Contracted to create ward maps (determine political boundaries for elections) for the Zanesville City Council as part of a collaborative project involving 9 students and a faculty member (Dr. Van Horn) from the Department of Geology. Outcome is legally constituted wards that provide compact districts that do not separate communities into different political wards.

Engaged in a crime data analysis (using 317,000 records over a ten year period analyzed with GIS) for the Zanesville Police Department resulting in a report used to make needed policy changes a part of a collaborative project involving 6 students and three faculty members (Drs' Bennett and Pray (Criminal Justice) and Dr. Van Horn (Geology). Outcome is series of recommendations to improve response time, analyze effects of various interventions, and determine the likely economic and safety effect of various policy interventions.

Created a volunteer development and retention program for the Village of New Concord (with students) in 2020. Outcome was a plan to improve the quality and number of student volunteers in the Village of New Concord, providing more meaningful opportunities for students while better matching community needs to student interests and abilities.

Created strategic plan (with students) for the Village of New Concord in 2019 for the period 2020 – 2025.

Developed outreach policies for the New Concord Police Department in 2018. Outcome was policy interventions to improve student relations with local police.

Developed a internet campaign and website design for the BN Vocational School in Beijing China (with students) in 2017. Outcome was a series of recommendations to improve website accessibility including how to move to a more mobile friendly platform to ensure better internet traffic.

Keynote Speaker at BNVS BN VocEd Workshop, Beijing China, March 25-26 2017 “The Core of Effective Pedagogy – Educating the Whole Person”

Developed a social media campaign for the BN Vocational School in Beijing China (with students) in 2017. Outcome was a sustainable plan to create and sustain a social media presence in China.

Conducted wage/benefit survey for the Village of New Concord (with students) in 2016.

Created a strategic plan (with students) for the Zanesville Parks and Recreation Department in 2016 for the period 2017 – 2022).
