TEACHING & MENTORING

2020-present ASU **Program Lead**, MS Global Health, School of Human Evolution and Social Change,

- Leads and manages curriculum development/updates and program growth
- Advises all students in program, providing mentorship in roles of Committee Chair/co-Chair
- Creates, leads, and manages program structures, including the program-specific Canvas housing modules on the curriculum, securing a quality internship, and student resources; hosting monthly networking "Coffee Chats"; and leading career readiness activities such as the Career Conversations series with global health practitioners
- Leads all program administration activities including annual program assessment, year-round admissions, twice-yearly orientation, information sessions, and informational updates for students and advisors

- 2022-present **Instructor**, School of Human Evolution and Social Change, ASU
- ASB 494/598 Monitoring, Evaluation and Learning for Global Health Programs (New course build, 2024)
 - ASB 526 Survey Topics in Nutrition (New course build, 2022, 2023, 2024)
 - ASB/BIO 548 Maternal and Child Health (2023)
 - ASB 584 Global Health Internship (New course build, 3x/year, 2022-present)
- 2022-2023 **Presenter**, Center for Applied Research and Innovation in Supply Chain-Africa (CARISCA) Training Series. Virtual with international (pan-African) audience of 50-75 participants.
- Analyzing and Writing Your Qualitative Research Report, with Kekeli Adnou (2023, May 22)
 - Roadmap to Research: Creating Your Protocol (2022, November 22)
 - Creating Quality Research Questions, with Adegoke Oke (2022, September 22)
 - Building a Consistent Writing Practice (2022, July 26)
 - Foundations of Academic Writing (2022, April 19)
 - Qualitative Analysis for Monitoring and Evaluation (2021, October)
- 2017-present **Instructor**, ASB 484 Research Apprenticeship, SHESC, ASU
- Mentored 24 students in research methods and applications (non-thesis students, including Barrett Honors Fellows)
- 2016, 2018 **Instructor**, Chemonics-ASU Global Impact Collaboratory.
- Cultural surveys and qualitative interviews: design, implementation, and analysis
- Trained 15 university professors and 60 students in Pemba and Quelimane, Mozambique
 - Trained 22 USAID-contracted program staff and community partners in West Bank, Palestine
- 2011-2015 **Teaching Assistant**, Division of Nutritional Sciences, Cornell University
