DATA ANALYTICS AND SUPPLY CHAIN MANAGEMENT PROFESSIONAL Procurement • Inventory Management • Project Management • Advanced Tableau

EDUCATION

Thunderbird School of Global Management, Phoenix, AZ Master of Global Management (GPA 3.78)	May 2021
Arizona State University, Tempe, AZ Master of Science in Global Logistics (GPA 3.68)	May 2018
Arizona State University, Tempe, AZ Bachelor of Science in Accounting (GPA 3.49)	July 2017

DATA ANALYTICS PROJECTS

- Conducted a data intensive team project for Knight transportation; analyzed all of their 2017 rejected loads to identify lost business opportunities and compared them against regions where the company already operates in order to identify if potential partner carriers could fulfill the capacity gap.
- Conducted a case review on whether or not Dollar Tree should grow its footprint by expanding on existing capacity at Briar Creek or by building a new facility in Hartford.

PROFESSIONAL EXPERIENCE

Project Management Intern	<i>Arizona State University, Tempe, AZ</i>	May 2018-present
<ul style="list-style-type: none">Process travel reimbursements daily, audit expense reports to ensure policy alignment, approve and route for payment.Initiate RFP process with vendors to identify suppliers for heavy equipment purchases; initiate contracts and process purchase orders for approved vendors.Actively took charge of learning a new company software (workday) used for processing all university financial documents, trained current work team and onboard new staff within two weeks of hiring staff members.Collect data from different units within the department; utilize Tableau to analyze data and make comparison between past and current expenditure, which is used by supervisor to prepare for the following quarter.		
Part time Operations Assistant	<i>Jollof King Restaurant, Tempe, AZ</i>	August 2018-March 2019
<ul style="list-style-type: none">Ensured compliance with FDA and local health department regulations.Promoted a safe and healthy work environment by setting food safety standards and ensuring that all employees followed restaurant rules and regulations.		
Graduate Research Assistant	<i>Arizona State University, Tempe, AZ</i>	August 2017-May 2018
<ul style="list-style-type: none">Supported department members with administrative, research and academic assistance, reducing workload for faculty members to focus their attention on other pressing assignments.Liaised between faculty and students to answer questions and optimize faculty time, building relationships with students and faculty members which subsequently helped improve my own interpersonal relationship skills.		
Volunteer Student Tutor	<i>Arizona State University, Tempe, AZ</i>	August 2016-February 2018
<ul style="list-style-type: none">Motivated students towards learning and studying to build self-confidence and reduce anxiety of failure in math, which resulted in increased student performance in math.Collaborated with students to complete homework assignments, identify lagging skills and correct weaknesses. This practice helped students to understand concepts and prepare for in class discussions on various topics.Supported teacher instructions by discussion concepts and creating custom practice questions. This has helped many students perform exceptionally well on exams and led to about 5% of non-business students taking more business classes.
