Work in Process and Working Papers:

"Does a cooperative values statement impact predicted transfer prices?" (With Steven E. Kaplan and Serena Loftus). Conditional Acceptance at *Journal of Management Accounting Research* (January 2025)

"Are non-accounting business students more turned off from accounting after completing the introductory financial accounting course?" (with Steve Kaplan and Mason Snow). Rejected from *Accounting Horizons* (December 2024); Submitted to *Issues in Accounting Education* in February 2025.

"Bringing research into the classroom: Behavioral implications of using a Balanced Scorecard for performance measurement" (with Serena Loftus and Sarah Shonka McCoy). Submitted to *Issues in Accounting Education* in February 2025.

Revenue cycle management using analytics: An ETL and visualization case (with Mason Snow). We have started writing the case and presented it at the June 2024 data analytics conference. I used it in my graduate data analytics course in Fall 2024 and Mason will use it in Spring 2025. We plan to submit the case somewhere in 2025.

“Teaching Tips” (with Elizabeth Almer, Ellen Best, Veen Brown, Guido Geerts, Craig Sisneros, Meredith Tharapos, Wayne Thomas, and David Wood). I am the lead author on this. We are currently designing the survey and getting IRBs from various universities. We plan to collect and analyze data in spring 2025 and write the paper in summer 2025. We hope to submit to *Issues in Accounting Education* by fall 2025.
