

Nicole A. Roberts, Ph.D.
Curriculum Vitae
April 2026

Arizona State University - School of Social and Behavioral Sciences
 West Valley Campus, 4701 W. Thunderbird Rd., MC 3051, Glendale, AZ 85306
 Health Futures Center, 6161 E. Mayo Blvd., Phoenix, AZ 85054
 Phone 602-543-3911; Fax 602-543-6004 ; Nicole.A.Roberts@asu.edu; www.asuemotionlab.com

EDUCATION

2003 Ph.D., Clinical Psychology, University of California, Berkeley
 2000 M.A., Clinical Psychology, University of California, Berkeley
 1995 B.A., Psychology. University of California, Berkeley (Department Highest Honors,
 Highest Distinction in General Scholarship, Phi Beta Kappa)

EMPLOYMENT

2013 – Present Associate Professor, School of Social and Behavioral Sciences
 Arizona State University, Glendale, AZ

2006 – 2013 Assistant Professor, School of Social and Behavioral Sciences
 Arizona State University, Glendale, AZ

2004 – 2006 Assistant Professor, Department of Psychology
 University of Wisconsin-Milwaukee, Milwaukee, WI

2003 – 2004 Postdoctoral Fellow in Clinical Psychology
 Northern California VA Healthcare System, Martinez, CA
 Department of Psychology, University of California, Davis, Sacramento, CA

2002 – 2003 Predoctoral Intern in Clinical Psychology (APA-Accredited Internship)
 Northern California VA Healthcare System, Martinez, CA
 Department of Psychology, University of California, Davis, Sacramento, CA

2000 – 2004 Sleep Technician and Researcher
 San Francisco VA Healthcare System, San Francisco, CA
 Department of Psychiatry, University of California, San Francisco, CA

1999 – 2000 Assistant Clinic Coordinator, Psychology Clinic
 University of California, Berkeley, CA

1996 – 1999 Graduate Research/Teaching Assistant, University of California, Berkeley, CA

ADMINISTRATIVE AND LEADERSHIP APPOINTMENTS

Appointments in the School of Social and Behavioral Sciences, Arizona State University, Glendale, AZ

2024 – Present Psychology Area Co-Lead

2024 – Present Global Initiatives Liaison

Winter 2022 Acting School Director

2021 – 2023 Senior Associate School Director
 (sabbatical 2020-21)

2017 – 2020 Associate School Director

2016 – Present ASU Leadership Academy (*PeerLA Cohort IV 2016-2017*) (initial training and ongoing leadership development)

LICENSURE / OTHER APPOINTMENTS

2025 – present Faculty Affiliate, School of Interdisciplinary Forensics, Arizona State University
 2008 – present Research Psychologist (WOC), Carl T. Hayden VA Medical Center, Phoenix, AZ
 2008 – present Licensed Psychologist, Arizona (License #3947)
 2016 – 2020 Research Affiliate, Mayo Clinic, Scottsdale, AZ

ACADEMIC AWARDS, HONORS, AND NOMINATIONS

2026 *Leadership Excellence Award* (for a tenure/tenure-track faculty member), New College of Interdisciplinary Arts and Sciences, Arizona State University

2024 *Interdisciplinary Practice Award*, School of Social and Behavioral Sciences, Arizona State University

2024 Nominee, *Mid-Career Award*, Society for Affective Science

2023 *Leadership Excellence Award*, New College of Interdisciplinary Arts and Sciences, Arizona State University

2022 *Outstanding Interdisciplinary Practice Award*, New College of Interdisciplinary Arts and Sciences, Arizona State University

2012 Nominee, *Distinguished Scientific Award for Early Career Contribution to Psychophysiology*, Society for Psychophysiological Research

1999 – 2002 Predoctoral Fellow, National Institute of Mental Health Consortium in Affective Science

2000 *HealthEmotions Travel Award*, *HealthEmotions Research Institute*, Madison, WI

1999 Graduate University Fellowship, University of California, Berkeley

RESEARCH AREAS

Emotion/affect, psychophysiology, neuropsychiatric disorders, functional seizures, ethnicity and culture, couple relationships, stress, sleep

PUBLICATIONS

Note: Throughout this document, single asterisk (*) denotes Master's-level student co-author, double asterisks (**) denote undergraduate student co-author, both at the time the work was conducted.

GRANT ACTIVITYGRANT PROPOSALS UNDER REVIEW

Arizona State University Foundation (ASUF). Crisis Conversations: Evaluating AI Responses to Suicidal Ideations. Role: Co-I (PI: Shawn Walker). Submitted 11/15/2025. Amount requested: \$139,859.

National Institutes of Health (NIH R01), *Intracranial thalamocortical circuit analysis of cognitive flexibility during affective processing*. Role: ASU PI (overall PI: Andrew Yang, Barrow Neurological Institute). ASU subcontract Budget \$755,637 (\$481,297 direct, \$274,340 indirect). Subcontract portion submitted 9/19/2025. Overall proposal submitted 12/8/2025 (delay due to government shutdown).

National Science Foundation Collaborative Research: SCH: CONNECT. *Personalized Agentic AI Coaching for Social Health of Older Adults Living Alone*. Role: Co-PI (PI: Ming Zhao). Submitted Oct. 3, 2025. Amount requested: \$799,982.

FUNDED GRANT PROPOSALS (EXTERNAL)

NIH AIM-AHEAD – Hub-Specific Project Program: *Towards Agentic AI-based Personalized Coaching for Social Health: A Focus on Older Adults Living Alone with Early Cognitive Decline*. Role: Co-I (effort listed equal to PI: Ming Zhao). Amount requested: \$149,999 (\$103,173 direct; \$46,826 indirect). Awarded Dec. 8, 2025.

NIH T32: *ChatBCT: Interdisciplinary Personalized Digital Health Analytics Training for Behavior Change*. Role: Other Personnel/Contributing Faculty (Lead PI: Matthew Buman). Submitted May 29, 2024. Awarded July 2025. Amount requested: \$2,222,912 (\$1,421,439 direct; \$801,473.00 indirect).

Research Experiences for Undergraduates (REU) Supplement to SCC-PG: *Getting the Edge on Data-Driven Self-Managed Care: A focus on Older Veterans in Arizona*. NSF proposal #2231874. Role: Co-PI (PI: Ming Zhao). Submitted Dec. 29, 2023. Supplement for undergraduate student research funding awarded Mar. 12, 2024. \$16,000.

SCC-PG: *Getting the Edge on Data-Driven Self-Managed Care: A focus on Older Veterans in Arizona*. NSF planning grant proposal #2231874. Role: Co-PI (PI: Ming Zhao). Awarded Apr. 25, 2023. \$149,999.

Religion, Culture, and Trust. Air Force Office of Scientific Research. Role: Co-investigator (joined project in August 2016). (PIs: Adam Cohen and Gene Brewer). Amount awarded: \$1.64M (3 years).

The Emotional Influence of Gruesome Photographs in the Courtroom. National Science Foundation, July 2016. Role: Senior Personnel (PI: Jessica Salerno). \$270,000.

Attraction-Enhancing Smells. Henkel AG & Co. KGaA, Düsseldorf, Germany, January 2013. Role: PI. Donation to School of Social and Behavioral Sciences, Arizona State University. \$15,000.

Emotional Responding in Psychogenic Nonepileptic Seizures. Institute for Mental Health Research. Award period July 2010 – June 2012. Role: PI. \$25,000.

Emotion and Consumer Decision-Making. The Dial/Henkel Corp., Scottsdale, AZ, February 2008. Role: PI. Donation to New College of Interdisciplinary Arts and Sciences, Arizona State University. \$15,000.

FUNDED GRANT PROPOSALS (INTERNAL) (All peer-reviewed)

Cintana Education – ASU Alliance Open Research Call. *Artificial Intelligence in Medical Education: Use, Cognition, and Evidence Gaps*. Role: ASU PI (Overall PI: María Guadalupe Cerna Zavala, Universidad Autonoma de Guadalajara [UAG]; other co-I global institutions: UIDE, Sunway, ULatina). Submitted Jan. 29, 2026, Awarded March 16, 2026. Amount: \$8,000 USD.

Development of a Prevention Intervention for Populations at Risk of Excessive Alcohol Use and Cancer. Role: Co-I (PI: Stephanie M. Carpenter). Arizona State University College of Health Solutions (CHS) Center for Health Information and Research (CHiR) Pilot Grant Initiative. Award period Apr. 1, 2024 – May 31, 2025. \$ 29,245.85.

Examining the link between psychopathic tendencies, attachment, communication, and symptom severity. Student-faculty Collaborative Research Grant, Master of Science in Psychology Program, School of Social and Behavioral Sciences, Arizona State University. October 2024. Student (*) Faculty Awardee Team: *Newton, N.N., Roberts, N.A., & Simmons, C. \$2,500.

Law Enforcement Officer Motivations, Attitudes, and Connections to Stress Dynamics. Student-faculty Collaborative Research Grant, Master of Science in Psychology Program, School of Social and Behavioral Sciences, Arizona State University. March 2021. Student (*) Faculty Awardee Team: *Burnett, A., *Paige, A., Roberts, N.A., Duran, N., & Burleson, M.H. \$2,500.

Improving Police Officer Decision-Making under Stress. Arizona State University Institute for Social Science Research (ISSR). Role: PI. Award period Jan. – May 2021. \$8,000.

A Longitudinal Investigation of Resilience during COVID-19. Student-faculty Collaborative Research Grant, Master of Science in Psychology Program, School of Social and Behavioral Sciences, Arizona State University. Dec. 2020. Student (*) Faculty Awardee Team: *Munson, A., *Braunstein, B., *O'Brien, M., Burleson, M.H., Mickelson, K, Roberts, N.A., & Hall, D. \$2,500.

Developing and Translating an Understanding of Emotion-based Mechanisms of Dysfunction in Psychogenic Nonepileptic Seizures. Institute for Social Science Research (ISSR), Arizona State University. Role: PI. Award period Jan. 2016 – May 2016. \$8,000.

Stress, Emotion, and Communication in Spouses of Deployed Military: Implications for Mental Health. New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University. Role: PI. Award period: July 2012 – June 2013. \$5,000.

Who Can “Read the Mind in the Eyes?”: Emotion Detection in Patients with Psychogenic Nonepileptic Seizures. New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University. Role: PI. July 2011 – June 2012. \$5,000.

Choice and Subjective Value: Evidence for a Two-Step Decision Making Process? New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University. Role: Co-PI (other co-PI: Elias Robles). July 2010 – June 2011. \$10,000.

Post-Traumatic Stress and Nonepileptic Seizures: Is Emotional Disengagement a Common Underlying Mechanism? New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2009 – June 2010. Role: PI. In lieu of \$5,000 (requested), research semester awarded.

Emotion in Psychogenic Nonepileptic Seizures: Bridging Neurology and Psychology, New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, June 2008. Role: PI. \$5,000.

A Multi-Method Assessment of Emotion in Seizure Patients, New College of Interdisciplinary Arts and Sciences Scholarship, Research and Creative Activities Grant Program, Arizona State University, July 2007. Role: PI. \$4,997.67.

Emotional Processing in Epileptic and Nonepileptic Seizure Patients, Multi-Disciplinary Grants-In-Aid Program, Arizona State University, January 2007. Role: PI. \$30,000.

The Emotional Impact of Media Images: A Comparison of African Americans and European Americans. University of Wisconsin System Institute on Race and Ethnicity Small Research Grant Award, University of Wisconsin-Milwaukee, July 2005. Role: PI. \$5,000.

UNFUNDED GRANT PROPOSALS

External

HHS: National Institutes of Health (NIH) P50. *Temperature and Heat Exposure Research on Mental health Across the Lifespan (THERMAL).* Role: Co-Investigator, Exploratory Study 2 (PD/PI: Marisa Domino). Submitted May 15, 2025. Amount requested: \$10,641,121 (\$7,314,961 direct; \$3,326,160 indirect).

Building Digital Advances for Emerging Adults with IBD: Leveraging Interdisciplinary Navigation and Connection (LINC). Pfizer Global Medical Grants: Addressing Knowledge Gaps in Inflammatory Bowel Disease (IBD) Care. Role: ASU Subcontract PI (full proposal PI: Brad Pasternak, Phoenix Children’s Hospital; Mayo Clinic Subcontract PI: Brian Arizmendi). Full proposal: \$200,000 requested; Mayo Clinic of Arizona subcontract, \$59,000 requested. ASU Subcontract: \$59,000 requested (\$46,094 direct, \$12,906 indirect).

PIPP Phase I: Center for Pandemic Prediction and Proactive Prevention (4PC). National Science Foundation, submitted 10/1/2021. Role: Co-Principal Investigator (PI: Pitu Mirchandani). Proposal #2200178. \$999,273 requested.

REU Site: Data Science for Social Good. National Science Foundation, submitted 8/23/2021. Role: Co-Investigator (PI: Kuai Xu). NSF proposal #2150285. \$405,000 requested.

EAGER: SAI-E Computational Social Analytics: Transforming Cyber-Social Training Infrastructure. NSF [EAGER: DCL on Strengthening American Infrastructure] proposal #2122038, submitted Feb. 2021. Role: Co-PI (PI: Scott Barclay). (Invited for full EAGER submission based on 2-page concept outline submitted Dec. 2020; ultimately not funded.) \$297,913 requested.

HCC Core: Medium: Integrating Sensor Technology to Enhance Police Decision-Making under Stress. National Science Foundation (NSF) #2107604, submitted Nov. 2020. Role: PI. \$1,199,272 requested. (“Low competitive” review score.)

Tracking Changing Trust and Institutional Legitimacy: International, National, State, Local and Interpersonal. NSF [RAPID: DCL on COVID-19] proposal 2027769, submitted July 2020. Role: co-PI (PI: Audrey Comstock). \$199,553 requested.

Cognitive and psychological benefits of exercise in patients with Epileptic and Nonepileptic Seizures. National Academy of Neuropsychology (NAN) Clinical Research Grants program, submitted July 2019. Role: ASU PI (overall PI: Robin Garrett, Banner University Medical Center-Phoenix). \$17,000 requested.

Microbiome and Vitamin D Interventions in the Gut-Brain Axis of IBS. National Institutes of Health (R21), submitted June 2019. Role: Other significant contributor. (PIs: Todd Sandrin and Peter Jurutka). \$450,650 requested (\$315,856.00 direct costs; \$134,794.00 indirect costs, including sub-award to consortium site, Mayo Clinic of Arizona).

Developing an Understanding of Emotion-based Mechanisms in Psychogenic Nonepileptic Seizures. National Institutes of Health (R21; National Institute of Neurological Disorders and Stroke), submitted June 2018. Role: PI. \$451,790 requested (\$275,000.00 direct costs; \$134,332.00 indirect costs, including sub-award to consortium site, Mayo Clinic of Arizona).

Behavioral and Physiological Responses to Angry Women and African Americans in Legal Settings. National Science Foundation, submitted July 2018. Role: Co-PD/PI (PI: Jessica Salerno). \$483,212 requested (\$325,914 direct, \$157,298 indirect).

Writing Interventions for Maritally Separated Adults: Moderators and Mediators. National Institutes of Health (NIH R01), submitted October 2013. Role: ASU Subcontract PI (full proposal PI: David Sbarra, University of Arizona.) \$1,054,760 requested (\$748,220 direct; \$306,540 indirect).

Frontal Brain Asymmetry as an Endophenotype of Familial Risk for Depression. National Institutes of Health, submitted March 2010. Role: ASU Subcontract PI (full proposal PI: John J.B. Allen, University of Arizona.). \$529,825 requested (\$369,503 direct; \$160,322 indirect).

Emotional Reactivity and Regulation in Patients with Nonepileptic Seizures. National Institutes of Health (R21; National Institute of Mental Health), submitted June 2009. Role: PI. \$411,994 requested (\$275,000.00 direct costs; \$136,994.00 indirect costs).

Emotional Functioning in Nonepileptic Seizure Disorder. Arizona Institute for Mental Health Research, submitted August 2007. Role: PI. \$25,000 requested.

Older but Wiser: A Pilot Laboratory Study of Aging and Healthy Emotion Regulation. National Institutes of Health, submitted July 2008. Role: Co-investigator/Consultant. (PI: Michelle Shiota). \$146,719.00 requested. Third round submission: scored in top 23rd percentile.

Toward a Religiously Sensitive View of OCD. Arizona Institute for Mental Health Research, submitted August 2007. Role: Co-PI (other Co-PI: Adam Cohen, Arizona State University). \$25,000 requested.

Collaborative Research: RUI-Parents' Socialization of Children's Risk Perception in the Context of Catastrophic Events: Causes and Consequences. National Science Foundation (NSF), submitted January 2007. Role: Co-PI (PI: Barbara Tinsley). \$594,301 requested.

Mechanisms of Family Socialization of Child Coping with Unexpected Emergencies. National Institutes of Health (R21), submitted November 2006. Role: Co-PI (PI: Barbara Tinsley). \$395,078 requested.

Emotional Processing in Patients with Psychogenic Nonepileptic Seizures. National Institutes of Health (R03; National Institute of Mental Health Behavioral Science Track Award for Rapid Transition [B/START]), submitted October 2006. Role: PI. \$74,750 requested. Priority score: 173 (top 22.1%).

Internal

Connected Healthcare Delivery for Emerging Adults: Piloting Digital Advances in Navigating Interdisciplinary Care with a Focus on Psychogastroenterology. Mayo Clinic and Arizona State University Alliance for Healthcare Seed Grant Program. *Letter of intent* submitted March 2022 (full proposal not invited). Role: ASU PI (Mayo Clinic PI: Dr. Brian Arizmendi).

Biobehavioral Markers in Psychogenic Nonepileptic Seizures: A Model for Understanding and Improving Healthcare Delivery for Medically Unexplained Symptoms. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. *Letter of intent* submitted May 2018 (full proposal not invited). Role: ASU PI (Mayo Clinic PI: Dr. Dona Locke).

Reducing Healthcare Costs and Confusion through Affective Neuroscience: Biobehavioral Markers to Improve Diagnosis and Patient Experience for Psychogenic Nonepileptic Seizures. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. *Letter of intent* submitted May 2015, full proposal invited and submitted August 2015 (ultimately not funded). Role: ASU PI (Mayo Clinic PI: Dr. Kristin Kirlin). \$50,000 requested.

Testing Mechanisms of Emotion Regulation in Psychogenic Nonepileptic Seizures. Institute for Mental Health Research. Submitted February 2015. Role: PI. \$20,000 requested.

Applying Affective Science Technologies to Improve Management and Healthcare Delivery for Patients with Psychogenic Nonepileptic Seizures. Arizona State University and Mayo Clinic Partnership for Collaborative Research Seed Grant Program. Submitted August 2014. Role: ASU PI (Mayo Clinic PI: Dr. Kristin Kirlin). \$40,000 requested.

OTHER FUNDING SUBMISSIONS

Threatened Scholars Initiative – Nomination of Russian scholar applying to relocate to Arizona State University. \$70,000 requested for residence. Application submitted April 16, 2022. (No funder organization response.)

INVITED ACADEMIC COLLOQUIA, TALKS, AND PANELS

External Invited Colloquia

International

Roberts, N.A. (2014, March). *Approaching PNES with Emotion: A Scientific Understanding of Emotion in PNES*. Invited presentation to the Department of Neurology, University of Sheffield and Royal Hallamshire Hospital, Sheffield, United Kingdom.

Roberts, N.A. (2013, November). *Mechanisms of PNES: Somatization, Dissociation, and Emotion*. Invited address to the Third Annual National (Denmark) Meeting on Psychogenic Non-epileptic Seizures, Copenhagen, Denmark.

National

Roberts, N.A. (2023, February). *What do functional neurological disorders teach us about emotion – and vice-versa?* Invited Grand Rounds for the Department of Psychiatry, Tufts Medical Center.

Roberts, N.A. (2022, January). *Why Get Emotional? Understanding Emotion-related Mechanisms of Functional Neurological Disorders*. Invited Grand Rounds for the Department of Psychiatry, University of California, San Francisco, CA.

Roberts, N.A. (2021, October 9th). *Why Get Emotional? Avoiding and expressing emotions in functional neurological disorders*. Invited research presentation for symposium panel, “Functional Seizure (FS) Research - Where are we now? Where do we hope to be?” 2021 Virtual Non-epileptic / Functional Seizure Conference. <https://fndhope.org/usa/seizureconference2021/>

Roberts, N.A. (2020, December). *Should biology inform the name?* Invited 90-second comments followed by discussion for a panel (Organizer: B. Dworetzky; Moderator: D. Perez), What’s in a name: International moderated discussion with many points of view regarding the name(s) of seizure variant FND," webinar jointly hosted by the American Epilepsy Society (AES) and the AES Psychogenic Nonepileptic Seizure Special Interest Group (PNES SIG). <https://www.fndsociety.org/fnd-education/dec3-webinar-material>

Roberts, N.A. (2018, September). *Culture, stress, and emotional processing in PNES*. Invited talk for a panel, Predisposing and Exacerbating Emotional Factors (Moderator W. Nassif). Generating a Research Agenda in Functional Neurological Disorders, Emory Center for Ethics, Atlanta, GA.

Roberts, N.A. (2012, December). *New insights into the neurobiological underpinnings of psychogenic nonepileptic seizures (PNES): An emotion perspective*. Invited address to the PNES Special Interest Group of the American Epilepsy Society, 66th Annual Meeting, San Diego, CA.

Roberts, N.A. (2004, February). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, University of Wisconsin-Milwaukee, Milwaukee, WI.

Roberts, N.A. (2004, January). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, The Pennsylvania State University, State College, PA.

Roberts, N.A. (2004, January). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Department of Psychology, Harvard University, Cambridge, MA.

Roberts, N.A. (2002, November). *The impact of ethnicity on emotional reactions during films*. Invited colloquium for the Department of Psychology, Stanford University, Stanford, CA.

Roberts, N.A. (2002, April). *The impact of ethnicity on emotional reactions during films*. Invited colloquium for the Department of Psychology, University of California, Davis, CA.

Werner, K.H. & **Roberts, N.A.** (2001, November). *Emotional reactivity and understanding in Frontotemporal Dementia*. Invited grand rounds colloquium, Memory and Aging Clinic, University of California, San Francisco, CA.

Local

Roberts, N.A. (2025, December). *Understanding Functional (Psychogenic Non-epileptic) Seizures*. Invited presentation for the Neuropsychology Resident Seminar, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2023, November). *Functional (psychogenic non-epileptic) seizures: Where socioemotional (dys)regulation fits in*. Invited presentation for the Neuropsychology Resident Seminar, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2022, May). *Why Get Emotional? Understanding Emotion-related Mechanisms of Functional Neurological Disorders*. Invited presentation for the Neuropsychology Fellowship Seminar, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2019, July). *Emotion, Culture, and Relationships*. Invited presentation for the Psychology Education Series, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2019, February). *Psychogenic Nonepileptic Seizures: Ruling-in Emotion*. Invited presentation for the Neuropsychology Colloquium, Veterans Healthcare Administration, Phoenix, AZ.

Roberts, N.A. (2014, December). *Psychogenic Nonepileptic Seizures*. Invited Neuropsychology Grand Rounds, Barrow Neurological Institute, Phoenix, AZ.

Roberts, N.A. (2009, February). *The role of emotion in nonepileptic seizures*. Invited colloquium for the Epilepsy Research Conference, St. Joseph's Hospital, Phoenix, AZ.

Internal Invited Colloquia (ASU)

Roberts, N.A. (2025, August). More than meets the eye: A look into emotion and “functional seizures.” Colloquium for AZX (Mandarin Pathway) Psychology Forum, Arizona State University, Phoenix, AZ.

Roberts, N.A. (2024, October). Panelist, Collaborative Research Lightning Rounds, Mayo Clinic and ASU Alliance for Health Care: 2024 “Giants among Us,” Arizona State University (Health Futures Center), Phoenix, AZ.

Roberts, N.A. (2023, September). Panelist, Collaborative Research Lightning Rounds, Mayo Clinic and ASU Alliance for Health Care: “Giants among Us,” Arizona State University (Health Futures Center), Phoenix, AZ.

Roberts, N.A. (2021, November). *Why get emotional? Avoiding and expressing emotions in functional neurological disorders*. Colloquium for the School of Social and Behavioral Sciences - Psychology Program Brownbag Series, Arizona State University, Glendale, AZ.

Roberts, N.A. & *Stowers, M. (2017, November). *Impostor Phenomenon*. Invited for the New College of Interdisciplinary Arts and Sciences Teaching Innovation and Excellence (“TIE”) workshop, Arizona State University, Glendale, AZ.

Roberts, N.A. (2016, October). *What are Psychogenic Non-epileptic Seizures? An Emotion Research Perspective*. Invited colloquium for the Behavioral Neuroscience program, Arizona State University, Tempe, AZ.

Burleson, M.H. & **Roberts, N.A.** (Shared first-authorship) (2015, March). *Emotion, stress, and affection in couples: Conflict, kissing, and co-regulation*. Invited colloquium for the School of Social and Behavioral Sciences, Arizona State University, Glendale, AZ.

Roberts, N.A. (2014, November). *It’s all in your head: Using emotion and neuroscience to understand psychogenic nonepileptic seizures*. Invited colloquium for the New College of Interdisciplinary Arts and Sciences (New College Faculty Research Colloquium), Arizona State University, Glendale, AZ.

Roberts, N.A. (2014, October). *Studying emotion: From seizures to culture*. Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

Roberts, N.A. (2009, November). *What does stress do to emotion?* Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

Roberts, N.A. *Promoting well-being through effective emotion regulation*. (2009, February). Invited address to the Building Healthy Lifestyles annual conference, Arizona State University, Phoenix, AZ.

Roberts, N.A. (2007, December). *Emotional ups and downs: Cultural, biological, & day-to-day forces that shape emotion*. Invited colloquium for the Counseling Psychology program, Arizona State University, Tempe, AZ.

INVITED INDUSTRY (CORPORATE) AND COMMUNITY TALKS

International

Roberts, N.A. (2014, February). *How "gefühle" can lead the way: Research on emotion, scent, and consumer behavior*. Invited presentation, Research and Development, Henkel AG & Co. KGaA, Düsseldorf, Germany.

Local

Roberts, N.A. (2024, November). *Leveraging emotion and social relationships for human performance*. Venture Café, Phoenix, AZ.

Roberts, N.A. (2015, November). *What are psychogenic nonepileptic seizures?* Invited presentation, Adult Epilepsy Seminar hosted by the Epilepsy Foundation of Arizona, Phoenix, AZ.

Roberts, N.A. (2008, June). *What can emotion tell us about consumer behavior?* Invited presentation to the Research and Development, Business, and Sales Teams, The Dial/Henkel Corporation, Scottsdale, AZ.

Roberts, N.A. (2007, July). *Marketing to human behavior and physiology.* Invited presentation to the Personal Care Management Team, The Dial/Henkel Corporation, Scottsdale, AZ.

Roberts, N.A. (2007, February). *Feeling is believing: The science of emotion in everyday life.* Invited colloquium for the Center for Innovation “Dial University” Colloquium Series, The Dial/Henkel Corporation, Scottsdale, AZ.

CONFERENCE PRESENTATIONS

PAPERS PRESENTED (refereed)

Carpenter, S.M. & **Roberts, N.A.** (accepted to be presented 2026, July). *Precision Emotion and Affective Context (PEAC) Process Model: A Theoretical Framework for Creating the Affective Circumstances that Promote Engagement.* Individual talk to be presented at the annual meeting of the International Society for Research on Emotion (ISRE), Brisbane, Australia.

*Newton, N., **Contreras, E., **Roberts, N.A.**, & Burleson, M.H. (2024, Sep). *Machine learning classification of emotion language to distinguish patients with functional seizures from trauma controls.* CyberPsychology, CyberTherapy, and Social Networking conference, Tempe, AZ. (Also invited, peer-reviewed, and published as a full paper.)

Marken, C., **Roberts, N.A., Burmeister, L., & Johnson, S.L. (2023, May). *Association of marital quality with mental health in police wives.* Paper presented in symposium on Relationship Maintenance/Satisfaction at the International Association for Relationship Research Mini-Conference on Resilience in Interpersonal and Social Environments, Phoenix, AZ.

Burleson, M.H., **Roberts, N.A.**, & Soto, J.A. (2017, January). *Social emotion regulation through touch?* In L. Eldesouky & T. English (Chairs) You're not alone: How social factors shape emotion regulation. Paper presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

Soto, J.A., Lee, E., & **Roberts, N.A.** (2015, October). *Convergence in feeling, divergence in physiology: Consequences of disgust amplification and suppression among European Americans and Asian Americans.* In M. Shiota & L. Gatzke-Kopp (Chairs) Equal, but not the same: Why participant diversity matters in the study of physiology-behavior associations. Paper presented at the annual meeting of the Society for Psychophysiological Research, Seattle, WA.

Roberts, N.A. (2014, March). *Converging experimental evidence for neurobiological and emotion-related mechanisms in psychogenic nonepileptic seizures.* In S. Howlett (Chair) Psychogenic nonepileptic seizures: Neurological, psychological, and psychotherapeutic perspectives. Paper presented at the annual meeting of the European Society for Trauma and Dissociation, Copenhagen, Denmark.

Roberts, N.A. (2010, March). *What can trauma teach us about stress and emotion?* In M.L. Newman & N.A. Roberts (Chairs) Sweating the small stuff?: Emotion, stress, and health in everyday life. Paper presented at the annual meeting of the American Psychosomatic Society, Portland, OR.

*Zamora, A.D., Miller, P.A., **Roberts, N.A.**, Burlison, M.H., Tinsley, B., *Weber, D.J., *Pugliese, J., & Bernal, A.M. (2009, April). *Parents' socialization of child coping during natural disasters: Similarities and differences across wildfires and tornadoes*. In B. Tinsley (Chair) Parents' socialization of children's responses during disasters. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.

Roberts, N.A. (2008, October). *Emotional functioning in epilepsy and nonepileptic seizure disorder*. In N.A. Roberts (Chair) Patients are a virtue: What studies of clinical and neurological patients reveal about physiological mechanisms of emotion. Paper presented at the annual meeting of the Society for Psychophysiological Research, Austin, TX.

Roberts, N.A. (2008, May). *Cultural background interacts with social context in influencing emotional responding*. In I.B. Mauss (Chair) Culture and Emotion: Beyond Group Differences. Symposium presented at the annual meeting of the Association for Psychological Science, Chicago, IL.

*Weber, D.J. & **Roberts, N.A.** (2008, February). *Executive support for emotion regulation: Effortful control or cognitive flexibility?* In M.N. Shiota (Chair) Keep Your Cool, or Keep it Real?: Moving Beyond Effortful Control in Emotion Regulation Research. Symposium presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.

*Turner, L.B., *Manos, R.C., *Rusch, L.C., **Roberts, N.A.** & Kanter, J.W. (2007, May). *An application of FAP enhanced behavioral activation (FEBA) to non-clinical relationship difficulties*. In A. Busch (Chair) New Advances in Behavioral Activation. Symposium presented at the annual meeting of the Association for Behavior Analysis, San Diego, CA.

Roberts, N.A. (2006, April). *The Emotional Impact of Media Images: Does Ethnic Match Matter?* Paper presented at the annual University of Wisconsin System Institute on Race and Ethnicity conference, Milwaukee, WI.

Roberts, N.A. (2002, October). *Who we are and who we watch: The impact of ethnicity on emotional reactions during films*. In J.L. Tsai (Chair) What has psychophysiology revealed about ethnicity and emotion? Paper presented at the annual meeting of the Society for Psychophysiological Research, Washington DC.

FLASH TALKS PRESENTED (refereed)

*Alany, H., **Roberts, N.A.**, & Carpenter, S.M. (2026, March). Individual differences in affective forecasting: Correlational evidence from trauma and rumination. Flash talk presented at the annual meeting of the Society for Affective Science, Pittsburgh, PA.

Contreras, E., *Newton, N., **Roberts, N.A., & Burlison, M.H. (2024, March). What do “non-emotional behaviors” say about emotion? Behavioral responses to reliving emotions in those with functional seizures and traumatic stress. Flash talk presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

POSTERS PRESENTED (refereed)

2026

*Newton, N., **Shafer, A., **Dopke, C., **Talic, M., **Page, J., & **Roberts, N.A.** (2026, March). Thematic analysis of verbal descriptions produced by functional seizure patients compared to trauma

controls during a relived emotions task. Poster presented at the Clinical Affective Science Preconference for the annual meeting of the Society for Affective Science, Pittsburgh, PA.

*Cole, K., **Shafer, A., *Hoti, L., *Villarreal, L.D., Burluson, M.H., & **Roberts, N.A.** (2026, March). Role of emotion regulation and emotional awareness in romantic partners' perceptions of functional (non-epileptic) seizure impact. Poster presented at the annual meeting of the Society for Affective Science, Pittsburgh, PA.

*Pandya, M., **Roberts, N.A.**, Kosie, J., & Burluson, M.H. (2026, March). Embodied emotion: Spatial representations of emotion differ among Asian-, Latine-, and European-Americans. Poster presented at the March 2026 meeting of the Society for Affective Science, Pittsburgh, PA.

*Pandya, M., **Roberts, N.A.**, & Kosie, J. (2026, March). Talking to the self: Links to dialogic inner speech, self-regulation, and emotion in autism. "New Idea" poster presented at the March 2026 meeting of the Society for Affective Science, Pittsburgh, PA.

Carpenter, S.M. & **Roberts, N.A.** (2026, March). Precision Emotion and Affective Context (PEAC) Process Model: A Theoretical Framework for Creating the Affective Circumstances that Promote Engagement. Poster presented at the March 2026 meeting of the Society for Affective Science, Pittsburgh, PA. (Also to be presented as a talk at the International Society for Research on Emotion in July 2026.)

2025

Shafer, A., **Roberts, N.A., *Newton, N.N., **Contreras, E., & Burluson, M.H. (2025, October). How are autonomic physiology and emotional behavior linked in functional seizures? Poster presented at the annual meeting of the Society for Psychophysiological Research, Montreal, QC.

*Jagirdhar, N., Chiou, E., *Newton, N. N., **Roberts, N.A.**, Coon, D., Zhao, M., *Valera, J., **Monroe, K., *Helm, C., *Harsoor, V., *Dhulipala, S., & *Contreras, E. (2025, April). Understanding information management and technology use among older veterans in Arizona: A focus group study. Poster presented at the International Symposium on Human Factors and Ergonomics in Health Care, Toronto, Canada.

*Newton, N.N., **Roberts, N.A.**, **Dopke, C., & Burluson, M.H. (2025, March). Examining somatic feelings, physiological arousal, and emotional intensity for a relived emotion task among functional seizure individuals and trauma controls. Poster presented at the annual meeting of the Society for Biopsychosocial Science and Medicine, Seattle, WA.

*Tsytsurina, A., *Suciu, J., Nelson-Coffey, K., Hall, D.L., Burluson, M.H., & **Roberts, N.A.** (2025, March). Cultural norms and emotion concepts as paths to encourage help-seeking. Poster presented at the annual meeting of the Society for Affective Science, Portland, OR.

*Alany, H., **Roberts, N.A.**, & Carpenter, S.M. (2025, March). Understanding individual differences underlying affective forecasting: The role of trauma exposure and rumination. Poster presented at the Clinical Affective Science preconference of the annual meeting of the Society for Affective Science, Portland, OR.

*Pandya, M., **Roberts, N.A.**, & Burluson, M.H. (2025, March). Mapping emotion: Cultural differences in spatial representation and valuation of discrete emotions. New ideas poster presented at the annual meeting of the Society for Affective Science, Portland, OR.

*Durka, M., *Newton, N., *Suciu, J., *Batista, A., *Barragan, N., *Sachs, S., *Tsyturina, A., **Roberts, N.A.**, & Burleson, M.H. (2025, March). Detecting suicidal ideation among LGBTQ+ individuals: Comparing machine learning models. Poster presented at the Clinical Affective Science preconference of the annual meeting of the Society for Affective Science, Portland, OR.

*Sachs, S., **Roberts, N.A.**, Burleson, M.H., *Durka, M., *Suciu, J., *Batista, A., *Barragan, N., & *Newton, N. (2025, March). Interoceptive awareness, touch, and affect regulation in LGBTQ+ couples. Poster presented at the annual meeting of the Society for Affective Science, Portland, OR.

*Daltilio, A., **Roberts, N.A.**, & Burleson, M.H. (2025, March). Exploring the hidden world of intimacy, attachment, touch, and well-being in asexual individuals. Poster presented at the annual meeting of the Society for Affective Science, Portland, OR.

*Newton, N. N., **Contreras, E., **Monroe, K., *Jagirdhar, N., **Larrazolo, Z., **Dopke, C., *Helm, C., Coon, D., Chiou, E., **Roberts, N.A.**, & Zhao, M. (2025, February). Technology attitudes and health: Insights from older U.S. military veterans. Poster presented at the Health Preconference of the Annual Meeting of the Society for Personality and Social Psychology, Denver, CO.

2024

Bushnell, M.L., **Lopez, A., **Roberts, N.A.**, & Burleson, M.H. (2024, June). Brain Boosters: Preliminary effectiveness of a virtual brain health lifestyle intervention for veterans seeking to improve memory. Poster presented at the annual meeting of the American Academy of Clinical Neuropsychology, Scottsdale, AZ.

*Suciu, J., *Barragan, N., **Sarraf, Y., **Roberts, N.A.**, & Burleson, M.H. (2024, March). Self-control and police officers: What role do negative affect and mental health play in the path to perceived officer self-control? Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

Sarraf, Y., *Suciu, J., *Barragan, N., **Roberts, N.A., & Burleson, M.H. (2024, March). To protect and serve: The relationship between police officer guardian vs. warrior motivations and emotional exhaustion. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Newton, N., **Contreras, E., *Durka, M., **Roberts, N.A.**, & Burleson, M.H. (2024, March). Avoiding words, avoiding feelings? Examining relived negative emotion task difficulty and use of emotion words. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Verdugo, K., *Sioni, S., **Roberts, N.A.**, & Burleson, M.H. (2024, March). Guilt, shame, individualism, and collectivism: Associations with affectionate touch in romantic relationships. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Zheng, X., **Roberts, N.A.**, Hall, D.L., & Burleson, M.H. (2024, March). Exploring self- and interpersonal emotion regulation strategies in the association between romantic relationships and well-being: Comparing European Americans vs. Asians. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Durka, M., *Newton, N., *Sioni, S., **Roberts, N.A.**, & Burleson, M.H. (2024, March). Avoidant attachment style and cognitive behavioral avoidance: Association with touch dissatisfaction in romantic relationships. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Sachs, S., **Roberts, N.A.**, & Burlison, M.H. (2024, March). *More is not always better: Touch attitudes and relationship satisfaction*. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Suciu, J., *Barragan, N., **Roberts, N.A.**, Hall, D., & Burlison, M.H. (2024, March). Family conflict and positive affect during the Covid-19 Pandemic. Poster presented at the annual meeting of the Society for Affective Science, New Orleans, LA.

*Barragan, N., *Suciu, J., **Roberts, N.A.**, & Hall, D. (2024, March). The role of positive affect in touch behaviors and thriving during the Covid-19 pandemic. Poster presented at the 2024 Society for Affective Science Conference, New Orleans, LA.

*Durka, M., **Roberts, N.A.**, Wongsomboon, V., **Quigley, E., & Burlison, M.H. (2024, February). Affectionate non-sexual touch: Associations with sexual orientation, gender, and relationship status. Poster presented at the Sexuality Preconference of the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Sachs, S., **Roberts, N.A.**, & Burlison, M.H. (2024, February). Understanding context: Early touch in adult attachment and relationship satisfaction. Poster presented at the Close Relationships Preconference of the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Suciu, J. & **Roberts, N.A.** (2024, February). How are you? Ethnocultural differences in help-seeking behavior. Poster to be presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Guzelides, A., *Suciu, J., *Barragan, N., *Beesly, K., & **Roberts, N.A.** (2024, February). Investigating the role of shame and culture on help-seeking behavior in a cross-cultural sample. Poster to be presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

2023

*Zheng, X., **Roberts, N.A.**, *Villarreal, L.D., *Ku, E., & Burlison, M.H. (2023, March/April). Can affect regulation via physical touch benefit interoceptive awareness among patients with psychogenic non-epileptic seizures? Poster presented at the annual meeting of the Society for Affective Science, Long Beach, CA.

*Suciu, J., **Roberts, N.A.**, **Paranjpe, T., **Lin, A., **Ranjan, A., *Sim, S., Duran, N., Burlison, M.H., & Zhao, M. (2023, March/April). Sleep disruption: A potential "threat" to police officer recruits' emotion regulation. Poster presented at the annual meeting of the Society for Affective Science, Long Beach, CA.

- Selected for poster spotlight and for long abstract to be published in *Affective Science*.

*Barragan, N., Hall, D., *Suciu, J., & **Roberts, N.A.** (2023, March/April). A longitudinal analysis of the role of computer-mediated communication in positive affect and thriving during the Covid-19 pandemic. Poster presented at the Positive Emotion Preconference of the annual meeting of the Society for Affective Science, Long Beach, CA.

2022

*Munson, A.A., Burgess, L., Gress-Smith, J.L., Kothari, D., **Roberts, N.A.**, & Davis, M. (2022, April). Feasibility of MINT: A mindfulness intervention via telephone for chronic pain and depression in Veterans. Poster presented at the annual meeting of the Society of Behavioral Medicine, Baltimore, MD.

*Kanga, N., *Ku, E., *Munson, A., *Villarreal, D., Burleson, M.H., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2022). Does Valuing Emotion Control Translate into Emotion Control? Suppression and Avoidance in Individuals with Functional Seizures. Poster presented at the annual meeting of the Society for Affective Science.

2021

*Munson, A.A., Burleson, M.H., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2021). Feeling the absence of touch: Affect regulation during COVID-19. Poster presented at the annual meeting of the Society for Affective Science.

Charles, C., **Roberts, N.A., Burleson, M.H., Bhargava, M., Naeem, K., & Porter, R. (virtual presentation due to COVID-19, April 2021). Assessing neurocognitive deficits in pre-neurosurgery patients: The role of affective influence in consent. Poster presented at the annual meeting of the Society for Affective Science.

2020

Smith, J.G., Borowa, D., Tran, Y., Arizmendi, B., Rossetto, A., **Miller, S., Patterson, S., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2020). Cognitive behavioral therapy for chronic pain in a primary care setting: Implementation and possible effects on opioid use among Veterans. Poster presented at the annual meeting of the Society of Behavioral Medicine (original location: San Francisco, CA).

*Villarreal, L.D., **Charles, C., *Moore, T., **Rolen, N., **Roberts, N.A.** & Burleson, M.H. (virtual presentation due to COVID-19, April 2020). Emotional awareness and physical affection among individuals with posttraumatic stress and psychogenic seizures. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

*Burnett, A., **Woodward, C., *Burmeister, L., **Lwin, K., **Roberts, N.A.**, & Burleson, M.H. (virtual presentation due to COVID-19, April 2020). Specificity of hiding feelings and relationship satisfaction among law enforcement officers. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

Burleson, M.H., **Campbell, B., **Khanna, S., *Schodt, K., Mickelson, K., & **Roberts, N.A.** (virtual presentation due to COVID-19, April 2020). Touch as emotion regulation: A questionnaire to assess social touch as a regulatory process. Poster presented at the annual meeting of the Society for Affective Science (original location: San Francisco, CA).

2019

*Burmeister, L., *Moore, T., *Ornelas, D., *Thibault, S., Little, J., Burleson, M.H., & **Roberts, N.A.** (2019, March). Do emotion control values hinder law enforcement officers from seeking mental health services? Emotion control values and mental health care stigma. Poster presented at the annual meeting of the Society for Affective Science, Boston, MA.

2018

*Thibault, S., **Roberts, N.A.**, Burleson, M.H., *Duncan, C.J., Blais, C., Brewer, G.A., & Cohen, A.B. (2018, October). Autonomic arousal and investment based on perceived religious group affiliation and commitment. Poster presented at the annual meeting of the Society for Psychophysiological Research, Quebec City, Quebec.

Burleson, M.H., *Duncan, C.J., *McAfee, A., **Roberts, N.A.**, & Duran, N. (2018, October). Hearts seated together beat together: IBI synchrony in couples during touch and talk. Poster presented at the annual meeting of the Society for Psychophysiological Research, Quebec City, Quebec.

*Ornelas, D., *Burmeister, L., **Roberts, N.A.**, Burleson, M.H., & *Fakhouri, A. (2018, May). Emotion regulation and the role of physical affection among police couples. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

Gress Smith, J.L., Arnold, C., **Roberts, N.A.**, *Hurd, J., & Bushnell, M. (2018, April). Neuroendocrine dysregulation in OEF/OIF/OND Veterans with traumatic brain injury. Poster presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.

*Schmitt, M., *Thibault, S., Burleson, M.H., & **Roberts, N.A.** (2018, March). Emotion regulation repertoire: Which strategies drive mental health? Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, Atlanta, GA.

*Thibault, S., *Schmitt, M., Burleson, M.H., **Roberts, N.A.**, *Northover, S., *Wingert, K., *Ellis, D., Blais, C., Brewer, G.A., & Cohen, A.B. (2018, March). The influence of emotional experience on trust decisions. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, Atlanta, GA.

2017

*Hurd, J. A., **Roberts, N. A.**, & Burleson, M.H. (2017, November). Trauma through touch: Perceived control and attitudes about touch in intimate relationships. Poster presented at the annual meeting of the International Society for Traumatic Stress Studies, Chicago, IL.

*Knizek, O., *Pope, M., **Roberts, N.A.**, Burleson, M.H., & Meân, L. (October, 2017). Rape myth acceptance positively correlated with participation level in sport. Poster presented at the annual meeting of the Association for Applied Sport Psychology, Orlando, FL.

*Knizek, O., **Roberts, N.A.**, & Burleson, M.H. (2017, April). Where's the connection? Emotional intensity and connection to emotional experience in psychogenic nonepileptic seizures and trauma. Poster presented at the annual meeting of the Western Psychological Association, Sacramento, CA.

*Parkhurst, D.K., *Reynolds, C., Kirlin, K.A., *Duncan, C.J., *Shahid, S., Locke, D., & **Roberts, N.A.** (2017, February). Ability of the Brown Location Test to differentiate right and left temporal lobe epilepsy: Replication in an epilepsy monitoring unit sample. Poster presented at the annual meeting of the International Neuropsychology Society, New Orleans, LA.

*Reynolds, C., Locke, D., *Duncan, C.J., *Parkhurst, D.K., *Shahid, S., Kirlin, K.A., & **Roberts, N.A.** (2017, February). Predictive factors of alexithymia in epilepsy and psychogenic nonepileptic seizures. Poster presented at the annual meeting of the International Neuropsychology Society, New Orleans, LA.

*Knizek, O., **Roberts, N.A.**, & Burleson, M.H. (2017, January). The emotional hidden in the non-emotional: What a relived emotions task reveals about patients with psychogenic seizures. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, San Antonio, TX.

*Schmitt, M., *Rosenbusch, K., **Fakhouri, A., Burleson, M.H., & **Roberts, N.A.** (2017, January). More than meets the mind: The relationship between emotions in dreaming and in waking. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, San Antonio, TX.

*Billingsley, S.T. & **Roberts, N.A.** (2017, January). I Facebook, therefore I am: The role of technology mediated communication in social avoidance, conveying emotion, and loneliness. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, San Antonio, TX.

*Schultz, M., *Duncan, C.J., Burlison, M.H., & **Roberts, N.A.** (2017, January). Reappraisal moderates the relationship between childhood affection and perceived stress. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, San Antonio, TX.

*Duncan, C.J., *McAfee, A., **Roberts, N.A.**, & Burlison, M.H. (2017, January). Ethnic differences in attitudes about touch. Poster presented at the annual Society for Personality and Social Psychology Nonverbal Behavior Preconference, San Antonio, TX.

*Pope, M.M., *Gaytan, J., Hall, D., **Roberts, N.A.**, & Burlison, M.H. (2017, January). Menopause: What do men think? Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

*Schellenger, K.E., *Hurd, J.A., *Gaytan, J.A., *Sioni, S.R., **Roberts, N.A.**, & Burlison, M.H. (2017, January). Relationship between depressive symptoms and touch attitudes in women reporting childhood abuse. Poster presented at the annual meeting of the Society for Personality and Social Psychology Emotion Pre-Conference, San Antonio, TX.

2016

*Duncan, C.J., *Parkhurst, D.K., **Roberts, N.A.**, & Burlison, M.H. (2016, November). It matters to husbands: Spousal touch avoidance moderates the effects of touch on RSA responses to laboratory stress. Poster presented at the annual meeting of the Society for Social Neuroscience, San Diego, CA.

*Shahid, S., **Roberts, N.A.**, & Burlison, M.H. (2016, November). Spousal touch during sleep: Better sleep unless you're anxiously attached? Poster presented at the annual meeting of the Society for Social Neuroscience, San Diego, CA.

*Reynolds, C., Locke, D., *Parkhurst, D.K., *Duncan, C.J., *Shahid, S., Kirlin, K.A., & **Roberts, N.A.** (2016, June). Understanding alexithymia and neuropsychological functioning in epilepsy and psychogenic nonepileptic seizures. Poster presented at the annual meeting of the American Academy of Clinical Neuropsychology, Chicago, IL.

*Thrall, J., *Reynolds, C., **Roberts, N.A.**, & Burlison, M.H. (2016, May). Physical affection helps regulate affect. Poster presented at the annual meeting of the Association for Psychological Science, Chicago, IL.

*Reynolds, C., *Velez-Bermudez, M., *Thrall, J., *Pope, M., *Parkhurst, D., *Duncan, C.J., **Roberts, N.A.**, & Burlison M.H. (2016, January). Dysfunctions in emotional processes in psychogenic nonepileptic seizures. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Velez-Bermudez, M., *Reynolds, C., *Delgado, K., *Parkhurst, D., *Duncan, C.J., *Schultz, M., **Roberts, N.A.**, & Burlison, M.H. (2016, January). Attachment style predicts patient-doctor satisfaction among non-epileptic seizure patients. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Duncan, C. J., **Roberts, N.A.**, & Burlison, M.H. (2016, January). The relationship between sleep quality and couples' affectionate touch mediated by daily mood. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, San Diego, CA.

*Shahid, S., *Duncan, C.J., *Wongsomboon, S., **Fakhouri, A., *Velez-Bermudez, M., **Roberts, N.A.**, & Burlison M.H. (2016, January). Attachment anxiety, depressed affect, and spousal touch during sleep. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, CA.

*Pope, M.M., Burlison, M.H., Klippenstine, M.A., & **Roberts, N.A.** (2016, January). Play the game: Athletes and sexual assault. Poster presented at the annual convention of Society for Personality and Social Psychology Law and Psychology Preconference, San Diego, CA.

2015

*Wongsomboon, S., *Zhou, T., **Phrasavath, L., **Roberts, N.A.**, & Robles, E. (2015, November). Women's attractiveness as a negative predictor of their perceived STI risk: A cross-cultural study with Thai male youth offenders and American male college students. Poster presented at the annual meeting of the Society for the Scientific Study of Sexuality, Albuquerque, NM.

*Wongsomboon, S., *Parkhurst, D., Robles, E., Burlison, M.H., & **Roberts, N.A.** (2015, November). The influence of sexual partner's physical attractiveness outweighs perceived STI Risk in sexual decision-making. Poster presented at the annual meeting of the Society for the Scientific Study of Sexuality, Albuquerque, NM.

*Duncan, C. J., *Rosenbusch, K., *Parkhurst, D., *Reynolds, C., *Wongsomboon, S., *Foster, L., *Velez-Bermudez, M., *Hanna, R., **Roberts, N. A.**, & Burlison, M. H. (2015, September 30). Perceived childhood affection moderates touch effects on RSA responses after marital interaction. Poster presented at the annual meeting of the Society for Psychophysiological Research, Seattle, WA.

*Parkhurst, D., *Duncan, C.J., *Rosenbusch, K., *Foster, L., *Reynolds, C., *Wongsomboon, S., Burlison, M.H., & **Roberts, N.A.** (2015, October). Attachment moderates the influence of positive interactions on RSA responses to laboratory stress. Poster presented at the annual meeting of the Society for Psychophysiological Research, Seattle, WA.

*Bryant, V., *Duncan, C.J., *Hermosillo, L., **Roberts, N.**, & Burlison, M. (2015, February). Are relationships good for regulation? Emotion regulation and relationship status among patients with seizure disorders. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, Long Beach, CA.

Phrasavath, L., *Duncan, C.J., **Roberts, N.A., & Burlison, M.H. (2015, February). Promoting emotion regulation through affectionate touch. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, Long Beach, CA.

*Kiss, A., *Duncan, C.J., **Roberts, N.A.**, & Burlison, M.H. (2015, February). How does your spouse make you "feel": A look into spousal positive affect and somatization. Poster presented at the annual Society for Personality and Social Psychology Emotion Preconference, Long Beach, CA.

2014

Bushnell, M., Goren, K., *Hoffman, N., *Hermosillo, L., *Walter, C., **Harty, A., *Powell, K., & **Roberts, N.A.** (2014, November). Brain Boosters: A cognitive enhancement program for treating functional memory complaints in the veteran population. Poster presented at the annual meeting of the National Academy for Neuropsychology, Puerto Rico.

*Bryant, V.A., *Hermosillo, L., *Rosenbusch, K., **Roberts, N.A.**, & Burleson, M.H. (2014, November). Implications of emotion regulation difficulties among individuals with seizure disorders. Paper presented at the annual conference for the Social Psychologists of Arizona, Phoenix, AZ.

Phrasavath, L., **Fakhouri, A., *Wongsomboon, S., *Hermosillo, L., **Roberts, N.A., & Burleson, M.H. (2014, November). Touchy-feely: Relationships among cultural perceptions of touch, ethnic experiences, and social connection. Poster presented at the annual conference for Social Psychologists of Arizona, Phoenix, AZ.

*Swanson, H.D., *Schellenger, K., *Hermosillo, L., **Roberts, N.A.**, Burleson, M.H., (2014, November). Alexithymic characteristics and physical affection during childhood as predictors of current attitudes about touch in married couples. Poster presented at the annual conference for Social Psychologists of Arizona, Phoenix, AZ.

*Parkhurst, D., *Duncan, C.J., *Rosenbusch, K., **Torres, D., *Hermosillo, L., *Barker, M., *Bryant, V., Burleson, M.H., & **Roberts, N.A.** (2014, September). Respiratory sinus arrhythmia predicts emotional experience while reliving anger, happiness, and shame. Poster presented at the annual meeting of the Society for Psychophysiological Research, Atlanta, GA.

*Flores, M.A., *Swanson, H., **Roberts, N.A.**, & Burleson, M.H. (2014, February). Sleeping together: Marital satisfaction and the social context of sleep. Poster presented at the annual Society for Personality and Social Psychology Happiness and Well-Being Preconference, Austin, TX.

****Byrd, D.T., Schaefer, P., & Roberts, N.A.** (2005, November). Racial differences in reporting prejudice on explicit and implicit measures. Poster presented at the annual National McNair Research Conference and Graduate School Fair, Delavan, WI.

2004

Persons, J.B., Roberts, N.A., Zalecki, C.A., & Brechwald, W. (2004, November). Naturalistic outcome of case formulation-driven cognitive-behavior therapy for anxious depressed outpatients. Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

Roberts, N.A., Levenson, R. W., & Gross, J. J. (2004, October). Physiological costs of emotional suppression cross ethnic lines. Poster presented at the annual meeting of the Society for Psychophysiological Research, Santa Fe, NM.

2002

Pole, N., Roberts, N.A., Taylor, W., Odera, L., & Levenson, R.W. (2002, October). Cinema and psychopathology: The relationship between general psychiatric distress and responses to emotion-eliciting films. Poster presented at the annual meeting of the Society for Psychophysiological Research, Washington DC.

Werner, K.H., **Roberts, N.A.**, Beer, J.S., Levenson, R.W., Rosen, H.J., & Miller, B.L. (2002, October). The role of the ventromedial prefrontal cortex in emotional reactivity and anticipation. Poster presented at the annual meeting of the Society for Psychophysiological Research, Washington DC.

2001

Roberts, N.A., Levens, S.M., McCoy, K., Werner, K.H., Beer, J.S., Scabini, D., Knight, R.T., & Levenson, R.W. (2001, November). Orbitofrontal cortex and activation of defensive responses. Poster presented at the annual meeting of the Society for Neuroscience, San Diego, CA (also appearing in the Society for Neuroscience Abstracts, 27(2), 1705).

Beer, J.S., **Roberts, N.A.**, Werner, K.H., Beer, J.S., Scabini, D., Levenson, R.W., & Knight, R.T. (2001, November). Orbitofrontal cortex and self-conscious emotion. Poster presented at the annual meeting of the Society for Neuroscience, San Diego, CA (also appearing in the Society for Neuroscience Abstracts, 27(2), 1704).

Roberts, N.A., Werner, K.H., Beer, J.S., Levenson, R.W., Rosen, H.J., Perry, R.J., & Miller, B.L. (2001, October). Cerebral lateralization of emotion in Frontotemporal Dementia. Poster presented at the annual meeting of the Society for Psychophysiological Research, Montreal, QC.

Werner, K., **Roberts, N.A.**, Beer, J.S., Ebling, R., Levenson, R.W., Perry, R.J., & Miller, B.L. (2001, October). Emotional understanding in Frontotemporal Lobar Dementia. Poster presented at the annual meeting of the Society for Psychophysiological Research, Montreal, QC.

Beer, J., **Roberts, N.A.**, Werner, K., Levenson, R.W., Perry, R., & Miller, B. (2001, February). Emotional expression and temporal lobe function. Poster presented at the annual meeting of the Society for Personality and Social Psychology, San Antonio, TX.

2000

Persons, J., **Roberts, N.A.**, & Zalecki, C. (2000, November). Do symptoms of anxiety and depression change together during treatment? Poster presented at the annual meeting of the Association for Advancement of Behavior Therapy, New Orleans, LA.

Roberts, N.A., Flook, L. & Levenson, R.W. (2000, October). More alike than different? The role of ethnicity in emotional responding to films. Poster presented at the annual meeting of the Society for Psychophysiological Research, San Diego, CA.

Kupperbusch, C., **Roberts, N.A.**, McCoy, K., King, A., & Levenson, R.W. (2000, October). Coherence of physiological, behavioral, and self-reported emotional responding to acoustic startle. Poster presented at the annual meeting of the Society for Psychophysiological Research, San Diego, CA.

1998

Roberts, N.A., Uchida, H., & Levenson, R.W. (1998, September). The impact of police job stress on emotional responding during marital interaction. Poster presented at the annual meeting of the Society for Psychophysiological Research, Denver, CO.

Roberts, N.A., Pole, N., Tugade, M., & Levenson, R.W. (1998, August). Cultural differences in emotional responding to simple stimuli. Poster presented at the annual meeting of the American Psychological Association, San Francisco, CA.

Internal Poster and Paper Presentations (subset)

*Pandya, M., **Roberts, N.A.**, Kosie, J., & Burlison, M.H. (2025, November). *Do we all feel “up” and “down” the same?* Cultural differences in embodied spatial emotion. Poster presented at Arizona State University’s Institute for Social Science Research Poster Session. Tempe, AZ.

*Newton, N. N., *Contreras, E., *Monroe, K., *Jagirdhar, N., *Larrazolo, Z., *Dopke, C., *Helm, C., Coon, D., Chiou, E., **Roberts, N.A.**, & Zhao, M. (2025, February). Technology attitudes and health: Insights from older U.S. military veterans. Poster presented at the Arizona State University inaugural Digital Health Summit, Phoenix, AZ.

Also presented at the Health Preconference of the Annual Meeting of the Society for Personality and Social Psychology, Denver, CO in Feb. 2025 (listed above) and at the ASU Resilience in Social Environments internal conference in April 2025, Tempe, AZ.

*Jagirdhar, N., Chiou, E., *Newton, N. N., **Roberts, N.A.**, Coon, D., Zhao, M., *Valera, J., *Monroe, K., *Helm, C., *Harsoor, V., *Dhulipala, S. *Contreras, E. (2025, April). Understanding information management and technology use among older veterans in Arizona: A focus group study. Poster presented at the Arizona State University inaugural Digital Health Summit, Phoenix, AZ.

Also presented at the International Symposium on Human Factors and Ergonomics in Health Care, Toronto, Canada.

*Suciu, J., **Roberts, N.A.**, & Burlison, M.H. (2023, November). *How are you?* Ethnocultural differences in help-seeking behavior. Poster presented at Arizona State University’s Institute for Social Science Research Poster Session. Tempe, AZ.

*Zheng, X., **Roberts, N.A.**, & Burlison, M.H. (2023, November). Exploring self- and interpersonal emotion regulation strategies in the association between romantic relationships and well-being in the post-COVID-19 era: A cross-cultural perspective. Poster presented at Arizona State University’s Institute for Social Science Research Poster Session. Tempe, AZ.

*Zheng, X., **Roberts, N.A.**, *Villarreal, L.D., & Burlison, M.H. (2023, January). Can affect regulation via physical touch benefit interoceptive awareness among patients with psychogenic non-epileptic seizures? Paper presented at the 2nd Annual Arizona State University Resilience in Social Environments (RISE) Conference, Glendale, AZ.

*Suciu, J., **Roberts, N.A.**, *Paranjpe, T., *Lin, Allen., *Ranjan, A., *Sim, S., Duran, N., Burlison, M.H., & Zhao, M. (2023, January). Sleep disruption and emotion regulation with police recruits. Poster presented at the 2nd Annual Arizona State University Resilience in Social Environments (RISE) Conference, Glendale, AZ.

*Schmitt, M., *Thibault, S.A., Burlison, M.H., & **Roberts, N.A.** (2017, November). Emotion regulation strategy repertoire size and its implication for well-being. Poster presented at Arizona State University’s Institute for Social Science Research Poster Session. Tempe, AZ.

*Thibault, S.A., *Schmitt, M., *Ornelas, D., Roberts, N.A., Burlison, M.H., Brewer, G.A., & Cohen, A.B. (2017, November). Psychophysiological correlates of emotion and trust. Poster presented at

Arizona State University's Institute for Social Science Research Poster Session. Tempe, AZ. (Student authors won third place in graduate student poster competition.)

*Hurd, J. A., **Roberts, N.A.**, & Burleson, M.H. (2017, November). What can touch tell? Connection among touch attitudes, relationship quality, and well-being. Poster presented at Arizona State University's Institute for Social Science Research Poster Session. Tempe, AZ.

*Knizek, O., Mean, L., & **Roberts, N.A.** (2017, November). Investigating the role of identity in the retirement from sport in graduating athletes. Poster presented at Arizona State University's Institute for Social Science Research Poster Session. Tempe, AZ. (Student author won an honorable mention award.)

Roberts, N.A., *Knizek, O., & Burleson, M.H. (2017, April). Emotional intensity and connection to emotional experience in psychogenic nonepileptic seizures and trauma. Poster presented at Arizona State University's Institute for Social Science Research Poster Session. Tempe, AZ.

SYMPOSIA CHAIRED (refereed)

Advances in empathy. (2010, January). Symposium presented at the annual Society for Personality and Social Psychology Emotion Preconference, Las Vegas, NV. Role: Chair.

Emotion in social relationships. (2010, January). Symposium presented at the annual Society for Personality and Social Psychology Emotion Preconference, Las Vegas, NV. Role: Chair

Sweating the small stuff?: Emotion, stress, and health in everyday life. (2010, March). Symposium presented at the annual meeting of the American Psychosomatic Society, Portland, OR. Role: Co-Chair.

How do we "transform," "translate," and apply emotion research? (2009, January). Symposium and panel discussion presented at the Society for Personality and Social Psychology Emotion Preconference, Tampa, FL. Role: Chair.

Patients are a virtue: What studies of clinical and neurological patients reveal about physiological mechanisms of emotion. (2008, October). Symposium presented at the annual meeting of the Society for Psychophysiological Research, Austin, TX. Role: Chair.

SPECIALIZED RESEARCH TRAINING

Observational coding of emotion

- Certified in the Facial Affect Coding System (FACS)
- Certified in the Specific Affect Coding System (SPAFF)

Psychophysiological data collection

- Cardiovascular, electrodermal, and thermal indicators of autonomic nervous system activity
- Electromyographic indicators of somatic nervous system activity

Polysomnography

- Sleep recording and sleep staging using electroencephalographic, electromyographic, and electrooculographic indicators

COURSES TAUGHT

2006 – present Arizona State University

Teach two content courses per semester unless release for administrative duties.

Content Courses: Undergraduate level

- PSY 101: Introduction to Psychology
 PSY 325: Introduction to Physiological Psychology
 PSY 366: Psychological Disorders (formerly Introduction to Abnormal Psychology), campus and online (developed course all instructors used during first several years of online program)
 PSY 475: Multicultural Issues in Clinical Psychology (initially PSY 498: Special Topics; also cross-listed as HON 494)
 PSY 484: Supervised Clinical Internship (structured weekly in-person seminar along with instructor-arranged field placements)

Content Courses: Graduate level

- PSY 573: Psychopathology
 PSY 586: Emotion (initially PSY 598: Special Topics: Emotion): campus and online (developed course all instructors use for online program)
 PSY 598: Special Topics: Multicultural Issues in Clinical Psychology

Individualized Instruction: Undergraduate level

- PSY 399: Supervised Research/Individualized Instruction
 PSY 493: Undergraduate Honors Thesis
 PSY 494: Undergraduate Teaching Assistant Experience
 PSY 499: Individualized Instruction

Individualized Instruction: Graduate level

- PSY 592: Graduate Student Research
 PSY 584: Graduate Student Internship
 PSY 599: Graduate Thesis
 MAS 585: Graduate Capstone

STUDENT MENTORING

UNDERGRADUATE

Student Research Assistants

Approximately 5-15 students per semester earning credit or volunteering in the Emotion, Culture, and Psychophysiology research laboratory.

New College Undergraduate Inquiry and Research Experiences (NCUIRE) awards directed:

- | | |
|-------------|---|
| Fall 2025 | Annielaura Shafer, NCUIRE Research Assistantship (\$625 stipend)
<i>Connecting Veterans: Lifestyle Interventions for Emotional, Cognitive, and Social Health</i> |
| Fall 2021 | Yasmine Sarraf, NCUIRE Research Assistantship (\$625 stipend)
<i>Stress, emotion, and decision-making in police officers</i> |
| Fall 2019 | Cara Charles, NCUIRE Research Assistantship (\$625 stipend)
<i>Emotion and decision-making: Neurological and cultural perspectives</i> |
| Spring 2018 | Lauren Mitchell, NCUIRE Research Assistantship (\$625 stipend)
<i>Emotional Behavior in Psychogenic Nonepileptic Seizures</i> |
| Spring 2016 | Linda Foster, NCUIRE Research Assistantship (\$625 stipend)
<i>The impact of beliefs about emotion</i> |

- Spring 2016 Rand Hanna, NCUIRE Research Assistantship (\$625 stipend)
Empathy and touch across cultures
- Fall 2015 Rand Hanna, NCUIRE Research Assistantship (\$625 stipend)
Empathy, culture, & emotional processing
- 2012 – 2013 Siavonh Lenaburg, NCUIRE Scholarship (\$2,500 stipend, \$500 supplies)
Eating disorders and couple relationships: The influence of stigma
- Fall 2012 Krissy Jo Bergen, NCUIRE Research Assistantship (\$625 stipend)
Emotion, culture, and relationships
- Spring 2012 Allison Garvin, NCUIRE Research Assistantship (\$625 stipend)
Stress and emotion in couples: Is affection an antidote?
- New College Undergraduate Student Research and Creative Projects Expo award:
Spring 2015 3rd Place – Best Independent Research/Creative Presentation
Agnia Barrientos Celpa, Tatjana Varmaz, Taylor, Boggio, Alejandro Ayala, C. Jessie Duncan, Lori Hermosillo, & Amal Fakhouri
The Effects of Eating Disorders on Intimate Relationships

UNDERGRADUATE – HONORS

Note: Date reflects completion or anticipated completion.

Honors Thesis Committee Chair

- May 2019 Stephanie Miller (co-Chair: Jenna Gress Smith, Ph.D.)
Treatment of Chronic Pain in a Veteran population: The role of alcohol
- May 2018 Lauren Mitchell
Emotional responses of PNES patients during four relived emotion tasks
- Dec 2016 Sanjana Khanna
Effects of social technology multi-tasking and task-switching on student learning: A literature review
- May 2016 Rand Hanna
Stress, empathy, and culture
- May 2012 Kristina Winikates
Deinstitutionalization and its effects on emergency medicine

Honors Thesis Committee Member

- May 2025 Ysenia Palma
Empowering Support and Bridging Mental Health Gaps in Domestic Violence Shelters
- May 2023 Haniyah Syed
Observing psychosomatic presentations of stress in the South Asian student population
- May 2022 Tara Paranjpe (School of Computing and Augmented Intelligence)
Investigating stress among police training cadets using machine learning
- May 2021 Catherine Marken
Impacts of mental health stigma on marriage quality in police wives
- May 2020 Carly Rogers
Social cognition in adults with autism spectrum disorder: Sex differences and aging correlates

May 2020	Saily Valadez <i>Relationship influence through personality</i>
May 2017	Daniel Restrepo <i>Investigating the changes in emotional state on the Pacific Crest Trail</i>
May 2014	Cayla Duncan <i>Does scent influence women's ratings of men's attractiveness?</i>
May 2014	Silvio Gonzalezs <i>Do mood and relationship status influence attraction?</i>
May 2013	Kali Kenar <i>How sex influences sex: Gender differences in relationships between intimacy and marital satisfaction</i>
Dec 2012	Alia Azmat <i>Reports of mood and sexual activity through the menstrual cycle in a lesbian sample</i>
May 2012	Mitchell Call <i>Give them their sweet deseret: A manifesto to the mormon church</i>
May 2007	David Herring <i>Amusement and the autonomic nervous system</i>

GRADUATE – MASTER'S LEVEL

Core faculty, *Master of Science in Psychology program*

Graduate Student Advisee Internal Research Awards

2025-26	Hoti, L. \$1250, "Executive functioning in epilepsy: Impulsivity as a moderator of the relationship between resilience and cognitive flexibility." Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. (Role: Faculty PI)
2025-26	Pandya, M. \$750, Inner Speech in Autism Spectrum Disorder. JumpStart Research Grant, Graduate College, Arizona State University. (Role: Faculty PI)
2024-25	Pandya, M. \$1,250, "Mapping emotion: Cultural differences in spatial representation and valuation of discrete emotions." Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. (Role: Faculty PI)
Spring 2024	Barragan, N. & Beesley, K. \$1,500, "The role of shame and guilt on help seeking behaviors in individuals with ADHD." RISE Initiative Seed Grant, School of Social and Behavioral Sciences/New College of Interdisciplinary Arts and Sciences, Arizona State University. (Role: Faculty PI)
2023-24	Xiaoxiang (Ellen) Zheng, \$1,250, "Exploring Self- and Interpersonal Emotion Regulation Strategies In the Association between Romantic Relationships and Well-being in the Post-COVID-19 Era: A Cross-Cultural Perspective." Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. (Role: Faculty PI)
2022-23	Julia Suciu, with Natali Barragan, Anisia Guzelides, Karissa Beesly, \$1,250, "Investigating the Role of Shame and Culture on Help-Seeking Behavior in a Cross-

Cultural Sample.” Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. (Role: Faculty PI)

- 2021-22 Natalie Kanga, \$1,250, “Exercising away non-epileptic seizures (NES): A pilot study of the effects of exercise on emotion, cognition, and clinical symptoms in NES.” Innovations in Psychological Research Grant, School of Social and Behavioral Sciences, Arizona State University. (Role: Faculty PI)
- 2020-21 Lucia Dayana Villareal, \$2,000, “Emotional Awareness, Somatic Symptoms, and Affectionate Touch Among Individuals with Posttraumatic Stress and Psychogenic Seizures.” Graduate Research and Support Program, ASU Graduate and Professional Student Association and Graduate College.
- 2018-19 Daisy Ornelas, \$1,400, “Parent Emotion Expression Values and Adolescents: A Cultural and Social Perspective.” Graduate Research and Support Program, ASU Graduate and Professional Student Association and Graduate College.

Master’s Thesis Committee Chair: Master of Science in Psychology

- May 2027 Kylee Cole
Topic: Vocal regulation of emotion during stress
- May 2027 Amanda Alexis Payton Cisneros
Topic: Emotion control values, suppression, and burnout in police officers
- May 2026 Leila Hoti
Everyone’s Referral, Nobody’s Patient: Reduced Provider Engagement, Clinical Care Pathway Disruptions, and Iatrogenic Risk in Functional Neurological Disorder
- May 2026 Manushi Pandya
Talking to the Self: Linking Inner Speech to Reasoning, Memory, and Emotion Regulation in Autism Spectrum Disorder
- May 2025 Natalie Newton
Verbal emotional expressivity of functional seizure patients compared to trauma controls
- May 2024 Julia Suci
How are you? Ethnocultural differences in help-seeking behavior
- May 2021 Lucia Dayana Villareal
Understanding emotional experiences and partner relationships among individuals with psychogenic non-epileptic seizures
- May 2021 Aaron Burnett
Law enforcement officer burnout and marital satisfaction: An examination of emotional processes
- May 2019 Daisy Ornelas
Examining parenting behaviors and attitudes towards emotions and their effects on response to adolescents’ negative emotions from a cultural perspective
- May 2019 Stephanie Thibault
In religion we trust: Psychophysiological correlates of emotion and trust among religious in-group members

- May 2018 Marin Schmitt
Emotion regulation repertoire
- May 2018 Olivia Knizek [Co-chair with Dr. Lindsey Mean]
Adjustment after retirement from collegiate athletics
- May 2017 Christopher Reynolds
Neuropsychological predictors of alexithymia in psychogenic nonepileptic seizures and epilepsy
- May 2016 Kaylee Rosenbusch
Emotion, sleep, and dreaming
- May 2015 Victoria Bryant
Emotion regulation and couple relationships among patients with seizure disorders
- May 2013 Lori Hermosillo
Mental health stigma and military spouses: The influence of marital conflict and career consequences on help-seeking encouragement
- May 2012 Mallory Barker
Is ignorance bliss?: Attributions for seizures and consequences of those attributions among participants with psychogenic nonepileptic seizures
- May 2012 Christina Walter
Evaluating brain boosters: A new cognitive enhancement program for treating post traumatic stress disorder and depression
- Dec 2011 Katrina Powell
In their shoes: Impact of emotions in marital satisfaction, communication, and technology in spouses of deployed military
- Master's Thesis Committee Co-Chair: Master of Arts in Counseling Psychology*
- Spring 2017 Lori Burmeister
Mental health and online interventions among veterans with posttraumatic stress
- Summer 2013 Dhannia Torres
Posttraumatic stress and the emotional experiences of anger and happiness
- Master's Thesis Committee Co-Chair: Master of Science in Computer Science*
- Spring 2023 Tara Paranjpe (completed an honors thesis and subsequently Master's thesis)
Enhancing machine learning models for stress prediction in police cadets
- Master's Thesis Committee Member: School of Computing and Augmented Intelligence*
- May 2025 Vishrut Harsoor
EdgeCare: A smart calendar system for detecting social isolation and enhancing well-being among older veterans
- May 2022 Sang-Hun Sim
Machine learning approaches to biometric stress assessment among police cadets
- Master's Thesis Committee Member: College of Health Solutions (Nutrition Program)*
- Spring 2024 Haley Barrong
The effects of daily vinegar intake on depression scores and blood metabolome
- Master's Thesis Committee Member: Master of Science in Psychology*
- Dec 2027 Ann Daltilio
Topic: Attachment, dissociation, and affectionate touch attitudes in relationships

- Dec 2027 Clayton Helm
Topic: Relationship jealousy and promiscuity
- Dec 2027 Elyse Ku
Topic: Machine learning to differentiate autism spectrum versus ADHD: The role of emotion regulation
- May 2025 Natali Barragan
Going the distance: Exploring the relationship between support, academic self-efficacy, and career aspirations among Latino university students
- May 2025 Mary Kate Durka
Multidimensional attraction: Creation and validation of a new measure of attraction
- May 2025 Amanda Batista
Old (social media) habits die hard when becoming that girl: Examining social media predictors of disordered eating outcomes amongst young adult women
- May 2025 Sean Sachs
Links between early-life affectionate touch and romantic relationship satisfaction
- Summer 2023 Alena Wolfson [student passed away July 2023; degree awarded posthumously]
Topic: Autism, cortisol, and emotion
- May 2022 Aubrie Munson
Are Post-Traumatic Stress Symptoms the Pathway Between Interpersonal Trauma and Touch Aversion?
- May 2020 Renee El-krab
The role of empathy in finding an effective intervention to reduce HIV related stigma
- May 2019 Kaitlyn Schodt
Social Anxiety and Emotion Regulation Processes in Romantic Relationships
- May 2019 Hayley Seely
The emotionality effect: The role of parental emotion expression in child mental health
- May 2019 Wenxi Yang
Exploring the link between sensitive temperament and depression: The role of parenting environment and empathic personal distress
- July 2018 Cayla Jessie Duncan
Depressive symptoms moderate the effects of positive interactions on physiological stress reactivity in married couples
- May 2018 Julie Hurd
Repercussions of sexual and physical trauma: The impact of lingering negative attitudes about touch
- May 2018 Jenelle Gaytan
A couples-based team approach to prophylactic bilateral mastectomy and social disapproval
- May 2018 Ashley McAfee
Does touch and talk increase synchrony in married couples?
- Dec 2017 David Parkhurst
Social affect regulation and physical affection between married partners: An experimental examination of the stress-buffering effect of spousal touch and the role of adult attachment

- July 2017 Gurjot Kaur
Effect of social support and problem- solving coping on stress predicting life satisfaction
- May 2017 Litzia Cortez
Support substitution and provision of sibling support: The role of obligation and resentment on student's mental health
- May 2017 Shiza Shahid
Spousal touch during sleep: Better sleep unless you're anxiously attached?
- May 2017 Jillian Thrall
The effects of chronic physical pain on empathy
- May 2017 Melissa Pope
Attitudes toward menopause
- Aug 2016 Miriam Velez-Bermudez
The exploration of patient-doctor relationships, social support, and symptom invisibility among women with lupus: A qualitative study
- May 2016 Sineenuch Wongsomboon
Delay and probability discounting as determinants of sexual risk behavior: The effects of delay, uncertainty, and partner's characteristics
- May 2015 Kendall Schellenger
The relationship of attitudes about touch with depressive symptoms among women who report abuse
- May 2015 Jeffrey Carlson
Predictors of mental health in parents of children with epilepsy
- May 2013 Katarina Valancova-Acevedo
The effect of hormone replacement therapy on cardiac autonomic response to laboratory stressors
- May 2013 Lauren van Huisstede
Perceived parenting, emotion regulation, and adult depression
- May 2013 Ryan Erhart
Content of Native American cultural stereotypes in comparison to other racial groups
- May 2012 Emily Foreman
Impulsivity and the experience of childhood trauma on the effect of psychological maladjustment
- May 2012 Xin Guan
What helps self-control? Social relationship characteristics and self-control
- May 2012 Jeffrey Mintert
Inhibitory control, negative emotionality, and threat appraisals as predictors of children's status in the context of bullying
- May 2012 Tara Vincelette
The effects of spousal interactions on affect and next-day somatic symptoms

Master's Thesis Committee Member: Master of Arts in Counseling Psychology
Fall 2007 Dana Weber

Relational aggression among young adults: Are mattering to friends, self-esteem, and spirituality predictors?

Capstone/Applied Project Committee Chair: Master of Science in Psychology

- May 2025 Sarah Hwang
Topic: Gratitude among fathers
- Dec 2024 Xiaoxiang (Ellen) Zheng
Topic: Cross-cultural differences in interpersonal emotion regulation and well-being
- Dec 2022 Natalie Kanga
Topic: Emotion Regulatory Benefits of Exercise for Functional Neurological Disorders
- May 2017 Melissa Schultz
Does childhood affection mitigate later seizure symptoms?
- August 2012 Steven Gunther
Getting into graduate school: The blue binder

Capstone Project Committee Chair: Master of Science in Biomimicry

- Spring 2024 Yasmine Sarraf
Mapping biomimicry to psychology

Capstone Project Committee Chair: Master of Science in BioMedical Diagnostics

- Summer 2015 Kristine Delgado
Patient diagnostic and treatment experience and healthcare providers' understanding of PNEAD (psychogenic non epileptic attack disorder)

Capstone Project Committee Chair: Master of Arts in Interdisciplinary Studies

- Spring 2010 Ashley Fairchild
Program sponsor recall and the solution to the problem of advertising avoidance
- Spring 2010 Michael Devine
Interactions between obsessive-compulsive disorder and religion

Applied Project Committee Member: Master of Science in Psychology

- May 2025 Maliyah Donaldson
Skin conductance responses and gratitude
- Dec 2024 Kenya Verdugo
Autism, emotion regulation, and relationships in adulthood
- Dec 2023 Feroza Mushtari
Afghan refugees and posttraumatic growth
- May 2018 Matthew Stowers
Impostor Phenomenon
- May 2016 Adam Kiss
Sleep and Emotion
- May 2015 Stephen Sprague
Social relationships and touch: positive effects on stress expressed through heart rate
- May 2015 Perla Mendoza
The effects of physical and social interaction between spouses on affective responses to laboratory stressors

May 2015 Hayley Swanson
Impact of affectionate touch during childhood

May 2015 Jessica Jones
A historical and current view of post traumatic stress disorder within the military and current therapies utilized for treatment

Applied Project Committee Member: Human Systems Engineering (The Polytechnic School)

Dec 2025 Navya Jagirdhar
Understanding information management and technology use among older veterans in Arizona

Capstone Project Committee Member: Master of Arts in Interdisciplinary Studies

Summer 2012 Terry Bruns
Teaching resilience: A pilot workshop

GRADUATE – DOCTORAL LEVEL

Affiliated member of the graduate faculty, Psychology program

Affiliated member of the graduate faculty, Counseling Psychology program

Dissertation Committee Co-Chair: Counseling Psychology

August 2024 Lori Burmeister
Military spouses and encouragement of treatment-seeking: The influence of marital distress, career concerns, stigma, and commitment

Dissertation Committee Member: Counseling Psychology

Fall 2017 Dhannia Torres
The Role of Intimate Partner Violence, Coping Strategies, and Marianismo and the Development of PTSD for Latinas

Summer 2012 Dana Weber
Academic success and well-being following OEF/OIF deployment

Dissertation Committee Member: Psychology

Summer 2009 Angela Zamora
Parent socialization of children's perception of risk and danger management: Mother-child conversations about stranger danger

Dissertation Committee External Examiner: Clinical Psychology, Concordia University

Winter 2011 Jessica Dere
The cultural shaping of alexithymia: Chinese values, 'Western' values, and externally oriented thinking

SERVICE

PROFESSIONAL

Editorial Activity

2024 – 2026 Co-Editor, Special Collection for *Frontiers in Psychiatry*: Functional Neurological Disorders and Functional Dissociative Seizures: Bridging Neurological Insights and Psychiatric Care

- 2012 – 2018 Editorial Review Board / Consulting Editor, *Emotion*
Nominated November 2015 for the position of Editor
- 2004 – present Ad-hoc reviewer (within past 3 years; journals organized by topic/theme)

General Psychology:
Perspectives on Psychological Science

Emotion:
Affective Science
Emotion

Neurobiological/psychophysiological underpinnings and patient research:
Epilepsy and Behavior
European Journal of Neurology
Frontiers in Psychiatry
Genes
Journal of Neurology, Neurosurgery, and Psychiatry
Psychiatry Research

Trauma:
Psychological Trauma: Theory, Research, Practice, and Policy

Close relationships:
Family Process

Previous ad-hoc reviewer (more than 3 years ago)
Biological Psychology
Cognition and Emotion
Epilepsia
International Journal of Behavioral Medicine
International Journal of Psychology
International Journal of Psychophysiology
Journal of Clinical Psychology
Journal of Personality and Social Psychology
Personal Relationships
Policing: An International Journal
Psychology and Aging
Psychological Science
Psychophysiology
Psychosomatic Medicine
Seizure

Grant Reviewer

- 2025, 2026 NIH-funded Roybal Center, Edson College of Nursing and Health Innovation, ASU
- 2024 Swiss National Science Foundation
- 2020 – 2021 National Institutes of Health (NIH): National Institute of Mental Health (NIMH)
(Summer 2020 and Spring 2021 NIMH scientific review panels) (declined 2024 review
panel invitation due to teaching schedule)
- 2012 – 2016 National Science Foundation
- 2007 Institute for Mental Health Research
- 2004 Israel Science Foundation

External Reviewer: Promotion and Tenure Cases

- 2023 Not specifying institution for confidentiality
 2021 Not specifying institution for confidentiality

Conference Organization

- 2010 Co-organizer, 2010 *Emotion Preconference*
 Society for Personality and Social Psychology
 2009 Co-organizer, 2009 *Emotion Preconference*
 Society for Personality and Social Psychology

*Committee Memberships and Leadership**Current*

- 2026 – Present Director at Large: Membership, Society for Affective Science (Board service)
 2025 – Present Co-Chair, Public Relations Committee, Society for Psychophysiological Research
 2021 – Present Co-Chair, Membership and Outreach Committee, Society for Affective Science
 (includes Program Committee participation)
 2018 – 2022 Member, Ad hoc Website Committee, Society for Psychophysiological Research
 2016 – 2022 Chair, Public Relations Committee, Society for Psychophysiological Research (two 3-
 year terms)

Previous
