

Curriculum Vitae

Chong Lee FAHA, FACSM

Associate Professor
 Honors Faculty
 College of Health Solutions
 Arizona State University
 500 N. 3rd St, ABC #226
 Phoenix, AZ 85003
 ☎ 602-827-2282
 Chong.Lee@asu.edu

Research Interests

Population Health

- Epidemiology (Physical Activity, Cardiovascular Disease, Cancer, & Chronic Disease)
- Biostatistics & Biomedical Informatics (Detection and Prediction Algorithms of Chronic Disease)
- Clinical Trials (Glycemic Control, Weight Loss, Sarcopenia, & Muscle Quality)

Statistics/Biostatistics Interests

- Power Calculations & Sample Size Estimations
- Prognostics Models, Survival Analysis, Structural Equation Modeling, Factor Analysis, Hierarchical Linear Modeling, Multivariate Statistics, Meta-Analysis.

Education

- The University of Minnesota, Minneapolis. NIH Post-Doctoral Fellow. Division of Epidemiology & Community Health, Emphasis: Epidemiology & Biostatistics. (Mentor: Dr. Aaron Folsom).
- The Cooper Institute for Aerobics Research, Dallas, TX. Post-Doctoral Fellow. Division of Epidemiology and Clinical Applications, Emphasis: Epidemiology & Biostatistics. (Mentor: Dr. Steven Blair).
- The University of Houston, Houston, Texas. Doctor of Education (Ed.D.), Department of Health and Human Performance, Emphasis: Measurement & Statistics, (Mentor: Dr. Andrew Jackson).
- Tarleton State University, Stephenville, Texas. Master of Education (M.Ed.), Department of Health and Physical Education, Emphasis: Measurement & Evaluation, (Mentor: Joe Gillespie)
- Yonsei University, Seoul, Korea. Bachelor of Science (B.S.), Department of Health and Physical Education.

Professional Positions

- Arizona State University (2013-). College of Health Solutions (Associate Professor)
- Arizona State University (2006-2012). School of Nutrition & Health Promotion, Exercise Science & Health Promotion (Assistant Professor)

Professional Affiliations

- America Heart Association
- American College of Sports Medicine
- North American Association for the Study of Obesity

Honors & Awards

- Fellow of the American Heart Association (FAHA) (2016)
- Fellow of the American College of Sports Medicine (FACSM) (2010)
- American Heart Association, The Steven N. Blair Award for Excellence in Physical Activity Research (2009)
- National Institute of Health, National Research Service Award (NRSA) (1999)
- Academic Excellence Award, Yonsei University
