## **EDUCATIONAL HISTORY**

**University of Northern Colorado, Educational Leadership Program; Licensure**  
August 1996

**Binghamton University, Master of Arts in Teaching Biology**  
January 1986

**Elmira College, Bachelor of Science in Biology**  
June 1984

## **PROFESSIONAL EXPERIENCE**

### **University Teaching Experience**

**Arizona State University: Mary Lou Fulton Teachers College**  
Professional Pathways Clinical Assistant Professor, Site Lead  
August 2020 – Present

- Supervised student teachers in site placements and online with observations and provided feedback for effective instruction.
- Conducted student teacher evaluations using the ATR and TAP Instructional Rubrics.
- Supported student teachers in professionalism and the development of skills to become a teacher.
- Planned and provided training and support for school-based Mentor teachers.
- Instructed multiple Undergraduate and Graduate level professional experience courses (face-to-face, online, hybrid).

University Supervisor, Secondary Education Residency Pilot Program  
August 2019 – May 2020

- Supervised secondary student teachers by providing constructive feedback through Walkthroughs and in the Performance Assessment process.
- Gathered feedback from Residents on their school-based collaboration opportunities.
- Created and provided personalized professional development based on data from needs assessments and Performance Assessments.

**Metropolitan State University of Denver: Alternative Licensure Program**  
Instructor

August 2016 – December 2017

- Designed curriculum for the one-year program based upon current educational research.
- Planned and implemented weekly class materials and learning activities (including online materials and support) for a group of teachers working on securing a Colorado Teaching License.
- Coached teachers in their schools to support the use of best instructional practices and the development of positive and supportive classroom cultures.
- Assessed teacher growth through work samples and the creation of a Professional Portfolio to show proficiency in the Colorado Teacher Quality Standards.

## **Administrative Experience (K-12)**

### ***Greeley-Evans School District 6: Franklin Middle School***

Dean of Students

July 2011 – June 2014

- Worked with staff, students, and families with discipline and attendance issues.
- Partnered with school-based teams to provide positive interventions both academically and behaviorally to ensure student growth and achievement.
- Encouraged the growth and development of the whole learning experience as an Activities and Athletic Director.
- Provided supervision for day and evening events and school-based activities.

### ***Adams 12 Five Star Schools: Niver Creek Middle School, Northglenn Middle School, Horizon High School***

August 1999 – June 2011

Assistant Principal

- Coached and evaluated the effective instructional practices of certified staff.
- Provided for a continuous learning environment that focused on student and staff learning. Engaged staff on the use of student data, standards-based curriculum frameworks, and research-based best instructional practices to develop units of study.
- Provided constructive input as a member of the school-based leadership team to the development of the school's vision and goals that focused on student achievement.
- Supported the creation and implementation of grade-level and vertical Professional Learning Communities to evaluate student data and to plan, implement, and assess student learning.
- Monitored the implementation of instructional programs that foster student success.
- Worked with a school-based committee to create, design, and implement professional development activities.
- Managed facility operations to maintain a safe school environment.
- Collaboratively created a Master Schedule that effectively used financial resources.
- Oversaw various budget items to utilize funds equitably.
- Prepared and scheduled required assessments as the building Assessment Coordinator.
- Supported classified staff by designing systems to distribute work fairly and evaluate their levels of performance.

Dean of Students (Horizon High School)

August 1997 – June 1999

- Monitored student performance through attendance and discipline.
- Provided supervision at day and evening events.
