Objective

I seek a position in sales, operations/business management, or web development. Currently an online software engineering student working full-time as a Lead Parking Enforcement Officer at the Tempe Campus of Arizona State University, I have extensive prior experience in newspaper publishing (web and print) and the commercial printing industry. Seeking full-time employment, I am looking to start a new career that will allow me to combine my extensive experience and my education in a challenging position with growth opportunity.

Candidate Overview

- Fifteen-plus years of business ownership experience.
- Extensive experience in the sales of advertising and printed products.
- Management experience in the military and in the newspaper and printing industries.
- Newspaper editor experience (web and printed editions).
- Computer graphic design and page layout skills. Proficiency in Adobe CS.
- Website content management and maintenance experience (HTML/CSS, Javascript, Java)
