

Matthew Martin, MS, PhD, LMFT, CSSBB

Current Positions

<i>Clinical Associate Professor</i> Arizona State University, Doctor of Behavioral Health Program	2017 – Present
<i>Research Affiliate</i> Mayo Clinic: Arizona: Implementation and health services research	2019 – Present

Education

<u>Faculty Development Fellowship</u>	2019-2020
Dissemination and Implementation Research Fellowship, College of Health Solutions, ASU	
<u>Faculty Development Fellowship</u>	2014-2015
Behavioral Science/Family System Educator Fellowship, Society of Teachers of Family Medicine	
<u>Post-Doctoral Fellowship</u>	2012-2013
Chicago Center for Family Health, an independent affiliate of the University of Chicago	
<u>Pre-Doctoral Internship</u>	2011-2012
Dartmouth Family Medicine Residency Program, Concord, New Hampshire	
<u>Doctor of Philosophy</u>	2009-2012
Medical Family Therapy, East Carolina University	
<u>Master of Science</u>	2007-2009
Marriage and Family Therapy, Brigham Young University	
<u>Bachelor of Science</u>	2003-2006
Psychology with minor in Marriage, Family, and Human Development, Brigham Young University	

Teaching

- CHS 484 Topic: Metabolic Health Translational Research
- CHS 492 Honors Directed Study
- CHS 493 Honors Thesis
- HCD 540 Process Engineering II
- HCD 570 Process Engineering I
- HCD 592 Capstone
- IBC 540 Integrated Healthcare Process Improvement
- IBC 585 Inter-professional Consultation: Leadership and Teamwork in Integrated Healthcare
- IBC 598 Motivational Interviewing
- IBC 601 Integrated Primary Care
- IBC 611 Population-Based Behavioral Health Management
- IBC 614 Quality and Performance Measurement, Improvement
- IBC 670 Integrated Behavioral Health Interventions for Substance Use Disorders
- IBC 690 Independent Study
- IBC 718 Healthcare Systems: Organization, Delivery, and Economics
- IBC 732 Leadership in Healthcare
- IBC 793 Developing the Applied Project

Student Mentoring

Doctor of Behavioral Health Student Committees Chaired (21)

Year	Last Name	State	Concentration	Culminating Project
2021	John	AZ	Clinical	COPD and Depression Screening Protocol
2021	Downs	MO	Management	Behavioral Health Care Integration within a Commercially Insured Population
2021	Dager	MT	Clinical	Improving medication assisted treatment for OUD in a rural FQHC
2021	Brown	Jamaica	Clinical	SOARE: A Process Improvement Project Between the MHD Unit and the Dietitian
2021	Mayfield	CA	Management	The Impact of a New Electronic Health Record System on Patient Referrals for Integrated Mental Health Services
2021	Passaniti	PA	Management	Feasibility of Implementation: A Checklist for Practice-Based Research in Healthcare
2020	Houston	AZ	Clinical	Telehealth: Transforming Healthcare
2020	Taylor	CO	Clinical	Increasing Behavioral Health Screening Follow-Up and Referral Practices at the Hope and Wellness Center
2020	Clarke	NC	Management	Effectiveness of Depression Screening in Primary Care
2020	Melton	MO	Clinical	Reducing Against Staff Advice Patient Discharges
2020	Marvelly	TX	Clinical	Screening Patients with Anxiety, Depression, and Hypertension; Staff Attitudes Toward Integrated Care
2020	Nez-Holona	NM	Management	Increasing Completed Intakes
2020	Conley	MA	Management	Connection of Patients with Opiate Use Disorder to Primary Care Through Care Coordination
2020	Childress	AL	Clinical	ASBQ Screening for College Football Athletes
2020	Hecker DuVal	AZ	Clinical	Correlation Between Diabetes and Depression: An Integrated Behavioral Health Care Intervention to Create Effective Outcomes
2020	Rice	CT	Clinical	Reducing Behavioral Health Referral Wait Times in Primary Care
2020	Weldon	AZ	Management	Increasing Primary Care Provider Referrals
2020	Pewtress	CA	Management	Workforce Development in Senior Housing
2020	Boone	HI	Clinical	Distribution of the PHQ9 and documentation of results
2019	Douglas	IN	Management	Increasing Access to Care for Newborns: A Quality Improvement Project
2019	Pedrazza	AZ	Management	Improving Physician Engagement in Integrated Healthcare Settings

Doctor of Behavioral Health Committee Memberships (47)

Year	Last Name	Concentration	Culminating Project
2021	Flores	Clinical	Grupo Sano: Effectiveness of Culture and Language in Treatment of Comorbid Conditions
2021	Sioni	Clinical	Confronting Psychosomatic Symptoms
2021	Carr	Clinical	Medical Assistant Instruction on I/DD
2021	Carmichael	Management	Motivational Interviewing during end-of-life planning
2021	Hall	Management	Depression Screening at Morrell Primary Care Clinic
2021	Rhee	Management	TBD
2021	O'Meara	Management	Measuring the effectiveness of a Medicare Annual Wellness Visit Provider Training in a Federally Qualified Health Center
2021	Stewart	Management	Implementation of RAAPS in a Public Health Clinic
2020	Weldon	Management	Improving the Practice Integration Profile: Considering the Understandability of Questions and the Feasibility of Response Through Cognitive Interviews
2020	Carroll	Management	EHR Risk Stratification

2020	Sansone	Management	Simulation for Recruitment to the Behavioral Health Sciences
2020	Ford	Clinical	Implementing a Comorbid Group Treatment for Clients Who Struggle With Type 2 Diabetes and Depression
2020	Sandvik	Clinical	Improving co-morbid diabetes and depression through self-management interventions
2020	Pawlowski	Clinical	Decreasing Treatment Barriers by Addressing Parental Needs
2020	Sanchez	Management	Design Thinking within Integrated Healthcare Management Teams
2020	Abdalla	Management	Quality Improvement: Workforce Development
2020	Sioni	Management	Responding to Psychosomatic Indicators
2020	Fateyeva	Clinical	Bidirectional Relationship between Sleep Problems and LBP Intensity
2020	Rolfes	Management	Integrated Behavioral Healthcare in Southeast Asia and China: An Analysis of Current State and Future Needs
2020	Murphy	Management	Health Information Exchange (HIE) Documentation: Improving Effectiveness and Efficiency
2020	Roun	Management	Primary Essential Hypertension and Anxiety
2020	Siringi	Management	The Impact of Conducting a Suicide Risk Assessment among Staff and Clinicians at an Integrated Primary Care Clinic
2019	O'Brien	Clinical	Opioid Use Disorder and Women of Childbearing Age
2019	Sutton-Ryan	Clinical	GME Mental Health Services Accessibility and Utilization
2019	Nez	Clinical	Closing the Referral Loop
2019	Evans	Clinical	LGBT+ Community PHQ9 Screenings
2019	Flores	Clinical	Grupo Sano: Effectiveness of Culture and Language in Treatment of Comorbid Conditions
2019	Gore	Management	Improving Utilization of the Behavioral Health Provider in Primary Care
2019	Reed	Clinical	Integrated Care for Diabetic Patients in Primary Care Setting: Increasing Referrals
2019	Nicolia	Clinical	Improving Patient Flow at the Outpatient Mental Health Clinic: A Quality Improvement Project
2019	Cumper Boynton	Clinical	A Structured Transitional Process in a Mental Health and Substance Abuse Treatment Facility
2019	Salazar	Clinical	Reducing AMA Discharges
2019	Anzelmo	Clinical	Diabetes, Depression, and Diabetes Distress
2018	Vera	Management	Empathy training for primary care and behavioral health providers' toward sex offenders in a parole outpatient clinic environment
2018	Johnson	Clinical	The Influence of Group Counseling on Symptoms of Stress in Parents of Children Diagnosed with a Developmental Delay
2018	Johnson	Management	Final Culminating Project
2018	Woods	Management	Developing Best Practices in Care Coordination for Patients with Complex Needs and High Utilization of Healthcare Services
2018	Kreutz	Clinical	SBIRT in Primary Care
2018	Myers	Clinical	Population Health Chronic Disease Management by Primary Care Integrated Behavioral Health Team and Clinical Pharmacist for Poorly Managed Patients with Diabetes
2018	Granillo	Management	Patient-Centered Oral Health Care Using Motivational Interviewing
2018	Amadi	Clinical	Boycin Medical Clinic and the Practice of Integrated Behavioral Care: An Evaluation Research
2018	Whitteker	Management	Integrating Depression Screening into Primary Care Clinic Workflow
2018	Togjai	Clinical	IBC 793: CP 1 Methods Section
2018	Sanders	Management	Practitioners' Knowledge of and Attitude Toward Behavioral Health Integration
2018	Colver	Clinical	FACT Behavioral Health Intervention and Pain
2018	Ifezue	Clinical	Fragmented Health Services
2018	Iacobucci	Clinical	The Impact of Emotional Freedom Technique on Chronic Pain and Quality of Life
2017	Ashley	Clinical	How Proximity of Providers Affects Referral Rates and PHQ-9 Scores in an Integrated Primary Care Setting
2017	Kuntz	Management	Do Value-Based Contracts Effect Patient Clinical Outcomes?
2017	Todd	Management	Implementation of Weekly Team Meetings and Improved Trainings Specific to Tennessee Health Link to Improve Program Census Utilization and Decrease HEDIS Gaps in TennCare

Total number of Doctor of Behavioral Health students advised (2017-2021) = 130

Service

Discipline-Oriented Service

Society of Teachers of Family Medicine

Addiction Medicine, Special Interest Group – Chair Elect, Chair (2014-2018)

Annual Conference – Abstract Reviewer (2014-2018)

NIDA/STFM Award – reviewed applications for annual award

Collaborative Family Healthcare Association

Families and Health, Special Interest Group – Chair Elect, Chair, Past Chair (2016-2018)

Annual Conference – Abstract Reviewer (2012-2020)

Society of Behavioral Medicine

Evidence-Based Medicine, Special Interest Group – Volunteer (2021-Present)

Editorial Boards

Families, Systems, and Health Journal (2018-Present)

Journal reviewer

Total number of manuscripts reviewed since 2017 = 42

Contemporary Family Therapy (2017 – Present)

Journal of Clinical Psychology in Medical Settings (2017 – Present)

IGI Global: International Publisher of Progressive Academic Research (2016 – Present)

Family Medicine Journal (2016 – Present)

Families, Systems, and Health Journal, (2013 – Present)

BMC Public Health

Academic Medicine

BMC Health Services Research

Journal of Primary Care and Community Health

Grant Reviewer

SAMHSA (federal agency under U.S. DHHS) Reviewer Database, (2016 – Present)

Patient-Centered Outcomes Research Institute (PCORI; 2017 – Present)

Institutional Service

- ASU Senate: University Services and Facilities Committee (2018 – 2020)
- ASU Faculty Senator (2018 – 2021)

College and Program Service

- CHS Metabolic Health Translational Team – Co-Chair (2020-Present)
- CHS High Need, High Cost Patients Translational Team – Co-Chair (2019-2020)
- CHS Substance Use Translational Team – Member (2021-Present)
- CHS Search Committee: Behavioral Neuroscience – Member (2019-2021)
- CHS Search Committee: Health Econ & Data Science – Member (2018-2019)
- CHS Search Committee: Health Services Research – Member (2022-Present)
- CHS Revisioning Subcommittee – Translational Teams (2018 – 2020)
- CHS Revisioning Subcommittee – Community Partnerships (2017-2018)
- CHS Clinical and Translational Science Center – Planning Committee (2017-2018)
- CHS Annual Evaluation Committee Member (2020)
- CHS COVID-19 Grant Reviewer (2020)
- CHS Jumpstart Grant Reviewer (2018-2020)

- DBH Curriculum Coordinator (2018 – 2020)
- DBH Program Coordinator (2018 – 2020)
- DBH Admissions Reviewer (2017-Present; reviewed 202 applications)
- CHS Sun Awards (total = 6)

Community Service

The Church of Jesus Christ of Latter-day Saints

Youth Pastor (2017-2019). I counsel and support youth 11-18 during church activities.

Bishopric Councilor (2019-2021). I counsel and support church members.

Elders Quorum President (2022-Present). I minister to church members and administer welfare support.

Grants – Awarded (Total=\$8,506,640)

1. Mapping System for Clinicians with Expertise to Treat Pregnant or Parenting Women. (2022). Arizona Health Care Cost Containment System (AHCCCS). Principal Investigator. Total budget: \$149,992. [B08TI083927; SAMHSA – AHCCCS, Substance Abuse Prevention & Treatment Block Grant]
2. Behavioral Health Workforce Shortage: Matching Demand with Supply. (2021). ASU Foundation. Principal Investigator. Total budget: \$118,064.
3. Buprenorphine Waiver Expansion in Arizona. (2021). Service Capacity and Training Grant: SAMHSA. Principal Investigator. Total budget: \$449,705. [1H79TI083989-01]
4. Integrated Behavioral Health Social Work Clinical Internship for Underserved High. (2021). Service Capacity and Training Grant: HRSA. Co-Investigator. Total budget: \$1,916,157.
5. Assessing Disparities in Medication Assisted Treatment in Arizona using a Geographic Information System (2021). Swette Foundation. Principal Investigator. Total Costs: \$28,529.
6. Stand & Move at Work II: Effectiveness and Implementation (2020). HHS: NIH. Total costs: \$3,708,908. Co-Investigator. [1R01CA250527-01A1]
7. Essential Skills for Medical Providers – Year 2 (2020-2021). HRSA (via Mayo Clinic). Total Costs: \$21,600. PI. [ARI-268163]

8. Mind the Gap: Expanding Practitioner Education in Substance Use (2020-2022). HHS: SAMHSA. Total costs: \$200,000. Principal Investigator. [H79 FG000099]
9. Targeted Medication Assisted Treatment Engagement for Individuals with Opioid Use Disorder Incarcerated in the Maricopa County, Arizona Jail. (2020-2023). A 3-year project. SAMHSA. Award: \$617,435. Co-I and Evaluator. [H79 TI081534]
10. Project ECHO: MAT Program. (2019-2020) A 12-month community learning and support group for medical practitioners prescribing medication-assisted treatment. Blue Cross Blue Shield of Arizona. Award: \$84,021. Co-Investigator. [AGR 10/24/19]
11. Quality of Life Measurement. (2019-2020) A 12-month mentorship program with Dr. John Ware, psychometric specialist. Arizona State University: College of Health Solutions. Award: \$7,500. Principal Investigator.
12. Training Affinity Network. (2019-Present) Arizona State University: College of Health Solutions. Award: \$7,500. Co-Investigator.
13. Essential Integrated Care Skills for Medical Providers. (2019-Present). The National Center for Integrated Behavioral Health (NCIBH). Award: \$21,500. PI. [6 UH1HP29964-04-02]
14. High Needs, High Cost Patients: A Formative Translational Team. (2019-Present) Arizona State University: College of Health Solutions. Award: \$4,000. PI.
15. A National Addiction Medicine Curriculum for Family Medicine Residents (2018-Present). Society of Teachers of Family Medicine. Award \$6000. Co-PI.
16. Metabolic Syndrome: An Established Translational Team. (2018-Present) Arizona State University: College of Health Solutions. Award: \$38,000. Co-I.
17. Value-Based Integrated Case Management: An Implementation Study of the Premera Health Plan (2018-Present). Arizona State University: College of Health Solutions. Award: \$11,900. PI.
18. The ASU/Dignity DM2 Medical and Behavioral Lifestyle Management program. (2018-Present) Arizona State University: College of Health Solutions. Award: \$248,392. Co-I.
19. Project ECHO: Pilot Program and Super Hub Development. (2018-2020). Arizona State University: College of Health Solutions. Award: \$12,000. Project Evaluator.
20. SR-AHEC SBIRT Training Program. (2015-2017). Department of Health and Human Services and the Substance Abuse Mental Health Services Agency. Award: \$752,335. PI and Grant Writer. [TI025969]
21. Integrated care service at SR-AHEC Family Medicine Center. (2012-2014). Kate B. Reynolds Foundation. Award: \$101,232. Interim PI.

Grants – Submitted and Not Awarded (Total=\$46,484,055)

-
1. Learning Collaborative for Adult and Pediatric Behavioral Health and Physical Health. (2022). AHCCCS (CMS). Co-I. Total budget: \$9,061,272.
 2. NIH Implementing a Maternal Health and PRenancy Outcomes Vision for Everyone (IMPROVE) – Community Implementation Project. (2022). NIH. Co-I. Total budget: \$2,026,808.
 3. Mapping System for Clinicians with Expertise to Treat Pregnant or Parenting Women. (2022). Arizona Health Care Cost Containment System. PI. Total budget: \$150,000.
 4. Building Healthy and Resilient Communities: Developing Policies to Create Systems Alignment to Improve Care for Persons Experiencing Behavioral Health Crises. (2022). Arizona and Maricopa County Public Health. Co-I. Total budget: \$360,977.

5. SBIRT Fidelity Measure: Improving Workforce Development for Substance Use Prevention and Early Intervention. Southwest Interdisciplinary Research Center Research Pilot Project Application. PI. Total budget: \$78,500
6. The Valleywise Health System Program to Reduce Burnout through Resiliency Training. (2021). HRSA. Co-PI. Total budget: \$2,265,132
7. Molecular motivators for healthy lifestyle discovery and behavior. (2021). NIH: Transformative Research. Co-Investigator. Total budget: \$3,458,709
8. The Reducing COVID-19 Vaccine Hesitancy in Rural America (Recover) Project: A cluster randomized controlled trial. (2021). NIH. Co-Investigator. Total budget: \$2,880,445
9. SBIRT at Phoenix Children's Hospital. (2021). SAMHSA. Co-Investigator. Total budget: \$1,025,531
10. Harm Reduction for Incarcerated Persons Who Use Stimulants: Investigating the Effectiveness and Implementation of Peer Navigators. (2021). CDC. Co-Investigator, Evaluator. Total budget: \$2,173,308
11. Screen Time and Heart Health (START) Mechanisms and Interventions in Youth and Adults. (2021). P01: NIH. Co-Investigator. Total budget: \$11,333,596
12. Responding to Correctional Staff Stress and Trauma (2020). NIC. Principal Investigator. Total budget: \$174, 779.
13. Innovation, Implementation and Effectiveness of Resilience Strategies (2020). Pragmatic Trial: PCORI. Co-Investigator. Total budget: \$638,950.
14. Preventing Veteran Suicide in Arizona (2020). Treatment Program: CDC. Co-Investigator and Evaluator. Total budget: \$4,935,953.
15. Preventing American Indian Suicide (2020). Treatment Program: PCORI. Co-Investigator and Director of Evaluation. Total budget: \$6,001,166.
16. National Center on Integrated Behavioral Health Solutions (2019). SAMHSA. Subcontract with University of Massachusetts. Co-Principal Investigator and Director of Evaluation Core. Total costs: \$1,945,737.

Presentations (n = 51)

2023

1. Mapping Your Health Data: Examples of Geographical Information Systems for Behavioral Medicine. Panel presentation, 2023 44th SBM Annual Meeting & Scientific Sessions in Phoenix, AZ.

2022

2. Evaluation of a National Addiction Medicine Curriculum for Primary Care Physicians. Oral presentation, 2022 NAPCRG Annual Conference in Phoenix, AZ.
3. Get Involved! How to Influence Integrated Care Legislation. Panel discussion led by M. Martin, 2022 October PCBH Community Forum.
4. Behavioral Medicine and Criminal Justice Involved Individuals: Lessons Learned from Population Health Approaches. Panel discussion led by M. Martin, 2022 April SBM Annual Conference.
5. Treatment Mapping: Visualizing and Predicting Gaps. A 60-minute presentation at the 2022 February meeting for the Dissemination and Implementation Research Network of Arizona State University. February: Phoenix, AZ.

6. Preparing Medical Clinicians to Practice Integrated Behavioral Health: Ideas for Accelerating Workforce Development. A 60-minute webinar given at the February meeting for the Center for Integrated Behavioral Health at Mayo Clinic. February: Online

2021

1. Treatment Mapping: Visualizing and Predicting Gaps. A panel presentation at the 2021 Substance Use Addiction Translational Research Network (SATRN) of Arizona State University. December: Phoenix, AZ.
2. Until Death Do We Part: Couple and Family Interventions for High Mortality Health Conditions. Presentation for the November 2021 AAMFT Annual Conference.
3. Creation of a National Addiction Curriculum for frontline providers: Evaluation after Roll-out to 25 Family Medicine Residency Programs. A 15-minute recorded presentation for the November 2021 AMERSA Annual Conference.
4. Developing Anti-Racist Integrated Care Professionals: A Model for the Dissemination of Higher Education Curricula Across Health Professionals. A 30-minute live seminar given at the 2021 CFHA Annual Conference and Canada Collaborative Care Conferences. October: Online.
5. Improving Integrated Care: Using the PIP2 to Set Goals and Measure Practice Changes. A 60-minute live seminar given at the 2021 CFHA Annual Conference and Canada Collaborative Care Conferences. October: Online.
6. Metrics of PCBH Productivity: A Delphi Study. A 60-minute panel presentation given at the 2021 PCBH Conference. October: Online.
7. Identifying Essential Skills for Integrated Behavioral Health: A Delphi Survey with the AAFP National Research Network. 30-minute recorded presentation for the May 2021 STFM Annual Conference.
8. An Integrated Behavioral Health Curriculum and Competencies Checklist for Family Medicine Residents. 30-minute recorded presentation for the May 2021 STFM Annual Conference.
9. Identifying Core Competencies for Primary Care Medical Providers Practicing Integrated Behavioral Health. Recorded 15-minute presentation for the April 2021 SBM Annual Conference.
10. Integrated Care Capacity Building: Essential Skills for Primary Care Providers. 15-minute panel interview given at the April 2021 AACOM Annual Conference
11. Integrated Primary Care Webinar: Tips and Tricks for Virtual Presenting. Live 60-minute webinar given at the January 2021 SBM SIG Meeting.

2020

12. Health Equity Inside the Jail: A Targeted Medication-Assisted Treatment Program in the Maricopa County, Arizona Jail. Live 60-minute webinar given at the 2020 Arizona Health Equity Annual Conference.
13. Caregiver Quality of Life: How to Measure it and Why. Live 60-minute webinar given at the August CFHA Webinar.
14. Research and Practice Team Engagement: A Checklist to Enhance Research and Practice Team Collaboration. Live 60-minute presentation given at the combined 2020 CFHA Annual Conference and Canada Collaborative Care Conferences. October: Online.
15. Addiction Medicine Curriculum. Recorded 30-minute presentation given at the 2020 STFM Annual Conference. August: Online.

16. Research and Practice Team Engagement: A Checklist to Enhance Research and Practice Team Collaboration. Recorded poster presentation given at the 2020 Colorado Pragmatic Research in Health. <https://cophcon.learningtimesevents.org/poster13749/>
17. General Hospitals and Integrated Care: Paging the Behavioral Health Consultant. Live 60-minute presentation given at the 2020 CFHA Annual Conference. October: Online.
18. Addressing Organizational Complexity: Everyday Implementation Strategies for Practitioners. Webinar session given at the 2020 CFHA Annual Conference. October: Online.
19. Lunch Health Talk: A Panel Discussion on Project ECHO. A 60-minute panel led by Dr. Matt Martin at the 2020 College of Health Solutions, ASU. January: Phoenix, AZ

2019

20. Removing Barriers to Health and Healthcare Access. A 60-minute presentation given at the 2019 College of Health Solutions All-College Meeting. September: Phoenix, AZ.
21. Increasing Joy in Practice: Improving resiliency and office efficiency. A 30-minute presentation given at the 2019 STFM Practice Improvement Conference. December: Phoenix, AZ.
22. Accelerating Integrated Care Through ECHO: A Collaborative Learning Network in Arizona. A 30-minute presentation given at the 2019 STFM Practice Improvement Conference. December: Phoenix, AZ.
23. Medical Assistants as Health Coaches? An Effectiveness Outcome Study. A 30-minute presentation given at the 2019 STFM Practice Improvement Conference. December: Phoenix, AZ.
24. Is this Study Feasible? A Checklist for Practice-Based Research. A 30-minute presentation given at the 2019 Dissemination & Implementation Research Fellowship training event. October: Phoenix, AZ.
25. Training Behavioral Health Providers in Primary Care: Key Strategies and Components of Effective Workforce Development Programs. A 60-minute presentation given at the 2019 CFHA Annual Conference. October, Denver, CO.
26. Seeing Eye to Eye: Using Qualitative Interviews to Enhance a Reliable Measure of Integration. A 30-minute presentation given at the 2019 CFHA Annual Conference. October, Denver, CO.
27. Medical Assistants as Health Coaches? An Effectiveness Outcome Study. A 30-minute presentation given at the 2019 CFHA Annual Conference. October, Denver, CO.
28. Preparing Physicians to Practice Integrated Behavioral Health: A Pilot Study for a Competency-Based Curriculum. A 30-minute presentation given at the 2019 CFHA Annual Conference. October, Denver, CO.
29. Accelerating Integrated Care Through ECHO: A Collaborative Learning Network in Arizona. A 30-minute presentation given at the 2019 CFHA Annual Conference. October, Denver, CO.
30. Hepatitis C Seropositive Liver Transplants: A Study of the Uptake of Guidelines. A 30-minute presentation given at the 2019 Dissemination & Implementation Research Fellowship training event. October: Phoenix, AZ.
31. Training Professionals in Family-Oriented Care. A 60-minute presentation given at the 2019 semi-annual Families and Health Special Interest Group Webinar. August: Online webinar.
32. Behavioral Science Curriculum Development. A 60-minute presentation given at the 2019 STFM Annual Conference. April 30th, 2019, Toronto, Ontario, CA.

33. Physician Wellbeing. A 30-minute presentation given at the 2019 STFM Annual Conference. April 29th, 2019, Toronto, Ontario, CA.
34. Implementation of a Medical and Behavioral Lifestyle Management Program for Type 2 Diabetes in Primary Care. A 60-minute presentation given at the 2019 Integrated Health Care Conference. March 7th, 2019, Tempe, AZ.
35. ASU ECHO: Let's improve population health in Arizona, and let's do it fast. Invited presentation given at the ASU Dean's Council, hosted by the College of Health Solutions. February 22nd, 2019, Phoenix, AZ.

2018

36. Measuring the Integration of Primary Care and Behavioral Health Services: A Factor Analysis of the Practice Integration Profile. A 15-minute presentation given at the 2018 North American Primary Care Research Group Annual Meeting. November 12th, 2018, Chicago, IL.
37. Families and Health Research: A Critical Analysis. A 60-minute session given at the 2018 CFHA Annual Conference. October 20th, 2018, Rochester, NY.
38. Behavioral Health Integration: A Public Health Initiative. Invited 30-minute plenary speech given at the Arizona Public Health Association Annual Conference. October 3, 2018, Phoenix, AZ.
39. Talking About Behavior Change: Motivational Interviewing. A 60-minute seminar given to medical staff at the St. Vincent De Paul Free Care Clinic. June 21st, 2018, Phoenix, AZ.
40. Preparing Physicians to Practice Integrated Behavioral Health: A Competency-Based Curriculum. A 60-minute seminar given at the STFM Annual Conference. May 7th, 2018, Washington, DC.
41. Curriculum Design and Development: A Behavioral Science and Family Systems Focus. A 60-minute seminar given at the STFM Annual Conference. May 6th, 2018, Washington, DC.
42. Everything is Awesome When You Are Part of a Team: Behavioral Health Providers as Team Facilitators. A 45-minute seminar given at the Integrated Healthcare Conference. March 7th, 2018, Scottsdale, NC.
43. Preparing Residents for Integrated Behavioral Health: Competencies and Behavioral Anchors. A 45-minute seminar given at the Integrated Healthcare Conference. March 6th, 2018, Scottsdale, NC.

2017

44. Behavioral Health Integration: An Expert Panel. A 90-minute panel presentation given at the STFM Practice Improvement Conference. December 1st, 2017, Louisville, KY.
45. Implementing SBIRT: An Evidence-Based Substance Abuse Prevention Program. A 60-minute seminar given at the STFM Practice Improvement Conference. December 2nd, 2017, Louisville, KY.
46. Preparing Residents for Integrated Behavioral Health: A Competency-Based Curriculum. A 60-minute seminar given at the STFM Practice Improvement Conference. December 1st, 2017, Louisville, KY.
47. Collaborative Care in Specialty Settings – A Live Family Interview. A 60-minute live demonstration given at the CFHA Annual Conference. October 21st, 2017, Houston, TX.
48. Technology: EHR and Population Management Software - Task Force Group. A 60-minute work group lead at the CFHA Annual Conference. October 20th, 2017, Houston, TX.

49. Preparing Residents for Integrated Behavioral Health: A Competency-Based Curriculum. A 25-minute presentation given at the CFHA Annual Conference. October 20th, 2017, Houston, TX.
50. Preparing Residents for Integrated Behavioral Health: A Competency-Based Curriculum. A 60-minute seminar given at the Behavioral Science Forum. September 14th, 2017, Chicago, IL.
