Awards & Honors

2009

Recipient. ASID Foundation Joel Polsky Prize Honorable Mention for Textbook "Design Portfolios: Moving from Traditional to Digital"

2008

Recipient. ASU College of Design Athena Freshmen Faculty of the Year

2007

Nominee. ASU "Excellence in Classroom Performance" Faculty Achievement Award, College of Design nominee

2007

Nominee. Editorial Review Board for Educational Technology & Society Journal

2006

Representative. ASU Graduation Commencement Marshal, College of Design

2005

Nominee. Editorial Review Board for Journal of Educators Online (declined)

2004

Nominee. ASASU Centennial Professorship Award

1996, 1997

Recipient. Michigan State University Human Ecology Graduate Fellowship

1996

Recipient. Michigan State University Carl Beck Graduate Fellowship

1995

Finalist. Michigan State University Student Employee of the Year

1990, 1994

Exhibitor. Design Work displayed for MSU FIDER accreditation review

1994

Exhibitor. Design Work displayed at NeoCon

1991

Recipient. Michigan State University May Foley Award for high academic ranking

1989, 1990

Recipient. Michigan State University Ruth C. Hurt Memorial Scholarship

Teaching

Arizona State University

2008, 2009

ASU 101 The ASU Experience

Introduction of first-time ASU students to the unique elements, culture, challenges, and opportunities of their university. *New teaching assignment 2008; enrollment 20*

2002-present

INT 121/320 Introduction to Computer Modeling

**University CS general studies approval 2003*

Computers in design, including software concepts, specific packages, and problem solving, illustration, typography, modeling, and animation. *New teaching assignment 2002; enrollment 186-396*

2003-present

INT 123/394 Introduction to Computer-Aided Design for Built Environments; Introduction to CAD & BIM

Introduction to AutoCAD computer-aided design principles and strategies for designers of the built environment. *New teaching assignment 2003; revised content to include Building Information Modeling 2011; enrollment 24-189*

Diane M. Bender, Ph.D.

2003-present	INT 381/581 Pre-Internship Seminar Preparation of internship materials that produce and enhance a successful internship experience. <i>New teaching assignment 2003; enrollment 22-38</i>
2003, 2004	INT 467 Interior Design Studio VI Advanced series of specialized projects or continuation of thesis project based upon the major's concentration. <i>New teaching assignment 2003; enrollment 14-16</i>
2003-present	INT 484/584 Internship Full-time summer internship under supervision of practitioners in the Phoenix area or other locales. <i>New teaching assignment 2003; enrollment 22-38</i>
2004	INT 494a Special Topics: Issues in the Built Environment Description of various fields from the built environment related in terms of their professional responsibilities, values, tools, theories, significant leaders, important texts, design processes, history, and their future. <i>Online course 2004; enrollment 4</i>
2005	INT 494b Special Topics: CAD & Structural Systems Application of computer-aided design and structural principles in generating design solutions. <i>Online course 2005; enrollment 12</i>
2009, 2010, 2014, 2015	INT 494c/598 Special Topics: Portfolio Design Introduction to the process of creating a traditional printed portfolio and a digital portfolio. <i>New teaching assignment 2015; enrollment 16-20</i>
2006	DSC 580 Practicum: Methods of Teaching Design Background and development of design education theories. Concepts of studio teaching methods. Comprehensive student project development and evaluation methods. Prerequisite: graduate standing. <i>New teaching assignment 2005; enrollment 18</i>
2004-present	DSC 593 Applied Project DSC 599 Thesis EPD 790 Reading and Conference EPD 799 Dissertation Supervision of graduate students completing master's applied project, master's thesis, or doctoral dissertation.

Bishakha Pegu
MS in Building Design; Thesis title: A Parametric Study of Green Roof Performance for Different Soil Properties in Hot Climates
- 2014-present
Angela Tate
MS in Design; Thesis title: A Design Guideline for Environmental Soundscape: An exploration between therapeutic sound frequency and biopsychosocial healing for a well-integrated clinical care model
- 2012-2015
Xiaohui Liu
MS in Design; Thesis title: How to create a healing environment: An analysis of artificial and natural lighting
- 2012-2014
Colleen Rothner
MS in Design; Thesis title: Design standards to facilitate the development of affordable assisted living
- 2011-2013
Kris Irwin
MS in Design; Thesis title: A new method in delivering traditional interior design education
- 2010-2013
Daniel Cheetham
MS in Design; Thesis title: Evidence-based design in healthcare: Measuring beliefs and implementation
- 2010-2012
Heather Draper
MS in Design; Thesis title: Pain center waiting room design: An exploration of the relationship between pain, comfort, and positive distraction.
- 2008-2011
Karen Shakman
MS in Design; Thesis title: An exploratory study: Examining emergency department design-layout and nursing physical fatigue
- 2009-2011
Deepika Sangoia
MS in Design; Thesis title: Pattern Language: A design tool for collaborative work environments
- 2008-2011
Catherine Pliess
MS in Design; Thesis title: Interior design: Credentials and certification as an alternative to legislation
- 2008-2010
Lisa Barber-Estores
MS in Design; Thesis title: Green footprints: The paths visionary interior designers took toward sustainability and the lessons practicing designers can learn from them
- 2005-2007
Jungyoon Choi
MS in Design; Thesis title: Interior design studio: Comparing face-to-face studio education with the online studio
- 2003-2005
Pallavi Shrivastava
MS in Design; Thesis title: Computer-based collaboration in architectural projects
- 2003-2005
Chinmay Hegde
MS in Design; Thesis title: The use of 3D animation in the design process

Masters Committee Member

- 2015-2016
Meredith Leshner McQueen
MS in Human Sciences, concentration Interior Design; Stephen F. Austin University; Thesis title: TBA
- 2011-2014
Ann Rishell
MS in Design; Thesis title: The Influence of The Exposition des Arts Décoratifs et Industriels Modernes, Paris 1925 on Hollywood films of the late 1920s and 30s
- 2009-2011
Andrea Wingate
MS in Design; Thesis title: Towards a new integrated transformational model for design education
- 2008-2010
Sailaja Vedula
MS in Design; Thesis title: Post occupancy evaluation of a LEED interior environment
- 2008-2010
Prathima Jasti
MS in Design; Thesis title: Impacts of sustainable design on employee well-being and productivity
- 2008-2010
Anne Littlejohn
MS in Design; Thesis title: Workplace environments: An integrated look at physiological well-being when working in two LEED-CI (R) buildings"
- 2007-2009
Cherise Robb
MS in Design; Thesis title: A case study of supportive design in healthcare
- 2006-2008
Nunthawit Hutangkura
MS in Building Design; Thesis title: Is a global architectural practice viable and sustainable?
- 2005-2007
Gagan Riar
MS in Design; Thesis title: Evaluating design intent and user experience in college computing facilities
- 2002-2004
Mallika Rao
MS in Design; Thesis title: 3D architectural interpretations of 2D vector drawings
- 2002-2004
Meenakshi Sharma

Diane M. Bender, Ph.D.

2001-2003

MS in Building Design; Thesis title: A constraint-aided system for generating spatial arrangements
Sasi Godavarman Prasanna
MS in Building Design; Thesis title: PGSystem: A generative system to explore proportion as a factor in façade Design
