

Molly Maxfield, Ph.D.
Molly.Maxfield@asu.edu
Edson College of Nursing and Health Innovation
Center for Innovation in Healthy and Resilient Aging
550 N. 3rd Street
Health South Building, Room 238
Arizona State University
Phoenix, AZ 85004
O: 602-496-2311

Education and Training

August 2009	Ph.D. Clinical Psychology - University of Colorado Colorado Springs Dissertation Title: The death of the self: Older adults' anxiety concerning cognitive decline Dissertation Chair: Tom Pyszczynski, Ph.D.
July 2008- June 2009	Clinical Neuropsychology Pre-doctoral Internship, Department of Psychiatry The University of Arizona College of Medicine, Tucson, AZ
August 2005	M.A. Clinical Psychology - University of Colorado Colorado Springs Thesis Title: A terror management perspective on aging: Age differences in response to blatant and subtle reminders of mortality Thesis Chair: Tom Pyszczynski, Ph.D.
May 1999	B.A. Psychology - Skidmore College, Saratoga Springs, NY

Academic Positions

January 2020- present	Associate Professor, Edson College of Nursing and Health Innovation Arizona State University
July 2020 - July 2023	Interim Associate Director Center for Innovation in Healthy and Resilient Aging Arizona State University
June 2016- December 2019	Associate Professor, Psychology Department University of Colorado Colorado Springs
August 2016- May 2017	Visiting Associate Research Professor West Virginia University
August 2009- June 2016	Assistant Professor, Psychology Department University of Colorado Colorado Springs

RESEARCH GRANTS

Current Grants, Principal Investigator Role [External Awards]

Increasing Physical Activity through Social support and Stress Resilience (I-PASS) among older adults living alone with SCD to lower ADRD risk

PI: **Molly Maxfield**

Co-Is: Rodney Joseph, Keenan A. Pituch, and Fang Yu

Sponsor: NIH National Institute on Aging

Support Years: 9/24 – 9/26

Total Award: \$471,000

Note this two-year trial is funded by the *Arizona State University Roybal Center for Older Adults Living Alone with Cognitive Decline: Technology-Enabled Behavioral and Lifestyle Change to Delay Alzheimer's Disease and Improve Quality of Life*

Award ID: P30AG086561

PI: Fang Yu

Co-Is: Ross Andel, David W. Coon, Thomas D. Parsons

Sponsor: NIH National Institute on Aging

Support Years: 9/24 – 9/29

Total Award: \$5,887,500

Goal Setting to Promote Physical Activity Adherence in Midlife to Reduce Risk of Alzheimer's Disease and Related-Dementias: A Randomized Mechanistic Proof-of-Concept Trial

Award ID: R33AG078089

MPIs: **Molly Maxfield** and Rodney Joseph

Co-Is: Keenan A. Pituch and Fang Yu

Sponsor: NIH National Institute on Aging

Support Years: 9/22 – 8/27 [R61: 9/22 – 8/24 and R33: 9/24 – 8/27]

Total Award: \$2,700,211 [R61: \$348,389 and R33: \$2,351,822]

Current Grants, Co-Investigator Role [External Awards]

Precision Medicine in Alzheimer's Disease: A SMART Trial of Adaptive Exercises and Their Mechanisms of Action Using AT(N) Biomarkers to Optimize Aerobic Fitness

Award ID: 1R01AG076566-01A1

PI: Fang Yu

Co-Is: Dereck L. Salisbury, Jeremy J. Pruzin, **Molly Maxfield**, Yi Su, Rodney Joseph, Michael Todd, Elsa Baena, Danni Li, David Coon

Sponsor: NIH National Institute on Aging

Support Years: 4/23 – 3/28

Total Award: \$4,535,544

Testing Becker's ideas about death denial across the lifespan: Age, mortality awareness, and psychological distancing from death

Grant ID#: ISSEP-2025-15

PI: Caroline C. Lapish

Co-I: **Molly Maxfield**

Sponsor: The International Society for the Science of Existential Psychology

Support Year: 12/24-12/26

Total Award: \$15,000

Current Grants, Co-Investigator Role [Internal Awards]

Development of a patient-specific thermal and lighting environment control framework for the patient's cognitive performance and well-being in the dementia care

PI: Nina Sharp

Co-Is: **Molly Maxfield** and Dongwoo Yeom

Sponsor: Edson Initiative for Dementia Care and Solutions (Biodesign Institute at ASU)

Support Years: 7/23 – 6/25

Total Award: \$119,885

Completed Grants, Principal Investigator Role [External Awards]

Investigating dementia worry and its impact on older adults

Award: R21AG052820

PI: Molly Maxfield

Co-I: Jeff Greenberg

Sponsor: NIH National Institute on Aging

Support Years: 4/16 – 3/20

Total Award: \$399,694

A mixed methods investigation of dementia-related anxiety among older adults with and without objective cognitive screening.

PI: Molly Maxfield

Sponsor: Angels Against Alzheimer's (Colorado Springs, CO)

Support Year: 7/18 – 6/19

Total Award: \$5,000

Examining the roles of age and death awareness in generous behavior

PI: Molly Maxfield

Sponsor: Indiana University Lilly Family School of Philanthropy (re-granting program through the John Templeton Foundation)

Support Year: 9/16 – 9/17

Total Award: \$39,393

Completed Grant, Co-Investigator Role [External Awards]

Child maltreatment and risk for mild cognitive impairment and Alzheimer's disease

Award ID: 5R01AG058683-05

PI: Cathy Spatz Widom

Co-Is: Frances Champagne, Jennifer Manly, **Molly Maxfield**, Nim Tottenham

Sponsor: NIH National Institute on Aging

Support Years: 10/18 – 5/25

Total Award: \$4,940,024 (Maxfield Subcontract Award: \$235,230)

Video-conference Delivery of an Evidence-based Intervention for People Living Alone with Early-stage Cognitive Impairment

Award ID: FP00033635

PI: David Coon

Co-Is: Dona Locke, **Molly Maxfield**

Sponsor: Arizona Alzheimer's Consortium

Support Years: 7/22 – 6/23

Total Budget: \$50,000

Piloting an evidence-based family caregiving intervention via videoconferencing

PI: David Coon

Co-Is: Dona Locke, **Molly Maxfield**

Sponsor: Arizona Alzheimer's Consortium

Support Years: 7/21 – 6/22

Total Budget: \$90,000

Completed Grants, Principal Investigator Role [Internal Awards]

Understanding how ageism and personality contribute to dementia worry in adults

PI: Molly Maxfield

Sponsor: Student-Faculty Research and Creative Works Award, from the College of Letters, Arts & Sciences at the University of Colorado Colorado Springs

Support Year: 11/17 – 5/18

Total Award: \$4,000

Possible selves in a senior living community

PI: Molly Maxfield

Sponsor: University of Colorado Colorado Springs and Palisades Research and Scholarship Committee

Support Year: 5/11 – 5/12

Total Award: \$2,400

Turning intention into behavior: Influences on older adults' ability to carry-out plans for health-promoting behavior

PI: Molly Maxfield

Sponsor: University of Colorado Colorado Springs, Committee on Research and Creative Works

Support Years: 3/10 – 3/12

Total Award: \$7,425

Grant Applications Under Review or Being Revised for Resubmission [External, unfunded]

Dementia-related Anxiety and Its Impact on Social Connectedness and Suicide Risk (in preparation for resubmission)

MPIs: **Molly Maxfield** & Allie Peckham

Co-I: Keenan A. Pituch

Sponsor: National Institute of Mental Health

Proposed Support Years: 7/25-7/30

Total Funds Requested: \$3,297,983

The Culture Cycle Model: Understanding Dementia Related Lifestyle Stigma

PI: Allie Peckham

Co-Is: **Molly Maxfield** and Keenan A. Pituch

Sponsor: National Institute on Aging

Proposed Support Years: 4/26-3/31

Total Funds Requested: \$2,643,389

A Multi-component mHealth Intervention to Improve Physical Activity, Sleep, and Stress Resilience for Preventing Alzheimer's Disease

MPIs: Rodney Joseph and Fang Yu

Co-Is: Boaxin Li, **Molly Maxfield**, Michael Todd, Teresa Wu

Sponsor: National Institute on Aging

Proposed Support Years: 12/25-11/27

Total Funds Requested: \$431,750

Association for Clinical and Translational Science (ACTS) Translational Science 2024 Conference, Las Vegas, NV
- Maxfield, M.**, Peckham, A., & James, D. (November, 2023). *Underlying causes of dementia-related anxiety among cognitively-healthy individuals*. Paper presented at the annual scientific meeting of the Gerontological Society of America, Tampa, FL.
- Yu, F., Pituch, K. A., **Maxfield, M.**, Baena, E., Geda, Y. E., Pruzin, J. J., Coon, D. W., Shaibi, G. Q., Health and Aging Brain Study: Health Disparities (HABS-HD) Study Team. (July, 2023). *Alzheimer's disease biomarkers: Roles of type 2 diabetes from the HABS-HD Study*. Alzheimer's Association International Conference. Amsterdam, Netherlands: Alzheimer's Association.
- James, D., Sears, D., Larkey, L., **Maxfield, M.**, Ofori, E., Han, S.Y., Alperin, K., & Osha, P. (2022, November). *Prolonged nightly fasting among older adults: A pilot study exploring changes in cognitive function*. Poster presented at the annual scientific meeting of the Gerontological Society of America, Indianapolis, IN.
- Maxfield, M.**, Peckham, A., & James, D. (2022, September). *Dementia-related anxiety: What's the worry?* Poster presented at the annual meeting of the Arizona Alzheimer's Consortium. Phoenix, AZ.
- Maxfield, M.**, Peckham, A., James, D., Lathrop, L., & Fiske, A. (2022, November). *Anticipated suicidal and death ideation in response to an imagined dementia diagnosis*. Poster presented at the annual scientific meeting of the Gerontological Society of America, Indianapolis, IN.
- *Roberts, J.R., & **Maxfield, M.** (2021, November). *Effect of computerized cognitive training for adults with dementia-related anxiety*. Poster presented at the annual meeting of the Gerontological Society of America (meeting moved to online).
- Peckham, A., Pituch, K.A., **Maxfield, M.**, Guest, A., Sivanandam, S., Doebbeling, B.N. (2021, November). *Aging in the time of COVID-19: Healthcare Access*. Presentation to be given at the annual meeting of the Gerontological Society of America (meeting moved to online).
- Joseph, R.P., Guest, M.A., Peckham, A., Kim, S., Coon, D., **Maxfield, M.**, Langer, S. (2021, April). *Impact of the early stages of the COVID-19 pandemic on leisure-time physical activity among middle-aged and older adults*. Presented as a Research Spotlight presentation at the 42nd Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine.
- Langer, S. Guest, M.A., **Maxfield, M.**, Peckham, A., Kim, S., Joseph, R., & Coon, D. W. (2021, April). *Love in the time of corona: Relationship status and health*. Presented as a Research Spotlight presentation at the 42nd Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine.
- Guest, M.A., Peckham, A., & **Maxfield, M.** (2020, November). *Aging in the time of COVID-19: Findings from a multi-wave study*. Poster presented at the annual meeting of the American Public Health Association (meeting moved to online).
- *Yun, S.W., *Stone, L.E., **Furr, E., & **Maxfield, M.** (2020, November). *Associations between the Five Factor Model of personality and dementia-related anxiety*. Poster presented at the annual meeting of the Gerontological Society of American (meeting moved online)

* indicates graduate student contributor

** indicates undergraduate student contributor

- *Yun, S.W., & **Maxfield, M.** (2020, August). *Examining factors related to the future care preparation needs in middle-aged and older adults*. Poster presented at the annual meeting of the American Psychological Association (meeting moved online).
- *Yun, S.W., & **Maxfield, M.** (2019, November). *Age and advance care planning predict self-perceived risk for dementia*. Poster presented at the annual meeting of the Gerontological Society of America. Austin, TX.
- *Yun, S.W., & **Maxfield, M.** (2019, May). *Alzheimer's disease knowledge and self-perceived risk predict dementia-related anxiety*. Poster presented at the annual meeting of the Association for Psychological Science. Washington, D.C.
- *Stypulkowski, K., *Roberts, J. R., **Robledo, A., & **Maxfield, M.** (2019, October). *Self-reported difficulties in retrospective memory predicts poor memory performance*. Poster presented at the annual meeting of the National Academy of Neuropsychology. San Diego, CA
- *Lathrop, L., & **Maxfield, M.** (2018, April). *Predictors of dementia worry in health and retirement study respondents*. Poster presented at the meeting of Cognitive Aging Conference. Atlanta, GA.
- Maxfield, M.**, Cui, R., *Roberts, J. R., & Fiske, A. (2018, April). *Interest in dementia testing: Understanding the roles of family history, dementia worry, and coping style*. Poster presented at the meeting of Cognitive Aging Conference. Atlanta, GA.
- *Molden, J., & **Maxfield, M.** (2018). *Effects of stereotype threat and diagnosis threat manipulations on older adults' neuropsychological test performance*. Poster presented at the meeting of the International Neuropsychological Society. Washington, D. C.
- Maxfield, M.** (2017, November). *Examining the roles of age and death awareness in generous behavior*. Presentation given at the meeting of the Association for Research on Nonprofit Organizations and Voluntary Action. Grand Rapids, MI.
- *Roberts, J. R., Obetz, V., Lac, A., **Maxfield, M.** (2017, August). *The experimental effect of priming moral values on dementia worry*. Poster session presented at the meeting of the American Psychological Association, Washington, D.C.
- *Molden, J., & **Maxfield, M.** (2016, October). *The effect of mixed aging stereotype priming on older adults' memory performance*. Poster presented at the meeting of the National Academy of Neuropsychology. Seattle, WA.
- **Roberts, J. R. & **Maxfield, M.** (2016, November). *The impact of Alzheimer's disease risk reduction education on dementia worry*. Poster presented at the annual meeting of the Gerontological Society of America. New Orleans, LA.
- **Roberts, J.R. & **Maxfield, M.** (2016, April). *Religious motivation as a protective buffer against dementia worry*. Oral and poster presentation given at the annual meeting of the Rocky Mountain Psychological Association. Denver, CO.
- **Roberts, J.R. & **Maxfield, M.** (2016, April). *The impact of Alzheimer's disease risk reduction education on dementia worry*. Oral and poster presentation given at the annual Mountain Lion Research Day. Colorado Springs, CO.
- *Tyrrell, C. T., *Molden, J., & **Maxfield, M.** (2016, April). *Subjective memory complaints: Predictors and related cognitive outcomes*. Poster presented at the meeting of Cognitive Aging Conference, Atlanta, GA.
- *Tyrrell, C.T., *Weber, A.R., & **Maxfield, M.** (2016, January). *Effects of health status on subjective evaluations of older adults*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.
- * indicates graduate student contributor ** indicates undergraduate student contributor

- **Roberts, J.R., *Weber, A.R., & Maxfield, M.** (2015, November). *Religiosity and spirituality: Protective factors against dementia worry*. Poster presented at the annual meeting of the Gerontological Society of America, Orlando, FL.
- *Molden, J., *Tyrrell, C.T., & Maxfield, M.** (2015, November). *Subjective memory complaints: Relationships with demographic and cognitive variables*. Poster presented at the annual meeting of the Gerontological Society of America, Orlando, FL.
- *Molden, J., Maxfield, M., & Gavett, B.E.** (2015, July). *Dementia worry among a sample of older adults seeking memory screening*. Poster presented at the Alzheimer's Association International Conference, Washington, D.C.
- *Tyrrell, C.J., & Maxfield, M.** (2015, May). *Effects of priming older adulthood and functional impairment on subjective evaluations of others*. Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.
- *Molden, J., Maxfield, M.** (2014, November). *The impact of mixed message stereotype messages on older adults' level of dementia worry*. Poster presented at the annual meeting of the Gerontological Society of America, Washington, D. C.
- Maxfield, M., & Pyszczynski, T.** (2014). *Addressing life and death in estate planning*. Invited address at the annual meeting of the Academy of Financial Planning, Nashville, TN.
- *Poe, J.M., *Bluntschli, J.R., Maxfield, M., & Kisley, M.A.** (2014, September). *Facing death: Differential brain responses to reminders of death across the adult lifespan*. Poster presented at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.
- Pyszczynski, T., & Maxfield, M.** (2014). *The role of death in life: Implications for end of life planning*. Invited address presented at the annual meeting of the Purposeful Planning Institute, Denver, CO.
- *Bevan, A.L., *Bultmann, M.N., & Maxfield, M.** (2014, February). *The effects of age and death awareness on health-promoting behaviors*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- *Bultmann, M.N., *John, S., & Maxfield, M.** (2014, February). *A content analysis of older and younger adults' emotional language in response to mortality salience*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- *John, S.E., *Bultmann, M.N., & Maxfield, M.** (2014, February). *The effects of mortality salience on participant response bias for negative images*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- Poe, J.M., *Bluntschli, J.R., Kisley, M.A., & Maxfield, M.** (2014, February). *The last word: Younger and older adults' brain responses to death reminders*. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Austin, TX.
- *John, S.E., & Maxfield, M.** (2013, August). *Mortality salience and the positivity effect in younger and older adults*. Poster presented at the annual meeting of the American Psychological Association in Honolulu, HI.
- **Maloukis, B., *Molden, J., & Maxfield, M.** (2013, November). *Older and younger adults' responses to time frames: An investigation of age differences in construal level*. Poster presented at the annual meeting of the Gerontological Society of America, New Orleans, LA.
- *Tyrrell, C. J., Maxfield, M., & James, L.E.** (2013, November). *Age differences in the use of social language*. Poster presented at the annual meeting of the Gerontological Society of America, New Orleans, LA.

** indicates undergraduate student contributor

- Maxfield, M.**, Pyszczynski, T., Greenberg, J., & Solomon, S. (2007, November). *Terror management in later life: Age-related differences in the correspondence bias*. Poster presented at the annual meeting of the Gerontological Society of America, San Francisco, CA.
- Maxfield, M.**, Pyszczynski, T., Greenberg, J., Solomon, S., & Reyes, N. (2007, November). *Age-related differences in response to mortality salience*. Poster presented at the annual meeting of the American Psychological Association, San Francisco, CA.
- Pyszczynski, T., **Maxfield, M.**, & Greenberg, J. (2007, November). *Exploring a terror management perspective on how the awareness of mortality affects older adults*. Paper presented at the annual meeting of the Gerontological Society of America, San Francisco, CA.

HONORS & AWARDS

- 2025 Recipient of the International Society for the Science of Existential Psychology's Ernest Becker Best Paper Award for the 2024 paper "*Terror is a better word*": *A qualitative analysis of dementia-related anxiety* appearing in *The Gerontologist*
- 2022 Fellow of the Gerontological Society of America
- 2022 Rose Dobrof Runner-up Award for the 2021 paper *Age-based healthcare stereotype threat during the COVID-19 pandemic* appearing in *Journal of Gerontological Social Work*
- 2020-2021 Graduate of the Peer Leadership Academy, Arizona State University
- 2018 Fellow in the Advanced Institute for Research in Geriatric Mental Health (Mentor: Jo Anne Sirey)
- 2017 Recipient of the UCCS College of Letters Arts and Sciences Student-Faculty Research Award
- 2015 Recipient of the UCCS Psychology Department's Outstanding Research Mentor Award
- 2009 Recipient of University of Colorado, Colorado Springs Teaching Enhancement Award
- 2009 Recipient of the Society for Personality and Social Psychology Student Travel Award
- 2007 Recipient of the American Psychological Association Student Travel Award
- 2007 Recipient of the Behavioral and Social Science Travel Award from the Gerontological Society of America
- 2007 Recipient of UCCS Psychology Department Dissertation Research Award
- 2005 Outstanding Graduate Student, University of Colorado Colorado Springs
- 1999 Periclean Honors Society, Departmental Honors (Psychology)
- 1995-1999 Filene Music Scholar, Skidmore College

CLINICAL EXPERIENCE

Licensed Clinical Psychologist in the State of Arizona #5412	4/21-present
Licensed Clinical Psychologist in the State of Colorado #3576	4/11-8/21 (expired)
<i>UCCS Aging Center</i> <i>Colorado Springs, CO</i>	6/18-12/19

- Supervised doctoral students in Neuropsychology Team, providing neuropsychological evaluations and capacity assessments for middle-aged and older adults.
- Provided neuropsychological evaluations and capacity assessments for middle-aged and older adults.

UCCS Aging Center

8/17-5/18

Colorado Springs, CO

- Supervised graduate students in Memory Clinic, providing brief cognitive screenings to middle-aged and older adults

UCCS Aging Center

2/13-5/13

Colorado Springs, CO

- Supervised doctoral student in outpatient therapy

The Palisades at Broadmoor Park, Senior Living Community

8/10-10/12

Colorado Springs, CO

- Supervised graduate students in conducting annual memory checks for residents in an independent and assisted living facility

Program of All-Inclusive Care for the Elderly (PACE Clinic)

8/09-5/11

Colorado Springs, CO

Supervisor: Dr. Michael Kenny

- Attended interdisciplinary care plan meetings; supervised practicum students; performed cognitive, behavioral, and personality assessments.

Private Practice

10/09-11/10

Supervisor: Dr. Lillian Moeller-Medicus

- Conducted neuropsychological and capacity evaluations

APA Accredited Predoctoral Internship

7/08 – 6/09

University of Arizona College of Medicine, Tucson, AZ

Supervisors: Drs. Anne Herring, Ron Wright, Donna Bender, Robert Rhode

- Conducted neuropsychological evaluations and assisted graduate students in learning to administer neuropsychological tests; conducted behavioral and cognitive assessments of individuals needing organ transplants; provided individual psychotherapy to clinic outpatients; lead Dialectical Behavioral Therapy group for inpatients of psychiatric unit; provided sleep assessments for Insomnia Clinic
