investors.*
- *Other accomplishments included implementing enhanced billing procedures and creating automated spreadsheet models for preparation of monthly financial and operating reports.*

1989-1991 Citicorp/Citibank, U.S. Card Products Group, Hunt Valley, Maryland
Business Analyst
Analyzed and consolidated financial and operating data for one of three remote, large-scale credit card processing centers. Identified opportunities and risks through analysis of expense, unit cost, productivity and activity ratios; prepared annual and five year financial/strategic plans; reviewed and analyzed funding requests, capital expenditure proposals and inter-site expense allocations. Maintained general ledger and prepared accruals for month-end closing of administrative and data processing cost centers.

1986-1989 AAI Corporation, Aircraft Test Equipment Division, Hunt Valley, Maryland
Financial Analyst
Prepared monthly defense contract project P&L statements, variance analysis reports and business review presentations for senior management. Implemented and maintained database management systems to monitor project cost and schedule status. Prepared new business proposals and comprehensive financial/strategic plans for newly awarded contracts.
