

**CURRICULUM VITAE**  
**Deborah L. Helitzer, Sc.D.**

**Summary of Qualifications**

- Institutional Administrative leader in population health and research since 2005
- Leader in areas of faculty mentoring, strategic planning, and development of new initiatives
- Tenured professor and independent investigator with 30 years and PI, co-PI or co-investigator on \$65 million of nationally-recognized evaluation research projects
- Award-winning publication history and research expertise in patient-provider communication, evaluation theory, qualitative research methods, health literacy and cancer prevention
- Award-winning teacher of public health, population sciences, biomedical research education and clinical and translational research
- Regular participant on peer review Study Sections (NIH, PCORI, CDC)
- National leadership roles in AAMC, NCATS/CTSA, ASPPH, NIH/ORWH
- Faculty member in multiple national career development training programs
- President and Board member of non-profit institutions
- Nationally recognized for contributions to women's promotion and retention in academic medicine

**PROFESSIONAL ADDRESS**

College of Health Solutions  
Arizona State University  
Health North Building  
550 N 3<sup>rd</sup> Street  
Phoenix, AZ 85004

## EDUCATION HISTORY

- B.A., 1975, Washington University, St. Louis, MO, Communications
- Sc.D., 1990, School of Hygiene and Public Health, Department of International Health, The Johns Hopkins University, Baltimore, MD, International Health

## EMPLOYMENT HISTORY

- **Account Executive**, Children's Food Products, Helitzer Advertising, Inc., New York, NY. (1975-1977)
- **Director of Radio Sales**, Eastern Division, All Canada Radio and TV, Ltd., New York, NY. (1977)
- **Account Executive**, National Spot and Network Radio Sales Division, McGavren-Guild, Inc., New York, NY. (1978-1980)
- **Nutrition Communication Research Analyst**, Federal Trade Commission, Bureau of Consumer Protection, Division of Food and Drug Advertising, Washington, DC. Analyst for "Food Rule". (1980-1982).
- **Executive Director**, Network for Better Nutrition. This cooperative organization, composed of industry, consumer and health professionals, nutrition educators, and government members, was organized to disseminate objective nutrition information to the public, Washington, DC. (1982-1983)
- **Independent Consultant**, international and national government agencies, and private organizations, Washington, DC. (1983-1985)
- **Program Officer**, Academy for Educational Development Washington, DC. Assisted in the implementation of the Academy's social marketing programs in Haiti and Panama. (1985-1986)
- **Resident Advisor**, Academy for Educational Development HEALTHCOM Project, Malawi, Central Africa. Directed field operations of the Communication for Child Survival Project, in collaboration with the Combating Communicable Childhood Diseases Project (CCCD), Malawi, Central Africa. (1986-1988)
- **Regional Consultant**, Academy for Educational Development Health Communication Programs, Malawi, Central Africa. (1988-1989)
- **Senior Program Officer**, Academy for Educational Development Health, Population and Nutrition Programs, Washington, DC. (1989-1991)
- **Johns Hopkins University, School of Public Health, Baltimore, MD**
  - **Assistant Professor**, Department of International Health, Division of Health Systems (1991-1995)

- **Assistant Professor**, Joint Appointment, Department of Health Policy and Management, Division of Behavioral Sciences and Health Education (1993-1995)
- **Assistant Professor**, Affiliated Faculty, Center for Adolescent Health, Department of Maternal and Child Health (1994-2000)
- **Adjunct Assistant Professor**, Johns Hopkins University School of Hygiene and Public Health Department of International Health (1995-2000)
- **University of New Mexico, Albuquerque, New Mexico**
  - **Research Assistant Professor**, Departments of Family and Community Medicine and Pediatrics (Joint Appointment), School of Medicine (September 1995-2000)
  - **Research Associate Professor**, Departments of Family and Community Medicine and Pediatrics (Joint Appointment), School of Medicine (July 2000-2002)
  - **Associate Professor with Tenure**, Departments of Family and Community Medicine and Pediatrics (Joint Appointment), School of Medicine (July 2002-2007)
  - **Vice Chair for Research**, Department of Family and Community Medicine, School of Medicine (July 2002-2008)
  - **Assistant Dean for Research**, School of Medicine. Primary responsibilities include the development of a Medical Resident Scholarship Initiative, faculty oversight of Pre-Award Administration and development of a clinical trials research billing system, led a decision-making committee of Vice Chairs of Research that created criteria for allocating internal pilot funds, bridge funding, capital equipment, new core facilities and set priorities for research space allocation. (March 2005 – June 2006)
  - **Member**, Population Sciences, Cancer Disparities and Cancer Control Program, NCI-Designated Cancer Research and Treatment Center. Primary responsibilities include the development of community-based translational research (July 2006-2017)
  - **Director, Master's Program in Clinical and Translational Research, Biomedical Research Education Program**, School of Medicine. Primary responsibilities include the development and implementation of a new Master's Program for faculty, residents and fellows in clinical translational research (October 2006-2013)
  - **Professor**, Department of Family and Community Medicine, School of Medicine (July 2007-Dec 2015); College of Population Health (January 2016-2017)
  - **Director, Research Education, Training and Career Development, Clinical and Translational Science Center**, Health Sciences Center. (October 2007 – 2017) Primary responsibilities include direction of all CTSC research training activities, including MSCR, K12, Mentor Training, Certificate Programs, and Undergraduate Pipeline initiatives.

- **Assistant Dean for Research Education, School of Medicine.** (July 2008-June 2010)  
Responsible for the strategic planning, programmatic oversight, supervision and budgets for all research education programs at the School of Medicine.
- **Associate Dean for Research Education, School of Medicine** (July 2010-June 2012).  
Responsible for the strategic planning, programmatic oversight, supervision and budgets for all research education programs (grown from 3 programs to 11 since 2008); graduate training in collaboration with the Colleges of Nursing and Pharmacy; leadership of the CTSC Research Education, Training and Development program; leadership of a novel faculty mentor training program; and the development of a pipeline of research training programs from high school through junior faculty.
- **Associate Director, Clinical and Translational Science Center, Health Sciences Center** (November 2010- 2017). Provides oversight for the education, career development and training programs for clinical and community-based research; and the tracking and evaluation component of the NIH-funded CTSA.
- **Associate Vice Chancellor for Research Education, Health Sciences Center** (July 2012 – December 2015). Responsible for the strategic planning, programmatic oversight, supervision and budgets for 11 research education programs at the Health Sciences Center. Leads the development of a new College of Population Health.
- **Founding Dean and Tenured Professor, College of Population Health** (January 2016 – 2017). Leads the implementation of a new College of Population Health, the second in the US. Oversee the development and approval of a new Bachelors of Science in Population Health degree program, with plans to matriculate its first class in 2016. Responsible for 12 primary faculty members, budget, marketing, development, strategic planning, development of bylaws, policies and procedures, faculty performance expectations, etc.
- **Arizona State University, Phoenix, AZ**
  - **Dean of the College of Health Solutions** (August 1, 2017 – present). Leads the College of Health Solutions. The college’s programmatic focus is on translational health – with academic programs in behavioral health, biomedical diagnostics, biomedical informatics, executive and continuing education, exercise science, health education/promotion, health sciences, health and wellness coaching, kinesiology, medical studies, nutrition, population health, public health, the science of health care delivery, and speech and hearing science.
  - **Professor with Tenure, College of Health Solutions** (August 1, 2017 – present)

## NATIONAL LEADERSHIP ROLES

- **Member, Committee on Prevention and Control of Malaria, Social Sciences Working Group,** (1990 – 1991). National Academy of Sciences, Institute of Medicine

- **Member**, Steering Committee, Malaria in Africa: New Prevention and Control Strategies, (1990 – 1991), American Association for the Advancement of Science, International Programs
- **Member**, Task Force on the Sick Child Malaria, (1994), Tropical Diseases Research and Training Unit, World Health Organization
- **Vice Chair, External Advisory Board**, (2008–2015), Mountain and Plains Education and Research Center, Colorado School of Public Health
- **Member**, Education Domain Task Force (2009 – 2015), Clinical and Translational Science Centers National Committee, National Center for Advancing Clinical and Translational Science, National Institutes of Health
- **Member**: Health Equity Research Evaluation Expert Panel (2013), Association of American Medical Colleges Research Evaluation Initiative
- **Member**, Research and Product Development Subcommittee (2011- 2014), Group on Women in Medicine and Science, Association of American Medical Colleges
- **Member**, Poster Abstract Review committee, (2013), Group on Women in Medicine and Science, Association of American Medical Colleges
- **Co-Chair, Executive Committee** (2013 - present), Research Partnership for Women in Medicine and Science, Advisory Group to Office of Research on Women’s Health, National Institutes of Health
- **Member**, Workforce Development Domain Task Force (2015-present), Clinical and Translational Science Awards, National Center for Advancing Translational Science, National Institutes of Health
- **Collection Co-Editor** (2016), Research Partnership for Women in Medicine and Science, *Journal of Women’s Health*
- **Member**, Population Health Workgroup, (2016-present), Association of Schools and Programs in Public Health
- **Member**, Oregon Health Sciences Center, Clinical and Translational Science Award, External Advisory Committee, April 2018-present
- **Member**, University of New Mexico Health Sciences Center, Clinical and Translational Science Award, External Advisory Committee, October 2019 – present
- **Chair**, National Institutes for Health, Center for Scientific Review, Ad Hoc Study Section for Clinical and Translational Science Award Recipients U01 applications, 2022
- **Guest Editor** of the Special Issue on HPV Infection and Vaccines Strategies in USA, *Tropical Medicine and Infectious Disease*, published 2023

## PROFESSIONAL RECOGNITIONS AND HONORS

- **Excellence in Teaching Award**, May 1993, Johns Hopkins University, School of Hygiene and Public Health.
- **Faculty Teaching Excellence Award**, Academic Year 1997-98, University of New Mexico, School of Medicine, Biomedical Sciences.
- **Award for Volunteer Service**, Jewish Community Center, July 2000.
- **Excellence in Teaching Award**, March 2001, New Mexico Department of Health, Public Health Division, and University of New Mexico, School of Medicine.
- **Scholarship Recipient**, AAMC Mid-Career Women's Professional Development Workshop, December 2006.
- **Fellowship Recipient, Executive Leadership in Academic Medicine for Women**, June 2009 – April 2010
- Sarah Mazelis **Best Paper of the Year Award** for *Health Promotion Practice*, November 2009.
- **Population Sciences Researcher of the Year Award**, University of New Mexico Health Sciences Center, October 2013
- **Fitz List Highlights Deborah Helitzer, ScD.** The Fitz List, part of the celebration of the 50th anniversary of the UNM School of Medicine, is a weekly recognition of the past and present accomplishments of our faculty, staff and students. Read more at <http://som.unm.edu/history/fitzlist/>.
- **Woman of Distinction**, National Association of Distinguished Professionals. Featured in *Women of Distinction Magazine*, cover story, December 2014  
[http://go.epublish4me.com/women\\_of\\_distinction/10081244#](http://go.epublish4me.com/women_of_distinction/10081244#)
- **Fellowship Recipient, ASU/Georgetown Leadership Academy** September 2018 - June 2019
- **Award Recipient: Dr. Lucie S. Kelly Mentor Award.** Sigma Theta Tau International Honor Society of Nursing, Washington D.D., November 2019.
- **Champions of Change Education Leaders of the Year for 2022:** Honored by AZ Big Media and announced in AZ Business magazine, May 11, 2022.  
<https://azbigmedia.com/business/champions-of-change-education-leaders-of-the-year/>

## OTHER EXTRAMURAL PROFESSIONAL ACTIVITIES

- Major technical assistance to U.S. A.I.D. centrally-funded projects includes: SOMARC, PRITECH, PRICOR, Quality Assurance Project, Nutrition Communication and Social Marketing Project, Communication for Child Survival Project, AIDSCOM, the Combating Communicable Childhood

Diseases Project (CCCD), AIDSCAP; Basic Support for Institutionalizing Child Survival (BASICS), and the Environmental Health Project (EHP); 1985-1998.

- Major technical assistance to U.S.A.I.D. Bilateral Projects in Pakistan, Cameroon, Swaziland and Botswana. 1985-1995.
- Participation on JHU/NBA Players Association Advisory Group; contributing to counseling for spouses and significant others, and for the development of materials for players and spouses, 1991 to 1993, and 1995.
- Technical Advisory Group (TAG) member: Bagamoyo (Tanzania) Bed Net Project. U.S. Agency for International Development funded. William Lyster, CTO. Clive J. Shiff, M.D., Ph.D., Principal Investigator, 1993-1995.
- World Health Organization, Tropical Diseases Research and Training Unit, Advisor, Small Scale Research on Women's Health Issues, 1991 – 1995.
- Oregon Health Sciences University – Member, External Advisory Committee, Oregon Clinical and Translational Research Institute, April 2018 - present

#### **REVIEWER ACTIVITIES (in chronological order)**

##### Peer Review Journals:

- Editorial Board Member, *Health Education Research: Theory and Practice*, 1993 to 2002.  
Reviewer, 1993-present.
- *Journal of Nutrition Education*, Peer Reviewer, 1996 to present.
- *Health Education and Behavior*, Peer Reviewer, 1996 to present.
- *Patient Education and Counseling*, Peer Reviewer, 2005 to present
- *American Journal of Preventive Medicine*, 2005 to present.
- *Evaluation and Program Planning*, 2005 to present
- *Academic Medicine*, 2010-present
- *Implementation Science*, 2011-present
- *Annals of Family Medicine*, 2011-present
- *Journal of Adolescent Health*, 2010-present
- *Women's Health Issues*, 2013-present

##### Study Section Reviews

- Ad Hoc Review Panel Member, Thrasher Research Fund, 1996.
- World Health Organization, Adolescent Health Program, Family Health Division: "Undertaking Situational Analysis of Reproductive and Sexual Health of Adolescents: A Critical Guide to Available Methods and Instruments." 1995.
- National Institutes of Health, Peer Reviewer, National Center for Research and Training, Ad Hoc Review Panel, April 2002.
- National Institutes of Health, Center for Scientific Review, Occupational Health and Safety Special Emphasis Panel, November 14-15, 2002.
- Member, Re-Accreditation Site Review Team, Southern Association of Colleges and Schools – Commission on Colleges (SACS-COC), April 7-10, 2003.
- National Institutes of Health, Center for Scientific Review, Occupational Health and Safety Review Panel, Ad Hoc Member, February 19-20, 2004.
- National Institutes of Health, Center for Scientific Review, Health Literacy Study Section, March 2006, March 2007, June 2010, December 2013, May 2014
- National Institutes of Health, Center for Scientific Review, Community Level Influences on Health Behavior (CLHP) Study Section, Ad Hoc Reviewer: June 2008; February 2009; June 2009;
- National Institutes of Health, Center for Scientific Review, Community Level Influences on Health Behavior (CLHP) Study Section, Charter Member: 2010-2012
- National Institutes of Health, Center for Scientific Review, Clinical and Translational Science Awards, 2011-present
- National Institutes of Health, Center for Scientific Review, Patient Centered Outcomes Research Institute Special Study Section, February 2012, September 2012
- National Institutes of Health, Center for Scientific Review, Special Study Section to Optimize Peer Review, April 2016
- National Institutes of Health, Center for Scientific Review, Clinical and Translational Science Award Study Section 2017-2021
- National Institutes of Health, Special Study Section, Office of the Director, "Data Generation Projects for the NIH Bridge to Artificial Intelligence (Brdige2AI) Program (OT2)" October 2021

## PRESENTATIONS

### 1987

- "Community Intervention Studies in Malawi," 14th Annual Conference of the National Council for International Health, Washington DC.

### 1988

- "Malaria Program in Malawi, 1984-1988," Tenth Annual Conference, the International Union of Health Education, Houston, TX.
- "Evaluation of Antenatal Malarial Chemoprophylaxis Program, Malawi," Tenth Annual Conference, the International Union of Health Education, Houston, TX.

### 1989

- "A Comparison Between Three Regions in Sudan in the Local Food Production and Child Feeding Practices," FASEB Annual Meeting, Washington, DC.

### 1990

- "The Impact of Chloroquine Resistance and Compliance on the Efficacy of Antenatal Chemoprophylaxis in African Women," Epidemiologic Inspection Service (EIS), the Centers for Disease Control, Atlanta, GA.
- "Examining the Factors Influencing Utilization of the Antenatal Malaria Chemoprophylaxis Program, Malawi, Central Africa, Part 1," 11th Annual Meeting of the Society of Behavioral Medicine, Chicago, IL.
- "Examination of the Factors Influencing Utilization of the Antenatal Malaria Chemoprophylaxis Program, Malawi, Central Africa, Part 2," 17th National Council for International Health (NCIH) Conference, Arlington, VA.

### 1991

- "Communication in Community-Based Vector Control Programs," 1991 America Mosquito Control Association Meeting, New Orleans, LA.

### 1992

- "Combining Structured Qualitative and Quantitative Methods to Learn about Useful Communication Channels for Adolescent Girls and HIV/STD Prevention Messages," 4th Annual B. Frank Polk Symposium, Johns Hopkins University, Baltimore, MD.

- "Combining Structured Qualitative and Quantitative Methods to Learn about Useful Communication Channels for Adolescent Girls and HIV/STD Prevention Message," VIII International Conference on AIDS/III STD World Congress, Amsterdam.
- "Local Perceptions, Knowledge, Experience and Vocabulary of Sexually Transmitted Illnesses (STI) in Malawi," *VII Conference Internationale Sur le SIDA en Afrique*, Cameroon, Central Africa.

### 1993

- "Sexually Transmitted Infections (STI) in Malawi: Local Perceptions, Knowledge and Behavior," International AIDS Conference, Berlin, Germany.
- "Communication: How to Do It Well," International Medical Services for Health (INMED) 4th Millennium Conference, Washington, DC.
- "Traditional Educators in Health and Attitudes toward Sexuality in Malawi," African Studies Association 36th Annual Meeting Chicago, IL.

### 1994

- "Consequences: A Report on Teen and Parent Attitudes and Behavior Related to Sexuality," Monroe County, NY.
- "Community-Based Communication Networks of Adolescent Girls in Rural Malawi for HIV/STD/AIDS Prevention Messages," Colgate University, African Studies Program, Hamilton, NY.
- "Health Seeking Behavior of HIV Infected Individuals: Stages of Acceptance," Society for Public Health Education (SOPHE) Midyear Scientific Conference, Chapel Hill, NC.
- "Developing a Theory of the Problem: An Ecological Study of the Factors Affecting Early Initiation of Sex among 9-14 Year Olds in Monroe County, New York," Public Health Education Section, APHA Annual Conference, Washington, DC.

### 1995

- Developing Targeted Intervention Research (TIR): Case Studies on Programmatic Research for Sexually Transmitted Illnesses and Tuberculosis," Society for Applied Anthropology Annual Conference, Albuquerque, NM.

### 1996

- Process Evaluation in a Multi-site Intervention Study on American Indian Reservations: PATHWAYS," Experimental Biology Annual Meeting, Washington, DC.
- "Effective Program Evaluation in the 90's," Nutrition Link 1996. Annual Conference of the New Mexico Community Nutrition Association, Albuquerque, NM.

- “Lessons Learned: Formative Research to Develop a Training to Improve Provider-Client Growth Monitoring Interactions at WIC Sites in New York State,” Society for Public Health Education, Philadelphia
- “Process Evaluation in Pathways: A Multi-Site Primary Obesity Prevention Project in Six Indian Nations,” Indian Health Service 8th Annual Research Conference, Albuquerque, NM.
- “Qualitative Research Methods from a Study of the Reasons for Non-Ceremonial Tobacco Use among Navajo and Pueblo Youth,” Indian Health Service 8th Annual Research Conference, Albuquerque
- “Preliminary Results from a Qualitative Study of the Reasons for Tobacco Use among Rural Hispanic and Native American Adolescents”, American Public Health Association Annual Conference, Washington, DC.
- “Tobacco Use among Navajo, Pueblo and Hispanic Teens in New Mexico,” Medical Student Presentations, University of New Mexico School of Medicine, Albuquerque, NM.

#### **1997**

- “The Academic and the Community: Negotiating Research Roles,” Society for Applied Anthropology Annual Meeting, Seattle, WA.
- “Effective Evaluation for Your 5-A-Day Nutrition Programs,” 5-A-Day Coalition Training Conference, Albuquerque, NM.
- “Strategic Planning Model for Educational Plan for Student Success (EPSS) and Healthier Schools,” Desert High Conference, Portales, N.M.

#### **1998**

- “Empowerment Evaluation,” Evaluation Network Conference call, Albuquerque, NM.
- “Dilemmas in Community Participatory Evaluation: A Southwest/South of the Border Experience,” SOPHE Midyear Scientific Conference, San Antonio, TX.
- “A Model in Action for Pregnancy Prevention Initiatives: Program Planning, Implementation, Evaluation and Adolescent Involvement,” Conference on Adolescent Health, University of Arizona

#### **2000**

- “Methodological Approaches and Challenges to Evaluating a Pilot Medical Education Project Utilizing Virtual Reality Technology,” American Evaluators Association Conference, Honolulu, HI.
- “The Conundrums of Using Logic Models in Public Health Program Evaluation,” American Evaluators Association Conference, Honolulu, HI.

- “Using Evaluation to Improve Programs,” Russian Visitors Meeting at Department of Health, Albuquerque, NM.
- “Process Evaluation: Models for Monitoring Program Implementation,” Practical Strategies for Evaluating Injury Control Programs and Policies Workshop, University of North Carolina Injury Prevention Research Center, Chapel Hill, NC.

## 2001

- “The Use of Diffusion of Innovation Theory in a Rural Telemedicine Network in New Mexico.” American Telemedicine Association Annual Meeting, Ft. Lauderdale, FL.
- “Nurturing Coalitions to Improve Internal Effectiveness.” International Union of Health Promotion and Education XVII<sup>th</sup> World Conference, Paris, France.
- “Child Passenger Restraint Use in the Passenger Area of Pickup Trucks.” American Academy of Pediatrics Annual Meeting, San Francisco, CA.

## 2002

- “Developing a Theoretical Program Model for Evaluation: “The Los Pasos Project, Albuquerque, New Mexico”, 12<sup>th</sup> National AIA Grantee’s Meeting, Washington, D.C.
- “The Ten Most Important Issues Facing Coalitions”, University of Kentucky and University of Tennessee Annual Meeting for Increasing Access to Health for Hispanic Farmers, Manchester, TN.

## 2003

- "Developing Approaches for Theory-Driven Process Evaluations of Health Promotion Programs." Society for Applied Anthropology, 2003 Annual Meeting, Portland, OR, March 20.
- “Making a Blueprint that Appeals to Everyone: The Integration of ‘Culture’ in Chronic Disease Prevention Programs for Urban Native American Women. Society for Applied Anthropology, 2003 Annual Meeting, Portland, OR, March 20.
- “What’s the Use of Theory? A Planning and Evaluation Methodology for Assessing the Contribution of Theory in Public Health Programs.” A 5-Session Panel at the Society for Public Health Promotion Midyear Scientific Conference, Las Cruces, NM, June 18-20.
- “Construct Validity in Program Theory and Evaluation Instruments.” American Evaluation Association Annual Meeting, Reno, NV, November 5-8.

## 2004

- “Strong Theory, Flexible Methods.” Invited speaker at Great Lakes Center for Agricultural Safety and Health conference: *Improving Agricultural Health and Safety Programs Through Evaluation: Rigorous and Practical Strategies*, Columbus, Ohio, March 17-18.
- “Assessing Adverse Childhood Experiences (ACE) and Effects on Child and Adult Health.” Grand Rounds, Department of Pediatrics, University of New Mexico School of Medicine, Albuquerque, April 1.
- “Protection of Human Subjects in Research and Navigating the HSC-HRRC.” Grand Rounds, Department of Family and Community Medicine, University of New Mexico School of Medicine, Albuquerque, NM, April 14.
- Navajo Nation Agricultural Injury Prevention Update: Annual Meeting of the National Institute for Occupational Safety and Health, invited presentation, Keystone, CO, June 23.

## 2005

- National Institute of Occupational Safety and Health, Annual Meeting, “Increasing Community Capacity for Agricultural Injury Prevention on the Navajo Nation.” Invited presentation, Tyler, TX, April 26-27.
- Council of State and Territorial Epidemiologists: State-based Occupational Health Surveillance: Forging Collaborations and Partnerships. “Unpacking the logic model: using theory as a basis for intervention and evaluation.” Invited presentation, Albuquerque, NM, June 5.
- Navajo Nation Annual Research Conference. “Increasing Community Capacity to Prevent Agricultural Injuries on the Navajo Nation.” Window Rock, AZ, Invited presentation, June 21-22.
- Clinical Prevention Initiative, New Mexico Medical Society. “Evaluation 101 for Clinical Prevention Initiatives”. Albuquerque, NM, Invited presentation, July 24.
- Clinical Investigation: Get Started with Successful Funding; Early Career Women Faculty Professional Development Seminar, American Association of Medical Colleges, Santa Fe, December 4-6.
- Opening Plenary: One Life, Many Choices: Choosing an Academic Path; Early Career Women Faculty Professional Development Seminar, American Association of Medical Colleges, Santa Fe, December 4-6.

## 2006

- “Challenges and Ethical Issues in Practice-Based Research”. Centers for Disease Control Employee Health Protection Initiative, Grantees Meeting, Atlanta, GA, April 20-21.
- “Enhancing Resident Scholarship Initiative: A National Model Project” Group on Resident Affairs Annual Meeting, American Association of Medical Colleges, Austin, TX, April 23-25.

- “Towards a Conceptual Framework for Health Literacy: Developing Health Literacy Competencies for HPV and Cervical Cancer Prevention.” Cancer, Culture and Health Literacy Conference, Moffit Cancer Center, Tampa, FL, May 18-20.
- “Opening Plenary: One Life, Many Choices: Choosing an Academic Path: Early Career Women Faculty Professional Development Seminar.” American Association of Medical Colleges, Washington, DC, July 8-13.
- “Defining Health Literacy as a Foundation for the Development of Two Assessment Tools.” Invited speaker: Health Literacy Conference, University of Texas, San Antonio, TX, October 13.
- "Health Promotion Materials: What are their demands on Health Literacy?" 134th Annual Meeting, American Public Health Association, Boston, MA, November 4-8.

## 2007

- “Using Logic Models for Planning and Evaluation.” Native American Evaluation Workshop, Albuquerque, NM April 17.
- “What’s Under the Rock: Exploring Opportunities for Scholarship in your Clinical Practice.” AAMC Early Career Women Faculty Professional Development Seminar. American Association of Medical Colleges, Washington, DC July 7-11.

## 2008

- Mangalik A and **Helitzer D.** “Decision Making about Cancer Treatment by Patients in a Delhi India Hospital.” Grand Rounds, Department of Internal Medicine, February 6
- Arizona Cancer Center Behavioral Oncology Seminar, invited presentation, March 4. “Putting the Pieces Together: Using a Conceptual Model to Develop A Research Program for HPV and Cervical Cancer Prevention.”
- “Assessing *Other* Health Literacy Competencies: Knowledge, Dispositions and Oral Communication.” Moffitt Cancer Center: Cancer, Culture and Literacy Conference. May 15-17, Clearwater Beach, FL.
- “Using the SAM+CAM to Assess the Suitability, Readability and Comprehensibility of Health Education Materials.” American Dental Association, Chicago, July.
- “What’s Under the Rock: Exploring Opportunities for Scholarship in your Clinical Practice.” AAMC Early Career Women Faculty Professional Development Seminar. American Association of Medical Colleges, Washington, DC July
- “Patient Provider Communication in Oral Health” American Public Health Association Annual Conference, October 27-29, San Diego, CA.

- “Health Literacy and Your Patients – What does it imply for Clinical Practice?” Grand Rounds, Family and Community Medicine, December 10

## 2009

- “What’s Under the Rock: Exploring Opportunities for Scholarship in your Clinical Practice.” AAMC Early Career Women Faculty Professional Development Seminar. American Association of Medical Colleges, Washington, DC July
- “Patient Navigation for Breast Cancer Screening among Hispanic Women – the Need for a Systems Approach?” New Mexico Breast Cancer Early Detection and Screening Conference, Albuquerque. July 30.
- “The Science and Process of Community Based Participatory Research” and “Process Evaluation for Partnerships”, NIH Summer Institute for Community Based Participatory Research, New Orleans, August
- Getrich C, Sussman A, Hoffman R, **Helitzer D**, Rhyne R. “Machismo and Community Privacy as Differentiating Factors in Colorectal Cancer Screening Between New Mexico Hispanic Sub-populations.” North American Primary Care Research Group, Montreal Canada, November.
- **Helitzer D**, Willging C, Hathorn G, Benally J “Using Logic Models in a Community-based Agricultural Injury Prevention Project”. Navajo Nation Human Research Review Board Annual Conference, Window Rock AZ, December 1-2
- “Managing Grants and Project Budgets: What you didn’t learn in Medical or Graduate School.” Mid-Career Women Faculty Professional Development Seminar. American Association of Medical Colleges (AAMC), Scottsdale AZ, December 5-8

## 2010

- “The T3 of Clinical and Translational Research: Opportunities for collaboration with communities.” Western States Occupational Network (WESTON) 3<sup>rd</sup> Annual Meeting; Denver CO, September 23-24
- “Career Paths for Women in Academic Medicine Research: Part-Time Positions: a Panacea or Pickle for Women Researchers?” Invited speaker, AAMC Group on Women in Medicine program, AAMC Annual Meeting, November 4-10.
- Sussman A, Getrich C, Bennett A, Solares A, Kong A, **Helitzer D**: “From the Bench to the Capitol to the Clinic: The translational journey of the HPV Vaccine.” North American Primary Care Research Group, Seattle, WA, November 16.
- “Leadership in Clinical and Biomedical Research Implementation: “I Thought I was a Researcher, Now I’m a Research Manager.” Mid-Career Women Faculty Professional Development Seminar. AAMC, Scottsdale AZ, December 10-13.

## 2011

- **Helitzer D**, Norenberg J, Wittstrom K. A Novel Approach to Teaching Clinical and Translational Science Using Adult Learning Principles, Learner-Centered Outcomes, and Hierarchical Competencies.” Invited Guest of the Chinese Government, Shanghai China, June
- “Achieving a Critical Mass of Women Biomedical Faculty: Impact of Three US Programs”. Association of American Medical Association Annual Meeting, Denver CO, November

## 2012

- “Incorporating Team Science Competencies into Biomedical Research Training Programs”, AAMC Council of Academic Societies Spring Meeting, Santa Fe NM, March
- Invited Workshop on “Research Translation with Vulnerable Worker Populations”, Colorado State University, Fort Collins, CO, June 7-8
- CTSA Consortium Webinar, Education and Career Development Key Function Committee, June 6, Invited presentation: “The UNM HSC Masters of Science in Clinical Research: A Model Program”
- Health Disparities Conference, December. Description of a Summer Undergraduate Pipeline Research Training Program at the University of New Mexico Health Sciences Center to Increase Students’ Awareness, Interest and Competency to Conduct Translational Research on Health Disparities” Matthew E. Borrego, **Deborah L. Helitzer**, Natalie Robinson Bruner.
- PRIMR Conference, November, “Optimization of incidental findings disclosure to research subjects”. Jody M. Shoemaker, Linda E Petree, Caitlin Cole, **Deborah L. Helitzer**, Ronald Schrader, John P Gluck, John P Philips, and Mark T Holdsworth.

## 2013

- American Academy of Health Behavior Annual Conference “Discussions in Primary Care of Childhood Adversity as a Root Cause of Health Behavior”. Marianna LaNoue, David Graeber and **Deborah Helitzer**
- Keynote Speaker, Albert Einstein Career Day for Women in Science and Medicine. “Women in Medicine and the Biomedical Sciences: Looking Back and Advancing Forward” April 16, Bronx, NY
- OB-GYN Grand Rounds, University of New Mexico. “Community Engaged Research: What it is and Two Case Examples.” **Deborah Helitzer**, Brenda Pereda, and Gena Dunivan.
- Keynote Speaker, Association of American Medical Colleges, Professional Development Seminar. “Advancing Women in Biomedical Careers”, October 1, 2013

- “Impact of Attendance at 3 National Career Development Programs on Promotion in Rank. Chang S, **Helitzer D**, Magrane D, Wu CC, Morahan P, Newbill S and Cardinali G. AAMC Annual Meeting, Philadelphia.
- Neuroscience Annual Conference, “Providing neuroimaging incidental finding reports to all research participants: what’s the harm?” Caitlin E. Cole, John P. Gluck, Jody. M. Shoemaker, Mark T. Holdsworth, Linda E. Petree, **Deborah L. Helitzer**, Ronald Schrader, John P. Phillips, San Diego CA
- Neuroscience Annual Conference “The great divide: Disparate perspectives among participants, researchers and IRB members regarding incidental finding disclosure” Linda E. Petree, **Deborah L. Helitzer**, Jody. M. Shoemaker, John P. Phillips, Caitlin E. Cole, John P. Gluck, Ronald Schrader, Mark T. Holdsworth, San Diego CA

## 2014

- Invited Keynote Address: “The Evidence Base for Women's Leadership Development Programs”. Association for American Medical Colleges, March 5, Washington DC
- “How much more naked can you get? Listening to research subjects and other stakeholders discuss moral obligations, preferences and concerns regarding incidental findings in MRI research” Holdsworth, M.T., Shoemaker, J.M., Petree, L.P., Cole, C.E., Gluck, J.P., **Helitzer, D. L.** Phillips, J.P. Brain Matters! Brain Science and Social Responsibility conference on March 12-14, Vancouver, BC.
- Dealing with Doubt: Epistemology as the central issue in approaching neuroimaging incidental findings. Petree, L.P., Shoemaker, J.M., Phillips, J.P., Cole, C.E., Gluck, J.P., Holdsworth, M.T. **Helitzer, D. L.** Brain Matters! Brain Science and Social Responsibility conference on March 12-14, Vancouver, BC.
- "Promoting Faculty in Academic Medicine: The Impact of Professional Development Programs for Women," Chang S, Magrane D, **Helitzer D**, and Morahan P. Women's Health 2014: The 22nd Annual Congress, April 4-6, Washington, DC.
- “Missed Opportunities: Women's Stories about the Individual and Institutional Impact of Participating in Career Development Programs,” **Helitzer DL**, Newbill S, Cardinali G, Magrane D, Morahan P and Chang S. Women's Health 2014: The 22nd Annual Congress, April 4-6, Washington, DC.
- “Optimization of incidental findings disclosure to research subjects” Shoemaker JM, Cole C, Petree LE, **Helitzer D**, Schrader R, Gluck JP, Phillips JP and Holdsworth MT. UNM Health Sciences Neuroscience Day, March 21, Albuquerque, NM.
- “The great divide: Differences in opinion among participants, investigators and IRB members regarding incidental finding disclosure” Cole CE, Shoemaker JM, Petree LE, Holdsworth MT, Gluck JP, **Helitzer DL**, Schraeder R, and Phillips JP. UNM Health Sciences Neuroscience Day, March 21, Albuquerque, NM.

- “A Community-based Intervention for Health Literacy and Self-efficacy in Hispanics”. Roybal C, Soto Mas, F, Murrietta A, **Helitzer DL**, and Jacobson HE. Society for Public Health Education Annual Conference, March 19-21, Baltimore MD
- “A Bilingual Domain-Specific Self-Efficacy Scale” Murrietta AM, Roybal CN, Soto Mas F, **Helitzer DL** and Jacobson HE. Society for Public Health Education, Annual Conference, March 19-21, Baltimore MD
- “BUILD and NRMN Awards – What is the history and what opportunities will present themselves in the future?” Invited panelist, Academic Science Education and Research Training National Conference, June 11, Albuquerque NM
- National Girlfriends Day – Invited Speaker – “Advice for Young Professionals: Pitfalls and Opportunities”, June 4, Albuquerque NM
- Invited Speaker AAMC Executive Development Seminar for Associate Deans and Department Chairs. “Leading Faculty and Staff to Maximize Organizational Performance”, September 19-23, Tempe AZ.

## 2015

- Featured Speaker AgriSafe Webinar: “Developing a Culturally Relevant and Scientifically Sound Injury Prevention Program”. March 10, Nationwide exposure, free access.
- Cole CE, Petree LE, Phillips JP, Shoemaker JM, Holdsworth MT, and **Helitzer DL**. “Ethical responsibility” or “a whole can of worms:” Differences in opinion on incidental finding review and disclosure”. Neuroscience Research Day, March 12, University of New Mexico, Albuquerque, NM.
- Leggott K, Martin M, Sklar D, **Helitzer DL**, Rosett R, Crandall C, Vagh F, Mercer D. “The Transformation of Ambulatory Orthopedic Surgical Anesthesia: A Mixed Methods Study of Diffusion of Innovation in Healthcare” at the Improving Safety, Quality, and Value Poster Session Academy Health Annual Research Meeting, Minneapolis, June 14-16
- Leggott K, Martin M, Sklar D, **Helitzer DL**, Rosett R, Crandall C, Vagh F, Mercer D. “The Transformation of Ambulatory Orthopedic Surgical Anesthesia: A Mixed Methods Study of Diffusion of Innovation in Healthcare” at the Improving Safety, Quality, and Value Poster Session, AAMC Integrating Quality Meeting, Washington DC, June 11th-12th
- Murrietta A, Soto Mas F, Cordova C, **Helitzer D**, Jacobson HE. “Feasibility of Using Diverse Community Settings to Improve Health Literacy among Spanish Speaking Adults”. Society for Public Health Education, Portland OR, April.
- Invited Speaker, Improving Worker Safety and Health among American Indians/Alaska Natives: A Partnership Workshop, Denver CO, August 17-18

## 2016

- Invited Speaker: Panel on Women, Health and Work, 20<sup>th</sup> Anniversary Celebration of the Feminist Research Institute, University of New Mexico, Albuquerque NM, April 6
- Invited Speaker: Panel on Institutional Culture and Climate, Conference on Evidence-based Innovations to Support Women in Biomedical Research Careers, Natcher Conference Center, Ruth L Kirschstein Auditorium, National Institutes of Health, Bethesda MD. June 6
- Accepted abstract: “Career Development Programs for Women Academic Medical Faculty: Differential Benefits on Retention by Race” – American Public Health Association Annual Meeting, Denver CO October 29-November 2
- Shoemaker J, Rancher CE, Petree LE, Holdsworth M, Phillips JP, **Helitzer DL**. “Health Literacy Challenges of Returning Neuroimaging Incidental Finding Radiology Reports in Research”. PRIMER 2016
- Keynote Speaker: “Diversity Matters in Research: Growing a Population of Diverse Researchers”. National Cancer Institute Center to Reduce Cancer Health Disparities GMaP Program, Region 3 GMaP Annual Summit, August 30.
- Sood A; Guha I; Qualls C; Tigges B; Wilson B; **Helitzer, D**. “Health Sciences Center Research Faculty Mentoring is Useful...but First Train the Trainer” – presented as oral presentation at the 2016 UNM Mentoring Conference at Albuquerque, NM.

## 2017

- Women’s Health Congress – “The Myths of Barriers and Facilitators to Women Faculty Career Development”, Washington DC, April 28
- *Getting beyond the pipeline*; Interventions to Promote and Support Women and Minorities in Biomedical, Behavioral Science, and Engineering, Presenter and Moderator, Washington DC, April 27-28
- Special Session: “The Evolution of Graduate Education in Population Health”. David Nash, Billy Oglesby, Jim Carlson, Bettina Beech and **Deborah Helitzer**. Academy Health Research Meeting, New Orleans June 25-27.
- LaNoue M, Cunningham A, Kenny L, **Helitzer D** and Abatemarco D. “Variations in the Perceived Impact of Adverse Childhood Experiences”. Academy Health Research Meeting, New Orleans, June 25-27.

## 2018

- Invited Plenary Speaker: “Population Health Education: Preparing a New Workforce; Association for the Study of Medical Education”, 2018 Scientific Meeting: Medical Education with a Global Perspective, July 2018, Newcastle, UK

- Invited Workshop: “Career Development for Early-Career Women: What do I need to succeed?” Association for the Study of Medical Education, 2018 Scientific Meeting: Medical Education with a Global Perspective, July 2018, Newcastle, UK
- Invited Workshop: “Innovations in Higher Education – the case of the College of Health Solutions, Arizona State University, USA”. University of Rwanda, Africa. December 17-21, 2018

## 2019

- Invited Workshop: The Future of Humane Technology. Moderator of the Panel: “Preserving the Person in Personalized Medicine” March 14-15, 2019, Washington D.C.
- Distinguished Population Health Lectureship 2019: The John D. Bower School of Population Health, University of Mississippi. “The Population Health Movement: From Sickness to Wellness”, Jackson MS. April 5, 2019
- Invited Panelist: “Meet the Leaders Panel”: Executive Leadership in Academic Medicine (ELAM), April 30, 2019, Chubb, PA.
- Invited Poster: Travis E, **Helitzer D**, Carr P, Villablanca A, Brashear A, Gottlieb A. “Sponsorship: A Call to Action” Association of American Medical Colleges (AAMC), July 10-12, 2019, Chicago IL.

## 2020

- **Helitzer D**, Sood A, Tigges B, Meyers O, Kurka J, Dominguez N. "Development of A Reliable and Valid Questionnaire to Assess the Importance of Institutional Mentor Climate", January 31. College of Health Solutions Research Day, Arizona State University.

## 2021

- Invited Workshop: Effective Mentoring. Part of the Trailblazing Equality Workshop Series, April 29, Arizona State University, Tempe, AZ
- Invited Plenary Speaker: " Health outcome improvements through interventions in communities and clinical settings". June 15, International Education Forum, Royal College of Surgeons in Ireland (RCSI), Dublin, Ireland (virtual)
- Soller, B; Domínguez, N; Sood, A; Mickel, N; Myers, O; Tigges, B; Wiskur, B; **Helitzer, D**. Developmental Networks among Mentors and Mentees Involved in a Mentoring Intervention. Scientific abstract presented at the October 2021 University of New Mexico Mentoring Conference, Albuquerque, NM.
- Sood, A; Myers, O; Domínguez, N; **Helitzer, D**; Tigges, B. Faculty Rating of the Importance and Availability of Organizational Mentoring Climate. Scientific abstract presented at the October 2021 University of New Mexico Mentoring Conference, Albuquerque, NM.

2022

- Murin S, Farmer DL, **Helitzer D** (panelists); De Leo J (moderator). Executive Leadership in Academic Medicine for Women. "Leading in Turbulent Times." January 13, 2022.
- Bachrach C, Bruce M, **Helitzer D**, Thorpe RJ, (panelists); Kumler A (moderator); and Beech B (discussant). Interdisciplinary Association for Population Health Science Professional Development Committee Webinar "Building a Professional Network of Population Health Scientists." May 19, 2022

## RESEARCH

### Research Grant Participation, in chronological order (1990-present)

- Quality Assurance Project. (**Helitzer**, PI) Sponsored by the Agency for International Development and contracted by the Center for Human Resources. October 1990 - September 1995. Team leader, Working Group on Counseling & Communication, \$15,000.00. *Objective:* Meta analysis of patient-provider interactions. To learn about the factors in patient/provider interaction affecting patient outcomes.
- Cross-Cutting Assessment of Communication Programs within the Latin American Region from 1980 through 1990. (**Helitzer**, PI) Funded by the Latin America and Caribbean Regional Office of the Agency for International Development. July 1991 - September 1992, \$20,000. *Objective:* assessment of the communication interventions in the LAC region, in terms of their scope, nature, methodology and effect.
- Using Traditional Advisers, "Nankungwi," as Communication Channels for HIV Prevention Messages to Adolescent Girls. (**Helitzer**, PI) Sponsored by the International Center for Research on Women.

September 1991 - January 1992 Principal Investigator, February 1992 - March 1993, \$120,000  
*Objective:* formative research to learn about the potential for using community-based communication channels for transmitting HIV prevention messages to adolescent girls.

- National Basketball Players Association Health Education Project. (Johnson, PI) Sponsored by the National Basketball Players Association April 1992 - January 1993; March 1995 – present. Principal Investigator, Families Component. 1992-93, \$20,000.
- Qualitative Assessment of Winning to Prevent AIDS Program, 1995, \$100,000. *Objectives:* 1) to provide health education and counseling support to NBA players' families regarding HIV infection; 2) to work with players and players' wives as outreach role models for developing programs to prevent HIV infection in teens in their communities.
- Examining the Use of Ryan White Care Act Funds to Baltimore and Oakland, CA. (Cellentano, PI) Sponsored by the Kaiser Foundation, Berkeley, CA. January 1993 - July 1994. Qualitative Component, \$100,000. *Objective:* to conduct qualitative research with HIV-infected persons and persons affected by HIV disease to learn about health seeking behavior, access to and use of health services, and needs associated with health care delivery.
- Monroe County Integrated Communication Program to Prevent Adolescent Pregnancy Formative Research Component. (Helitzer, PI) Sponsored by the United Way Services Corporation, Monroe County, New York. March 1993 - October 1993. \$50,000. *Objective:* to conduct formative research to learn about the factors affecting the knowledge, attitudes and behaviors of teenagers in order to develop a communication program to delay the initiation of sexual activity in 9-14 year olds.
- The Soros Foundations Health Education Program Evaluation. (Helitzer, PI) Sponsored by the Soros Foundation. September 1993 - December 1993. \$10,000. *Objective:* to develop a comprehensive evaluation design for the Soros Foundations Health Education Programs in eighteen Central/Eastern European Countries.
- Obesity Prevention in Apache School Children. (Caballero, PI) Funded through a collaborative agreement with the National Institutes of Health, National Heart Lung and Blood Institute. September 1993 - August 1996. Working Group Chair, Process Evaluation, \$15,000,000. *Objective:* to develop and evaluate interventions to prevent obesity in Native American school children. Multi-center collaboration with faculty from the Universities of AZ, NM, MN, and NC.
- New York State Women, Infants and Children Program, Growth Monitoring Intervention. (Helitzer, PI) Sponsored by the New York State Department of Health January 1994 - June 1994. Formative Research and Patient-Provider Interaction, \$35,000. *Objectives:* to conduct formative research to determine the current interaction patterns between providers and clients in WIC Clinics; to develop and implement a training program to improve patient-provider interaction, follow-up, compliance, and patient satisfaction in WIC growth monitoring programs.
- Neighborhood Oriented Tuberculosis Screening and Prevention Project. (Johnson, PI) Funded by the Robert Wood Johnson Foundation. January 1994 - December 1996. Formative Research and Evaluation, \$350,000. *Objective:* to develop and evaluate community-based interventions to improve screening, prevention and treatment of tuberculosis in two Baltimore communities.

Collaborators: the Baltimore City Health Department, Maryland State Prison System, and local community groups.

- Share Our Strength Project. (Carter, PI) Funded by the Share Our Strength Foundation in collaboration with the Center for Indian and Alaskan Native Health, Johns Hopkins University School of Public Health. January 1994 – December 1996. \$1,375,000. *Objective*: to improve nutrition and breastfeeding practices in Native American pregnant teens and teen mothers.
- BASICS Project - Behavioral Research Component. (**Helitzer**, Co-PI) Funded by the U.S. Agency for International Development. January 1995 - December 1998. Behavioral Research for Febrile Illness (Malaria). \$15,000,000. *Objective*: to develop, test, and evaluate strategies to improve malaria-related prevention and treatment behaviors among community members and health workers in Zambia, Kenya and Malawi.
- Youth Tobacco Study. (Davis, PI) Funded by the Centers for Disease Control, the National Cancer Institute, with the Center for Health Promotion in Native American Communities, University of New Mexico, Health Sciences Center. October 1995 - September 1996. \$600,000. *Objective*: to investigate the functional value of tobacco among Navajo, Pueblo and Hispanic youth.
- N'dee Benadesh: N'Dee Ikan TI'Iz (The People's Vision: United for a Healthy Apache Nation). (Santosham, PI, **Helitzer**, co-PI) Funded by the Archstone Foundation, in collaboration with the Robert Wood Johnson Foundation (Healthy Nations Project) and the Center for Indian and Alaskan Native Health, Johns Hopkins University School of Hygiene and Public Health. 1995-97. Subcontract – Evaluation, \$120,000. *Objective*: to develop process and impact evaluation strategies to test hypotheses about the relationship between exposure to N'Dee Binadesh campaign products and expected changes in knowledge, attitudes and behavior related to alcohol and drugs among adolescents.
- Adolescent Social Action Program. (Wallerstein, PI) Funded by the National Institute of Alcohol Abuse and Alcoholism, National Institutes of Health, in collaboration with the University Of New Mexico School Of Medicine and the Center for Alcoholism, Substance Abuse and Addictions. January 1996 - March 1997., \$1,600,000. *Objective*: to develop and test an intervention designed to improve middle school youth's knowledge, attitudes and behavior related to alcohol and substance abuse, smoking, early initiation of sex, through group interaction and experiential learning.
- Developing an Evaluation Model for Healthier Schools. (**Helitzer**, PI) Funded by the New Mexico State Department of Health, in collaboration with the Centers for Disease Control, the New Mexico Department of Education, and the University of New Mexico, School of Medicine. January 1996 – 1999. \$300,000. *Objective*: to develop a model for evaluation of school health interventions based on an established process of needs assessment, objective setting, selection of process, impact and outcome indicators, development and pilot testing of instruments, and development of a protocol for implementation.
- Evaluation of a Community Based Planning Process to Design Interventions to Reduce Teenage Pregnancy. (**Helitzer**, PI) Funded by the Flinn Foundation. February-December 1996. \$20,000. *Objective*: to assess the factors that affect the ability of a community-based coalition to organize, collect information, and plan an intervention program to prevent teenage pregnancy. Conducted in seven (7) communities in Arizona.

- Evaluation of Community-Based Projects to Reduce Teenage Pregnancy. (**Helitzer**, PI) Funded by the Flinn Foundation. January 1997-December 2000, \$540,000. *Objective:* to examine community change processes and determine how and whether six community-based coalitions organize and implement intervention programs to reduce teenage pregnancy. Conducted in six (6) communities in Arizona.
- Evaluation of the New Mexico Rural Telemedicine Network Project. (Alverson, PI) Funded by the Office for the Advancement of Telehealth (OAT). October 1997 – September 2000. Evaluation Component: \$128,000. *Objective:* to conduct a process and impact evaluation of the use of telemedicine for clinical and non-clinical services in New Mexico.
- Evaluation of School Based Health Centers in New Mexico. (**Helitzer**, PI) Funded by the New Mexico Department of Health. July 1998 – June 2002. \$350,000. *Objective:* to examine the effectiveness of school based health centers funded by the DOH. In order to accomplish this, a database (SBHC Pro!) was developed, piloted, and data collected from this system will be compared to student performance data from 20 schools in New Mexico.
- Evaluation of the Sexual Assault Nurse Examiner (SANE) Program. (Crandall, PI) Funded by the National Institute of Justice. January 1999 - December 2000. \$275,000. Co-Investigator. *Objective:* to assess the impact of the SANE Program, on victim advocacy, law enforcement, prosecution, and health care services. To assess the internal effectiveness of SANE against their stated goals and objectives.
- Evaluation of the New Mexico Child Restraint Project. (**Helitzer**, PI) Funded by the Injury Prevention Section/New Mexico Department of Health. April 1999-September 2001. Evaluation Component: \$260,000. *Objective:* to develop a five-year comprehensive evaluation plan for the child restraint project in New Mexico, conduct baseline observation studies, participate in strategic planning workshops, and develop an instrument and protocol for a community-based survey of knowledge, attitudes and practices.
- Evaluation of the Research Ethics Project. (Eaton, PI) Funded by the Office of Research on Women’s Health, Office of the Director, National Institutes of Health (ORWH/OD/NIH). October 1, 1999 to September 30, 2002. Evaluation Component: \$135,000. *Objective:* to develop and evaluate a research ethics construct that has the objective of increasing knowledge, attitudes, and behavior related to research ethics on the UNM Health Sciences Center campus.
- Evaluation of the Telehealth Outreach for Unified Community Health (TOUCH) Project. (Alverson, PI) Funded by the Office for the Advancement of Telehealth (OAT). August 2000 – July 2001. \$500,000. *Objective:* to develop an evaluation to assess the feasibility of using virtual reality and telemedicine technology to enhance medical school training.
- Evaluation of the Abandoned Infants Assistance Program (Los Pasos). (Hsi, PI) Funded by the Department of Health and Human Services. October 2001 – September 2004. \$300,000. *Objective:* to develop an evaluation of the intervention to improve health outcomes of children who were drug-exposed in utero.

- REACH Hidalgo (REACH 2010). (Alfero, PI) Funded by the Centers for Disease Control and Prevention. October 2001 – September 2004. Evaluation Component: \$407,829. *Objective:* to develop and implement an evaluation of diabetes prevention programs for a primarily Hispanic population in Deming and Hidalgo counties.
- Family-Centered Diabetes Project for Pueblo Native Americans (SHARING WISDOM). (Herman, PI) Funded by the National Institutes of Health, Institute for Diabetes, Digestive and Kidneys. October 2001 – September 2006. Evaluation Component: \$285,434. *Objective:* to develop and implement a process evaluation to document that the curriculum was implemented as planned, and that the theory was utilized in the behavior change process.
- Navajo Nation Agricultural Injury Prevention Project (Helitzer, PI) Funded by the National Institute for Occupational Health/Centers for Disease Control and Prevention (RO1) under a sub-award to the Southwest Center for Agricultural Injury Prevention and Education, University of Texas Health Sciences Center, Tyler. October 2001 – September 2006. \$443,707. *Objective:* to develop a model for planning and evaluating an agricultural injury prevention intervention program implemented by the NN Agricultural Extension Service.
- Asthma School Based Health Center Intervention (Helitzer, PI) Funded by the Centers for Disease Control and Prevention and the New Mexico Department of Health, Office of School Health. July 2002 - June 2003. \$63,000. *Objective:* to develop and pilot test instruments for evaluating a school-based health center asthma intervention, implemented by the New Mexico DOH, Offices of Epidemiology and School Health.
- Healthy Communities Access Program. (Kaufman, PI) Funded by the Department of Health and Human Services, January 2003-September 2004. Evaluation components: \$100,000. *Objective:* this multi-year grant supports the development of new models of health care service, especially to lower income and otherwise less advantaged populations. The fiscal agent for the grant is First Choice, Inc., a local clinical provider located in the south valley of the greater Albuquerque metropolitan area.
- Community Voices Project (Derksen, PI). Funded by the WK Kellogg Foundation, July 2003 – July 2008. Evaluation component: \$192,000. *Objective:* to evaluate the process and outcomes of the New Mexico Community Voices (CVNM) initiative to reduce health disparities and affect policy level change in the health care arena. The priority areas for NMCV are: a) health systems organization; b) health services workforce; c) universal access to primary care; and d) dissemination of program models for rural and primary health care throughout the state, nation and world.
- Assessing HPV Vaccine Acceptability among Adolescent Health Providers in New Mexico. (Helitzer, PI) Funded by the UNM Cancer Research and Training Center, January 2004-June 2005. \$100,000. *Objective:* to assess the determinants of vaccine acceptance and the barriers to vaccine implementation among adolescent health providers in the state.
- Abstinence Education Evaluation (Helitzer, PI). Funded by the NM Department of Health, July 1, 2005-June 20, 2006. \$75,000. *Objective:* to develop and implement, in collaboration with recipient schools, an evaluation for the state-wide Abstinence Education initiative.

- CDC RO1 CD000122-01 (**Helitzer**, PI) Computerized Risk Assessment of an Employee Population, funded by the Centers of Disease Control and Prevention. October 1, 2004 – September 30, 2007. \$900,000. *Objective*: to develop and implement a computerized health and behavioral risk assessment to improve the health literacy of employees about their health risks; to improve health providers' abilities to counsel about health risks; to improve the patient-provider communication about health risks; and to improve the outcomes of satisfaction with the clinical visit and the utilization of health services for chronic illnesses.
- Development of a Health Literacy Assessment Process for HPV and Cervical Cancer Prevention Materials (**Helitzer**, PI). Funded by the Research Allocation Committee, UNM. January 1, 2005 – June 30, 2006. \$18,000. *Objective*: to develop, in collaboration with colleagues at Harvard University, a novel approach to testing health literacy demand of currently available materials for HPV/Cervical Cancer Prevention (HPV/CCP). The assessment measure will have two components: the testing of commonly available materials on HPV/CCP to assess the demand on patients to utilize the materials; and the development of a process for item development for an instrument to assess HPV/CCP health literacy (reading, comprehension, numeracy, listening and speaking, and use).
- NICHD 1 RO3 HD050402-01 Testing a Video to Improve Patient Provider Interaction through the Development of a HPV Health Literacy Assessment Tool. (**Helitzer**, PI) October 2005 – September 2007 \$100,000. *Objective*: develop a conceptual framework for health literacy, a generic framework for health literacy assessment, and a reliable and valid instrument to assess health literacy, specifically for HPV/CCP health literacy.
- CDC U50 OH0754-01 Model Navajo Farmers Project (**Helitzer**, PI). Funded by the National Institute of Occupational Safety and Health, Centers for Disease Control and Prevention under a Center grant to the Southwest Center for Agricultural Injury Prevention and Education, University of Texas Health Center, Tyler. September 2006 – September 2011. \$800,000. *Objective*: test a culturally appropriate model farmer intervention to improve agricultural production and enhance safety practices on the Navajo Nation.
- Clinical Translational Science Award Planning Grant (Burge, PI). Funded by the National Institutes of Health, National Center for Research Resources (NCRR) (1 P20 RR023493-1). October 2006-September 2007. \$150,000. *Objective*: Develop and implement activities to enable UNM HSC to apply for a full CTSA in December 2007. Role on project: Education Core Leader. Develop a Master's degree program in Clinical Translational Research.
- Exploring Navigation Solutions to Mammography Utilization Barriers. (**Helitzer**, PI) Susan G. Komen Foundation, July 2007-June 2009. \$299,000. *Objective*: to elucidate the barriers to mammography use by Hispanic women in New Mexico. The information revealed in this study will be used to develop a patient navigation program for Hispanic women to increase mammography use and reduce late-stage diagnosis in this group.
- 1R21CA121066-01A2 (Rhyne, PI). National Cancer Institute. Elucidating Barriers to Colorectal Screening for Hispanic and Native Americans in New Mexico. \$275,000. *Objective*: to elucidate the barriers to colorectal cancer screening by Hispanic and American Indian patients in New Mexico. The information revealed in this study will be used to develop a patient navigation program for Hispanic and American Indian patients to increase colorectal cancer screening and reduce late stage diagnosis in this group. Role: co-investigator.

- NCI 1 R03 CA132550-01. An Exploration of the Determinants that Impact Breast and Cervical Cancer Control Service Delivery among Tribal Lay Health Advisors. (English, PI) \$100,000. *Objective:* to elucidate the barriers to breast and cervical cancer control service delivery by lay community health advisors on tribal reservations in New Mexico. Role: mentor
- NCI 1 R21CA134259-01. National Cancer Institute Participatory Research to Understand the Translation of HPV Vaccine Policy. (Sussman, PI) 2008-2010. \$275,000. *Objective:* Participatory research to examine the development of health policy regarding the HPV vaccine, with policy makers, parents, clinicians, and school administrators. Role: Co-investigator and mentor.
- Using Case Management to Improve Outcomes for Pregnant Women and their Infants (Hsi, PI). Child Health Bureau, Department of Health and Human Services, 2008-2012. \$300,000. *Objective:* to improve mental and physical health outcomes for pregnant women and their newborn (up to age 3) children. Role: Co-Investigator, Evaluation.
- Emergency Preparedness Training for University Faculty, Students and Staff. (Banks, PI). Centers for Disease Control and Prevention, 2008 - 2010. \$275,000. *Objective:* to develop, implement and evaluate comprehensive preparedness training for University of New Mexico leadership, faculty, students and staff. Role: Co-Investigator for Evaluation.
- Elucidating Decision Making about Adolescent Cancer Risk Prevention. (Sussman, PI). Robert Wood Johnson Health Policy Center (UNM intramural funding). \$25,000. *Objective:* to elucidate the factors that affect parental decision making about HPV vaccination for their daughters ages 11-12 years.
- 1 R01 HD064655-0. Eunice Shriver Institute of Child Health and Disease, National Institutes of Health. 2009-2013. Achieving a Critical Mass of Women Biomedical Faculty: Impact of 3 US Programs. (Helitzer, PI) \$1,000,000. *Objective:* to assess the efficacy of three specific interventions that have been in place over the last 20 years to support women's career development within academic health centers, in order to understand the obstacles and facilitators, historic and new, individual and institutional, which face women faculty in attaining positions of leadership and help or hinder changing institutional culture.
- UL1 TR000041 Clinical and Translational Science Award (Larson, PI). National Center for Research Resources, National Institutes of Health. \$25,000,000 Role: Associate Director of the CTSC, Director of Research Education, Training and Career Development.
- 1R21 HL091820-01A2 Health Literacy and ESL: Integrating Community Based Models for the U.S. Mexico (Soto Mas, PI). National Institutes of Health. 2009-2011. \$275,000. *Objective:* To develop and test a curriculum combining health literacy training with English as a Second Language (ESL) training in the border area of New Mexico and Texas. Role: Health Literacy Consultant
- 1P20RR025176-01A1 (Williams, PI). National Institutes for Health. New Mexico Center for Excellence in Health Disparities, 2010-2015. \$5,000,000. *Objective:* To develop the research infrastructure, core facilities, and training programs to support research on health disparities among populations of the southwest. Role: Co-Investigator, Training
- National Institutes of Occupational Safety and Health Mountain and Plains Education and Research Center (Newman, PI), 2008-2010, 2011-2016. \$5,000,000. *Objective:* To improve the research,

education, training and practice of occupational health in order to reduce the burden of occupational health in the western region of the US. Role: Co-Investigator, Evaluation

- (CDC U54-OH07541-11) Southwest Center for Agricultural Injury Prevention and Education, Evaluation Component. (Levin, PI) 2011-2016 NCE. \$1,000,000. *Objective*: To reduce the occupational injury of workers in the agriculture, forestry and fishing industries. Role: PI, Evaluation Component.
- (R21NS077050) Optimization of Incidental Findings Disclosure to Research Subjects. (Phillips, PI) National Institute of Neurological Disorders and Stroke \$275,000 direct costs. *Objective*: to investigate the perceptions of IRB members, investigators and research subjects regarding the benefits and costs of providing MRI scan report information to research participants. Role: Co-investigator
- CTSC Pilot Grant: Assessing the Reliability and Validity of Pain Measures for Chronic Non-Cancer Pain (Helitzer, PI). 9/1/2012-8/31/2013. \$25,000. *Objective*: to develop and assess the reliability and validity of measurement instruments for evaluating research interventions with chronic pain patients.
- UL1TR001449 Clinical and Translational Science Award (Larson, PI). Role: Associate Director for Career Development and Training. \$26,000,000. *Objective*: to create a research infrastructure to support the development and implementation of clinical and translational research.
- 1 KL2 TR001448-01 University of New Mexico Health Sciences Center Mentored Career Development Award. (Helitzer, PI). \$1,517,820. *Objective*: To implement a mentored career development program with two junior scholars per year for five years.
- 1R01CA192967-01A1 Enhancing Prevention Pathways Towards Tribal Colorectal Health (Mishra, PI) 04/01/2016-03/31/2021. *Objective*: to test a randomized, staged intervention to increase colorectal cancer screening among Native American populations. Role: co-investigator for health literacy assessment.
- Doris Duke Charitable Foundation: Strategic Planning Conference on a Long-Term Agenda for Gender Equity in Biomedical Careers (Carr, PI). 11/1/2016- 10/30/2017. *Objective*: to develop a multi-institutional research program project to assess the impact of a multi-level intervention on improving gender equity in academic health institutions. Role: Co-investigator
- NIH/NIGMS U01GM132175-01 (Sood, PI) 07/01/2019-06/30/2024 Effectiveness of Innovative Research Mentor Interventions among Underrepresented Minority Faculty in the Southwest. *Objective*: to develop, implement, and evaluate theoretically grounded mentor development programs, and mentor support networks. Role: Site PI
- (CDC Number) (Helitzer, PI) 1/1/2021-3/31/2021 The COVID-19 Illness and Testing Among Retirement Communities in the US (CITRUS) Study. Funded by the Centers of Disease Control and Prevention through a Sub-award to Abt and Associates. *Objective*: A surveillance study of older adults living in a Continuous Care Residential Community (CCRC) to track health status and COVID-19 infections, using self-report of illness experience,

respiratory specimens (nasal swab and saliva collection) and blood samples over an 8-month period. Study prematurely discontinued by sponsor due to COVID-19 vaccination coverage among AZ CCRC residents aged 65+, making them ineligible to participate.

## **MENTORING AND TEACHING**

### **Ph.D. students**

- Gabrielle Newes-Adeyi (1992-1996), Johns Hopkins University School of Public Health
- Robert Aronson (1994-1998), Johns Hopkins University School of Public Health
- Michele Polacsek (1994-1996), Johns Hopkins University School of Public Health
- Ann Zukoski (1994-1998), Johns Hopkins University School of Public Health
- Jennifer Quait, (1993-1995) , Johns Hopkins University School of Public Health
- Julie Griffin (1998-2000), University of New Mexico
- Chris Hollis (2004-present) University of New Mexico
- Jane Cotner (2004-present) University of New Mexico
- Carmen Land (2005-2006) Tulane University, School of Tropical and Public Health
- Samara Lloyd (2006-2010) Psychology Department, University of New Mexico
- Kevin English (2007-2012) Columbia Mailman School of Public Health

### **Post-Doctoral Fellows**

- Cathleen Willging, Ph.D. (2001-2004)
- Jan Gaylord, Ph.D. (2004-2006)
- Marianna LaNoue, Ph.D., Department of Family and Community Medicine (2007-2011)
- Christina Getrich, Ph.D., Department of Family and Community Medicine (2008-2010)
- Sarah Hammill, M.D., Department of Obstetrics and Gynecology (2009-2012)
- Brenda Pereda, M.D., Department of Obstetrics and Gynecology (2011-2013)
- Evan Baldwin, M.D., Department of Surgery (2013 – present)
- Matthew Martin, M.D., Department of Orthopaedics (2013-2016)

### **Medical Students, University of New Mexico**

- Heather Pratt-Chavez (2003-2009)
- Carmen Frias-Kletecka (2003-2006)
- Mariah North (2004-2007)
- Devon Chabot-Richards (2004-2007)
- Ryan Leggott (2013 – 2016)

### **Masters' student mentoring, University of New Mexico**

- Loretta Tollefson
- Sara Berger
- Tom Scharmen
- Dorothy Ann Worthington
- Patrick Mulkey
- Shelly Moeller
- Marcia Stone
- Cheryl Ferguson

- Pam Brown
- Diane Kelly Seay
- Jackie Two Feathers
- Mike Spoerner
- Khadidiatou Ndiaye
- Jane Cotner
- Alya Reeve
- Peter Guarnero
- Steven Lu
- Brenda Pereda
- Virginia Sedore

#### **UNM Research Staff Mentoring**

- Soo-Jin Yoon, Office of Evaluation
- Jan Gaylord, Ph.D., Department of Internal Medicine
- Joanne McCloskey, Ph.D., Office of Evaluation
- Arlana Bobo Peterson, MPH, Office of Evaluation
- Melina Salvador, MA, Office of Evaluation
- Shannon Fluder, BA, Office of Evaluation
- Brisa Urquieta, BA, Office of Evaluation
- Nancy Oestreicher, MA, Office of Evaluation
- Julie Lucero, MPH, Health Evaluation and Research Office
- Gina Cardinali, MS, Research Office, Family and Community Medicine
- Chin du Seto, MPH, Health Evaluation and Research Office
- Jacque Garcia MPH, Health Evaluation and Research Office
- Maya Perez, UG Intern, Dept of Family and Community Medicine

#### **Faculty/ Resident/Fellow Mentoring, University of New Mexico**

- Julie Bohan, M.D., MPH, Departments of Emergency Medicine and Family and Community Medicine
- Michael Rosenblatt, D.O., MPH, Department of Family and Community Medicine
- Mary Lemon, M.D. Department of Family and Community Medicine
- Debra Klecan, Ph.D., Department of Internal Medicine
- Eileen Thomas, Ph.D., College of Nursing
- Michael Murnik, M.D., Department of Family and Community Medicine
- Cathleen Willging, Ph.D., Department of Family and Community Medicine
- Leslie Cunningham-Sabo, Ph.D., Department of Pediatrics
- Rebecca Rogers, M.D., Department of Obstetrics and Gynecology
- Wendy Wood, Ph.D., Program in Occupational Health
- Byrch Williams, MD., Department of Family and Community Medicine
- Karla Thornton, MD, Department of Internal Medicine
- Kathleen Colleran, MD, Department of Internal Medicine
- Alberta Kong, MD, Department of Pediatrics
- Husam Abed, MD, Department of Obstetrics and Gynecology Fellow
- Andrew Sussman, Ph.D., Department of Family and Community Medicine
- Heather Pratt-Chavez, M.D., Department of Pediatrics
- Sarah Hammil, MD, Department of Obstetrics and Gynecology Fellow

- Jessica Goodkind, Ph.D., Department of Pediatrics
- Aroop Mangalik, MD, Cancer Center, Sabbatical Research Mentor
- Richard Crowell, MD, Cancer Center, RAC Mentor
- David Graeber MD, Department of Psychiatry
- Annette Crisanti, PhD., Department of Psychiatry

### **Classroom, laboratory teaching, and tutoring (courses or blocks taught or team-taught)**

#### Johns Hopkins School of Public Health

- International Health Communication (1991-95)

#### University of New Mexico Health Sciences Center

##### **Master in Public Health Program**

- International Health (1996-1998)
- Program Evaluation (1998-2000, 2004)
- Proposal Writing (fall 2001)
- Critical Integrative Literature Review (spring 2002)
- Public Health Research Design and Methods (Fall 2006)

##### **Master of Science in Clinical and Translational Research**

- Qualitative Instrument and Measurement Development (Fall 2007, 2008)
- Grantsmanship (Spring 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017)

##### **Bachelor of Science in Population Health**

- Introduction to Population Health Theory (Fall 2016)

#### Arizona State University, College of Health Solutions

##### **College of Health Solutions PhD Programs**

- EXW 701 – Advanced Research Methods - Grantsmanship

### **SERVICE**

#### University of New Mexico Committees

- Member, Sponsored Programs Working Group, 1998-2000.
- Member, Masters in Public Health Program Academic Committee 1995-2002, 2004.
- Member, Program in Evaluation and Research (PEAR) Advisory Committee 1996-2000.
- Member, Center for Health Promotion Scientific Advisory Committee, 1995-2000.
- Member, Faculty Teaching Recognition Committee, 1998-99.
- Co-Chair, Dean's Advisory Committee for New Department of Population Health 1998-2001.
- Member, Human Research Review Committee (HRRC), 2<sup>nd</sup> panel, October 2002 to September 2006.
- Reviewer, SOM Office of Research Tobacco Settlement Proposal Review Committee, December 2002 and February 2003.

- Member, RIOS Net, Proposal Review Committee, March 2003.
- Member, GCRC Data Safety Monitoring Plan Committee, April 2003-July 2017
- Member, Scientific Advisory Committee (SAC) to Sr. Associate Dean, Office of Research, July 2003-April 2005; Chair of Committee, April 2005 – 2007, member 2008- July 2017
- Judge, Medical Student Research Day, April 2004.
- Member, Research Faculty Practice Organization, 2004-July 2017
- Member, Clinical Trials Center Research Committee, 2005-July 2017
- Member, Research Strategic Planning Committee, January 2005-2007.
- Member, Clinical Translational Research Award Leadership Committee, October 2005 – July 2017
- Chair, Tobacco Settlement Funding Allocation Committee, October 2005-March 2006.
- Member, Search Committee for Vice President of Research, February – July 2008
- Chair, Research Policy Committee, Faculty Senate, August 2008 - July 2009
- Member, Liaison Committee on Medical Education (LCME) Accreditation Process, Institutional Setting Sub-Committee, 2008 - 2010
- Chair, Department of Family and Community Medicine Vice Chair for Research Search Committee, 2009
- Chair, Health Sciences Center KL2 Scholar Search Committee, 2012 - July 2017
- Chair, Multi-Disciplinary Advisory Group for KL2 Mentored Career Scholars Program, CTSC
- Member, Chancellor’s Core Leadership Group, Health Sciences Center, July 2014 - July 2017

#### Community at Large

- President, PTA, Solomon Schechter Day School of Albuquerque, September 1996 – May 1999.
- Vice President, PTA, Solomon Schechter Day School of Albuquerque, September 2000-May 2001.
- Chair, Personnel Committee, BOD, Congregation B’nai Israel, Albuquerque, April – October 2004.
- Board member, La Tierra Sagrada Society, University of New Mexico School of Medicine, 2005 – 2014.
- Trustee, Solomon Schechter Day School of Albuquerque, May 2007-2008.
- President-Elect, La Tierra Sagrada Society, University of New Mexico School of Medicine, September 2008 - September 2010
- President, La Tierra Sagrada Society, University of New Mexico School of Medicine, September 2010 - September 2011
- Past President, La Tierra Sagrada Society, University of New Mexico School of Medicine, September 2011- September 2014
- Trustee, Wasatch Academy Board of Directors, Mt. Pleasant, UT, January 2015 – January 2020
- ASPPH Population Health Leadership Group, Washington DC, July 2016 – July 2017
