Assistant Football Coach, Offensive Line (1992-1994)

Recruited, coached and mentored student athletes. Responsible for developing and coaching offensive lineman and assisted with administering off-season conditioning and weight-training program. Produced two All-American and seven All-Conference honorees. Speaker at Bruce Snyder's Annual Football Coach's Conference sponsored by Sun Devil Athletics (1993).

John T. Dallmus, CPA, MBA

PROFESSIONAL EXPERIENCE (continued)

- 1991-1992 Constellation Energy, Inc., Baltimore, Maryland
An affiliate of the Baltimore Gas and Electric Company
Asset Manager
Consolidated monthly P&L and performed variance analysis for a portfolio of 24 joint venture projects. Proactively identified and resolved business issues to ensure accomplishment of financial objectives. Evaluated new business, investment and acquisition opportunities. Consolidated monthly operating statistics and identified performance and regulatory issues. Prepared annual and five-year financial/strategic plans.
- *Managed the sale of a \$14 million limited partnership interest in an independent power producing facility; created automated cash flow/valuation model and comprehensive information memorandum and interacted with investment advisor and prospective investors.*
 - *Other accomplishments included implementing enhanced billing procedures and creating automated spreadsheet models for preparation of monthly financial and operating reports.*
- 1989-1991 Citicorp/Citibank, U.S. Card Products Group, Hunt Valley, Maryland
Business Analyst
Analyzed and consolidated financial and operating data for one of three remote credit card processing centers. Identified opportunities and risks through analysis of expense, unit cost, productivity and activity ratios; prepared annual and five year financial/strategic plans; reviewed and analyzed funding requests, capital expenditure proposals and inter-site expense allocations. Maintained general ledger and prepared accruals for month end closing of administrative and data processing cost centers.
- 1986-1989 AAI Corporation, Aircraft Test Equipment Division, Hunt Valley, Maryland
Financial Analyst
Prepared monthly project P&L statements, variance analysis reports and business review presentations for senior management. Implemented and maintained database management systems to monitor project cost and schedule status. Prepared new business proposals and comprehensive financial/strategic plans for newly awarded contracts.
