Professional EXPERIENCE

Youth Justice Human Service Worker | Milwaukee County Department of Health and Human Services, Children Youth and Family Services, Milwaukee, WI

JUL 2025 - PRESENT

In this role, I provide community-based supervision and case management for justice-involved youth, balancing accountability with rehabilitation and developmentally appropriate supports. I conduct risk and needs assessments, develop and monitor individualized supervision plans, and coordinate closely with families, schools, treatment providers, detention staff, and legal stakeholders. I respond to violations and crises using trauma-informed and de-escalation approaches, participate in case staffings and court hearings, and advocate for youth by addressing barriers to services and connecting them to mental health, educational, and community resources.

REACH Care Coordinator | Wisconsin Community Services, Milwaukee, WI

FEB 2025 - APR 2025

Provides case management and supportive services to youth with significant mental health needs through the REACH program. Coordinates individualized care plans that address emotional regulation, family functioning, and access to community-based mental health and educational supports. Meets regularly with youth and caregivers to assess progress, address barriers, and adjust services as needed. Collaborates with schools, therapists, and wraparound teams to ensure integrated, trauma-informed care. Maintains accurate documentation in compliance with agency standards and Medicaid billing requirements.

While I valued the experience supporting youth with mental health challenges through REACH, I've been seeking opportunities that more directly align with my long-term goals in youth justice and systems-level advocacy

MSW Intern - Assistant Advocate | Pathfinder's Youth Shelter, Milwaukee, WI

AUG 2024 - MAY 2025

Worked directly with runaway and homeless youth to provide safety planning, crisis intervention, and referrals to housing, mental health, and educational supports. Conducted intake assessments

and contributed to service coordination and goal planning within a trauma-informed care model. Facilitated life-skills workshops and implemented a self-care journal project to promote emotional regulation and resilience. Collaborated with team members and external providers to ensure continuity of care and client empowerment.

Youth and Family Engagement and Intervention Specialist | St. Charles Youth and Family Services Inc, Milwaukee WI

JAN 2023 – SEP 2024

Works as an active member of the residential services team, by working in conjunction with the youth, family, and treatment team to identify initial and ongoing client behavioral challenges and family resource needs that can be addressed during treatment. Plans for and practices behavioral and self-regulating strategies, teaching and practicing those strategies with youth, and communicating strategies that work with the team and subsequent placement providers and family members. Helps families maintain strong connections to youth while in care and helps identify and connect community resources to families to support their needs while preparing to reintegrate youth back home or into a lower level of care.
