

KATHRYN LEMERY-CHALFANT, PH.D.

CURRICULUM VITAE

Professor, Department of Psychology
The College of Liberal Arts and Sciences
Arizona State University
Tempe, Arizona 85287-1104

Office phone: (480) 727-6459; Lab phone: (480) 727-8230
Email: klemery@asu.edu; Fax: (480) 965-8544

EDUCATION

- | | |
|------|---|
| 1999 | Doctor of Philosophy, Psychology,
University of Wisconsin—Madison |
| 1996 | Masters of Science, Psychology,
University of Wisconsin—Madison |
| 1994 | Bachelor of Arts, Robert D. Clark Honors College,
University of Oregon, Psychology |

ACADEMIC APPOINTMENTS

- | | |
|--------------|--|
| 2015-present | Professor of Psychology, Barrett Honors Faculty, Arizona State University |
| 2008-2015 | Associate Professor of Psychology, Barrett Honors Faculty, Arizona State University |
| 2001-2008 | Assistant Professor of Psychology, Barrett Honors Faculty, Arizona State University |
| 2000-2001 | Assistant Scientist, Waisman Center, University of Wisconsin—Madison |
| 1992-1994 | Associate Research Specialist, Department of Psychology, University of Wisconsin—Madison |

PROFESSIONAL AFFILIATIONS

American Association for the Advancement of Science (AAAS)
American Psychological Association (APA); Division 7 Developmental
Association for Psychological Science (APS)
Behavior Genetics Association (BGA)
Society for Research on Child Development (SRCD)

FUNDED GRANTS

07/1/2026-06/30/2028	Co-Investigator (PI Cheuk Hei “Bosco” Cheng), NIDA, “ <i>Application of mediation mixture modeling and machine learning to understand heterogeneity of risk pathways on youth’s onset of substance use.</i> ” RDA065201A. \$314,000 total costs. Percent recognition: 20%.
7/1/2026-6/30/2028	Sponsor, NIH F31MH144820-01, “ <i>The biological salience of dimensions of early life stress in predicting psychopathology,</i> ” (PI Savannah Ostner). \$144,134 total costs. Percent recognition: 70%.
7/1/2026-6/30/2028	Sponsor, NIH F31HD121427-01, “ <i>Trajectories of sibling relationship quality: Understanding the genetic and environmental mechanisms and associations with childhood mental and physical health,</i> ” (PI Janna Pickett Maravilla). \$139,338 total costs. Percent recognition: 80%.
7/1/2026-6/30/2029	Sponsor, NIH F31HD121421-01, “ <i>Self regulation and parenting dynamics across childhood,</i> ” (PI Alexys Murillo). \$209,067 total costs. Percent recognition: 80%.
7/1/2026-6/30/2031	Co-Investigator, NIDA, “Research Training in Substance Abuse Prevention: Closing the Research Gap,” (PI Nancy Gonzales). 3T32 DA039772, \$2,635,487 total costs. Percent recognition: 2%
12/1/2025-11/30/2030	Affiliate Investigator, MPIs Shaibi, York, Madarino, & Parra, NIDDK, “ <i>Southwest Center for Metabolic Health.</i> ” Centers for Diabetes Translation Research.
09/24/2025-07/31/2030	MPIs Kit Elam, Erika Westling, Kathryn Lemery-Chalfant, Jazmin Brown-Iannuzzi, & Daniel Shaw, NIMH, “ <i>Prevention of maternal depression across 25 years in the context of sociocultural risk and a randomized intervention.</i> ” R01 MH138582. ASU subcontract \$178,048 total costs. Percent recognition: 100%.
12/1/2023-11/30/2028	Co-Investigator, NIAAA, “ <i>Gene-environment interplay and alcohol use among racially-ethnically diverse youth,</i> ” (PI Jinni Su). R01 AA031281. Total costs \$1,840,158. Percent recognition 10%.
7/1/2023-6/30/2026	MPIs Candace Lewis and Kathryn Lemery-Chalfant, IMHR, “ <i>Isolating environmentally induced DNA methylation patterns associated with psychopathology in adolescent twins.</i> ” \$125,000 total costs. Percent recognition 40%.

1/1/2023-11/30/2027	MPIs Erika Westling, Kathryn Lemery-Chalfant, Jazmin Brown-Iannuzzi, & Daniel Shaw, NIMH, <i>“Preventing adult mental health problems from early childhood in the contexts of genetic susceptibility, poverty, racism, and the COVID-19 pandemic.”</i> R01 MH131670, \$3,801,453 total costs, ASU subcontract \$178,887. Percent recognition: 100%.
7/1/2022-6/30/2023	Co-investigator, National Institutes of Health/National Institute on Minority Health and Health Disparities, PI Jinni Su; co-I Eleanor Seaton. <i>“A developmentally and culturally informed approach to studying gene-environment interactions and childhood precursors of alcohol use among racial-ethnic minority youth,”</i> U54MD002316, within U54 Specialized Center of Excellence, Marsiglia, F. (PI). Title: <i>“Leveraging biocultural mechanisms to increase the impact of multi-level preventable disease interventions in partnership with populations of the Southwest.”</i> \$50,000 total costs.
4/01/2022-3/31/2027	Co-Sponsor, NICHD R00 HD099307, <i>“Host DNA methylation as a mechanism of microbiome influence on internalizing behavior.”</i> (PI Candace Lewis).
3/10/2022-2/28/2028	MPI’s Kathryn Lemery-Chalfant & Mary Davis, NICHD, <i>“Genetic and environmental origins of the development of pain in children,”</i> 2R01 HD086085, \$3,534,642 total costs. Percent recognition: 40%.
4/15/2022-2/28/2027	MPI’s Kathryn Lemery-Chalfant & Jenn-Yun Tein, NIDA, <i>“Parent-Child Interaction Dynamics Mediate Genetic and Prevention Effects on the Development of Adolescent Substance Use Disorders.”</i> R01 DA053740, \$2,130,704 total costs. Percent recognition: 40%.
6/1/2022-5/31/2027	Other Significant Contributor, NICHD, <i>“Childhood Obesity among Impoverished Mexican Americans: Longitudinal Growth Patterns”</i> 2R01MD011599 (MPI’s Marisol Perez La Mar & Linda Luecken). \$2,466,125 total costs.
7/1/2021-6/30/2026	Co-Investigator, NIDA, <i>“Research training in drug abuse prevention.”</i> (PI Gonzales and Berkel). 2T32 DA039772, \$2,294,493 total costs. Percent recognition: 2%
6/1/2021-5/31/2023	Sponsor (co-Sponsor Jose Causadias), NIH F31 HD103374-01A1, <i>“Novel measures of culture and relation to self-regulation,”</i> (PI Gianna Rea-Sandin). \$107,904 total costs. Percent recognition: 80%.

12/1/2020-11/30/2026	MPI's Kathryn Lemery-Chalfant and Leah Doane, NICHD 2R01 HD079520, " <i>Social and genetic contributions to children's sleep, health and functioning.</i> " \$4,181,123 total costs. Percent recognition: 40%.
7/1/2020-6/30/2025	Co-Investigator, NIDA, "Research Training in Drug Abuse/HIV Prevention," (PI Laurie Chassin). 1T32 DA039772, \$2,xxx,xxx total costs. Percent recognition: 2%
4/06/2020-3/31/2022	Co-Sponsor, NICHD K99 HD099307, " <i>Host DNA methylation as a mechanism of microbiome influence on internalizing behavior,</i> " (PI Candace Lewis; Translational Genomics Institute). \$194,095 total costs.
9/01/2019-8/31/2021	Co-investigator and PI of subcontract from University of Pittsburgh, NIDA, "Preventing Substance use in the Context of Poverty: Risk and Protection from Early Childhood to Early Adulthood." 2R01 DA036832 (MPIs Daniel Shaw, Melvin Wilson & Erika Westling). ASU subcontract \$197,193 total costs. Percent recognition: 100%.
9/01/2019-8/31/2021	PI Kathryn Lemery-Chalfant, University of Pittsburgh, " <i>Incorporating genetic data into studying risk and prevention of adolescent substance use.</i> " \$25,679 total costs. Percent recognition: 100%.
8/15/2018-5/31/2019	Principal investigator (assumed PI status with Thomas Dishion's passing, funding period 09/01/13-5/31/19), NIDA, "Development, Ecology and Prevention of Adult Addictive Behavior." 5 R01 DA007031-26, \$2,211,517 total costs. Percent recognition: 40%.
8/15/2017-7/31/2022	Sponsor, NIDA K01 DA042828-01A1, "Gene-Environment Interplay Underlying Negative Family Environments and Family-Based Interventions in Early Adolescent Substance Use," (PI Kit Elam). \$762,307 total costs.
8/7/2017-5/31/2022	Other Significant Contributor, NICHD, "Childhood Obesity among Impoverished Mexican Americans: Longitudinal Growth Patterns" R01MD011599 (MPI's Marisol Perez La Mar & Linda Luecken). \$1,917,331 total costs.
5/5/2016-4/30/2021	Co-Sponsor, NIAAA K01AA024160, "Contextual and Intrapersonal Influences on Impaired Control Over Drinking," (PI Julie Patock-Peckham). \$661,012 total costs.

8/1/2016-7/31/2021	MPI's Kathryn Lemery-Chalfant and Mary Davis, NICHD, "Genetic and Environmental Origins of the Development of Pain in Children," 1R01 HD086085, \$2,901,592 total costs. Percent recognition: 45%
2/1/2016-1/31/2021	Principal Investigator, Institute for Mental Health Research, "Social Withdrawal, Anxiety and Depression: Early Genetic and Environmental Risk," 2015-KLC-03, \$20,000 total costs. Percent recognition: 100%
5/15/2015-4/30/2020	MPI's Kathryn Lemery-Chalfant and Leah Doane, NICHD, "Social and Genetic Contributions to Children's Sleep, Health and Functioning," 1R01 HD079520, \$2,349,571 total costs. Percent recognition 40%
2015-2018	Co-investigator, NIA, "Administrative Supplement: Does Resilience to Childhood Adversity Improve with Social Intelligence Training?" (MPIs Frank Infurna & Alex Zautra). R01AG048844, \$150,211 total costs. Percent recognition: 10%
2015-2017	Co-Mentor, Science Foundation Arizona, Bisgrove Postdoctoral Scholars Fellowship awarded to Dr. Candace Lewis, "Investigating the relation between stressful life events and epigenetic regulation and expression of genes related to children's health. \$120,000 total costs.
7/1/2015-6/30/2020	Co-Investigator, NIDA, "Research Training in Drug Abuse/HIV Prevention," (PI Laurie Chassin). 1T32 DA039772, \$1,948,920 total costs. Percent recognition: 2%
9/30/2014-4/30/2018	Co-Investigator, NIA, "Does Resilience to Childhood Adversity Improve with Social Intelligence Training?" 1R01 AG048844 (MPI's Frank Infurna & Alex Zautra). \$758,670 total costs. Percent recognition: 10%
7/1/2014-4/30/2020	Co-Investigator, NIMH, "Emerging Regulatory Capacity in Low-income Mexican American Children," (MPI's Keith Crnic, Nancy Gonzales, Linda Luecken). 1R01 HD083027, \$2,765,269 total costs. Percent recognition: 10%
5/1/2014-3/30/2020	Co-Investigator (PI of subcontract beginning 7/2018), NIDA (subcontract from University of Pittsburgh), "Early Family Prevention of Adolescent Alcohol, Drug Use and Psychopathology," (MPI's Daniel Shaw & Melvin Wilson). 1R01 DA036832, \$7,636,476 total costs (\$3,720,504 ASU subcontract). Percent recognition: 60%

2014-2015	Principal Investigator, CLAS NS-SS-GRG and Department of Psychology, “Gene-Environment Interplay and Child Psychopathology,” \$38,000 total costs. Percent recognition: 100%
2014-2018	Consultant, NIMH, “Validating RDoC for Children and Adolescents: A Twin Study with Neuroimaging Follow-up,” (PI Hill Goldsmith). 1R01 MH101504, \$3,495,987 total costs (\$16,000 direct costs consultation fees).
2013-2016	Co-Investigator, NIAAA, “Exploring a Novel Approach to Clarify Parenting Effects on Drinking Outcomes,” (PI, Laurie Chassin). 1R21 AA022097, \$213,125 total costs. Percent recognition: 5%
12/1/2010-11/30/2012	Principal Investigator, NIMH (subcontract from the University of Wisconsin-Madison), “Risk for Child Psychopathology: A Twin-Study Perspective,” 2R01-MH59785 Administrative Supplement. \$33,777 total costs. Percent recognition: 100%
2011-2016	Co-Investigator, NIMH, “Research Training in Child Mental Health/Primary Prevention,” (PI Laurie Chassin). 7T32 MH18387.
2010-2011	Principal Investigator (co-PI Carlos Valiente), School of Social and Family Dynamics, “Genetic and Environmental Influences on Resilience in the Second Year of Life,” \$24,784 total costs. Percent recognition: 50%
7/1/2009-6/30/2011	Principal Investigator, Arizona Biomedical Research Commission, “Molecular and Quantitative Genetic Approaches to Understanding Child Psychopathology,” 0916, \$145,178 total costs. Percent recognition: 100%
2008-2009	Principal Investigator, Challenged Child Project, “Arizona Twin Project: Studying Early Resilience in a Culturally and Genetically Informative Design,” \$24,000 total costs. Percent recognition: 50%
2008-2011	Co-Investigator, NIMH competing continuation, “The Course of Regulation and Dysregulation in Children,” (MPIs, Nancy Eisenberg & Tracy Spinrad). 2R01 MH060838 \$1,535,004 total costs. Percent recognition: 5%
2008-2009	Principal Investigator, Institute for Mental Health Research, “Genetic and Environmental Precursors to Resilience and Child Mental Health,” \$25,000 total costs. Percent recognition: 50%

2006-2013	Co-PI (PI of subcontract), NIMH, “Risk for Child Psychopathology: A Twin-Study Perspective,” 2R01 MH59785 (PI, H. Hill Goldsmith) \$2,737,780 total costs (\$396,251 total costs subcontract). Percent recognition: 100% subcontract
2005-2006	Principal Investigator, Arizona State University Institute for Social Science Research, “Resilience Mechanisms in Low Income Hispanic Mothers and Their Infants: Accounting for Health Disparities,” \$19,600 direct costs. Percent recognition: 100%
2005-2007	Principal Investigator, Institute for Mental Health Research, “Social Relations and Child Psychopathology: A Twin Study,” \$25,000 direct costs. Percent recognition: 100%
2005-2013	Co-Investigator, NIA, “Resilience and Health in Communities and Individuals,” 1R01 AG026006, (PI Alex Zautra). \$2,966,195 total costs. Percent recognition: 10%
2005-2010	Co-Investigator, NIMH, “Research Training in Child Mental Health/Primary Prevention,” 6T32 MH189387, (PI Laurie Chassin). \$1,355,000 total costs. Percent recognition: 5%
2004-2008	Co-Investigator, NIMH, “Emotion, Regulatory Processes and Social Functioning,” 2R01 MH060838, (MPIs, Nancy Eisenberg & Tracy Spinrad). \$1,076,401 total costs. Percent recognition: 5%
2004-2005	Principal Investigator, Arizona State University College of Liberal Arts and Sciences, “Using Psychosocial and Biological Assessments to Understand the Development of Childhood Mood and Behavioral Disorders,” \$7,000 total costs. Percent recognition: 100%
2003-2005	Principal Investigator, NIMH, “Childhood Emotionality and the Emotion-Modulated Startle,” R03 MH67051, \$75,000 total costs. Percent recognition: 100%
2003-2005	Co-Investigator, NIMH, “Caregiving, Cognition, and Physiological Stress Responses.” R03 MH069804 (PI. Linda Luecken). \$149,500 total costs. Percent recognition: 10%
2003-2004	Co-Investigator, Saint Luke’s Health Initiative, “Resilience through Healthy Aging: From Framingham to Phoenix.” (co-PI’s Alex Zautra and John Hall), \$80,000 total costs. Percent recognition: 10%

2001-2008 Co-Investigator, NIMH, “Longitudinal Twin Studies of Emotional Development,” R37 MH50560 (PI, H. Hill Goldsmith). \$2,474,743 total costs.

1999-2004 Co-Principal Investigator, NIMH, “Risk for Child Psychopathology: A Twin-Study Perspective,” 1R01 MH59785 (PI, H. Hill Goldsmith). \$2,098,911 total costs.

PENDING GRANTS

4/1/2027-3/31/2032 Co-Investigator (PI Benitez), NICHD, “*The linguistic and emotion dynamics of early parent-child interactions.*” R01 HD121670-01A1. \$2,560,100 total costs. Percent recognition: 15%.

4/1/2026-3/31/2031 Sponsor (PI Qingyang Liu), NICHD, “*Intergenerational transmission of self regulation.*” K99/R00. \$1,016,387 total costs. Percent recognition: 30%.

4/1/2027-3/31/2032 MPI and PI of subcontract (Indiana University), R01, “*Adolescent pain and sleep trajectories: Toxicant exposures, genetics, and types.* ASU subcontract \$1,787,103 total costs. Percent recognition: 60%.

4/1/2027-3/31/2032 Co-Investigator and PI of subcontract, NICHD, “*Children's Sleep Health as a Mechanism for the Development of Self-Regulation and Early Mental Health Risk.*” (PI Nicole Perry; University of Texas at Austin). R01. ASU subcontract \$103,200 total costs. Percent recognition: 100%

4/1/2027-3/31/2029 Co-Investigator and PI of subcontract, NIMH, “*Trajectories of Family and Sociodemographic Adversity in Childhood: Implications for Young Adult Mental Health and Moderation by Intervention and Genetic Susceptibility.*” (MPIs Chelsea Weaver & Daniel Shaw; University of Pittsburgh). R21. ASU subcontract \$106,325 total costs. Percent recognition: 100%

4/1/2027-3/31/2029 Co-Investigator and PI of subcontract, NIDA, “*Examining associations between cumulative childhood adversity patterns, adolescent risk taking, and young adult substance use in a multisite at-risk sample: Gene x Family Check-Up intervention effects.*” (MPIs Chelsea Weaver & Daniel Shaw; University of Pittsburgh). R21. ASU subcontract \$106,325 total costs. Percent recognition: 100%

7/1/2027-6/30/2031 Co-Investigator and PI of subcontract, PI Chang Liu, R01 NIMH, “*Dynamic Processes in Parent-Child Emotion*

Socialization and Children's Emotion Self Regulation.” R01. ASU subcontract \$133,154 total costs. Percent recognition: 100%.

M., & **Lemery-Chalfant, K.** (2026). *A systematic review and meta-analysis examining the bidirectional relations between parenting and children's effortful control among biologically-related parents and their children in industrialized countries*. Revised and resubmitted (twice) to Psychological Bulletin.

REFEREED CONFERENCE PRESENTATIONS & INVITED ADDRESSES

* denotes student or postdoc author

Presentations that correspond to 100 of the published abstracts, plus the following:

245. *Bui, C., Doane, L. D., *Oro, V., *Lecarie, E. K., *Elbeh, K. M., Clifford, S., & **Lemery-Chalfant, K.** (2027). *Negative peer relations and diurnal cortisol in middle childhood: Examining phenotypic associations and genetic and environmental contributions*. Abstract submission, Society for Research on Child Development meetings, Atlanta, Georgia, USA.
244. *Murillo, A., Davis, M. C., Doane, L. D., & **Lemery-Chalfant, K.** (2027). Examining parent-child emotion socialization dynamics across contexts as precursors to early adolescent psychopathology symptoms. Abstract submission, Society for Research on Child Development meetings, Atlanta, Georgia, USA.
243. *Liu, Q., Davis, M. C., Doane, L. D., & **Lemery-Chalfant, K.** (2027). *Intergenerational Transmission of Self-regulation: Evidence from the Arizona Twin Project*. Abstract submission, Society for Research on Child Development meetings, Atlanta, Georgia, USA.
242. *Liu, Q., Doane, L. D., Davis, M. C., & **Lemery-Chalfant, K.** (2027). *Children's self-regulation development: Continuity, change, and parenting daily hassles*. Abstract submission, Society for Research on Child Development meetings, Atlanta, Georgia, USA.
241. *Bartsch, E. M., Davis, M. C., Clifford, S., Rea-Sandin, G., Doane, L. D., & **Lemery-Chalfant, K.** (2026). *Moderated heritability of body mass growth by physical activity and dietary intake: Evidence from a community sample of twin youth*. Healthy Starts, Thriving Futures: Innovations in Family Nutrition and Wellness Conference, Phoenix, AZ, USA.
240. Tein, J-Y., *Cheng, C. H., *Ostner, S. G., Clifford, S., Shaw, D. S., & **Lemery-Chalfant, K.** (2026). *Predicting mixture mediation pathways from genetic and contextual risk using machine learning*. Presentation at the meetings of the Psychometric Society (IMPS) in Seoul, Republic of South Korea.
239. *Cahill, B., An, D., Clifford, S., Clifford, B. N., **Lemery-Chalfant, K.**, & Eggum, N. D. (2026). My brother's (and sister's) keeper: Sibling social surrogacy and the nuanced path to internalizing symptoms. Presentation at the Eastern Psychological Association meetings, Boston, MA, USA.

238. *Cheng, C. H., *Cai, Q., Tein, J-Y., Shaw, D. S., Westling, E., Brown-Iannuzzi, J., & **Lemery-Chalfant, K.** (2026). *A Reliable Change Index (RCI) approach to modeling individual change in dynamic processes: Implications for prevention and long-term outcomes*. Presentation at the Society for Prevention Research meetings, Washington, DC.
237. Tein J-Y., *Cai, Q., *Cheng, C. H., Shaw, D. S., & **Lemery-Chalfant, K.** (2026). *Integrating Dynamic SEM and Growth Modeling to examine Family Check-Up effects on early childhood parent-child interaction and long-term youth behavioral outcomes*. Presentation at the Society for Prevention Research meetings, Washington, DC.
236. *Bui, C., *Gutierrez, V., **Lemery-Chalfant, K.**, *Liu, Q., & Doane, L. D. (2026). Neighborhood opportunities and sleep across childhood and adolescence: A longitudinal study using latent difference score modeling. Presentation at the Society for Research on Adolescence, Toronto, Canada
235. *Newmark, G., *Bui, C., Corbin, W., **Lemery-Chalfant, K.**, & Doane, L. D. (2026). *Examining the relation between sleep timing and coping self-efficacy in early adolescents*. Presentation at the Society for Research on Adolescence, Toronto, Canada.
234. *Davis, I. S., *Liu, Q., Doane, L. D., & **Lemery-Chalfant, K.** (2026). *Etiology of parental monitoring, youth effortful control, and externalizing behaviors: A study of evocative gene-environment correlations*. Presentation at the AAAS meetings, Phoenix, AZ, USA.
233. *Ostner, S. G., Doane, L. D., & **Lemery-Chalfant, K.** (2026). *Adverse life events, resilience, and adolescent psychopathology: Genetic and environmental contributions*. Presentation at the AAAS meetings, Phoenix, AZ, USA.
232. *Murillo, A. S., Tein, J-Y., Shaw, D. S., & **Lemery-Chalfant, K.** (2025). *Dynamic affective flexibility in early childhood is enhanced by the Family Check-Up prevention program*. Presentation at the 25th Occasional Temperament Conference Meetings, College Station, TX, USA.
231. Lewis, C. R., *Hanson, T., *Deoni, S., Davis, M. C., & **Lemery-Chalfant, K.** (2025). *Epigenetic regulation of white matter development and internalizing behaviors in pediatric populations: Evidence from ECHO and MZ twin cohorts*. Presentation at the US Developmental Origins of Health and Disease (DOHaD) conference.
230. *Ostner, S. G., Tein, J-Y., Shaw, D. S., Westling, E., Brown-Iannuzzi, J., Wilson, M. N., & **Lemery-Chalfant, K.** (2025). *The Family Check-Up prevention program buffers genetic risk for antisocial behavior*. Presentation at the Society for Prevention Research meetings, Seattle, WA.

229. Tein J-Y., *Cheng, C. H., Clifford, S., *Ostner, S., *Murillo, A., *Tran, T., Shaw, D. S., Wilson, M. N., & **Lemery-Chalfant, K.** (2025). *Dynamic data analysis to identify key parent-child interaction schemas and the associations with family and child factors*. Presentation at the Society for Prevention Research meetings, Seattle, WA.
228. Clifford, S., *Le, A., Doane, L. D., & **Lemery-Chalfant, K.** (2025). *Objectively measured screen time is associated with sleep timing and variability in adolescence*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
227. *Jamil, B., Su, J., Elam, K., Cruz, R., Grimm, K., & **Lemery-Chalfant, K.** (2025). *Interplay between polygenic risk and peer factors in predicting precursors to alcohol use*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
226. *Bui, C., *Hidalgo, S. G., Clifford, S., **Lemery-Chalfant, K.**, Davis, M., & Doane, L. D. (2025). *Multiple indicators of pubertal development in adolescent twins: Links with internalizing symptoms and genetic contributions*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
225. Locke, R. L., **Lemery-Chalfant, K.**, Brooker, R., Davidson, R. J., & Goldsmith, H. H. (2025). *Situational patterns of anger and arousal are associated with externalizing behavior in early childhood*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
224. *Goldstein, O., *Savell, S., Galán, C., Brown-Iannuzzi, J., Westling, E., **Lemery-Chalfant, K.**, & Shaw, D. (2025). *Seeds of prejudice: How parental racial socialization during adolescence shapes racial attitudes of white youth in early adulthood*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
223. *Pickett, J., *Brunell, M., *Ruiz, A., Doane, L. D., & **Lemery-Chalfant, K.** (2025). *Sibling closeness moderates sibling similarity on internalizing symptoms in middle childhood*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
222. *Bui, C., *Cahill, K., **Lemery-Chalfant, K.**, & Doane, L. D. (2025). *Examining the effects of objectively assessed self-reported sleep quality on internalizing symptoms in a community sample of adolescents*. Presentation at the Society for Research in Child Development meetings, Minneapolis, MN.
220. Tein, J-Y., Cheng, C-H., Clifford, S., Lamp, S., Shaw, D., Wilson, M., & **Lemery-Chalfant, K.** (2024). *Predicting onset of child positive and negative affect and behavior*. International meeting of the Psychometric Society, Prague, Czech Republic.

219. Guyon-Harris, K., *Stokes, L., Westling, E., **Lemery-Chalfant, K.**, Wilson, M., & Shaw, D. (2024). *Multigenerational associations between caregivers' lifetime experiences of trauma and their offspring's substance use during adolescence*. Presentation at the International Society for Traumatic Stress Studies, Boston, Massachusetts, USA.

D., & **Lemery-Chalfant, K.** (2024). *Internalizing symptoms during adolescence: Sex differences in the interactive relations of body mass index and interpersonal stress*. Presentation at the Society for Research on Adolescence in Chicago, IL.
212. *Bui, C., *Hidalgo, S. G., **Lemery-Chalfant, K.**, Davis, M. C., & Doane, L. D. (2024). *Examining the effects of sleep and executive function on ADHD symptoms in a community sample of early adolescents*. Presentation at the Society for Research on Adolescence in Chicago, IL.
211. *Brunell, M., **Lemery-Chalfant, K.**, & Doane, L. (2024). *Parenting style, parental support, and school engagement: Does self-efficacy play a role?* Presentation at the Society for Research on Adolescence in Chicago, IL.

210. *Murillo, A., Davis, M. C., Doane, L. D., & **Lemery-Chalfant, K.** (2024). *Inconclusive findings on the structure of affect in adolescence: Insights from daily diaries*. Presentation at the Society for Research on Adolescence in Chicago, IL.
209. *Cheng, C. H., Tein, J.-Y., Shaw, D. S., Wilson, M., **Lemery-Chalfant, K.** (2023). *Family predictors of change in observed parenting across early childhood: A latent transition approach*. Presentation at the Society for Prevention Research in Washington, D.C.
208. Choe, D. E., Shaw, D. S., Wilson, M., **Lemery-Chalfant, K.**, Westling, E., & Brown-Iannuzzi, J. (2023). *Predicting internalizing and externalizing problems across middle childhood and adolescence: A cascade model of childhood poverty*. Presentation at the Society for Research on Adolescence Annual Meeting in San Diego, CA.
207. Su, J., *Trevino, A., **Lemery-Chalfant, K.**, Seaton, E. K., Elam, K. K., & Causadias, J. M. (2023). *Examining the role of racial discrimination in moderating genetic and environmental influences on adolescent externalizing psychopathology*. Presentation at the Society for Research on Adolescence, San Diego, CA.
206. *Trevino, A. D., Su, J., *Jamil, B., **Lemery-Chalfant, K.**, Causadias, J. M., & Elam, K. (2023). *The effect of attitudinal familism on youth externalizing behaviors: Testing for gene-environment interactions in racial/ethnic minority youth*. Presentation at the Society for Research on Adolescence, San Diego, CA.
205. *Fishbach, ... & **Lemery-Chalfant, K.** (2023). *Does adiposity mediate the relation between calorie intake and chronic pain in youth?* Presentation at the Society for Behavioral Medicine meetings, Phoenix, AZ.
204. Davis, M. C., ... & **Lemery-Chalfant, K.** (2023). *Genetic and environmental influences on chronic pediatric pain: Findings from a longitudinal study of twin children*. Presentation at the Society for Behavioral Medicine meetings, Phoenix, AZ.
203. Tein, J.-Y.,* Cheng, C. H., MacKinnon, D. P., Shaw, D., Wilson, M. N., & **Lemery-Chalfant, K.** (2023). *Effects of Family Check-Up on childhood parent-child relationships and co-occurring and unique internalizing and externalizing problems*. Symposium presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
202. *Lecarie, E., ... & **Lemery-Chalfant, K.** (2023). *Do self-reported and actigraph sleep mediate the association between pubertal development and internalizing symptoms?* Symposium presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
201. Miadich, ... & **Lemery-Chalfant, K.** (2023). *Children's weight-related health and lung function: A community-based longitudinal twin study*. Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.

200. *Gutierrez, Doane, L. D., ... & **Lemery-Chalfant, K.** (2023). *Neighborhood-level opportunities and health outcomes in middle childhood: Do parenting and familism values buffer effects?* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
199. *Madden, ... & **Lemery-Chalfant, K.** (2023). *Sibling conflict and child recurrent pain: The moderating role of positive parent attributes.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
198. *Li, C., Doane, L. D., ... & **Lemery-Chalfant, K.** (2023). *Parent Anglo/Latino cultural marginalization and adolescent academics: The moderating role of sleep timing variability.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
197. Swanson, ... & **Lemery-Chalfant, K.** (2023). *Kindergarten-transition academic and social-emotional readiness and 8-year mental health symptoms: The moderating role of sleep duration.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
196. **Lemery-Chalfant, K.**, Sasser, J. et al. (2023). *Growth in psychopathology across the transition to adolescence: Associations with body mass, puberty, and genetics.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
195. *Sather, A., Davis, M. C., ... & **Lemery-Chalfant, K.** (2023). *Positive emotion synchrony during a parent-child discussion may protect against children's emotional and behavioral dysregulation.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
194. *Gutierrez, Lecarie, E., ... & **Lemery-Chalfant, K.** (2023). *Early adolescent ADHD symptoms in girls are associated with an increase in authoritarian parenting.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
193. *Sather, A., Doane, L. D. , ... & **Lemery-Chalfant, K.** (2023). *The bidirectional relationship of youth's symptoms of psychopathology and peer victimization.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
192. *Pickett, J. , ... & **Lemery-Chalfant, K.** (2023). *Prematurity and childhood effortful control development: A twin study.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
191. *Murillo, A., Davis, M. C., Doane, L. D., & **Lemery-Chalfant, K.** (2023). *Testing the dynamic model of affect in middle childhood.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
190. *Ostner, S. G., Westling, E., Shaw, D. S., Tein, J., Brown-Iannuzzi, J., Wilson, M. N., & **Lemery-Chalfant, K.** (2023). *Childhood supportive emotion socialization*

buffers the relation between parenting and offspring cannabis use. Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.

189. *Pickett, J., *Ostner, S. G., *Murillo, A., Clifford, S., Tein, J., Shaw, D. S., Wilson, M. N., & **Lemery-Chalfant, K.** (2023). *Genetic risk for child psychopathology is mitigated by early family prevention.* Presentation at the Society for Research in Child Development meetings, Salt Lake City, UT.
188. *Lecarie, E., Clifford, S., Doane, L., Davis, M., & **Lemery-Chalfant, K.** (2022). *Longitudinal associations between puberty and sleep: Parallel process models to examine pubertal timing and sleep duration problems.* Society for Research on Adolescence.
187. *Savell, S., M., *Niguse, M., *Caluori, N., Brown-Iannuzzi, J., Wilson, M. N., **Lemery-Chalfant, K.**, & Shaw, D. S. (2022). *Identifying pathways between caregiver experiences of discrimination and adolescent antisocial behaviors.* Society for Research on Adolescence.
186. Miadich, S. A., *Madden, S., Doane, L. D., Davis, M. C., & **Lemery-Chalfant, K.** (2022). *The role of early-life positive parent attributes on weight-related health in middle childhood: A twin study.* Meetings of the Society for Pediatric Psychology, Phoenix, AZ, USA.
185. **Lemery-Chalfant, K.** (2021). Invited talk, *Using genetics to understand prevention efficacy and guide screening.* Implementation of biological and context screening in diverse settings and populations. Virtual Society for Prevention Research.
184. **Lemery-Chalfant, K.**, *Oro, V., Clifford, S., *Rea-Sandin, G., Tein, J., Wilson, M. N., & Shaw, D. S. (2021). *Early prevention: Breaking the link between genetic risk and externalizing problems.* Virtual Society for Prevention Research.
183. Tein, J., *Oro, V., *Wang, F. L., *Kim, H., Shaw, D. S., Wilson, M. N., & **Lemery-Chalfant, K.** (2021). *The effects of early childhood Family Check-Up on reducing adolescent substance use by reducing growth in the p-factor of internalizing and externalizing problems across childhood.* Virtual Society for Prevention Research.
182. *Olah, M., Davis, M. & **Lemery-Chalfant, K.** (2021, April). *Facial expressions of pain in children: An exploratory factor analysis and twin study.* Society of Behavioral Medicine, virtual meeting.
181. *Lecarie, E., Doane, L. D., & **Lemery-Chalfant, K.** (2021). *The shared and unique genetic influences of pubertal development and objective sleep during middle childhood.* Virtual SLEEP.
180. *Rea-Sandin, G., Breitenstein, R. S., Doane, L. D., *Vakulskas, E., Valiente, C. & **Lemery-Chalfant, K.** (2021). *Linear and nonlinear associations between sleep and*

academic achievement in middle childhood: The moderating role of early life socioeconomic status. Virtual SLEEP.

179. *Tinsley, K., **Lemery-Chalfant, K.**, *Oro, V., *Lecarie, E., *Rea-Sandin, G., & Doane, L. D. (2021). *Children's diurnal cortisol: Heritability and relations with peer relationships.* Virtual Society for Research in Child Development.
178. *Ruof, A., Valiente, C., Elam, K., Shaw, D., Wilson, M., & **Lemery-Chalfant, K.** (2021). *Examining the longitudinal associations between inhibitory control and parenting stress in early childhood: Relations with verbal ability.* Virtual Society for Research in Child Development.
177. *Ruof, A., Valiente, C., Doane, L. & **Lemery-Chalfant, K.** (2021). *Children's sleep is associated with teacher reports of students' behavioral and emotional school engagement.* Virtual Society for Research in Child Development.
176. *Walter, D., *Howard, C., *Hawkins, J., *Kim, C., Milner, M., Doane, L. D. & **Lemery-Chalfant, K.** (2021). *Associations between children's sleep and externalizing behavior: The moderating role of executive functioning.* Virtual Society for Research in Child Development.
175. Miadich, S., Davis, M., Doane, L. D., & **Lemery-Chalfant, K.** (2021). *The impact of caregivers' past smoking behaviors on the heritability of children's lung function.* Virtual Society for Research in Child Development.
174. Miadich, S., Davis, M., & **Lemery-Chalfant, K.** (2021). *Chronic pain assessment in middle childhood: Findings from a community-based study.* Virtual Society for Research in Child Development.
173. *Oro, V., Davis, M., & **Lemery-Chalfant, K.** (2021). *Elucidating mechanisms of familial transmission for chronic pain: Results from a nuclear twin family study.* Virtual Society for Research in Child Development.
172. *Lecarie, E., Doane, L. D., & **Lemery-Chalfant, K.** (2021). *The onset of pubertal development and objective sleep: Multigroup racial/ethnic and gender effects.* Virtual Society for Research in Child Development.

COURSES TAUGHT

Course number:	PGS 341
Course title:	Developmental Psychology
Semesters taught:	Spring 2002, 2003, 2004, 2006, Fall 2007, 2009, 2010
Enrollment:	45-110 students/class (1-2 classes/semester)
Course number:	PSY 424
Course title:	Genetic Psychology
Semesters taught:	Fall 2014, Fall 2026

Enrollment:	30-50 students/class
Course number:	PGS/PSY 446
Course title:	Social Development
Semesters taught:	Fall 2002, 2003, 2004, 2005, 2006, 2008, 2012, 2013, Spring 2014, Fall 2014
Enrollment:	12-40 students/class
Course number:	PGS 498
Course title:	Nature and Nurture
Semesters taught:	2012, Fall 2013
Enrollment:	19-25 students/class
Course number:	PSY 541
Course title:	Social Emotional Development in Infancy
Semesters taught:	Fall 2001
Enrollment:	8 graduate students
Course number:	PSY 542
Course title:	Social-Emotional Development
Semesters taught:	2003, 2005, 2008, Fall 2011, Spring 2018, Fall 2019, 2021, 2023, 2025
Enrollment:	9-18 graduate students/class
Course number:	PSY 591
Course title:	Developmental Behavior Genetics/Genetic Psychology
Semesters taught:	Fall 2011, Fall 2014, Spring 2017, Fall 2020
Enrollment:	8-14 graduate students/class

MENTORING AND STUDENT COMMITTEES

Primary advisor and graduate milestone committee chair:

Current Faculty:

Thao Ha (Associate Professor at ASU), faculty mentor
Joanna Kim (Assistant Professor at ASU), faculty mentor
Candace Lewis (Assistant Professor at ASU), faculty mentor
Nicole Perry (Assistant Professor at UT Austin), faculty mentor
2022-2023—sponsor for her Victoria S. Levin Award, Society for Research in
Child Development; mentor and co-investigator for first R01 grant (mentored
Katz R01 HD111391), scored but unfunded. Resubmitted as new R01 grant,
1/2024, 10/2025, 6/2026.
Jack Waddell (Assistant Professor at ASU), faculty mentor

Current Post Doctoral Trainees:

Cheuk Hei “Bosco” Cheng (Fall 2022-Spring 2026; co-mentor with Jenn-Yun
Tein; published first-authored paper and co-authored paper 2024, created

and led Latent Class Analysis workshop 2024, submitted CHIPs fellowship 2024 (denied), submitted R03 grant as PI 2/2025 and resubmitted 11/2025 (11th percentile, pending), multiple presentations at Society for Prevention Science, on the faculty job market 2024-2026, transitioned to post doc with Dean Jyoti Pathak in March, 2026)

Qingyang Liu (Summer 2025-current; co-mentor with Mary Davis & Leah Doane, submitted three first-authored papers, submitted K99-R00 grant for June, 2026, deadline).

Current Doctoral Students:

Isabella Davis (Fall 2025 first year student; submitted Sharon Mann Grant 10/2025, abstract accepted for special issue of Journal of Adolescence 10/2025, submitted first authored paper 2/2026, revision submitted 6/2026; master's thesis proposal 6/2026; gave first-authored BGA presentation 6/2026)

Diana Heath (Fall 2026 joined lab as third year student. HRSA support. Master's data meeting 9/2026)

Alexys Murillo (Fall 2022; two-year Presidential Fellowship, first authored paper published 2024, two co-authored papers published 2024; second first authored paper published 2025; masters proposal 9/2023; masters data meeting 4/2024, masters defense 4/2024; comps proposal 10/2024, comps defense 11/2024; multiple workshops-conference presentations. NIH F31 fellowship submission 12/2024, resubmitted 4/2025, resubmission submitted 12/2025; funded 8/2026, taught her own class Spring 2025)

Savannah Ostner (Fall 2022; NSF fellowship submitted 10/2022 (denied); T32 Prevention Science Fellowship 2024-2026; HRSA fellowship 2026-2027; masters proposal 1/2024, data meeting 3/2024, and defense 4/2024; first-authored paper published 6/2025; submitted second first authored paper 11/2025; two co-authored papers published 2024; organized and chaired a conference symposium 6/2024; multiple workshops-conference presentations; taught her own class Spring 2025, defended comprehensive exam 6/2025; NIH F31 fellowship submission 8/2025 at received 2nd percentile score, funded 8/2026; gave first-authored BGA presentation 6/2026)

Janna Pickett Maravilla (Fall 2021; NSF fellowship submitted 11/2021 (unfunded), proposed master's thesis 9/2022, data meeting 9/2023, defense 10/2023; first authored paper published 2024; comprehensive exam defended 10/2024; second first-authored paper submitted 5/2025 (revision submitted), NIH F31 fellowship submission 4/2025 (6th percentile score, funding 7/2026); taught her own class Spring 2023, 2024, 2025; taught at Chandler/Gilbert CC ongoing; multiple workshops/conference presentations)

Tiffany Tran (co-mentor with Abigail Gewirtz; Fall 2023, Solos fellowship submitted 10/2023 (unfunded); defended master's thesis 2/2025; conference presentation 1/2024; submitted R01 diversity fellowship 5/2024; submitted diversity fellowship revision 10/2024 (program discontinued); Prevention T32 support beginning Summer 2025, gave

first-authored BGA presentation 6/2026; comprehensive exam 9/2026;
submitted first-authored paper 9/2026).

Completed Doctoral Students and Post Docs (alphabetical):

- Melinda Baham (co-chair with Sandy Braver, defended dissertation 03/09;
currently tenured faculty at Chandler-Gilbert Community College)
- Eva Bartsch (co-mentor with Mary Davis; masters proposal, 12/2022; masters
defense 3/2023; comps defense 9/2023; dissertation proposal 10/2024;
data meeting and defense 5/2026; clinical internship 2025-2026 at Duke
University Hospital, doctoral degree 5/2026; post doc at Phoenix VA
beginning 7/2026)
- Charles Beekman (post doc 6/2015-4/2017; 5/2017-6/2019 Research Supervisor
at The Kennedy Center, Washington, DC; 7/2019-present Quantitative
Analyst at the Gartner Technology Research Firm)
- Reagan Styles Breitenstein (co-chair with Leah Doane, defended masters
10/2015, comprehensive exam 12/2016, proposed dissertation 08/2018,
data meeting 2/2019, defense 3/2019; 8/2019-7/2020 post doc at Indiana
University; 8/2020-present, tenure track Assistant Professor at
Appalachian State University)
- Sierra Clifford (defended masters 05/2013, comprehensive exam 03/2014,
proposed dissertation 09/2016; defended dissertation 06/2017; currently
Assistant Research Scientist at Arizona State University)
- Lisa Doelger (defended terminal masters 11/2005; Evaluation Specialist at Cisco
Learning Institute, currently Research Scientist [Marketing Data Analyst]
at Tivity Health)
- Kit Elam (8/2017-7/2022, sponsor of NIDA K01 DA042828, currently tenured
Associate Professor at Indiana University)
- Candace Lewis (7/2015-6/2019, co-sponsor of Bisgrove Fellowship; 4/2020, co-
sponsor of K99-R00; currently Assistant Professor of SOLS/Psychology at
Arizona State University)
- Karen Kao (co-chair with Bob Bradley, defended terminal masters 04/2011;
completed Masters of Sustainability 05/2014; currently Sustainability
Program Coordinator at KLA—partners with communities to meet
resilience and sustainability goals, Boston, MA)
- Kristy McDonald (defended masters 12/2007, comprehensive exam 12/2008,
defended dissertation 12/2011; currently tenured faculty at Chandler-
Gilbert Community College)
- Shantel Meek (SSFD co-chair with Laudan Jahromi, comprehensive exam 2012;
defended dissertation 11/2013; Policy Advisor for Early Child
Development U.S. Department of Health and Human Services;
Washington D.C.; currently Professor of Practice, Founding Director,
Children's Equity Project, Center for Child and Family Success, T. Denny
Sanford School of Social and Family Dynamics, Arizona State University)
- Samantha Miadich (8/2017-7/2020, postdoc chair together with Mary Davis &
Leah Doane, 07/2020-current Assistant Professor of Psychology at
University of Massachusetts--Lowell).
- Josef Michel (comprehensive exam 12/2003; defended dissertation 11/2004;
currently retired)

- Veronica Oro (proposed masters 10/2017, data meeting 2/2019, defense 4/2019; comprehensive exam proposed 11/2019, defense 7/2020; Ford Dissertation Fellowship submitted 12/15/2019 but unfunded; proposed dissertation 5/2021, data meeting 7/2021, defense 9/2021). 09/2021-09/2024: post doc at University of Oregon with Dr. Leslie Leve; 09/2024-current community liaison with Oregon State Parks.
- Gianna Rea-Sandin (proposed masters 10/2017, data meeting 4/2018, defense 8/2018; comprehensive exam proposed 2/2019 and defended 6/2019; NIH NRSA F31 submitted 12/1/2019, revision submitted 8/2020, F31 funded 6/2021; proposed dissertation 4/2021, data meeting 1/2022, defended 3/2022). 2022-2024: post doc at the University of Minnesota supported by a Developmental T32 grant. 06/2024-current tenure-track faculty in Pediatrics at University of Minnesota.
- T. Caitlin Vasquez-O'Brien (defended masters 08/2008; comprehensive exam 11/2009, defended dissertation 04/2011; post doc Northwestern University 09/2011-06/2014; 07/2014-07/2020 Assistant Professor of Psychology at Illinois College; 08/2020-2023 Assistant Professor, 07/2023 Associate Professor at Eastern Connecticut State University)
- Brandon Scott (T32 post doc 8/2013-8/2015; currently Associate Professor of Psychology at Montana State University)
- Amanda Shrewsbury (8/2019-7/2020, completed first year of clinical psychology Ph.D. under my mentorship, transferred to master's in genetic counseling program, completed. Currently employed as Genetic Counselor)
- Karina Sokol Horowitz (co-chair with Dr. Fabricius, comprehensive exam 04/2006; defended dissertation 04/2007; currently tenured faculty at Glendale Community College; 8/2018-12/2019 Research post doc under my mentorship for her sabbatical)
- Gregory Swann (defended terminal masters 10/2012; currently Research Associate at Northwestern University, Chicago, IL)
- Patricia Turner (co-chair with Keith Crnic, defended dissertation 08/2006; currently Registered Psychologist, Calgary, Alberta, Canada)
- Angela Zamora (co-chair with Barbara Tinsley, comprehensive exam 11/2007; defended dissertation 07/2009; currently Research Scientist, California Department of Public Health, California State Department of Education).

Undergraduate honors thesis chair (N>33) or member:

- Jennifer Madsen, 12/2003
Rebecca Nathanson, 12/2003
Donna Hockey, 04/2005
Laura Jastrzab, 04/2005
Maylin Davis, 12/2005
Lorain Moorehead, 04/2006
Heidi Rishel, 08/2006
Courtney Ficks, 12/2006
Lauren Drake, 12/2009
Suzie Jeon, 12/2009
Melissa Tran (pre-med biology), 03/2012
Kayla Ditto, 12/2012

Andrea Nolan, 05/2013
Jenna Eccles, 12/2014
Sarah Chon, 12/2014
Lauren McDonald (bio-engineering), 12/2016
Anaëlle Ganase, 12/2017
Navneet Kaur, 12/2017
Maya Patel (pre-med; co-mentor with Mary Davis), 4/2018
Derek Tang (pre-med), 4/2018
Sydney Scheel (pre-med), 4/2019
Connie Kwok, 12/2019
Nicole Richards, second reader, 12/2019
Dirichi Ezeh, second reader, 4/2020
Mya Carrizosa, finalist for top Psychology honors project, 12/2020
Jessica Doxey (pre-med), 12/2020
Caty Kim, second reader, 12/2020
Jenna Vanderhave, second reader, 12/2020
Ashton Flake, 12/2021
Emily Jurek, 12/2021
Abigail Lagergren, second reader, 12/2021
Haley Hummel, co-mentor, 12/2022
Amanda Sather, 12/2022
Valeria Gutierrez, second reader, 12/2022
Meiling “Leah” Russell, second reader, 12/2022
Arden Hammond, 12/2023
Ajuni Singh, 12/2023
Ashley Ruiz, second reader, 12/2023
Isabella Rusy, second reader, 12/2023
Alyssa Le, 12/2024 (Jessica Shapiro Scholar 2024-2025)
Kristin Masho Elbeh, second reader, 12/2024
Adarshini Pattnaik, 12/2025
Grant Newmark, second reader, 12/2025
Brianna Le, second reader, 12/2025
Ryan Oppen, 12/2026
Joshua Soto, second reader, 12/2026

Graduate student committee member:

Current:

Christy Bui (comprehensive exam, 9/2025)
Lindsay Chromik (comprehensive exam 8/2024; first-authored paper using our twin data preregistered 6/2024, second mentored paper accepted for publication 11/2024; dissertation proposal 8/2025).
Lillian Ramirez Vasquez (Sanford School, master’s proposal 7/2026)

Completed:

Danming An (SSFD, comprehensive exam proposal 6/2017 and defense 11/2017, dissertation proposal 2/2019, data meeting 4/2019, defense 7/2019)
Rebecca Andrews (defended terminal masters 09/2005)

Melinda Baham (defended masters 07/2005)
Renee Benoit (comprehensive exam proposal, 10/2021; defense 4/2022; dissertation proposal 3/2024)
Katie Bountress (comprehensive exam 5/2011; proposed dissertation 04/2013, data meeting 05/2014; dissertation defense 05/2015)
Leena Bui (comprehensive exam, 9/2018, dissertation proposal, 11/2020, data meeting 5/2021, defense 7/2021).
Qiyue Cai (dissertation proposal 9/2025, defense 8/2026)
Kimberly Castro (SSFD; defended masters 07/2007)
Claire Champion (comprehensive exam 2004; defended dissertation 04/2006)
Katherine Cheng (SSFD; comprehensive exam proposal 05-2014, defended 09/2014; dissertation proposal 12/2015 and again 06/2016; data meeting 6/2017, dissertation defense 7/2017)
Amanda Cumberland (dissertation proposed, ABD)
Ashley Ebbert (master's thesis defense 4/2018)
Alison Edwards (comprehensive exam 04/2013; dissertation defended 08/2015)
Natalie Eggum (masters defended 11/2006; comprehensive exam 11/2007; dissertation defended 07/2009)
Gabrielle Fabrikant-Abzug (comps defense 9/2023; co-sponsor of F31 fellowship submitted 12/2023, revision submitted 8/2024, dissertation proposal 10/2024, data meeting 3/2025, defense 5/2025).
Robert Fasman (comprehensive exam, 09/2004)
Patrick Finan (dissertation defended 02/2009)
Chardee Galan (University of Pittsburgh; dissertation proposal 08/2018, defense 8/2019)
Bridget E. Granville (SSFD; masters defended 04/2007)
Emily Hilton (UW-Madison, F31 submission co-sponsor 4/2022, dissertation defense 2022).
Sarah Ingebrand (comprehensive exam 10/2014; dissertation proposal 02-2016; data meeting 05/2016; dissertation defense 06/2016)
Alexandra Ingram (proposed masters 03/2015, defended 4/2016)
Belal Jamil (dissertation, *Stress, Support, and Susceptibility: The Interplay of Contextual, Psychological, and Genetic Influences on Internalizing Outcomes among Diverse Adolescents and Emerging Adults*, proposal 11/2025, data meeting 2/2026, defense 4/2026)
Shannon Jewell (masters proposal 04/2014; data meeting 01/2015; masters defense 04/2015)
Jaimie Krems (comprehensive exam 12/2015)
Emma Lecarie (comprehensive exam, 8/2021; dissertation proposal 9/2022; data meeting 4/2023, defense 9/2023, graduated 5/2024)
Yi Li (proposed masters 06/2014, defended 08/2014)
Jeffrey Liew (comprehensive exam 2003; co-chair, dissertation defended 07/2005)
Betty Lin (masters defended 2013; comprehensive exam 2013; dissertation defense 06/2015)
Olivia Maras (proposed masters, 1/2023; data meeting 9/2023; defense 9/2023; submitted paper for publication 1/2024; comps proposal 5-2024; comps defense 11-2024; dissertation, *Understanding Digital Dating Abuse in Young*

Adulthood: Risk Factors and Novel Methodologies, proposal 4/2025, data meeting 1/2026, defense 3/2026)

Leigh McLean (comprehensive exam 11/2013, dissertation defense 06/2015)

Kristine A. Nugent-Ohls (ASU Education dissertation proposal 4/2025, defense 3/2026)

Tara Ohrt (proposed masters 5/2015, defended masters 11/2016; proposed dissertation 6/2018, data meeting 8/2019, defense 2/2020)

Meryl Olah (proposed masters, 4/2021, data meeting 4/2022, defense 5/2022; comprehensive exam 6/2023)

Danielle Pandika (comprehensive exam, 05/2016; NRSA fellowship co-sponsor 4/2017, dissertation proposal 10/2018, data meeting 8/2019, defense 4/2020)

Hye Jung Park (proposed dissertation, 8/2022, data meeting 10/2022; defense 11/2022)

Anita Pedersen y Arbona (comprehensive exam 09/06; dissertation defended 04/2011)

William Pelham (proposed dissertation 4/2018; defending dissertation 12/2018)

Vanessa Perez (proposed masters 1/2018; defended masters 10/2018; comprehensive exam 8/2019; F31 submission 4/2020 unfunded; proposed dissertation 9/2021, data meeting 2/2022, defense 4/2022)

Selena Quiroz (comprehensive exam proposal, 3/2021, defended 5/2021, F31 funded 2022, graduated 5/2024)

Ariana Ruof (SSFD; submitted NSF 10/2018, masters thesis proposal 4/2019, data meeting 11/2019, defended 4/2020; comprehensive exam pre-proposal 9/2022, again 10/2022, defended 2/2023, again 6/2023)

Jeri Sasser (proposed dissertation 9/2023, data meeting 10/2023, defense 10/2023, graduated 12/2023)

Danielle Seay (proposed comprehensive exam 9/2017, defended 3/2018)

Amanda Sigal (comprehensive exam; dissertation defended 06/2010)

Jennifer Somers (comprehensive exam, 8/2018; dissertation proposal 5/2019, data meeting 11/2019, defended 4/2020)

Michael Sulik (masters defended 11/2011; comprehensive exam 11/2012; dissertation defended 09/2013)

Jodi Swanson (SSFD; masters defended 04/2008; comprehensive exam 12/2009; dissertation defended 12/2011)

Angel Trevino (proposed masters, 8/2022, data meeting 11/2022, defense 2/2023, proposed comps 11/2023)

Lauren Van Huisstede (proposed dissertation 11/2017, defended dissertation 4/2019)

Julie Vaughan (masters defended 09/2006; comprehensive exam 04/2007)

Frances Wang (defended masters 02/2012; comprehensive exam 05/2013; proposed dissertation 05/2015, data meeting 12/2015, defense 4/2016)

Amy Weimer (comprehensive exam 2003)

Rebecca E. Wershba (comprehensive exam 08/2009)

Xiaoye Xu (SSFD; comprehensive exam, pre-proposal 8/2019, defended 12/2019; dissertation proposal, 4/2020, defense 3/2022)

Claire Yee (comprehensive exam, 06/2017; proposed dissertation 11/2018, defended dissertation 4/2018)

Cherry Zheng (ASU Molecular and Cellular Biology master's thesis, *Associations Between Gut Microbiome Alpha Diversity and DNA Methylation of Brain-Enriched Genes in an Adolescent Twin Cohort*, defense, 4/2026)
Qing Zhou (comprehensive exam 2003)

SERVICE

Professional Service

Professional Organization Leadership:

2019	Behavior Genetics Association representative to the FABBS annual meeting, Washington, DC
2016-2019	Elected Member-at-Large of the Behavior Genetics Association
2016-2019	Member, Student Awards Committee, Behavior Genetics Association
2013-2016	Elected Member-at-Large on the Division 7 Executive Committee of the American Psychological Association
2015-2016	Chair, Dissertation Award Committee, Division 7 of the American Psychological Association

Research Grant Reviewing:

2008-2009	Standard Research Grants program of the Social Sciences and Humanities Research Council of Canada
Fall 2009	NIH Child Psychopathology and Development Disabilities (CPDD) study section
Spring 2010	Child Psychopathology and Development Disabilities (CPDD) NIH study section
Fall, 2010	NIH Behavioral Genetics and Epidemiology (BGES) study section
Sum, 2011	NIH Biobehavioral Regulation, Learning and Ethology special emphasis panel
Sum, 2011	NIH Adult Psychopathology and Disorders of Aging special emphasis panel
Fall, 2011	NIH Biobehavioral and Behavioral Processes (BBBP) special emphasis panel

Spring, 2012	NIH ZRG1 F16 B 20 Fellowships: Risk, Health and Healthcare meeting
Spring, 2012	NIH ZRG1 SSPS-H 09 S Social Science and Population Studies: Second Panel
Spring, 2012	NIH SSPS-H 09 Population Sciences and Epidemiology (PSE) Integrated Review Group
Sum, 2012	NIH ZRG1 F16 I (20) Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
Fall, 2012	NIH Child Psychopathology and Development Disabilities (CPDD) study section
Jan 2013	The Netherlands Organisation for Scientific Research (NWO), Department of Social Sciences, reviewed PhD subsidy proposals
Spring 2013	NIH ZRG1 F16 L (20) L Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
Fall 2013	NIH 2014/01 ZRG1 F16 L (20) L Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
Spring 2014	NIH 2014/01 ZRG1 F16 L (20) L Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
Fall 2014	NIH Cognition and Perception (CP) study section, mail reviewer
Fall 2014	NIH 2014/01 ZRG1 F16 L (20) L Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
Sum, 2015	NIH Psychosocial Development, Risk, and Prevention (PDRP) study section
Fall, 2015	NIH Child Psychopathology and Development Disabilities (CPDD) study section
Fall, 2015	NIH 2014/01 ZRG1 F16 L (20) L Risk Prevention and Health Behavior Integrated Review Group-- NRSA Fellowship Review Panel
2016-2020	Chartered member of the NIH Psychosocial Development, Risk, and Prevention (PDRP) study section

Spr, 2021	NIH 2021/05 ZRG1 BST-J (70) R: NIH Transformative and Emergency Transformative Research Award (TRA), NIH Office of the Director.
Spr, 2022	NIH 2022/05 ZHD1 DSF-Z (50) 1: P01 (Center Grants) Clinical Trial Optional special emphasis grant review panel.
Spr, 2024	NIH 2024/05 CHHD-M 1 Health, Behavior, and Context Study Section
Sum, 2025	NIH 2025/10 ZRG1 SCIL-L (90): Special Topics in Psychosocial Risk and Interpersonal Processes of Health

Editorial Boards:

2021-present	Consulting Editor, <i>American Psychologist</i>
2019-present	Consulting Editor, <i>Developmental Psychology</i>
2025-present	Editorial Board, <i>Development and Psychopathology</i>
2011-2022	Review Editorial Board of <i>Frontiers in Behavioral and Psychiatric Genetics</i> , a specialty of <i>Frontiers in Genetics</i> .

Tenure Evaluations as an External Reviewer: 2014, 2016, 2017 (Penn State), 2020 (UC Riverside), 2021 (Wayne State), 2021 (Emory), 2022 (Indiana University), 2025 (Purdue University), 2025 (Rutgers University)

Special Issues:

Davis, M., **Lemery-Chalfant, K.** & Luecken, L. (2009). Guest editors for special issue of *Journal of Personality*, "Resilience in the Common Life."

Ad-hoc Reviewing for the Following Journals:

American Journal of Psychiatry, American Psychologist, Behavior Genetics, Biological Psychiatry, BMC Pregnancy & Childbirth, Child Development, Child Development Perspectives, Clinical Psychological Science, Development and Psychopathology, Developmental Psychology, Emotion, Frontiers in Genetics, Health Psychology, Hormones and Behavior, Infancy, Infant and Child Development, Infant Behavior and Development, International Journal of Behavioral Development, International Journal of Behavioral Medicine, Journal of Abnormal Child Psychology, Journal of Abnormal Psychology, Journal of Affective Disorders, Journal of Research on Adolescence, Journal of the American Medical Association, Journal of Applied Developmental Psychology, Journal of Child Psychology and Psychiatry, Journal of Clinical Child and Adolescent Psychology, Journal of Early Adolescence, Journal of Experimental Child Psychology, Journal of Family Psychology, Journal of Family Theory and Review, Journal of Multivariate Analysis, Journal of Personality, Journal of Personality and Social

Psychology: Personality Processes and Individual Differences, Journal of Psychopathology and Clinical Science, Journal of Research in Personality, Journal of Research on Adolescence, Jour. of the Amer. Academy of Child and Adolescent Psychiatry, Merrill-Palmer Quarterly, Prevention Science, Psychoneuroendocrinology, Psychological Medicine, Psychological Methods, Psychological Science, Research on Child and Adolescent Psychopathology, Social Development, Twin Research & Human Genetics

Textbook Reviewing:

Psychology Worth Publishers

Society for Research on Adolescence, 2021

Society for Prevention Research, 2021

Society for Research in Child Development, 2004-2005; 2006-2007; 2008-2009; 2010-2011; 2020-2021; 2022-2023; 2024-2025; 2026-2027

American Psychological Association Division 7, 2014-2018

Society for Research on Adolescence, 2025

Chair and/or Discussant of Conference Symposium:

Lemery-Chalfant, K. (2025, June). *“Gene-Environment Interplay with Culture and Diversity in Youth Functioning.”* Behavior Genetics Association Meetings, Atlanta, Georgia, USA. Discussant.

Lemery-Chalfant, K. (2024, June). *“Risk and Resilience for the Development of Externalizing Problem Behaviors Across Childhood and Adolescence.”* Behavior Genetics Association Meetings, London, UK. Discussant.

Lemery-Chalfant, K. (2018, June). *Polygenic, Twin, and Adoption Designs Elucidate the Role of Parenting and Intervention in Child Psychopathology.* Behavior Genetics Association Meetings, Boston, Massachusetts, USA. Chair.

Lemery-Chalfant, K. (2017, June). *Molecular Genetic Approaches.* Behavior Genetics Association Meetings, Oslo, Norway. Chair.

Lemery-Chalfant, K. (2017, April). *Gene-Environment Interplay.* Society for Research in Child Development, Austin, Texas. Discussant.

Lemery-Chalfant, K. (2016, June). *Energy.* Behavior Genetics Association Meetings, Brisbane, Australia. Chair.

Lemery-Chalfant, K. (2014, June). *Gene-Environment Interplay in Developmental Science.* Behavior Genetics Association Meetings, Charlottesville, Virginia. Chair.

- Rhee, S. & **Lemery-Chalfant, K.** (2012, February). *Contemporary behavior genetic methods elucidate developmental process*. Society for Research in Child Development Themed Meeting: Developmental Methodology. Tampa, Florida. Chair.
- Lemery-Chalfant, K.** (2011, June). *Externalizing behavior during childhood and adolescence*. Symposium at the Behavior Genetic Association meetings, Newport, Rhode Island. Chair.
- Lemery-Chalfant, K., & Goldsmith, H. H.** (2011, June). *Gene-environment mechanisms for the development of child psychopathology*. Symposium at the Behavior Genetic Association meetings, Newport, Rhode Island. Chair.
- Lemery-Chalfant, K.** (2009, April). *Gene-environment mechanisms for the development of child psychopathology*. Symposium at the Society for Research in Child Development meetings, Denver, Colorado. Chair.
- Lemery-Chalfant, K.** (April, 2009). *Warm vs. insensitive parenting and children's problem behaviors: Evidence for gene-environment correlations*. Symposium at the Society for Research in Child Development meetings, Denver, Colorado. Discussant.
- Lemery, K. S.** (2005, June). *Developmental Phenotypes*. Symposium at the Behavior Genetic Association meetings, Hollywood, California. Chair.
- Lemery, K. S., & Jaffee, S.** (2002, July). *Multivariate study of young twins as a tool to understanding the development of mood and behavioral disorders*. Symposium at the Behavior Genetic Association meetings, Keystone, Colorado. Chair.
- Price, T., & **Lemery, K. S.** (2000, July). *Beyond heritability: Behavioural genetic approaches to cognitive and emotional development*. Symposium at the International Conference on Infant Studies, Brighton, United Kingdom. Chair.
- Lemery, K. S., & Waldman, I. D.** (1999, July). *The boundaries between normality and psychopathology: Behavior genetic approaches*. Symposium at the Behavior Genetic Association meetings, Vancouver, BC. Chair.
- Lemery, K. S., & Waldman, I. D.** (1999, April). *The boundaries between normality and psychopathology: Behavior genetic approaches*. Symposium at the Society for Research in Child Development meetings, Albuquerque, New Mexico. Chair.
- Lemery, K. S., & Goldsmith, H. H.** (1998, June). *A new generation of longitudinal twin studies of behavioral development*. Symposium at the Behavior Genetic Association meetings, Stockholm, Sweden. Chair.

Department, University, and Community Service

2026-present	Developmental Student Travel Awards committee
2025-present	Faculty mentor, Jack Waddell
2025	Teaching Peer Evaluation for Lani Shiota
2025-present	Psychology faculty mentor, Candace Lewis
2024-present	University Tenure & Promotion committee
2024-2025	Psychology Faculty Tenure & Promotion Bylaws Subcommittee of Revision
2024	Teaching Peer Evaluation for Mary Davis
2024-2025	Chair, tenure review sub-committee, Jinni Su
2024	Chair, Search Committee for Faculty Health Leader Hire
2023-2025	Elected, PAC Dept. Executive Committee
2023-2025	Elected, Psych4All Excellence Access Inclusion committee
2023	Member, 3 rd Year review sub-committee, Rick Cruz
2023-2025	Nancy Eisenberg Distinguished Speaker Committee
2023-present	Faculty mentor, Joanna Kim
2023	Mentored Teaching, Janna Pickett (PSY446 Social Development)
2022	Teaching Peer Evaluation for Jinni Su
2022	Chair, "Last Lecture" retirement event for Dr. Robert Bradley
2021	Chair, 3 rd Year review sub-committee, Jinni Su
2021	Mentored Teaching, Veronica Oro (PSY341 Developmental Psych)
2021	Teaching Peer Evaluation for Thao Ha
2021	Teaching Peer Evaluation for Frank Infurna
2020	Member, 3 rd Year review sub-committee, Thao Ha
2020	Member, Promotion sub-committee of review, Leah Doane
2020-2021	Chair, Faculty Evaluation Committee
2020	Teaching Peer Evaluation for Mary Davis
2020	Teaching Peer Evaluation for William Fabricius
2020	Teaching Peer Evaluation for Leah Doane
2019-2020	Elected, Faculty Evaluation Committee
2019-2020	Member, Search Committee for Jonathan Gewirtz faculty hire & Member, tenure sub-committee of review
2019	Member, Tenure sub-committee of review, Madeline Meier
2019	Member, 3 rd Year review sub-committee, Viridiana Benitez
2019	Panel Discussant, Meg Bouvier NIH Grant Writing Workshop
2019	Member, Search Committee for Kelsey Lucca faculty hire
2018-2020	ASU Team Leadership Academy, Cohort IV (Project: Center of Behavioral Genomics)
2017-present	Faculty mentor, Thao Ha
2017-2019	Chair, Search Committee for faculty hire in Behavior Genetics (Jinni Su)
2017-2025	Lab tours for incoming freshmen
2017-2018	Chair, Tenure sub-committee of review, Frank Infurna
2016-2018	Elected, Faculty Evaluation Committee
2016-2017	Elected, Search committee for the Chair of Psychology
2013-2015	Elected, Planning and Advisory Committee to the chair (PAC)
2013-2015	Elected, Faculty Evaluation Committee

2012-2013	Search committee for three Health Solutions Initiatives faculty hires
2012	Chair, 3 rd Year review sub-committee, Leah Doane
2011-2013	Elected, Faculty Evaluation Committee
2010-2014	Chair, Awards Committee
2010-2011	Search committee for neuroscience infusion faculty hires
2010, 2011	Faculty Advisor for Freshman Orientation Lunches
2009-2014	Chair, Developmental Psychology Area Group
2009-2014	Chair, Developmental Psychology graduate admissions committee
2009-2014	Graduate Studies Committee
2009-2010	Chair, search committee for faculty position in developmental psychology
2007-2008	Elected, Planning and Advisory Committee to the chair (PAC)
2007-2008	Search committee for faculty position in adult psychopathology
2004-2006	Faculty advisor to the Sigma Alpha Lambda National Honor Society
2003, 2004, 2005	Chair, Zita Johnson Scholarship Committee
2003, 2004, 2008	Faculty Evaluation Committee
2003-2004	Search committee for the director of the Child Study Lab
2001-2002	Center for the Study of Stress Science-Psychology interface committee
2001-2009	Developmental Psychology graduate admissions committee
2001-2004	Statistical consulting and data analysis for Reliant Behavioral Health

HONORS AND AWARDS

2026	Invited colloquium, The Pennsylvania State University, PA.
2021	Keynote Speaker, <i>“Implementation of Biological and Context Screening in Diverse Settings and Populations.”</i> Society for Prevention Research.
2020	Keynote Speaker, <i>“Early Prevention: Breaking the Link Between Genetic Risk and Developmental Psychopathology.”</i> New Frontiers in Biomedical Research, Louisiana Tech University.
2018	Keynote Speaker, <i>“Developmental Science through a Genetically-Informed Lens,”</i> Developmental Methodology Conference, Whitefish, MT
2018	Invited colloquium, <i>“Genetic Influences on Socio-Cultural Sensitivity: Moderation of Effects of the Family Check-Up Intervention on Symptoms of Child Psychopathology,”</i> Indiana University, IN
2016-2019	Elected Member-at-Large of the Behavior Genetics Association
2013-2016	Elected Member-at-Large on the Division 7 Executive Committee of the American Psychological Association

- 2009 Recognized at graduation as making a difference/enhancing the experience of a graduate
- 2006 Psi Chi Professor of the Year
- 1999 American Psychological Association Dissertation Research Award

- June, 2026 Article about our new empirical paper focused on the protective role of maternal self compassion for her own mental health published in the journal *Mindfulness*, 2026: https://news.asu.edu/20260513-science-and-technology-being-kind-oneself-protects-parents-depression?utm_id=97757_v0_s00_e227_tv2_tp1_aldemo0jte3ril&fbclid=IwY2xjawSTys9leHRuA2FlbQIxMQBzcnRjBmFwcF9pZBAyMjlwMzkxNzg4MjAwODkyAAEeQ1Wt-tU8EI_iqOZT-Hp2sr6v0GfXKi7pkTK0ab7fPc1aSbUwlJ83atkJXZk_aem_TgwmxmgGyR3shKBXmHV8bUQ
- April, 2026 Association for the Advancement of Science (AAAS) best poster award under the Behavior and Neuroscience category given to my doctoral student mentee, Savannah Ostner, acknowledged in the journal *Science*, April 23, 2026.
- April, 2026 Interview about parental differential treatment of siblings for National Siblings Day, April 10, 2026: <https://news.asu.edu/20260409-science-and-technology-yes-your-parents-may-have-treated-you-differently-heres-how-it>
- March, 2026 Article about our empirical paper focused on the protective role of children's positive affect published in the journal *Child Development*, March 27, 2026: <https://news.asu.edu/20260327-science-and-technology-ability-remain-positive-during-conflict-associated-better-overall>

CONTINUED EDUCATION

- 2025 ASU Foundation Discovering Philanthropy Workshop (May 12-13)
- 2025 APA Learning in to Teaching with Artificial Intelligence: Strategies for Engaging Learners in an Evolving Digital Age
- 2025 XKits: Generative AI at ASU
- 2023 Completed the ASU-sponsored 3-month Inclusion Habit program, that included daily "MicroActions" that are texted to the participants. The

goal of the program is to help one make their behaviors more inclusive by 1) embracing the idea that inclusion matters, 2) understanding biases and their sources, 3) dispersing the negativity associated with unconscious biases, 4) practicing thinking more deliberately, 5) reprogramming incorrect intuitions about others, and 6) becoming more empathetic. I performed the activity each day and shared a narrative about the experience with my group >50 times.

2023-present	Annual Biosafety and Human Subjects Research Training
2023	XKits: Level Up Assignments with Generative AI (7/19/2023). Incorporated the use of Generative AI in student assignments (e.g., podcasts).
2022	International Workshop on Methodology of Twin and Family Studies; Virtual (2 weeks)
2021-present	ASU Exploring Leadership Series (Understanding the ASU Ecosystem: Wellness; Dealing with Change; Public Enterprise. Inclusion: Women Leaders in the Workplace)
2021	National Institute of Drug Abuse Workshop: Enhancing Health Disparities Research Related to Substance Use and Addiction: Research Gaps and Opportunities. Virtual Meeting. Feb. 16-17.
2021	Arizona State University's Faculty Women's Association: Dismantling Systemic Racism in Higher Education: An Unfinished Project, February 10.
2021-present	Amplified Voices: Graduate Student Led Anti-Racism Virtual Lecture Series.
2020	Designing for Equity: Building Innovative Systems for Lifelong Learning, Virtual lecture series.
2020	Arizona State University Inclusive Teaching Lightning Talk series, November Fridays
2020-2024	Arizona State University Commission on the Status of Women Professional Development Conference (topics included: boundaries, integrity, & generosity, addressing social justice in the workplace, micro-aggressions, implicit bias, leadership).
2019-2020	Arizona State University Team Leadership Academy. Project: Development of the Center for Behavioral Genomics
2018	Nonlinear Developmental Growth Modeling (Using R), Nilam Ram

2018	Bayesian Estimation (using MPlus), Jonathan Helm
2016	iMotions (facial expressions, GSR, eye tracking) software training workshop
2012	SRCD Methodology Symposium co-chair & discussant
2005	Audited CDE 598 Longitudinal Statistical Models Arizona State University
2004	International Workshop on Methodology of Twin and Family Studies: The Advanced Course Molecular Genetics The Netherlands
2001	NSF Junior Faculty Research Mentoring Workshop Invited participant, Tempe, Arizona
2001	The Pittsburgh Workshop on Behavior Genetics and Development University of Pittsburgh
2000	World Health Organization Composite Diagnostic Interview Training (CIDI); Survey Research Center, University of Michigan
1999	Twelfth International Workshop on Methodology of Twin and Family Studies: The Advanced Course; Boulder, Colorado
1998	First International Workshop on Genetic Epidemiology of Complex Traits using Twins and Sib-Pairs; Cambridge, England
1996	Certified Facial Action Coding System (FACS) coder Madison, Wisconsin
1996	Eighth International Workshop on Methodology of Twin and Family Studies; Boulder, Colorado
1994	Sixth International Workshop on Methodology of Twin and Family Studies; Boulder, Colorado
