

QUINN E. HENDERSHOT

CURRICULUM VITAE

SEPTEMBER 10, 2026

Arizona State University
Department of Psychology
John W. Schwada Building
Tempe, Arizona, 85281

Mobile: 847-849-9648
Email: quinn.hendershot@asu.edu;
qhender1@asu.edu

ORCID  [0000-0002-5779-6957](https://orcid.org/0000-0002-5779-6957)

Education

PhD
2022 – 2026

***Binghamton University (State University of New York),
Binghamton, NY***

Clinical Psychology

Dissertation: *Cross-cultural and Cross-linguistic Validation of
Retranslations of Five Relationship Measures* (Advisor: Matthew D.
Johnson, PhD)

***Carl T. Hayden Veterans' Administration Medical Center,
Phoenix, AZ***

Internship

July 10, 2025 – July 5, 2026

MS
2020 - 2022

***Binghamton University (State University of New York),
Binghamton, NY***

Clinical Psychology

Thesis: 'El grado de felicidad' o 'cuán feliz se encuentra': Improving
Translations of Relationship Measures (Advisor: Matthew D. Johnson,
PhD)

BA
2016-2018

Lake Forest College, Lake Forest, IL

Major: Psychology, *magna cum laude*

AA
2013-2016

College of Lake County, Grayslake, IL

Languages

Fluent in English

Proficient in Spanish

Professional Experience

Clinical Assistant Professor
Arizona State University
Department of Psychology

August 2026 – Present

Research Emphasis

- Migrants' intimate relationship functioning, especially relating to risk and protective factors
- The role of cultural competence in shaping individual and relational functioning
- Cross-cultural measurement equivalence and translation methodology, with the goal of improving translation methods and increasing validation of translated measures

Awards

- New York State Office of Mental Health Scholarship, 2023 – 2025. (\$50,243.21)
 - *Awardees selected from undergraduate, masters, and PhD programs in psychology, social work, and sociology across all SUNY schools*
- Binghamton University Psychology Department Dissertation Year Fellowship (\$12,250)
- Enhancing Diversity in Alcohol Research (NIAAA: R25AA028464; PI: Julianne Flanagan) Support for Continued Training (doctoral scholar; \$5,500)
- Binghamton University Graduate Student Award for Excellence in Research (\$500)
- Binghamton University Graduate School Travel Grant (received in 2022, 2023, and 2025 for a total of \$1,204.86)
- International Association for Relationship Research Conference Registration Award (\$100)
- International Association for Relationship Research Mini-Conference Award for Diversity, Equity, and Inclusion
- Fragile Families Summer Data Workshop Travel Award (\$1000)
- Binghamton University Department of Psychology graduate student award for Outstanding Contributions to Promoting Equity, Diversity, and Inclusion in Psychology (\$250)
- Association for Psychological Science Student Travel Award (\$200)
- Association for Psychological Science Conference Registration Award (\$199)

Research Activities

Published Manuscripts

Hendershot, Q.E., Aizaga, K., Polo, A.J., Kirschen, B., & Johnson, M.D. (in press). Two sides of the same coin: Spanish translations of the Perceived Responses to Capitalization Attempts Scale and Kessler's Perceived Social Support Scale. *Personal Relationships*.

Hendershot, Q.E., Fivecoat, H.C., & Johnson, M.D. (in press). Understanding the role of culture in shaping relationship quality for Latinx couples: Support for the Dyadic Cultural Competence and Balance Model. *Journal of Latinx Psychology*.

Hendershot, Q.E., Fivecoat, H.C., & Johnson, M.D. (in press). Dyadic bicultural competence is a protective factor reducing partner violence risk for Latine couples. *Violence Against Women*.

Hendershot, Q.E., Alexander, E., Torres-Aragón, A.D., & Johnson, M.D. (2024). Spanish IPV measures: A review of validity evidence. *Trauma, Violence, & Abuse*, 25(5). <https://doi.org/10.1177/15248380241259999>

Hendershot, Q.E., & Johnson, M.D. (2024). Dyadic bicultural competence: A new way of conceptualizing patterns of cultural competence in close relationships. *Journal of Family Theory & Review*, 16(1), 87-105. <https://doi.org/10.1111/jftr.12541>

Fivecoat, H. C., Mazurek, C., Cunningham, C. N., Gandhi, K., Driscoll, M. W., Reischer, H. N., **Hendershot, Q. E.**, Kritzik, R., & Lawrence, E. (2024). It's not us, it's COVID: Individual and relational stress among Latine couples early in the pandemic. *Couple and Family Psychology: Research and Practice*, 13(1), 50–66. <https://doi.org/10.1037/cfp0000222>

Manuscripts Under Review

Hendershot, Q.E., Aizaga, K., & Johnson, M.D. (under review). Familism, not social support, is associated with Latinx intimate relationship quality.

Hendershot, Q.E. Ramirez, M., Sacks, J., Torres-Aragón, A.D. & Johnson, M.D. (under review). A critical review of culture-related terminology, definitions, and measurement.

Manuscripts in Preparation

Hendershot, Q.E. & Johnson, M.D. (in preparation). Associations between bicultural competence and relationship quality in Latinx and Asian American individuals.

Hendershot, Q.E., Williamson, H.C., Aizaga, K., & Johnson, M.D. (in preparation). Development and validation of a Spanish version of the Couples Satisfaction Index.

Hendershot, Q.E., Patrick, M.E., & Johnson, M.D. (in preparation). Dyadic bicultural competence and imbalances in cultural burden predict heavy drinking in Latinx individuals.

Oral Presentations

Hendershot, Q.E. (2025, November 20-23). Psychometric properties of the Spanish version of the Couples Satisfaction Index (CSI-4). In E. Bibby and M.V. Gates (Chairs), Couple well-being in context: Measurement, meaning, and multicultural considerations [Symposium]. Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, LA, United States.

Hendershot, Q.E. (2024, November 14-17). Testing the dyadic cultural competence and balance model: Associations with relationship quality and intimate partner violence. In K.M. Brunett and M.V. Gates (Chairs), Identity's role in romantic relationships: Exploring how cultural and identity-specific factors influence relationship dynamics in diverse relationship compositions and marginalized communities [Symposium]. Association for Behavioral and Cognitive Therapies Annual Convention, Philadelphia, PA, United States.

Hendershot, Q.E. (2023, May 25-28). Validity and reliability of Spanish measures of intimate partner violence. In Y. Zhang (Chair), Supporting female intimate partner violence survivors: Diverse needs and directions [Symposium]. Association for Psychological Science Annual Convention, Washington, D.C., United States.

Poster Presentations

Hendershot, Q.E., Patrick, M. & Johnson, M.D. (2026, June). *Psychometric properties of the Spanish version of the Perceived Responses to Capitalization Attempts Scale*. Accepted for presentation at The College on Problems of Drug Dependence Annual Scientific Meeting.

Hendershot, Q.E., Aizaga, K. & Johnson, M.D. (2025, November). *Psychometric properties of the Spanish version of the Perceived Responses to Capitalization Attempts Scale*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.

Hendershot, Q.E., Aizaga, K. & Johnson, M.D. (2025, November). *Psychometric properties of the Spanish version of Kessler's Perceived Social Support Scale*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.

Hendershot, Q.E., Fivecoat, H.C. & Johnson, M.D. (2024, November). *Social support as a moderator in the Dyadic Cultural Competence and Balance Model*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.

Hendershot Q.E. & Johnson, M.D. (2024, July). *Testing the Dyadic Cultural Competence and Balance Model in a national sample of Latinx and Asian Americans*. Presented at the International Association for Relationship Research Biennial Conference.

Torres-Aragón, A. D, **Hendershot, Q. E.,** & Matthew, D. J. (2024, July). *Strength in measures: Tailored intimate partner violence assessment for Spanish voices in North America*. Presented at the International Association for Relationship Research Biennial Conference.

Torres-Aragón, A. D, **Hendershot, Q. E.,** & Matthew, D. J. (2024, April). *Developing a comprehensive measure for intimate partner violence: Item selection and evaluation*. Presented at the Psi Chi & Nu Rho Psi Research Fair at Binghamton University (SUNY).

Torres-Aragón, A. D, **Hendershot, Q. E.,** & Matthew, D. J. (2024, April). *Enhancing intimate partner violence assessments: Creating equitable tools for Spanish-speaking communities*. Presented at Research Days at Binghamton University (SUNY).

Torres-Aragón A.D., **Hendershot Q.E.,** Johnson, M.D. (2024, March). *Intersections of culture, control, and financial strain: Understanding the dynamics of intimate partner violence in immigrant couples*. Presented at the Eastern Psychological Association Annual Conference.

Hendershot, Q.E., Alexander, A.F., & Johnson, M.D. (2023, November). *Spanish translations of IPV measures: Are we using the measures we say we're using?* Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.

- Hendershot, Q. E.**, Fivecoat, H. C., & Johnson, M. D. (2023, November). *Testing the Dyadic Cultural Competence and Balance model*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.
- Hendershot, Q. E.** & Johnson, M. D. (2023, May). *Dyadic bicultural competence: Reconceptualizing cultural functioning and strain in intimate relationships*. Presented at the International Association for Relationship Research Mini-Conference.
- Hendershot, Q. E.**, Alexander, E.F., & Johnson, M. D. (2022, November). *Locating and evaluating Spanish-language measures of intimate partner violence*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.
- Torres-Aragón, A. D, **Hendershot, Q. E.**, Alexander, E. F, & Matthew, J. D. (2023, March). *Psychometric properties of translated and Spanish developed measures of intimate partner violence*. Presented at the Eastern Psychological Association Annual Conference.
- Fivecoat, H. C., Mazurek, C., **Hendershot, Q. E.**, Kritzik, R., Reischer, H., Cunningham, C. N., Gandhi, K., Cohn, A., & Lawrence, E. (2022, November). *Relationship skills among Latine couples predict relationship satisfaction longitudinally during the COVID-19 pandemic lockdown*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention.
- Roussetzki, S., Ovalle, T.D.C., Canaveral, G., & **Hendershot, Q.E.** (2022, May). *Best practices for English to Spanish translation of psychological measures*. Presented at the Association for Psychological Science Annual Convention.
- Hendershot, Q.E.**, Alexander, A.F., & Johnson, M.D. (2022, May). *Spanish intimate partner violence measures: Translation and validation*. Presented at the Association for Psychological Science Annual Convention.
- Fivecoat, H.C., Mazurek, C., **Hendershot, Q.E.**, Kritzik, R., Cunningham, C.N., Gandhi, K., Reischer, H., & Lawrence, E. (2021, November). *Relationship skills among LatinX couples predicting stress and strain during COVID-19*. Presented at the Association for Behavioral and Cognitive Therapies Annual Convention (virtual due to COVID-19).
- Hendershot, Q.E.**, & Johnson, M.D. (2021, August). *Using an iterative mixed methods approach to improve translations of five relationship measures*. Presented at APA 2021 Convention (virtual due to COVID-19).

Teaching Experience

Coursework

- | | |
|---|--|
| Fall 2026 | Instructor: <i>Applied Project</i> (masters level)
Instructor: <i>Comorbidity in Substance-use Related Problems</i> (masters level) |
| Spring 2025,
Spring 2024,
Spring 2023 | Instructor: <i>Lab for Psychotherapy Methods</i> (undergraduate level)
Student evaluation of overall teaching effectiveness: $M = 4.0$ (5-point scale) |
| Fall 2023 | Instructor: <i>Applied Behavior Analysis</i> (undergraduate level) |

Student evaluations not available for this course

Fall 2022, Spring 2021 **Instructor:** *Lab for General Psychology* (undergraduate level)
Student evaluation of overall teaching effectiveness: $M = 4.3$ (5-point scale)

Spring 2022, Fall 2021, Summer 2023 **Instructor:** *Research Methods* (undergraduate level)
Student evaluation of overall teaching effectiveness: $M = 4.3$ (5-point scale)

Fall 2020 **Teaching Assistant:** *Introduction to Statistics* (undergraduate level)

Research Mentorship

Primary Mentor

2023-2024 Mentee: Alberto Torres-Aragón
Senior Honors Thesis
McNair Scholars Summer Research Internship Program, 30hrs/weekly

2022-2023 Mentee: Saúl Padilla
Senior Honors Thesis
Collegiate Science and Technology Entry Program (CSTEP),
30hrs/weekly

Clinical Experience

2025 - Present **Carl T. Hayden Veterans' Administration Medical Center**, Phoenix, AZ
Doctoral Intern
Rotations: PTSD Clinical Team, Primary Care – Mental Health Integration,
General Mental Health

2024 - 2025 **New York Office of Mental Health: Greater Binghamton Health Center**
Practicum student

2021 - 2025 **Binghamton University Psychological Clinic**
Practicum student

2022 - 2023 **MindWell Center**
Practicum student

2017 **The Child, Adolescent, and Family Recovery Center**
Undergraduate practicum student
