

*Curriculum Vitae*

**Jinni Su**

Arizona State University, Department of Psychology  
PO Box 871104, Tempe, AZ 85287-1004  
Email: jinnisu1@asu.edu; Phone: (480) 965-3061

**EDUCATION**

- 2015                    **Ph.D.**, Human Development and Family Studies  
**Doctoral Minor:** Educational Research Methodology  
University of North Carolina at Greensboro (UNCG), Greensboro,  
NC
- 2011                    **M.S.**, Human Development and Family Studies  
University of North Carolina at Greensboro, Greensboro, NC
- 2009                    **B.A.**, Economics  
Beijing Normal University, Beijing, China

**PROFESSIONAL POSITIONS**

- 2019 - Present            **Assistant Professor**  
Department of Psychology, Arizona State University (ASU)
- 2015 - 2019            **Postdoctoral Fellow**  
Departments of Psychology and African American Studies  
Virginia Commonwealth University (VCU)

**RESEARCH INTERESTS**

- Gene-environment interplay and the development of substance use and misuse in adolescents and young adults
- Transmission of risk and resilience related to psychopathology between parents and offspring and the underlying genetic and psychosocial mechanisms
- Racial/ethnic differences in pathways of risk and resilience; health disparities

**PEER-REVIEWED PUBLICATIONS**

\*denotes co-author is/was an undergraduate student mentee

\*\*denotes co-author is/was a graduate student mentee

Note: In my research field of psychology, author order at the front (i.e., 1<sup>st</sup> or 2<sup>nd</sup>) or at the end if the first author is a student is desired and shows providing a larger contribution to the research project.

**Journal Articles**

52. Trevino, A.\*\*, Jamil, B.\*\*, **Su, J.**, Aliev, F., Elam, K.K., & Lemery-Chalfant, K. Alcohol use disorder polygenic risk scores and trajectories of early adolescent externalizing

- behaviors: Examining the role of parenting and family conflict in the Racially/Ethnically Diverse ABCD Sample. *Behavior Genetics*.
51. **Su, J.**, Kuo, S. I., Aliev, F., Rabinowitz, J., Jamil, B.\*\* , ...& Dick, D. M. (in press) Polygenic risk, social support, and alcohol use among European American and African American adults. *Development and Psychopathology*.
  50. Elam, K., **Su, J.**, Aliev, F., Trevino, A\*\*, Kutzner, J., & Seo, D. (in press). Polygenic effects on individual rule breaking, peer rule breaking, and alcohol sips in ABCD. *Research on Child and Adolescent Psychopathology*.
  49. McNamar, I.\* , Soto, D.\* , **Su, J.**, The Spit for Science Working Group, & Dick, D. M. (2023). Family history and alcohol use outcomes: Examining transmission of risk through impulsivity and the moderating role of organized sports participants. *Substance Use and Misuse*.
  48. Sasser, J.\*\* , Doane, L. D., **Su, J.**, & Grimm, K. J. Stress and diurnal cortisol among Latino college students: A multi-risk model approach (2023). *Development and Psychopathology, 1-17*. 1-17. <https://www.doi.org/10.1017/S0954579423000019>
  47. **Su, J.**, Trevino, A.\*\* , Jamil, B.\*\* , & Aliev, F. (2022). Genetic risk of alcohol use disorders and childhood impulsivity: Examining the role of parenting and family conflict. **Invited paper** for the Special Issue of *Development and Psychopathology* entitled “Leveraging Genetically Informative Study Designs to Understand the Development and Familial Transmission of Psychopathology”. *Development and Psychopathology, 34*, 1827-1840.
  46. Stephenson, M., Aliev, F., Kuo, S. I., Edwards, A. C., Pandey, G., **Su, J.**, Kamarajan, C., Dick, D. M., & Salvatore, J. E. (2022). The role of adolescent social relationships in promoting alcohol resistance: Interrupting the intergenerational transmission of alcohol misuse. *Development and Psychopathology, 34*, 1841-1855.
  45. **Su, J.**, Kuo, S. I., Trevino, A.\*\* , Barr, P., Aliev, F., Bucholz, K, Chan, G., ... & Dick, D. M. (2022). Examining social genetic effects on educational attainment via parental educational attainment, income, and parenting. *Journal of Family Psychology, 36*, 1340-1350.
  44. **Su, J.**, Trevino, A.\*\* , Kuo, S. I., Aliev, F., Williams, C. D., Guy, M. G., The Spit for Science Working Group, & Dick, D. M. (2022). Racial discrimination and alcohol problems: Examining Interactions with Genetic Risk and Impulsivity. *Journal of Youth and Adolescence, 51*, 1552-1567.
  43. **Su, J.**, Conroy, I.\* , Trevino, A.\*\* , Zheng, Y., & Kuo, S. I. (2022). COVID-19 related stressors, parent-child relationship, and profiles of alcohol and mental health outcomes among White and Hispanic/Latinx first-year college students. *Child Psychiatry & Human Development*. doi: 10.1007/s10578-022-01337-4
  42. Taylor, N. L.\* , **Su, J.**, The Spit for Science Working Group, & Dick, D. M. (2022). Depressive symptoms and drinking to cope in relation to alcohol use outcomes among White and Black/African American college students. *Substance Use and Misuse, 57*, 08-718. <http://dx.doi.org/10.1080/10826084.2022.2034871>
  41. Elias, M. J., DeLaney, E. N., Williams, C. D., Hawa, S., Walker, C. J., Lozada, F. T., Thomas, K., **Su, J.**, The Spit for Science Working Group, & Danielle, D. M. (2021). Cultural socialization and ethnic-racial identity mediated by positive and negative conversations about race: Exploring differences among Asian American, African American, Latinx, Multiracial, and White students. *Identity, 22*, 282-297

40. Williams, C. D., Smith, T., Adkins, A., Walker, C. J., Santana, A., Lozada, F. T., **Su, J.**, & Dick, D. M. (2021). Effects of receiving genetic ancestry results on emerging adult's ethnic-racial identity affirmation and subsequent mental health. *Emerging Adulthood*. [Impact factor:1.560; 5-year Impact Factor: 3.315; I helped design the surveys and provided feedback on versions of the manuscript]
39. **Su, J.**, Kuo, S. I., Aliev, F., Chan, G., Edenberg, H. J., Kamarajan, C., McCutcheon, V. V., Meyers, J. L., Schuckit, M., Tischfield, J., & Dick, D. M. (2021). The association between polygenic risk, sensation seeking, social support and alcohol use in adulthood. *Journal of Abnormal Psychology, 130*, 525-536. doi: 10.1037/abn0000568. [Impact factor: 6.673; 5-year Impact Factor: 8.756; I designed the study, conducted the analysis, and wrote the manuscript with feedback from my co-authors].
38. **Su, J.**, Seaton, E. K., Williams, C. D., The Spit for Science Working Group, & Dick, D. M. (2021). Racial discrimination, depressive symptoms, ethnic-racial identity and alcohol use among Black American college students. *Psychology of Addictive Behaviors, 35*, 523-535. doi: 10.1037/adb0000717. [Impact Factor: 3.288; 5-year Impact Factor: 4.122; I designed the study, conducted the analysis, and wrote the manuscript with feedback from my co-authors]
37. Rabinowitz, J. A., Campos, A., Benjet, C., **Su, J.**, Macias-Kauffer, L., Méndez, E., Martinez-Levy, G. A., Cruz-Fuentes, C. S., & Renteria, M. E. (2020). Depression polygenic scores are associated with major depressive disorder diagnosis and depressive episode in Mexican adolescents. *Journal of Affective Disorders Reports*. <https://doi.org/10.1016/j.jadr.2020.100028> [New journal and Impact Factor is not available; I contributed to the design of the study and provided feedback on data analysis and versions of the manuscript]
36. Barr, P. B., Ksinan, A., **Su, J.**, Johnson, E. C., Meyers, J. L., Wetherill, L., Latvala, A., Aliev, F., Chan, G., Kuperman, S., Nurnberger, J., Kamarajan, C., Anokhin, A., Agrawal, A., Rose, R. J., Edenberg, H. J., Schuckit, M., Kaprio, J., & Dick, D. M. (2020). Using polygenic scores for identifying individuals at increased risk of substance use disorders in clinical and population samples. *Translational psychiatry, 10(1)*, 196. <https://doi.org/10.1038/s41398-020-00865-8> [Impact Factor: 5.280; 5-year Impact Factor: 7.097; I contributed to design of the study, conducted part of the analysis, and provided feedback on versions of the manuscript]
35. Cao, H., Zhou, N., Leerkes, E., & **Su, J.** (2020). The etiology of maternal postpartum depressive symptoms: Childhood emotional maltreatment, couple relationship satisfaction, and genes. *Journal of Family Psychology*. doi: 10.1037/fam0000722. [Impact Factor: 2.690; 5-year Impact Factor: 3.856; I contributed to the design of the study and provided feedback on analysis and versions of the manuscript]

[Impact Factor: 2.245; I contributed to data analysis and provided feedback on versions of the manuscript]

### **Invited Book Chapters**

1. Leerkes, E.M., Gedaly, L. & **Su, J.** (2016). Parental sensitivity and infant attachment. In L. Balter & C.S. Tamis-LeMonda (Eds). *Child Psychology: A Handbook of Contemporary Issues*, 3rd edition. New York: Psychology Press. [20% effort, I conducted data analysis and provided feedback on the manuscript]

### **Manuscripts Under Review**

1. Jamil, B.\*\* , & **Su, J.** (revise and resubmit). Examining the buffering effects of multidimensional social support in the association between COVID-19 stress and internalizing psychopathology among first-year college students. *Journal of American College Health*.
2. Elam, K., **Su, J.**, Trevino, A.\*\* , & Kutzner, J. Individual trajectories of depressive symptoms across early adolescence in African American, European American, and Latinx Youth: Associations with polygenic risk for depression and substance use. *Behavior Genetics*.

## **RESEARCH GRANTS**

### **Awarded and Active**

1. **Principal Investigator.** *Gene-Environment Interplay and Alcohol Use among Racially-Ethnically Diverse Youth: A Developmentally and Culturally Informed Approach*. National Institute of Health/National Institute of Alcohol Abuse and Alcoholism (R01AA0312813, 09/18/2023-05/31/2028; Total costs: \$1.656,143; Co-investigators: Kathryn Lemery-Chalfant, Jose Causadias, Eleanor Seaton, Kevin Grimm).
2. **Principal Investigator.** *Impact of COVID-19 on Alcohol Use and Mental Health During the Transition to College*. Institute for Mental Health Research (\$23,000; 9/1/2021 – 7/31/2024).
3. **Training Faculty** (PI: Nancy Gonzales & Cady Berkel). *Research Training in Drug Abuse Prevention: Closing the Research-Practice Gap*; National Institute of Health/National Institute of Drug Abuse; 7/1/2021-6/30/2026.

## **Under Review**

**1. Co-Investigator.** *Grandparent and Parent Risk and Protective Factors Underlying Alcohol use in Diverse Adolescents.* National Institute of Alcohol Abuse and Alcoholism (R01 [PAR-21-358] submitted 2/6/2023, PI: Kit Elam, Co-Is Laurie Chassin and Jinni Su).

**2. Principal Investigator.** *Examining the Role of Culture in Moderating Genetic Risk Towards Mental Health.* The 2023 Illumina Polygenic Risk Scores Research Grant, Illumina, Inc. Submitted 07/31/2023, Co-investigator: Candace Lewis.

## **Awarded and Completed**

**1. Principal Investigator.** *A Developmentally and Culturally Informed Approach to Study Gene-Environment Interactions and Childhood Precursors of Alcohol Use Among Racial-Ethnic Minority Youth.* Southwest Interdisciplinary Research Center Pilot Project Program, within National Institute on Minority Health and Health Disparities U54MD002316 Specialized Center of Excellence, Arizona State University. (\$50,000 direct costs; 07/01/2022 – 06/30/2023; Co-investigators: Kathryn Lemery-Chalfant, Eleanor Seaton).

**2. Principal Investigator.** *A Cultural Genomics Approach to Understand Gene-Environment Interactions and Alcohol Misuse among African American College Students.* Institute for Social Science Research, Arizona State University (\$3850; 11/2019-10/2020)

**3. Principal Investigator.** *A Culturally Relevant Approach to Understanding Gene-Environment Interaction in Alcohol and Substance Use Problems Among African-American Young Adults: Examining the Roles of Racial Discrimination and Racial Socialization.* VCU Postdoctoral Association Research Grant (\$5,000; 10/2016 - 12/2017).

**4. Postdoctoral Fellow.** *Collaborative Study on the Genetics of Alcoholism.* National Institute on Alcohol Abuse and Alcoholism (NIAAA), U10AA00801-26 (2015-2019; PI: Bernice Porjesz; VCU site PI: Danielle Dick)

## **Submitted but not Funded**

**8. Project Director.** *REACH: Raising Awareness, Communication, and Support for Mental Health Among Chinese American Homes.* Substance Abuse and Mental Health Services Administration (Mental Health Awareness Training Grant [SM-23-002] submitted 5/1/2023).

**7. Co-Investigator.** *A Día de los Muertos Pilot Program to Support Mexican-Origin Children Dealing with COVID-19 Related Orphanhood.* Caplan Foundation for Early Childhood (PI: José M. Causadias, Co-I: Rafael Martínez Orozco, Jinni Su; Letter of Intent submitted 9/30/2022)

**6. Principal Investigator.** *Alcohol Use and Mental Health in College Students' Daily Lives: The Role of COVID-19 Related Stressors and Parent-Child Relationship.* Institute for Mental Health Research (\$49,145 requested direct costs; submitted 6/2022).

**5. Principal Investigator.** *A Developmentally and Culturally Informed Approach to Study the Genetic Risk of Alcohol Use Disorders Among Racially/Ethnically Diverse Youth.* National Institute of Alcohol Abuse and Alcoholism (R21 [PAR-19-163] submitted 2/16/2021, Impact score:50; resubmitted 11/2021, Impact score: 37; Co-investigators: Kathryn Lemery-Chalfant, Jose Causadias, Eleanor Seaton).

**4. Principal Investigator.** *Starting College in a Pandemic: Impact of COVID-19 related Stressors on Alcohol Use and Related Mental Health Outcomes Among White and Hispanic/Latinx College Students.* National Institute of Alcohol Abuse and Alcoholism (R03 [RFA-AA-21-003], Total costs requested: \$144,503; submitted 4/14/2021).

**3. Principal Investigator.** *Engaging Parents to Support Pathways to College Health.* (Total costs requested: \$99,757). ASU Women & Philanthropy Grant. Submitted 09/2020.

**2. Principal Investigator.** *Genetic and Environmental Influences on Alcohol Problems in European-American and African-American College Students.* (Total costs requested: \$877,052). National Institute on Alcohol Abuse and Alcoholism Pathway to Independence Award (K99/R00). Submitted 10/2018 (impact score 35).

**1. Principal Investigator.** *Gene-Environment Interplay for Subtypes of Alcohol Use in European-American and African-American Youth.* (Total costs requested: \$726,688). National Institute on Alcohol Abuse and Alcoholism Pathway to Independence Award (K99/R00). Submitted 10/2016; resubmitted 07/2017 (impact score 38)

## HONORS AND AWARDS

2018 - 2019	Selected participant, the Institute of Inclusive Teaching, VCU
2018	Postdoctoral Association Travel Award, VCU
2016	Junior Investigator Award, Research Society on Alcoholism
2014	Junior Fellow, the EARA-SRA International Summer School on Adolescent Development
2014	Student Travel Award, Add Health Users Conference
2014	Outstanding Graduate Student, HDFS, UNCG
2014	Dr. Vira R. Kivett Award for Outstanding Graduate Student Publication, HDFS, UNCG
2014	Emerging Scholar Travel Award, Society for Research on Adolescence
2013 - 2014	Segner Scholarship, UNCG
2013	Summer Award for Dissertation Research, School of Human and Health Science, UNCG
2013	Family Research Methodological Studies Award, Center for Research on Families, University of Massachusetts Amherst
2013	Kappa Omicron Nu National Honor Society
2012-2013	Rebecca M. Smith Scholarship, UNCG

2011	Best Abstract by a Student/New Professional Award, Research and Theory Section, National Council of Family Relations
2011 - 2012	Esther F. Segner Scholarship, UNCG
2010 - 2011	D. Elizabeth Williams International Scholarship, UNCG
2007 - 2008	Academic Excellence Scholarship, Beijing Normal University, China

## INVITED TALKS

1. **Su, J.** (2023, April). *Alcohol Use and Mental Health During the Transition to College*. Invited presentation at the Institute for Mental Health Research (IMHR) Collaborative Research Conference. Tempe, AZ.
2. **Su, J.** (2022, November). *Gene-Environment Interactions and Alcohol Use Disorder*. Invited presentation at the University of Alberta Department of Psychology Colloquium.
3. **Su, J.** (2022, October). *Alcohol Use in College: Risk and Resilience*. Invited presentation at the IMHR Webinar, hosted by the Institute of Mental Health Research.
4. **Su, J.** (2021, April). *Pathways to college health: Impact of COVID-19 on alcohol use and mental health outcomes among college students*. Invited talk presented at the MAPme seminar, hosted by the Behavioral Genetics of Addiction Laboratory at Emory University.
5. **Su, J.** (2020, April). *Genetic and environmental influences on substance use*. Arizona Psychological Undergraduate Research Conference.
6. **Su, J.** (2020, February). *Gene-environment interactions and substance use disorders*. Behavioral Neuroscience Seminar, Department of Psychology, ASU.
7. **Su, J.** (2017, December). *Genes, race-related experiences, and substance use problems*. Invited talk at the COBE Connect Lunch Series, hosted by the College Behavioral and Emotional Health Institute, VCU.
8. **Su, J.** (2014, November). *Parental, peer, school, and neighborhood influences on adolescent substance use: Direct and indirect effects and ethnic variations*. Invited talk at the Graduate Colloquium Series, UNCG.
9. **Su, J.** (2014, September). *Latent class analysis of adolescent substance use and antisocial behaviors comorbidity: gene-environment interplay and gender differences*. Invited talk at the Add Health Data Users Seminar, Carolina Population Center, University of North Carolina at Chapel Hill.

## CONFERENCE PRESENTATIONS

### Chaired Symposiums

1. **Su, J.** (2023, April). Family and Community Influences on Adolescent Emotional and Behavioral Development. Constructed Symposium presented at the Society for Research on Adolescence Annual Meeting, San Diego, CA.
2. **Su, J.** (2022, June). The Role of Social Environment. Paper symposium presented at the Behavior Genetics Association Annual Meeting, Los Angeles, CA.

3. **Su, J.** (2020, March). Gene-environment interactions and adolescent substance use (Discussant: Danielle M. Dick). Paper symposium accepted for presentation at the Biennial Meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled due to COVID-19).
4. **Su, J.** (2019, March). Incorporating culture and diversity in understanding genetic and environmental influences on human development (Discussant: Jose Causadias). Paper symposium presented at the Biennial Meeting of the Society for Research in Child Development, Baltimore, MD.
5. **Su, J.** (2018, April). Understanding mechanisms of genetic influences on adolescent psychopathology (Discussant: Shawn Latendresse). Paper symposium presented at the Biennial Meeting of the Society for Research on Adolescence, Minneapolis, MI.

### **Pre-conference Workshops**

1. **Su, J.** (2021, June). Improving Representation of Racial-Ethnic Minority Populations in Genetic Research: A Call for Culturally Informed Genetic Research. Presented at the Practical Strategies to Reducing Racial Disparities in Mental Health Access and Outcomes in Prevention Science virtual pre-conference workshop at the Society for Prevention Research 29th Annual Meeting, organized by Chardée A. Galán et al.

### **Paper Presentations**

16. Trevino, A.\*\* , Jamil, B.\*\* , & **Su, J.** (2023, June). Examining associations between alcohol use disorder polygenic risk scores, negative life events, and pubertal status across racial/ethnic groups in the ABCD study. Paper presentation at the Behavior Genetics Association Annual Meeting. Murcia, Spain.
15. **Su, J.**, Trevino, A.\*\* , Lemery-Chalfant, K., Seaton, E. K., Elam, K. K., & Causadias, J. M. (2023, April). Examining the role of racial discrimination in moderating genetic and environmental influences on racial/ethnic minority externalizing psychopathology. Paper presentation at the Society for Research on Adolescence Annual Meeting. San Diego, CA.
14. Elam, K. K., **Su, J.**, Kutzner, J., & Trevino, A\*\*. (2023, April). Individual trajectories of depression across early adolescence: Associations with polygenic risk for depression and perceptions of substance use harm. Paper presentation at the Society for Research on Adolescence Annual Meeting. San Diego, CA.
13. Sasser, J.\*\* , Doane, L. D., **Su, J.**, & Grimm, K. J. (2022, September). Additive, common, and cumulative contributions of stress on diurnal cortisol activity: Evidence among Latino college students. Paper presentation at the International Society for Psychoneuroendocrinology Annual Conference. Chicago, IL.
12. Elam, K. K. **Su, J.**, Aliev, F., Seo, D., Trevino, A\*\*, & Kutzner, J. (2022, June). Polygenic effects on individual rule breaking, peer rule breaking, and alcohol sips in the ABCD study. Paper presented at the Behavior Genetics Association Annual Meeting. Los Angeles, CA.
11. **Su, J.**, Kuo, S. I., Elam, K., Ha, T., Neale, Z., Lemery-Chalfant, K., & Dick, D. M. (2020, March). Genetics, parenting, and alcohol use: Examining the unique role of parental monitoring and parental rules against substance use. In **Su, J.** (Chair), *Gene-*

- environment interactions and adolescent substance use*. Paper symposium accepted at the Biennial Meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled due to COVID-19).
10. Rabinowitz, J. A., Campos, A., Renteria, M., **Su, J.**, Maher, B., Ialongo, N., ... & Cruz-Fuentes, C. (2020, March). Association between adversity and genetic propensity for risk taking and substance use in African and Latino ancestry samples. In **Su, J.** (Chair), *Gene-environment interactions and adolescent substance use*. Paper symposium accepted at the Biennial Meeting of the Society for Research on Adolescence, San Diego, CA (Conference cancelled due to COVID-19).
  9. **Su, J.**, Kuo, S. I., Meyers, J. L., Guy, M. C., & Dick, D. M. (2019, March). Examining gene-environment interactions in trajectories of alcohol use disorder symptoms among African American college students. In **Su, J.** (Chair), *Incorporating culture and diversity in understanding genetic and environmental influences on human development*. Paper symposium presented at the Biennial Meeting of Society for Research in Child Development, Baltimore, MD.
  8. **Su, J.**, Kuo, S. I-Chun., & Dick, D. M. (2018, April). Understanding mechanisms of genetic risk for adolescent maladjustment: The role of parenting and personality. In **Su, J.** (Chair), *Understanding mechanisms of genetic influences on adolescent psychopathology*. Paper symposium presented at the Biennial Meeting of the Society for Research on Adolescence, Minneapolis, MN.
  7. **Su, J.**, Kuo, S., Aliev, F., Salvatore, J. E., COGA Collaborators, & Dick, D. M. (2016, March). Parental alcohol dependence and adolescent alcohol use: The mediating role of parenting. In Cavanaugh, C. (Chair), *The family context as a resource: Parent-adolescent relationships and problem behaviors*. Paper symposium presented at the Biennial Meeting of the Society for Research on Adolescents, Baltimore, MD.
  6. Leerkes, E.M., **Su, J.**, Calkins, S.D., & Henrich, V. (2015, March). G X E predictors of maternal responses to infant crying: Oxytocin and Dopamine genes moderate effects of childhood experiences. In Hechler, C. (Chair), *Infant crying: Emotional, cognitive and behavioral reactions*. Paper symposium presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
  5. Leerkes, E.M., Calkins, S. D., **Su, J.**, & Henrich, V. (2015, March). Do Oxytocin and Dopamine related genes moderate effects of early maternal sensitivity on toddler self-regulation? In Bernier, A., & Bouvette-Turcot, A. (Chairs), *Biological substrates and implications of caregiving relationships: An incursion into the nervous system, the genes, and the brain*. Paper symposium presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
  4. Leerkes, E.M., O'Brien, M., Calkins, S.D., Supple, A.J., & **Su, J.** (2014, July). Links between maternal arousal, regulation, and sensitivity during distress eliciting tasks. In Mesman, J. (Chair), *A closer look at the origins of parental sensitivity in infancy*. Paper symposium presented at the International Conference on Infant Studies, Berlin, Germany.
  3. **Su, J.**, & Supple, A. J. (2014, June). *Latent class analysis of adolescent substance use and antisocial behaviors comorbidity: gene-environment interplay and gender differences*. Paper presented at the 2014 Add Health Users Conference, NIH campus, Bethesda, MD.

2. **Su, J.**, Buehler, C., Cavanaugh, A., & Harold, G. (2011, November). *Appraisals of conflict with parents and adolescents' adjustment: A longitudinal analysis*. Paper presentation accepted for the National Council on Family Relations Annual Conference, Orlando, Florida. **Awarded the best Student/New Professional proposal submitted to the Research and Theory section in NCFR, 2011**
1. **Su, J.**, & Supple, A. J. (2011, February) *Peers, parents, school, and neighborhood influences on adolescent substance use: An application of peer cluster theory and primary socialization theory*. Paper presented at Southeastern Symposium on Child Development and Family Studies, University of North Carolina at Greensboro, Greensboro, NC.

### **Poster Presentations**

\*denotes undergraduate student co-authors

\*\*denotes graduate student co-authors

44. Causadias, J. M., Jamil, B.\*\*, Orozco, R. M., & **Su, J.** (2023, July). Funerals and mental health of Mexican-origin adults following the pandemic. Poster presented at the 7<sup>th</sup> Biennial American Psychological Association Division 45 Society for the Psychological Study of Culture, Ethnicity, and Race Research Conference. San Diego, CA.
43. Jamil, B.\*\*, Trevino, A.\*\*, Elam, K. K., & **Su, J.** (2023, June). Polygenic risk for depressive and anxiety symptoms: Examining the moderating role of parenting and family environment. Poster presented at the Behavior Genetics Association Annual Meeting. Murcia, Spain.
42. Ghazoul, M.\*, Jamil, B.\*\*, & **Su, J.** (2023, April). Bicultural stress, mental health, and alcohol use: The role of familism. Poster presented at the Arizona Psychology Undergraduate Research Conference. Tempe, AZ.
41. Fuscillo, C.\*, Ewais, M.\*, Jamil, B.\*\*, **Su, J.** (2023, April). COVID-19 related stressful events, drinking context, and alcohol use disorder symptoms among first-year college students. Poster presented at the Arizona Psychology Undergraduate Research Conference. Tempe, AZ.
40. Tanhueco, A.\*, Ghazoul, M.\*, & **Su, J.** (2023, April). The association between perceived parental disapproval and alcohol use outcomes among college students: The moderating role of ethnicity and familism. Poster presented at the Arizona Psychology Undergraduate Research Conference. Tempe, AZ.
39. Trevino, A.\*\*, **Su, J.**, Jamil, B.\*\*, Lemery-Chalfant, K., Causadias, J. M., & Elam, K. K. (2023, April). The effect of attitudinal familism on youth externalizing behaviors: Testing for gene-environment interactions across racial/ethnic groups. Poster presentation at the Society for Research on Adolescence Annual Meeting. San Diego, CA.
38. Jamil, B.\*\*, Trevino, A.\*\*, & **Su, J.** (2023, April). Bidirectional associations between parental depression and adolescent internalizing symptoms: Examining the mediating role of familial factors. Poster presentation at the Society for Research on Adolescence Annual Meeting. San Diego, CA.
37. Trevino, A.\*\*, **Su, J.**, Jamil, B.\*\*, Aliev, F., Elam, K. K., & Lemery-Chalfant, K. (2022, June). Alcohol use disorder polygenic risk scores and trajectories of childhood

- externalizing behaviors: Examining the role of parenting and family conflict in the ABCD study. Poster presented at the Behavior Genetics Association Annual Meeting. Los Angeles, CA.
36. **Su, J.**, Trevino, A.\*\* , Jamil, B.\*\* , & Aliev, F. (2022, May). Alcohol Use Disorder Polygenic Risk Scores and Childhood Impulsivity: Examining the Role of Parenting and Family Conflict in Racially and Ethnically Diverse Youth. Poster presentation accepted for the 2022 Association for Psychological Science Annual Convention, Chicago, IL.
  35. Trevino, A.\*\* & **Su, J.** (2022, March). *Family processes as mediators of the association between parental attitudinal familism and youth externalizing behaviors*. Poster presented at the Society for Research on Adolescence Biennial Meeting, New Orleans, LA.
  34. McNamara, I. A.\* , Jamil, B.\*\* , & **Su, J.** (2022, March). *Interactions between COVID-19 related stress and personality in relation to alcohol use outcomes*. Poster presented at the Society for Research on Adolescence Biennial Meeting, New Orleans, LA.
  33. McNamar, I.\* , Soto, D.\* , & **Su, J.** (2021, April). Familial history, impulsivity, and alcohol use outcomes among college students: Examining the moderating role of athletic status. Poster presented at the 4th Annual Arizona Psychology Undergraduate Research Conference, Tempe, AZ (presentation via zoom due to COVID-19).
  32. Soto, D.\* , Shigdy, M.\* , & **Su, J.** (2020, April). *A systematic review of racial/ethnic discrimination and alcohol use outcomes in the Latino population in the US*. Poster presented at the 3rd Annual Arizona Psychology Undergraduate Research Conference, Tempe, AZ (presentation via zoom due to COVID-19).
  31. **Su, J.**, Kuo, S. I-Chun., Aliev, F., & Dick, D. M. (2019, October). *Sensation seeking and family support partially mediate polygenic risk on alcohol use disorder symptoms among adults*. Poster presented at the World Congress of Psychiatric Genetics, Los Angeles, CA.
  30. **Su, J.**, Aliev, F., Salvatore, J. E., Kuo, S. I-Chun, COGA collaborators, & Dick, D. M. (2019, June). *Using virtual-parent design to understand intergenerational transmission of alcohol use disorder: Examining the role of parental transmitted and non-transmitted genotypes*. Poster presented at the 42<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, Minneapolis, MN.
  29. Ksinan, A. J., **Su, J.**, Dick, D. M., & Spit for Science Workgroup (2019, June). *Externalizing and internalizing genetic pathways to alcohol consumption and alcohol use disorder symptoms in college students*. Poster presented at the 42<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, Minneapolis, MN.
  28. Kuo, S. I-Chun., Salvatore, J. E., **Su, J.**, Aliev, F., COGA Collaborators, & Dick, D. M. (2019, June). *Interactive associations between alcohol problems polygenic risk and polyenvironmental risks on alcohol use in young adulthood*. Poster presented at the 42<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, Minneapolis, MN.
  27. Aliev, F., Salvatore, J. E., **Su, J.**, Kuo, S. I-Chun., Barr, P., ... & Dick, D. M. (2019, June). *Risk assessment with polygenic risk scores in multi-ancestry samples*. Poster submitted for the 42<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, Minneapolis, MN.
  26. **Su, J.**, Kuo, S. I-Chun., & Dick, D. M. (2019, January). *Interactive effects between polygenic risk and social support in relation to alcohol dependence symptoms among*

- European American and African American adults*. Poster accepted for presentation at the NIDA and NIAAA Genetics and Epigenetics Research Meeting, Rockville, MD.
25. Ksinan, A. J., **Su, J.**, & Dick, D. M. (2019, January). *Externalizing and internalizing genetic pathways to alcohol consumption and alcohol use disorder symptoms in college students*. Poster presented at the NIDA and NIAAA Genetics and Epigenetics Research Meeting, Rockville, MD.
  24. Aliev, F., Salvatore, J. E., **Su, J.**, Kuo, S. I-Chun., Barr, P., Agrawal, A., & Dick, D. M. (2018, October). *Risk prediction with polygenic risk scores in multi-ethnic samples*. Poster presented at the World Congress of Psychiatric Genetics, Glasgow, Scotland.
  23. Salvatore, J. E., Barr, P., Kuo, S. I-Chun, **Su, J.**, Almasy, L., ... & Dick, D. M. (2018, October). *Social genetic effects on alcohol dependence in marital dyads*. Poster presented at the World Congress of Psychiatric Genetics, Glasgow, Scotland.
  22. Leerkes, E. M., & **Su, J.** (2018, July). *Mothers' self-reported emotion regulation predicts infant outcomes*. Poster presented at the International Conference on Infant Studies, Philadelphia, PA.
  21. **Su, J.**, Kuo, S. I-Chun, Barr, P., & Dick, D. M. (2018, June). *Parental genome-wide polygenic scores for educational attainment are associated with adolescent alcohol and conduct problems via parenting*. Poster presentation accepted for the 41<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, San Diego, CA.
  20. Cho, S. B., **Su, J.**, Kuo, S. I-Chun, COGA collaborators, & Dick, D. M. (2018, June). *Motivational shift of alcohol consumption from positive to negative reinforcement by transition from early to later stages of alcohol addiction*. Poster presentation accepted for the 41<sup>th</sup> Annual Research Society on Alcoholism Scientific Meeting, San Diego, CA.
  19. \*Walker, C., Derlan, C., \*Cisneros, M., \*Thomas, K., **Su, J.**, Lozada, F.... & Dick, D. M. (2018, April). *Examining ethnic racial identity as a predictor of alcohol consumption and dependence symptoms among diverse emerging adults*. Poster presented at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
  18. \*Cisneros, M., Derlan, C., \*Walker, C., Lozada, F., \*Thomas, C., **Su, J.**, ... & Dick, D. M. (2018, April). *Positive and negative conversations about race with others: Examining predictors and outcomes*. Poster presented at the Society for Research on Adolescence Biennial Meeting, Minneapolis, MN.
  17. Kuo, S., Salvatore, J.E., **Su, J.**, Cho, S. B., Aliev, F., COGA collaborators, & Dick, D. M. (2017, June). *Polyenvironmental risk scores predict alcohol use and misuse in young adulthood*. Poster presented at the 40<sup>th</sup> Annual Society for Research on Alcoholism Scientific Meeting, Denver, CO.
  16. Salvatore, J. E., Aliev, F., Barr, P., Kuo, S. I-Chun., **Su, J.**, COGA collaborators, & Dick, D. M. (2017, June). *Sibling comparisons of polygenic scores: Evidence for quasi-causal effects of educational attainment polygenes on substance use disorders*. Poster presented at the 47<sup>th</sup> Behavioral Genetics Annual Meeting, Oslo, Norway
  15. **Su, J.**, Cho, S. B., Kuo, S. I-Chun., COGA Collaborators, & Dick, D. M. (2017, April) *Age-varying effects of parental monitoring and peer substance use on adolescent risky drinking: Gene-environment interactions across development*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Austin, TX.
  14. **Su, J.**, Kuo, S., COGA Collaborators, & Dick, D. M. (2016, June). *Parental alcohol dependence and adolescent risky drinking: Moderating roles of demographic, genetic,*

- psychological, and social factors*. Poster presented at the 39<sup>th</sup> Annual Society for Research on Alcoholism Scientific Meeting.
13. \*Niazi, Z. I., \*Alshagra, M., \*Ericson, R. G., **Su, J.**, & Hancock, L. C. (2016, March). *Stall Seat Journal as a social norms intervention for risky drinking among college students*. Poster presented at Virginia Commonwealth University Poster Symposium for Undergraduate Research and Creativity. Richmond, VA.
  12. **Su, J.**, & Supple, A. J. (2015, March). *Predicting alcohol use trajectories from adolescence to young adulthood: Gene-gene interaction and gene-environment interaction*. Poster accepted to be presented at the Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA.
  11. Leerkes, E. M., & **Su, J.** (2014, November). *Patterns of maternal arousal and regulation while parenting pose risk for subsequent infant well-being*. Poster presented at the Society for Research in Child Development Special Topic Meeting on New Conceptualizations in the Study of Parenting-at-Risk, San Diego, California.
  10. **Su, J.**, & Supple, A. J. (2014, September). *Racial and gender differences in developmental trajectories of substance use from early adolescence to young adulthood*. Poster presentation accepted for the Society for Research in Child Development Special Topic Meeting on Developmental Methodology, San Diego, California.
  9. **Su, J.**, Supple, A. J., & Stein, G. L. (2014, March). *Ethnic differences in co-morbidity typologies of adolescent substance use, externalizing, and internalizing behaviors*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence, Austin, TX. **Poster selected to be presented at the SRA special event "Adolescence in Diverse Contexts" Poster Session Reception and Breakfast Hour.**
  8. **Su, J.**, & Faldowski, R. (2014, March). *Predicting parenting stress among low-income adolescent mothers: Maternal, child, and family risk and protective factors*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence, Austin, TX. **Poster selected to be presented at the SRA special event "Adolescence in Diverse Contexts" Poster Session Reception and Breakfast Hour.**
  7. **Su, J.**, Johnston, C., & Tudge, J. (2013, November). *Pretend play in natural settings and children's subsequent social competence: Data from the United States and Finland*. Poster presented at the National Council on Family Relations Annual Conference, San Antonio, TX.
  6. **Su, J.**, & Supple, A. J. (2013, March). *Latent class analysis of adolescent substance use: Correlates with ethnicity, individual, peer, family, and school factors*. Poster presented at the Biennial Meeting of the Society for Research in Child Development, Seattle, WA.
  5. **Su, J.**, Johnston, C., & Tudge, J. (2013, March). *Who do children play with and what does it mean for social competence? A cross-cultural study of pretend play in natural settings*. Poster presented at the Graduate Research Expo, University of North Carolina at Greensboro, Greensboro, NC.
  4. Cavanaugh, A. M., Buehler, C., & **Su, J.** (2012, March). *Predicting adolescent social anxiety and loneliness: Examining multiple support domains*. Poster presented at the Biennial Meeting of the Society for Research on Adolescence, Vancouver, Canada.
  3. **Su, J.**, & Supple, A. J. (2011, March) *Parental and peer influences on adolescent substance use: An analysis of race difference*. Poster presented at the biennial meeting of the Society for Research in Child Development, Montreal, Canada.

2. Rodriguez, Y., Su, J., & Helms, H. M. (2010, November). *Sociocultural context, relationship quality, and gender: A first glimpse at "His" and "Her" experiences in married and cohabiting couples of Mexican origin in their early childrearing years.* Poster presented at the National Council on Family Relations Annual Conference, Minneapolis, Minnesota.
1. Rodriguez, Y. & Su, J. (2010, February). *Environmental, attitudinal, and social context factors as predictors of immigrant Mexican wives' personal and marital well-being.* Roundtable discussion presented at The Southeastern Symposium on Child and Family Development, The University of Georgia, Athens, GA.

## **TEACHING EXPERIENCE**

### **Arizona State University, Department of Psychology**

#### **Undergraduate Courses:**

PSY 341: Developmental Psychology, Spring 2020, Fall 2020, Fall 2021 (2 sections)

PSY 498: Parenting and Child Development, Spring 2021, Fall 2022

#### **Graduate Courses:**

PSY 591: Parent-Child Relationships, Fall 2019, Spring 2022

#### **Guest Lectures/Invited Speakers:**

February, 2022	Guest lecture on "Genetic and environmental influences on substance use disorders" (PSY 497)
March, 2021	Guest lecture on "Developmental Psychology" in Psychology Career Pathways (PSY 294)
February, 2021	Guest lecture on "Behavior Genetics and Parenting" at University of Connecticut (HDFS3311W, via zoom)
October, 2020	Spoke as a panelist at a <i>Work-Life Balance Panel</i> in Professional Issues in Psychology (PSY 502)
March 2020	Spoke as a molecular genetic methods expert in Psychobiological Methods (PSY 591)
February, 2020	Guest lecture on "Genetic and environmental influences on substance use disorders" (PSY 497)

### **Virginia Commonwealth University**

#### **Undergraduate Courses:**

College Behavioral and Emotional Health Institute (COBE) Undergraduate Research Bootcamp (co-director), Summer 2016; Summer 2017

Spit for Science: Conducting and Understanding Research (research group mentor), Fall 2017, Spring 2018, Fall 2018, Spring 2019

**University of North Carolina at Greensboro**

**Undergraduate Courses:**

Human Development Across the Life Span, Spring 2012 (teaching assistant), Spring 2013 (co-instructor), Summer 2013 (instructor)  
Research Methods, Spring 2014 (teaching assistant)

**MENTORING**

**Doctoral Dissertation Committee Member**

In Progress	Ciera Arnett, Clinical Psychology
2023	Daye Son, School of Social and Family Dynamics
2023	Kimberly Yu, Clinical Psychology
2022	HyeJung Park, Developmental Psychology
2021	Veronica Oro, Developmental Psychology

**Doctoral Comprehensive Exam Committee Member**

2023	Gabrielle Fabrikant-Abzug, Clinical Psychology
In Progress	Nayen Lee, Developmental Psychology
2023	Jeri Sasser, Developmental Psychology
In Progress	Skye Mendes, Developmental Psychology
2022	Ciera Arnett, Clinical Psychology
2021	HyeJung Park, Developmental Psychology
2020	Kimberly Yu, Clinical Psychology
2020	Veronica Oro, Developmental Psychology

**Master's Thesis Committee Chair**

In Progress	Belal Jamil, Developmental Psychology
2023	Angel Trevino, Developmental Psychology

**Master's Thesis Committee Member**

In Progress	Janna Pickett, Developmental Psychology
2022	Jeri Sasser, Developmental Psychology

**Undergraduate Honors Thesis Committee Chair**

In Progress	Marilyn Ghazoul, Psychology
In Progress	Amaya Tanhueco, Psychology
In Progress	Valerie Tan, Psychology
2021	Isobel Conroy, Psychology
2020	Nicole Taylor, Psychology

**Undergraduate Honors Thesis Committee Member**

In Progress	Alana Colby, Psychology
2023	Ricardo Woods-Gonzalez, Psychology
2023	Mariam Ewais, Biological Sciences and Global Health
2022	Angelina Sandoval, Psychology

2022 Cristal Vargas Cesario, Psychology  
2022 Crystal Li, Psychology  
2020 Jasmin Ray, Psychology

### **Undergraduate Research Assistants**

Mariam Ewais, Biological Sciences and Global Health (2020 – 2023)  
Marilyn Ghazoul, Psychology (2021 – Present)  
Avery Murphy, Psychology (2022 – 2023)  
Chiara Fuscillo, Psychology (2022 – Present)  
Claudia Grochalska, Psychology and Neuroscience (2019 – 2021)  
Monica Lam, Biological Sciences (2019 – 2021)  
Riley McKenna, Biological Sciences and Psychology (2020)  
Ian McNamara, Psychology (2019 – 2022)  
Karen Northrop, Business Data Analytics and Psychology (2020)  
Valeria Perez, Biological Sciences and Global Health (2021 – 2022)  
Christopher Hernandez Salinas, Biological Sciences and Global Health (2019 – 2022)  
Mahasin Shigdy, Psychology (2019 – 2020)  
Derek Soto, Psychology (2019 – 2020)  
Maitreya Thomas, Psychology (2021)  
Dylan Wang, Biomedical Sciences and Psychology (2021)  
Ashlynn Rooney, Psychology (2022 – 2023)  
Kathleen Heaston, Psychology (2022 Fall)  
Abdullah Warsi, Neuroscience (2022-2023)  
Catalina Amurrio Zamora, Biological Sciences (Fall 2022 - Present)  
Hannah Doherty, Psychology (Fall 2022 – Present)  
Amaya Tanhueco, Psychology (Fall 2022 – 2023)  
Valerie Tan, Psychology (Spring 2022 – Fall 2022)  
Samantha Steinke, Psychology (Spring 2023 - Present)  
Nirmitha Hamsanipally, Biological Sciences (Spring 2023– Present)  
Rachel Cox, Psychology (Spring 2023 – Present)  
Sofia Wenik, Psychology (Spring 2023 – Present)  
Aryn Layno, Neuroscience (Spring 2023 – Present)  
Estrella Contreras, Neuroscience and Psychology (Spring 2023)

### **Student Awards and Recognitions**

Belal Jamil (2022): Developmental Catalyst Award  
Belal Jamil (2022): Developmental Cialdini Early Graduate Career Award  
Angel Trevino (2021): Developmental Cialdini Early Graduate Career Award  
Belal Jamil (2021 – 2022): Developmental Cialdini Cross-Training Award  
Belal Jamil (2021 – 2022): ASU Graduate College Interdisciplinary Enrichment Fellowship  
Angel Trevino (2020 – 2021): ASU Graduate College Interdisciplinary Enrichment Fellowship  
Nicole Taylor (Fall 2020): Finalist for the Department of Psychology’s Best Undergraduate Honor’s Thesis Award

### **Mentoring Activities at Virginia Commonwealth University**

Fall 2015 Undergraduate Independent Study (Filius Iyebote)  
Summer 2017 Undergraduate Independent Study (Jiabi Chen)

## PROFESSIONAL SERVICE

### Service for the Discipline

- 2022 **Reviewer**, Society for Research on Adolescence Biennial Meeting, the Panel on Biological and Neurological Mechanisms
- 2021 - present NIH Early Career Reviewer Program
- 2021 – present **Editorial Board Member**, *Journal of Studies on Alcohol and Drugs*
- 2021 – present **Consulting Editor**, *Journal of Clinical Child and Adolescent Psychology*
- 2020 - 2022 **Consulting Editor**, *Developmental Psychology*
- 2018 - 2022 **Member**, Interdisciplinary Committee, Society for Research on Adolescence
- 2015, 2019 **Reviewer**, Society for Research on Adolescence Biennial Meeting, the Health Risk Behaviors Panel
- 2014 - present **Ad Hoc reviewer** for:  
*Journal of Ethnicity in Substance Abuse*  
*Substance Use and Misuse*  
*Development and Psychopathology*  
*Archives of Women's Mental Health*  
*Alcoholism: Clinical and Experimental Research*  
*European Child and Adolescent Psychiatry*  
*Family Process*  
*Journal of Family Psychology*  
*The American Journal on Addictions*  
*PLOS One*  
*Journal of Studies on Alcohol and Drugs*  
*Substance Abuse: Research and Treatment*  
*Psychology of Addictive Behaviors*  
*Developmental Psychology*  
*Journal of Racial and Ethnic Health Disparities*
- 2012 **Reviewer**, National Council on Family Relations Annual Conference, Research and Theory Section

### Professional Memberships

- 2022 - Present Behavior Genetics Association
- 2020 - Present Society for Psychological Sciences
- 2012 - Present Society for Research on Adolescence
- 2011 - 2022 Society for Research in Child Development

### Departmental Service at Arizona State University

- 2023 - Present **Chair**, Nancy Eisenberg Distinguished Speaker Series Committee

October 2022 **Panelist**, Professional Development Panel on Academic Career Trajectories and Best Strategies for Academic Writing, Developmental Area

August 2022 **Participant**, Early Start Lab Tours

2021 - 2023 **Member**, Nancy Eisenberg Distinguished Speaker Series Committee

Spring 2021 **Member**, Faculty Search Committee, Developmental Psychology

2019 - Present **PI Participant**, ENERGIZE Initiative

2019 - Present **Member**, Cialdini Funds Awards Committee

**Departmental Service at the University of North Carolina at Greensboro**

2012-2014 **Chair**, Graduate Website Committee, HDFS, UNCG

2011-2014 **Member**, Faculty-Student Liaison Committee, HDFS, UNCG

2011-2012 **Chair**, Graduate Colloquium Series Committee, HDFS, UNCG

2010-2013 **Member**, Graduate Mentoring Committee, HDFS, UNCG

2010-2011 **Vice-Chair**, Graduate Colloquium Series Committee, HDFS, UNCG

2009-2010 **Member**, Graduate Colloquium Series Committee, HDFS, UNCG

**University Service at Virginia Commonwealth University**

Spring 2019 **Judge**, Graduate Student Research Symposium & Exhibit

**Community Service**

2023 **Invited Speaker**, Our Health Our Wellness: A Dialogue on Mental Health Support Across Generations, an AAPI Heritage Month Celebration Event hosted on 5/20/2023 by UCA Arizona and partnered with ASU, ASU Chandler Innovation Center.

2023 - Present **Youth Ambassador Advisor**, United Chinese Americans [WAVES](#) (Wellness, Advocacy, Voices, Education, Support) – Youth Mental Health Collaboratives.

2022 **Invited Speaker**, WAVES (Wellness, Advocacy, Voices, Education, Support) Program Launch Press Conference, Hosted by the United Chinese Americans of Arizona.
