WORK EXPERIENCE

Medical Scribe | Essential Scribe, Barrow Neurological Institute | *May 2024 – Nov 2024*

- Gained foundational knowledge of neuromuscular diseases and epilepsy.
- Learned the importance of teamwork, empathy, and clear communication in effective healthcare delivery.
- Collaborated with neurologists and epileptologists to provide efficient patient-centered care.
- Organized and maintained patient charts using specialized medical terminology, ensuring accurate documentation.

Research Intern | Oxford University Clinical Research Unit, Hospital for Tropical Diseases, Ho Chi Minh City, Vietnam | *May 2025-August 2025*

- Gained foundational knowledge of global health and applications of improving hardships faced by the community.
- Completed clinical rotations with physicians and scientists in the ICU at the Hospital for Tropical Diseases, observing diagnosis and treatment of major infectious diseases including dengue, tuberculosis, Japanese encephalitis, and tetanus.
- Performed clinical microbiology tests for tuberculosis diagnosis, including GeneXpert analysis, bacterial culturing, and Ziehl-Neelsen staining.
- Conducted immunology research in a BSL-2 laboratory to investigate tuberculosis pathogenesis using PBMC isolation, QuantiFERON assays, and single-cell data annotation.
- Presented research findings to interdisciplinary panels of PhD researchers and medical doctors.
- Discovered enthusiasm for research during collaborative work with professionals from diverse disciplines, united by the goal of enhancing public health.

LEADERSHIP EXPERIENCE

Instructor | Skateland USA, Mesa, AZ | *2020 – 2023*

- Taught roller skating techniques to groups of 10-12 students (K-12 age range).
- Developed communication and customer service skills to engage with students effectively.

Medical Leadership Intern | Project C.U.R.E, Tempe, AZ | *March 2024 – May 2024*

- Led and instructed teams of 7-8 individuals during medical instrument packing events.
- Collaborated in small groups to sort and package donated medical instruments for distribution to underserved communities.

Historian Official | Pre-Health Integrative Medicine Club, Arizona State University | *Spring 2025*

- Worked with a team of 7-8 officials to organize informational sessions with doctors and residents, introducing students to healthcare career pathways.
- Coordinated volunteer events with 12-15 students to contribute to community service initiatives.

Secretary Official | Vietnamese Student Association, Arizona State University | *Spring 2025*

- Led a team of 15 students in planning events focused on career development and cultural integration.
- Assisted international students in adapting to American culture and academic life.
- Maintained accurate records and meeting notes for the organization

COMMUNITY INVOLVEMENT

Volunteer | Feed My Starving Children, Mesa, AZ | *2017 – Present*

- Worked in teams of 3-6 to assemble proportionate meal packages for communities in need.
- Discovered passion to serve the community with a goal of raising awareness for population health.

HOBBIES

Athlete | Phoenix Roller Sports Club, Mesa, AZ | *2018 – 2023*

- Six-time national medalist and international titleholder in Artistic Roller Sports.
