Chuck Hale

Objective

I bring the personal experiences that veterans and their families face navigating the world without well-defined structure. I want to help prepare our student veterans for success in their education and promote positive mental and physical health by encouraging participating in constructive activities that enriches the mind and builds strength in the body.

Experience

Arizona State University

6/15 to present

College of Health Solutions Program Coordinator, Sr.

- Advise students on graduate programs with Clinical Exercise Physiology, Strength and Conditioning, and Population Health.
- Provide administrative support for student and faculty
