Lagos, Nigeria | +234 809 800 0005 | info@paulcudeh.com | paulcudeh.com

PROFESSIONAL PROFILE

Entrepreneur and maritime trade professional with experience coordinating international cargo operations, developing productive enterprises, and engaging in global commodity trade. Professional exposure spans more than 30 countries, with particular experience in shipping, logistics, dredging, fertilizer, kaolin, and sugar cargoes. Currently pursuing degrees in Finance and International Trade while applying certified capability in capital markets, securities analysis, and Africa-focused economic development.

PROFESSIONAL EXPERIENCE

Founder and Chief Executive | Panuel

Lagos, Nigeria | 2018-Present

- Lead the strategic development of Panuel, including Panuel Dredging Company Ltd. and Panuel Shipping, with a focus on maritime services, productive enterprise, and long-term African economic value creation.
- Evaluate commercial opportunities across shipping, dredging, infrastructure, international trade, and investment-related activities.
- Build business relationships and operating structures that connect local enterprise with regional and global markets.
- Conduct applied research on industrialization, infrastructure, international finance, investment management, and Africa's global competitiveness.

Ship Coordinator | COSCO Shipping

International Operations | 2015-Present

- Coordinate cargo engagements and support shipping operations involving international counterparties, ports, agents, and service providers.
- Contribute to the movement and handling of globally traded commodities, including fertilizer, kaolin, and sugar.
- Apply cross-cultural communication and operational judgment developed through professional exposure across more than 30 countries.
- Support documentation, stakeholder coordination, scheduling, and issue resolution across maritime cargo operations.
