

2007-2015 University of Minnesota

Graduate Courses

Advanced Rehabilitative Audiology
Cochlear Implants
Hearing Loss in Children: Diagnosis (Pediatric Audiology: Diagnostics)
Lab section for Audiologic Assessment II (Physiological measures)
Clinical Foundations in Audiology (Clinical teaching)
Coordinated Grand Rounds for Au.D. Students
Ethics module as part of the Professional Issues and Counseling course

Undergraduate Courses

Hearing Measurement and Disorders
Rehabilitative Audiology

1997-2002 St. Cloud State University

Graduate Courses

Audiology Clinic Practicum
Assessment and Management of Auditory Processing Disorders in Children
Finding and Evaluating Speech-Pathology Resources on the Internet
Advanced Audiology for Speech-Language Pathologists

Undergraduate Courses

Speech Science
Hearing Science
Hearing Measurement
Aural Rehabilitation
Introduction to Communication Disorders

1992-1996 Purdue University

Teaching Assistant for Undergraduate Lab Courses

Diagnostic Audiology
Aural Rehabilitation

Teaching Assistant for Graduate Lab Course

Auditory Evoked Potentials

JOURNAL PUBLICATIONS

Peer reviewed

GRANTS

- | | |
|-----------|--|
| Mar 2022 | Vitalyst Health Foundation Spark Grant, AZ, (\$20,000), PI
Study title: Hearing Health Equity for Arizona |
| Sept 2021 | Grason Stadler Inc. Eden Prairie, MN, (\$3,300). Co-PI.
Study Title: Reference Equivalent Threshold Force Levels for bone-conduction audiometry |
| Feb 2019 | Arizona State University College of Health Solutions and The Herberger Institute for Design and the Arts collaborative seed grant, (\$6,330). Co-PI
Grant title: Hearing loss rehabilitation, awareness and prevention through acoustic ecology and virtual reality |

- Nov 2014 Lions Hearing Foundation Research Grant, (\$10,000). Co-PI
Grant Title: Lions Children’s Hearing Center (LCHC) Pediatric Hearing Loss Database
- Jul 2014 Starkey Hearing Technologies, Eden Prairie, MN, (\$39,899). PI
Study title: Can a commercially available auditory training program improve audiovisual performance?
- Aug 2013 Starkey Hearing Technologies, Eden Prairie, MN (\$30,890). PI
Study title: Event-related potential outcomes with “Read my quips” aural rehabilitation training program
- Dec 2010 Grant-in-aid, University of Minnesota, (\$18,880). PI
Study title: Effects of medial olivocochlear activation on cortical processing
- 1998-1999 St. Cloud State University faculty research grant, (\$3,600). PI
Study title: Evaluation of newborn hearing screening programs in urban and rural settings

OTHER FUNDING

- Spring 2022 Arizona Community Foundation grant (\$25,000), PI
Grant title: Hearing Healthcare Assistance Project
- Spring 2020 Arizona Community Foundation grant (\$15,000), Co-PI
Grant title: Hearing loss in adults: Communication, Connection and Community.
- Fall 2001 St. Cloud State University faculty grant to address cultural diversity (\$450)
- Fall 1999 St. Cloud State University Foundation grant to address continuing education options for speech-language pathologists (\$450)
- Fall 1998 CentraCare Health Foundation Grant to initiate newborn hearing screening programs in central Minnesota (\$16,000)

RESEARCH PRESENTATIONS

Martinez, Z., Rao, A., & Gonzalez, J. (March 2022). Comparison of auditory brainstem responses elicited with tone bursts and narrowband CE Chirps in adults. Poster presented at the annual conference of the American Academy of Audiology, St. Louis, MO.

Shim, J., MacDonald, M., Rao, A., Margolis, R. H., Wilson, R.H., & Saly, G.L. (April 2020). A novel test of speech perception in adults. Poster presented at the virtual conference of the American Academy of Audiology. (This poster was also presented at the CHS Research Day, April 2020.)

Margolis, R. H., Rao, A., & Wilson, R. (October 2019). A non-linguistic test of speech perception. Oral presentation at the annual convention of the Coalition of Global Hearing Health, Tempe, AZ.

Schroeder, R., Rao, A., Margolis, R. H., & Altus, B. (March 2019). Speech perception testing with reversed speech. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Altus, B., Rao, A., Schroeder, R., Williams, E. J., Margolis, R. H., McBride, I. (April 2018). Reference Equivalent Threshold levels for two new audiometric transducers. Poster presented at the annual convention of the American Academy of Audiology, Nashville, TN.

Huang, A., Jensen, S., Margolis, R. H., Williams, E., McBride, I., Rao, A., Saly, G. L., Wilson, R. H. (April 2017). Speaker gender effects on word recognition. Poster presented at AudiologyNOW!, Indianapolis, IN. (*Received Poster Award for Excellence.*)

Margolis, R. H., Williams, E., Huang, A., Jensen, S., McBride, I., Rao, A., Saly, G. L., Wilson, R. H. (March 2017). Perception of backward speech. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Yu, L., Rao, A., Zhang, Y., Burton, P. C., Rishiq, D., Abrams, H. (April 2016). Changes in cortical functional connectivity for audiovisual speech perception associated with hearing aid use with or without auditory training. Poster presented at Cognitive Neuroscience Society meeting, New York, NY.

Taylor-Alonso, P., Rao, A., Fletcher, T., Hentges, J., Haas-Camitsch, K. (April 2016). Hearing health in Mexico: Screening statistics from a community-based program. Poster presented at the AudiologyNOW!, Phoenix, AZ. (*Received Poster Award for Excellence.*)

Rishiq, D., Rao, A., Koerner, T., & Abrams, H. (March 2016). Can a commercially available auditory training program improve audiovisual performance? Poster presented at American Auditory Society meeting, Scottsdale, AZ.

McDonald, E., Gravel, K., Ward, J., Erickson, H., & Rao, A. (March 2015). Cochlear implant outcomes in pediatric patients with cochleovestibular malformations. Poster presented at the AudiologyNOW!, San Antonio, TX.

Rao, A., Rishiq, D., Yu, L., Zhang, Y., Abrams, H. (March 2015). Speech perception and electrophysiological outcomes with ReadMyQuips auditory training program. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Han, H., Schlauch, R., Yu, J., Rao, A. (March 2015). Explanation of SRT-PTA discrepancy in functional hearing loss. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Thibodeau, L., Muscato, N., Baxter, J., Rao, A., Sullivan, J. (September 2014). Implementing Intensive Auditory Rehabilitation Programs in University Settings. Poster presented at the annual meeting of the Academy of Rehabilitative Audiology, Philadelphia, PA.

Rao, A., Rishiq, D., Yu, L., Zhang, Y., Abrams, H. (August 2014). Auditory event-related potential outcomes with ReadMyQuips auditory training program. Poster presented at the International Hearing Aid Conference, Lake Tahoe, CA.

Litwinchuk, A., & Rao, A. (April 2014). DPOAE fine structure in young adults with or without a history of noise exposure. Poster presented at the undergraduate research symposium, University of Minnesota, Minneapolis, MN. (Mentored poster)

Han, H., Schlauch, R., Rao, A. (March 2014). Effect of visual cues on scoring of speech tests. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Rao, A., Koerner, T., Madsen, B., Zhang, Y. (March 2013). The role of olivocochlear efferents in auditory perception. Poster presented at American Auditory Society meeting, Scottsdale, AZ.

Yang, S., Rao, A., Zhang, Y. (April 2012). An event-related potential study of speech perception in noise in bilinguals. Poster presented at the undergraduate research symposium, University of Minnesota, Minneapolis, MN. (Mentored poster)

Rao, A., Tusler, E., & Formo, A. (November 2011). Age-related changes in 2f1-f2 and 2f2-f1 DPOAE microstructure. Oral presentation at the annual convention of the American Speech-Language-Hearing Association, San Diego, CA.

Tusler, E. M., Formo, A., & Rao, A. (April 2010). Effects of aging on DPOAE microstructure and its components. Poster presented at the Annual convention of the American Academy of Audiology, San Diego, CA.

Rao, A., Zhang, Y., & Miller, S. (March 2009). The influence of competing stimuli on auditory selective attention: A behavioral and electrophysiological study. Poster presented at the Cognitive Neuroscience Society Annual Meeting, San Francisco, CA.

Zack, J., Rao, A., & Anderson, G. N. (November 2000). Early Hearing Detection and Intervention: A model rural hospital program. Poster presented at the annual convention of the American Speech-Language-Hearing Association, Washington, DC.

Rao, A., Anderson, G. N., & Zack, J. (July 2000). Using JCIH 2000 benchmarks to identify follow-up issues in an Early Hearing Detection and Intervention program. Poster presented at the National Symposium on Hearing in Infants. Denver, CO.

Melara, R. D., Rao, A., & Tong, Y. (October 1999). Behavioral and ERP effects of attentional competition, training, and transfer in auditory selective attention tasks. Poster presented at the 39th annual meeting of the Society for Psychophysiological Research, Granada, Spain.

Rao, A., & Melara, R. D. (February 1997). Plasticity of auditory selective attention in adults: A behavioral and physiological analysis. Paper presented at the mid-winter meeting of the Association for Research in Otolaryngology, St. Petersburg, FL.

Rao, A., Long, G., Narayan, S.S., & Dhar, S. (February 1996). Changes in temporal characteristics of TEOAEs and the fine-structure of DPOAEs with aspirin consumption. Poster presented at the mid-winter meeting of the Association for Research in Otolaryngology, St. Petersburg, FL.

Rao, A., Von Almen, P., & Blair, J.C. (November 1992). Validation of the use of the Rapid Speech Transmission Index in elementary school classrooms. Poster session presented at the annual convention of the American Speech- Language-Hearing Association, San Antonio, TX.

PROFESSIONAL PRESENTATIONS

Wu, D., Helms Tillery, A., Rao, A. (November 2022). Hearing health equity for AZ. Poster presented at the Annual conference of the American Speech-Language-Hearing Association, New Orleans, LA. Designated as a meritorious poster submission.

Rao, A., Helms Tillery, A., Chou, H. (May 2021). Online student training and group aural rehabilitation. Internet and Audiology Virtual Conference, Chicago, IL.

Helms Tillery, A., Rao, A., Fried, M., Zibin, S. (March 2021). Living Well with Hearing Loss in the midst of a pandemic. Lightning talk presented at the Social Embeddedness Network Virtual Conference, Arizona State University, Tempe, AZ.

Rao, A., Helms Tillery, A., Tallman, R., Vavra, J. (March 2021). Living Well with Hearing Loss from One Season to the Next. Lightning talk presented at the Social Embeddedness Network Virtual Conference, Arizona State University, Tempe, AZ.

Gravel., K., Schimmenti, L, Rao, A., Steyermark, J. (April 2017). A multidisciplinary team approach to hearing genetics. Learning module presented at AudiologyNOW!, Indianapolis, IN.

Thibodeau, L., Muscato, N., Baxter, J., Rao, A., Sullivan, J. (March 2015). Teaching Auditory Rehabilitation: A model Program with shared Resources. Learning module presented at AudiologyNOW!, San Antonio, TX.

Shoup, A., & Rao, A. (2010). Ethics and Research. Two-part webinar presented for the American Academy of Audiology, Reston, VA.

Rao, A., & Margolis, R. (2009). Ethics and Audiology. Round-table presentation at the Spring convention of the Minnesota Speech and Hearing Association, Minneapolis, MN.

Garner, G., Margolis, R., & Rao, A. (2009). Ethical equilibrium: The current ethical landscape. Presented at the Minnesota Academy of Audiology convention, Minneapolis, MN.

Rao, A. (2008). Introduction to genetics. Lecture presented at the California Academy of Audiology Annual Conference, Sacramento, CA.

Rao, A., Lovell, C., & Flannery, D. (2007). Genetics and Hearing Loss. Learning module presented at the annual convention of the American Academy of Audiology, Denver, Colorado .

Rao, A. (2006). Diagnosis of hearing loss in infants and children. Lecture presented at Mini-Medical School, a community outreach program sponsored by the Division of Continuing Education and School of Medicine at the Medical College of Georgia, Augusta, GA.

Rao, A., & Anderson, G. N. (2001). Planning and implementation of Early Hearing Detection and Intervention programs. Workshop sponsored by Everest Biomedical Instruments, St. Louis, MO.

Rao, A., Anderson, G. N., & Zack, J. (2000). Tailoring Early Hearing Detection and Intervention programs to urban and rural settings. Paper presented at the international conference on newborn hearing screening, diagnosis and intervention. Milan, Italy.

Rao, A., Anderson, G. N., & Zack, J. (2000). Early Hearing Detection and Intervention: An overview of two models. Paper presented at the 15th international conference of Self Help for the Hard of Hearing, St. Paul, MN.

Rao, A. (2000). Assessment and management of central auditory processing disorders in children. Workshop sponsored by the Benton-Stearns Educational District, St. Cloud, MN.

Rao, A. (1999). Management of central auditory processing disorders in children. Paper presented at the 15th annual day of excellence of the Southwest/ West central Service cooperative regional special needs project, Marshall, MN.

HONORS AND AWARDS

Fall 2022 Meritorious poster submission, Annual convention of the American Speech-Language-Hearing Association

Spring 2021 Nominated as Keynote speaker by class of 2020 AuD graduating cohort

Spring 2021 CHS team award presented to the audiology clinical faculty

2018, 2019, 2021, 2022 SUN awards for exemplary service to ASU

2016 & 2017 Award for excellence, poster presentation, American Academy of Audiology

- 2007 Advancing Academic and Research Careers (AARC) award, American Speech-Language-Hearing Association.
- 1999 “Spirit of Caring” award, Centracare Health Foundation, St. Cloud, MN, (Award for initiating Early Hearing Detection and Intervention Programs in Central Minnesota)
- 1996-1997 *NSSLHA Award*, Outstanding Teaching Assistant, Purdue University.

COLLEGE OF HEALTH SOLUTIONS SERVICE

- 2019-Present Team co-lead Participant Registry Affinity Network
As team co-lead, I worked with the CHS biostatistics core, faculty, ASU IRB core to create a research participant registry in REDCap. This involved getting input from CHS faculty and fine-tuning the registry to meet the research recruitment needs. Also worked with CHS marketing to create a plan. Currently working with Knowledge Enterprise to build a research registry for ASU and our clinical partners.
- 2020-2021 Worked with CHS cohort to create the Dean’s Community Advisory Board
- 2020 Served as reviewer on CHS Personnel Ad Hoc committee
Completed annual review for six non-tenure track CHS faculty
- 2020-2022 Affinity Network Committee member
Provided input and reviewed documents as needed

UNIT DUTIES

- 2020-2021 Clinical Faculty Search committee member
- Aug 2020- Present Co-chair, Research in Clinic committee, Arizona State University
Implemented a process in the ASU Speech and Hearing Clinic to consent patients to be contacted for research
- Aug 2020-May 2021 Comprehensive examination committee, Arizona State University
- May 2015-May 2018 Comprehensive examination committee, Arizona State University
- Aug 2016-Present Continuing Education committee, Arizona State University
- May 2008-May 2015 Examining Committee, M.A. Au.D. and Ph.D. students, University of Minnesota

May 2011-Present Faculty advisor, University of Minnesota Chapter of the Student Academy of Audiology, University of Minnesota

Spring 2009, 2012 Member, Admissions Committee, University of Minnesota

Fall 2008 Member, Scholarship committee, Dept. of Speech-Language-Hearing Sciences, University of Minnesota

Fall 2007 Member, Committee on faculty leave, Dept. of Speech-Language-Hearing Sciences, University of Minnesota

Sept 2000-Jul 2002 Graduate Director, St. Cloud State University

Aug 1999-Jul 2002 Graduate advisor, St. Cloud State University

Aug 1999-Jul 2002 Faculty advisor for the SCSU Chapter of the National Students' Speech- Language-Hearing Association, St. Cloud State University

Aug 2000-Jul 2002 Scholarships Coordinator, St. Cloud State University

Aug 1999-Jul 2002 Member, Retention/Promotion/Tenure Committee, St. Cloud State University

Aug 2000-May 2001 Member, University committee for "Excellence in Leadership" awards, St. Cloud State University

PROFESSIONAL SERVICE AND EXPERIENCE

Jan 2022- Present Member of the Board of Ethics, American Speech-Language-Hearing Association for a 3-year term beginning Jan 2022.

Fall 2020-Present Member of Arizona Audiology Coalition. Goal is to protect scope of practice in audiology and advocate for audiologists in the state of AZ

Jan 2018- Mar 2020 Editorial review board member, American Journal of Audiology

Aug 2011-Present Ad Hoc Reviewer, American Journal of Audiology, Journal of the American Academy of Audiology, Ear and Hearing, Brain Sciences and ASHA Perspectives

May 2016-2018 Member, Education Committee, Coalition for Global Hearing Health Created an international register of online and university-based resources in hearing health and related fields

- May 2014-2017 Committee member, ASHA SIG 9, Hearing Loss in Childhood. Coordinator 2015-2017. Coordinator duties involved overseeing all activities of SIG 9 with help from the coordinating committee, professional development manager and editor. Also responsible for collaborating with other organizations such as Educational Audiology Association and other ASHA SIGs with interest in childhood hearing loss.
- Nov 2014 Reviewer of poster abstracts for the American Auditory Society meeting, March 2015
- Dec 2013 Reviewer of presentations for AudiologyNOW! 2014 (Learning modules).
- Jun 2013 Provided consultation and guidance to three Au.D. students to develop and implement a humanitarian hearing screening program in Guanajuato, Mexico. Humanitarian grant received from the International Hearing Foundation (\$6,500) for project in Mexico, June 15-30, 2013.
- Jul 2012-May 2013 Participant, ASHA Leadership Development Program. Project: Audiology mentorship program for 1st and 2nd Au.D. graduate students. This is a collaborative program involving students in the Department of Speech-Language-Hearing Sciences and professional members of the Minnesota Academy of Audiology.
- Sept 2010-May 2011 Member, American Academy of Audiology Subcommittee on Childhood Hearing Screening. My contribution was the section on otoacoustic emissions. Evidence-based recommendations for the use of otoacoustic emissions as a screening tool in early-childhood and school-age children are presented. Document may be accessed at: <http://www.audiology.org/resources/documentlibrary/Documents/ChildhoodScreeningGuidelines.pdf>
- Jan 2011-Jun 2011 Member, American Academy of Audiology gold standard summit sub-task force #1
- Jul 2007-Jun 2010 Member, Ethical Practices Committee, American Academy of Audiology
- Spring 2002 Audiology Coordinator, Spring convention of the Minnesota Speech and Hearing Association, St. Cloud, MN.
- Aug 1998-Aug 1999 Member, Continuing education committee, Minnesota Academy of Audiology.

COURSES COMPLETED

- 2021-2022 Completed year-long training in Dissemination and Implementation offered by the College of Health Solutions, ASU

- 2017 CH-AP (Certificate Holder-Audiology Preceptor), American Academy of Audiology (online)
- 2018 Certificate in Health Informatics, ASU CHS continuing education (online)

PROFESSIONAL AFFILIATIONS

American Speech-Language-Hearing Association
American Auditory Society
American Academy of Audiology
Coalition of Global Hearing Health
Indian Speech-Language-Hearing Association

PAST PROFESSIONAL CREDENTIALS/ LICENSES

2007-2015, 1997-2005 State of Minnesota Licensed Audiologist
2005- 2007 State of Georgia Licensed Audiologist
2003-2004 State of Minnesota Licensed Hearing Instrument Dispenser
1994-1995 State of Indiana Licensed Audiologist
